Name of applicant: 1032951 B.C. Ltd. (the “Company”)

TAKE NOTICE that a WITHOUT NOTICE application will be made by the Company to the presiding judge or master at the courthouse at 800 Smithe Street, Vancouver, British Columbia on April 20, 2020 at 9:45 a.m. for the order set out in Part 1 below.

Part 1 ORDERS SOUGHT

1. An order that the time for filing the Company’s proposal under Part III of the *Bankruptcy and Insolvency Act* (“**BIA**”) be extended to 11:59 p.m. on Friday, May 15, 2020; and
2. An Order that any party affected by this Order have leave to apply to set same aside on two days’ notice to the solicitor for the Company.

all substantially as set out in the forms of order attached hereto as Schedule “A”.

Part 2 FACTUAL BASIS

1. On January 8, 2020 (the “**Filing Date**”), the Company filed a Notice of Intention to Make a Proposal (the “**NOI**”) pursuant to section 50.4 of the *Bankruptcy and Insolvency Act* (the “**BIA**”). MNP Ltd. was appointed as trustee under the NOI (in such capacity, the “**NOI Trustee**”).

2. The Company is a corporation incorporated on April 9, 2015 pursuant to the laws of British Columbia with its head office and main location of operations at 2500 - 1075 West Georgia Street, Vancouver, British Columbia.
3. The Company was a venture capital firm in the business of making investment in biotechnology and health sciences companies.
4. In March 2016, the Company borrowed \$1,500,000 from Jesson International Investment (Canada) Ltd. ("**Jesson International**") for the purpose of making investment in Sitka Biopharma Inc. ("**Sitka**"). The terms of the loan include interest at the rate of 8% per annum payable annually, and principal and interest are payable on demand, and the loan was to be secured by a general security agreement over all of the present and after-acquired personal property of the Company.
5. In September 2016, the Company and MSI Methylation Sciences, Inc. ("**MSI**"), a clinical stage pharmaceutical company based in Vancouver, British Columbia, entered into an investment agreement (the "**MSI Agreement**"), the general terms of which set out that the Company would invest up to \$30,000,000 USD (by way of four separate payments on certain terms) and by which the Company would obtain a majority interest in MSI. The first payment of \$1,000,000 USD was made by the Company on September 30, 2016. No further funds were advanced by the Company under the investment agreement.
6. On or about January 6, 2017, the Company ceased making direct investment, and instead, became the general partner of Quark Venture Limited Partnership ("**Quark LP**"), a limited partnership formed under the laws of British Columbia.
7. In July 2017, Jesson International and 1049019 B.C. Financial Business Ltd. ("**104**") advanced a total of \$12,770,000 to the Chen Family (2017) Trust (the "**Chen Trust**"), and that these funds, in turn, were used to purchase partnership interest in Quark LP. The terms of the loan include that the Company, in its capacity as the general partner of Quark LP, guarantees the debt obligations of the Chen Trust, such guarantee to be secured by a general security agreement.
8. In March 2017, MSI commenced an arbitration proceeding under the MSI Investment Agreement.
9. In April 2018, Jesson International issued a demand for repayment of its 2016 loan, and the parties subsequently entered into a forbearance agreement. The terms of the forbearance agreement include a share pledge by the Company of its shareholdings in Sitka.
10. In April 2018, Jesson International and 104 issued a demand for repayment of their loans to the Chen Trust, and the parties subsequently entered into a forbearance agreement.

The terms of the forbearance agreement include a pledge of Quark LP's interest in Global Science Health Fund I, L.P., an exempted limited partnership formed under the laws of the Cayman Islands.

11. In June 2018, following the arbitration hearing, MSI was awarded damages of \$20,000,000 USD (the "**Award**"), and in September 2018, a supplementary award was made in respect of interest and costs (the "**Supplementary Award**").
12. On December 18, 2018, the limited partners of Quark LP, by way of an extraordinary resolution under the limited partnership agreement, removed the Company as the general partner of Quark LP and appointed Quark Venture GP Ltd. as the general partner.
13. The Company applied to set aside the Award and the Supplementary Award, but in March 2019 the petition was dismissed and the Company was ordered to pay MSI \$20,080,066.67 USD plus interest, and MSI was granted leave to enforce the Award and Supplementary Award. In April 2019, the Company filed notices of appeal to the B.C. Court of Appeal from the B.C. Supreme Court's decisions, but those appeals were dismissed on December 6, 2019.
14. On August 23, 2019, an Order of the Supreme Court of British Columbia was granted which confirmed the debt due to Jesson International by the Company and confirmed the security granted and executed. At the date of that court order, Jesson International was owed approximately \$1,808,000 plus costs.
15. On August 23, 2019, an Order of the Supreme Court of British Columbia was granted which confirmed the debt due to Jesson International and 104 by the Chen Trust, and confirmed the security granted and executed. At the date of the Court Order, Jesson International and 104 were owed approximately \$15,069,000 plus costs.
16. The Company has no assets of any substance, but MSI is pursuing its Award and the Supplementary Award.
17. The parties have initiated discussions to settle MSI's claims against the Company, as well as Related Claims against the Company and other secured creditors; however, the parties have not yet completed the negotiations.
18. MSI consented to a two week extension, and that was not opposed by Jesson International or 104.
19. The Court granted a two week extension. MSI and the Company continued to negotiate but did not reach an agreement that might support a proposal by February 21, 2020.

20. The Company then sought a further extension to February 28, 2020, to which MSI had consented and which were not opposed by Jesson International or 104; the Court granted the second extension to February 28, 2020.
21. While MSI and the Company have made progress and continue to negotiate, MSI and the Company have not yet reached an agreement that might support a proposal.
22. The Company sought and obtained a further extension to April 20, 2020 to allow it sufficient time to complete its negotiation with MSI and its other creditors with the consent of MSI and Jesson International.
23. Although good faith negotiations have continued, given the difficulties created by the Covid 19 crisis and the large volume of information requested by MSI, which must be reviewed by Jesson International, the parties have not yet completed their negotiations. Accordingly, the Applicant seeks an order to extend the time within which to file its proposal to May 15, 2020. Each of MSI and Jesson International consents to this extension.
24. The Applicant has not had time to canvass the other small creditors but the extension is brief and will not prejudice them. The NOI Trustee is in favour of the extension.
25. The Company has acted, and continues to act, in good faith and with due diligence. The Company has no current expenses and as per the cash flow projection filed by MNP Ltd.

Part 3 LEGAL BASIS

1. Rules 11 to 13 of the *Bankruptcy and Insolvency Rules* and Part III of Division I of the BIA.

Extension of Period for Filing Proposal

2. The Company relies on section 50.4(9) of the BIA.
3. The Company has acted, and is acting, in good faith and with due diligence and continues to pursue the preservation and completion of asset sales and reduction of costs with the assistance of the NOI Trustee.
4. The Company is unaware of any creditor which would be materially prejudiced if the extension being applied for were granted. Although this application is *without notice*, the vast majority of creditors in dollar value and number are aware of the application and do not oppose it.

5. The Company submits that, in the circumstances, the extension sought is appropriate and necessary.

Part 4 MATERIAL TO BE RELIED ON

1. Third Report to the Court of MNP Ltd. dated February 28, 2020.
2. Fifth Affidavit of Chao Lin sworn April 17, 2020.

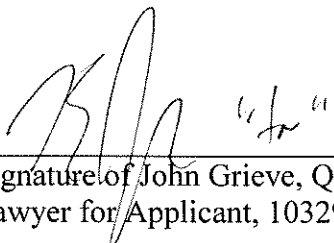

The applicant estimates that the application will take 5 minutes.
