Subject: RE: SmartPay v Curexe--0930 Attendance--Order

Importance: High

This message originated from outside of Gowling WLG. | Ce message provient de l'extérieur de Gowling WLG.

This motion proceeded before me today by Zoom. Mr. Shea attended for the Liquidator. All materials have been served, the CBCA director has approved the form of order, and no one has opposed or attended.

I am satisfied that the discharge order should be granted. While creditor claims are being compromised in this liquidation, Mr. Shea points out that there will be 93% recovery, far more than in a bankruptcy. There is no bankruptcy of Curexe and the compromise will not result in an insolvency. All of the provisions of the order are acceptable to me.

Order to go as signed by me and attached to this email endorsement. This order is effective from today's date and is enforceable without the need for entry and filing.

A handwritten signature in blue ink, appearing to read "Conway J.", with a stylized flourish at the end.
