Prayers

The Church says that you are like God. Jesus says that, that is blasphemy. Jesus says that you are not like God and that you are not another God by claiming to be like God. Jesus said that what you are is God Himself every time you obey God every time you follow God and every time God lives through you. Jesus said every time you obey God and follow God, God is living through you and that makes you God and makes God you. It is not that you are God yourself or that you are like God yourself for that would be blasphemy it is your obedience to God and God living through you that makes you God and makes God you. Jesus said that you cannot be God without being Father, Son, and Holy Spirit.
