**TO ALL CREDITORS:**

Dear Sir/Madam:

**Re: Tinder Fire Protection Inc.**

Please find enclosed a copy of the Creditor's Package in the matter of the Bankruptcy of Tinder Fire Protection Inc. The First Meeting of Creditors will take place on March 15, 2022, 10:00 AM (MST) and will be held via teleconference call at (877) 252-9279, Conference ID: 811672212#.

The First Meeting of Creditors is a formality in the Bankruptcy process and its purpose is to affirm the Trustee's appointment, appoint inspectors to the Bankrupt Estate and to provide the Trustee with directions in carrying out the administration of the estate. In order to be eligible to vote at the meeting of creditors, creditors must have completed and submitted a properly executed proof of claim prior to the start of the meeting. You may send your completed claim by email to [edmonton.insolvency@mnp.ca](mailto:edmonton.insolvency@mnp.ca).

**Please note that creditors are not obligated to attend the meeting and that a creditor's non-attendance does not impede its ability to file a proof of claim and participate in the distribution of any dividends that may become available upon completion of the administration.**

Should you require further information, including assistance with completing a proof of claim, please contact Comfort Uche at 780.429.5871

Yours truly,

**MNP Ltd.**

There should be an account of each item giving the date, nature of goods or services provided and the amount in order that the claim may be checked. Statements with a mere "balance" or "account rendered" may be insufficient; the more recent transactions making up final balance must be shown.**
5. The status of the claim must be shown at Item 4. Select the appropriate category.
  - A. Unsecured Unless a claim is filed under B or C, all claims will fall under this category. There may be special circumstances where priority is claimed. If you claim a priority, mark "X" in (ii) in this section and file the appropriate documents to support the claim.
  - B. Secured if you are claiming to be secured, the value at which you assess your security should be inserted in the blank space. Details of each item of security you hold should be attached as a separate schedule along with a copy of your security contract showing proof of registration.
  - C. "Producers" The Bankruptcy and Insolvency Act gives special status to Farmers, Fisherman and Aquaculturists who have supplied their produce within 15 days prior to bankruptcy. Attachment of evidence of delivery is required.
6. **Item 5 - All claimants must indicate if they are related or not to the debtor, as defined in Section 4 of the Bankruptcy and Insolvency Act, by striking out "are" or "are not".**
7. **Item 6 requires a detailed list of payments received by you for specified periods. Please complete a separate schedule for reply.**
  - i) This typically refers to a significant change in the bankrupt's household income or expenses.
  - ii) This refers to the amount that is established that the bankrupt is to remit to the estate monthly from his household income.
  - iii) The Section 170(1) report is prepared by the trustee when the bankrupt is approximately 6 to 7 months old. It provides a description of what assets have been realized, what the trustee anticipates realizing, a summary of essential facts about the bankrupt, a report on whether the bankrupt has complied with his duties or not, and the total of claims submitted to the date of the report.
8. **Item 7 - Proxy. In the event a meeting of creditors is called you may wish to appoint someone to vote on your behalf. You can appoint your nominee by providing this person your proxy.**
