- This can be the creditor or the name or position of a creditor representative.
- A telephone number for the contact person can be given for communication with the LIT.

Paragraphs 1 and 2:

- If you are an employee the creditor or a creditor representative, supply your position or job title, and the full legal name of your employer.
- If the creditor is a corporation, the person completing the form must confirm that they have the authority to bind the creditor.

- The filing date of the proceeding (day, month, and year).
 - This date may be pre-filled by the LIT.

 - If there is no specified rate, use the exchange rate on the filing date provided above.
- Attach supporting documents to provide all relevant details to prove the claim. This allows the LIT to examine the claim and decide whether to allow it.

Paragraph 4

Confirmation of debt status:

- Select whether all, part or none of the debt is statute-barred.
 - A debt is statute-barred when legislation extinguishes the debt or bars a creditor from taking legal action to recover on it due to the passage of time, known as the limitation period.
 - The specific conditions and the time for a debt to become statute-barred vary depending on the circumstances and relevant legislation. For most unsecured liabilities, the general limitation period is between two and six years.
 - A statute-barred debt is not a provable claim under the Act. If you have a claim, it is advisable to seek legal advice to confirm the relevant legislation and limitation period that apply to your claim.

Paragraph 5

Claim Details:

- Provide the date (day, month, and year) when payment was owed and the date (day, month, and year) of the last payment made by the debtor for the debt, if any.

- **Secured creditor claims:** For the amount not received from the realization of the security because of the legislated security for unpaid wages or pension plans for the benefit of the debtor's employees, check the paragraph 136(1)(d.01) or 136(1)(d.02) box.
- **Former partner or child support claims:** For unpaid alimony, alimentary pension, support or maintenance of a former partner or child for a lump sum or periodic payment for amounts due in the year before the bankruptcy or proposal, check the paragraph 136(1)(d.01) box.

D. Claims by Farmers, Fishers or Aquaculturists:

- The amount entered on both lines should be the same.
- This claim only applies to inventory supplied by farmers, fishers or aquaculturists within 15 days of the bankruptcy date or receiver's appointment (see the filing date at Paragraph 3).
- Include sales agreements and delivery receipts.

- This only applies to corporations that have filed a proposal that includes a compromise or protection from claims against the directors of the corporation made under subsection 50(13).
- A director of a corporation other than an income trust means a person who holds the position of a director regardless of their title, and in the case of an income trust, a person holding the position of trustee by any name.
- Fully explain the claim and include detailed calculations upon which the claim is based.

H. Claims by a customer of a bankrupt securities firm:

- A securities firm refers to a business that buys and sells securities, such as shares, mutual funds shares, notes, bonds, debentures, commodity futures, or derivatives, on behalf of its customers.
- The amount claimed must be for the net equity of the customer:
 - This is the value of the securities in the customer's account, had it been liquidated at the close of business on the date of bankruptcy, less any amount owed by the customer to the securities firm on the same date.
- Include detailed calculations upon which the claim is based.

Paragraph 7

Relationship to the Debtor

- Indicate whether the creditor is related to the debtor:
 - Individuals are related if they are connected by blood, marriage, common-law partnership, or adoption.
 - Corporations are typically related to individuals who control them, as well as other corporations controlled by the same persons or are part of the same group of corporations.

- Include all details of payments, credits or any transfers at undervalue.

Paragraph 9

Request for Information

If the proof of claim relates to an individual bankrupt, you can request to receive specific information by checking the applicable box.

Check the first box to be informed whenever the LIT reviews the bankrupt's financial situation, redetermines if they must make surplus income payments to the estate, and the new amount of these payments.

Check the second box to receive a copy of the LIT's report on the discharge of the bankrupt which includes information such as the reasons for bankruptcy, the bankrupt's conduct, performance of their required duties, and other relevant facts.

- The LIT will send a copy of the report to the creditor using the contact information provided in the **Creditor Contact Information** section.

Paragraph 10

The person completing the form must sign it and include the location and specific date (day, month, and year) they signed it.

- Signing this form binds the creditor and attests that the information is full, true and complete to the best of their knowledge.
- It is a serious offence for a creditor to include any false information or to make any false claims with the intent to defraud. The offence can result in a fine of up to \$5,000, imprisonment for up to one year, or both.
