**ONTARIO  
SUPERIOR COURT OF JUSTICE  
COMMERCIAL LIST**

IN THE MATTER OF THE PROPOSAL OF  
ALFACON SOLUTIONS LIMITED  
OF THE TOWN OF MILTON, IN THE PROVINCE OF ONTARIO

**NOTICE OF MOTION**

**Alfacon Solutions Limited** (“**Alfacon**”) will make a Motion before a Judge sitting on the Commercial List to be heard on **Friday, November 16, 2018**, at 3:30 p.m. or as soon after that time as the Motion can be heard at the Court House, 330 University Avenue, Toronto, Ontario, M5G 1E6.

**PROPOSED METHOD OF HEARING:** The motion is to be heard

- in writing under subrule 37.12.1 (1) because it is (insert one of on consent, unopposed or made without notice);
- in writing as an opposed motion under subrule 37.12.1 (4);
- orally.

**THE MOTION IS FOR:**

1. If necessary, abridging the time for service and filing of the Notice of Motion, the Motion Record and the Second Report of MNP Ltd., the Proposal Trustee (the “**Proposal Trustee**”) dated November 16, 2018 (the “**Second Report**”) and dispensing with service on any other person other than those served;

2. Extending the time for filing a proposal, and extending the stay of proceedings granting upon the filing on October 2, 2018 (the “**Filing Date**”) of a Notice of Intention to Make a Proposal (the “**NOI**”), and extended on November 1, 2018 by the Order of Hainey, J. to November 16, 2018, for a period of **seven (7) days**, to and including **November 23, 2018**;

3. Such further and other relief as counsel to Alfacon may request and this Honourable Court may deem just.

#### **THE GROUNDS FOR THE MOTION ARE:**

1. Alfacon’s insolvency has been caused by a number of factors including but not limited to: challenging market conditions due to persistent working capital shortfalls, two large legacy systems integration projects having been delivered over longer time frames than anticipated and at a combined negative gross margin, an unplanned facility relocation, and significant turnover in the sales team, resulting in a revenue decline. As a result of these issues, Alfacon has faced a liquidity crisis which has made it impossible to maintain its obligations to its creditors.

2. Alfacon entered into a forbearance agreement with its operating lender Royal Bank of Canada (“**RBC**”). On September 27, 2018 Royal Bank of Canada served demands under the terms of its loan and security documentation and forbearance agreement and a Notice of Intention to Enforce Security pursuant to section 244 of the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3 (the “**BIA**”).

3. On October 2, 2018, Alfacon filed an NOI. Pursuant to the BIA all proceedings against Alfacon were stayed for 30 days;

#### **Extension of Time**

4. Alfacon requested and obtained on November 1, 2018 an extension of the stay of proceedings to an including November 16, 2018, and now is requesting a further extension to and including November 23, 2018;

5. Since the date of the extension, Alfacon, under the supervision of the Proposal Trustee, and in consultation with RBC, the lender with first priority over its assets, has completed work in

progress for customers, collected receivables, and has conducted an expedited sales process to identify an en-bloc purchaser.

6. Late on the evening of November 15, 2018 a letter of intent on terms that could be acceptable to the Proposal Trustee and RBC was presented by a potential en-bloc purchaser, which has been the subject of further negotiation on November 16, 2018, details of which will be provided in the Second Report.

7. An extension of the stay to November 23, 2018 would provide Alfacon, with the Proposal Trustee's assistance, and in consultation with RBC and its counsel, the necessary time to complete a transaction with the potential purchaser with a view to Alfacon making a proposal to its creditors;

8. The Proposal Trustee and RBC are agreeable to the extension requested by Alfacon;

9. Alfacon has acted and continues to act in good faith and with due diligence in seeking to restructure its affairs after the date of the filing of the NOI;

10. No creditor would be materially prejudiced by the granting of the requested extension of the stay;

11. Sections 50.4(9), 50.6 and 64.2 of the BIA, as amended;

12. Rules 1.04, 2.03, 3.02, 16.04 and 37 of the *Rules of Civil Procedure*, RRO 1990, Reg. 194, as amended;

13. The inherent and equitable jurisdiction of this Honourable Court;

14. Other grounds as described in the Affidavit of John Murdoch dated October 30, 2018, the First Report of the Proposal Trustee dated October 30, 2018, the Affidavit of Michael Brandt dated November 16, 2018 and the Second Report; and

15. Such further and other relief as counsel may advise and this Honourable Court may permit.

**THE FOLLOWING DOCUMENTARY EVIDENCE** will be used at the hearing of the Motion:

1. The Affidavit of John Murdoch sworn October 30, 2018 and the exhibits annexed thereto;
2. The First Report of the Proposal Trustee dated October 30, 2018 and appendices annexed thereto;
3. The Affidavit of Michael Brandt sworn November 16, 2018, and the exhibits annexed thereto;
4. The Second Report and appendices annexed thereto;
5. Such further and other material as counsel may produce and this Honorable Court may permit.

IN THE MATTER OF THE PROPOSAL OF  
ALFACON SOLUTIONS LIMITED  
OF THE TOWN OF MILTON, IN THE PROVINCE OF ONTARIO

**AFFIDAVIT OF MICHAEL BRANDT**

I, **MICHAEL BRANDT**, of the City of Toronto, in the Province of Ontario, MAKE OATH AND SAY AS FOLLOWS:

1. I am the Chief Financial Officer of Alfacon Solutions Limited (“**Alfacon**” or the “**Company**”). Where I do not have personal knowledge, I have indicated the source of my information and do verily believe such information to be true. Where correspondence is adopted as an exhibit, I do verily believe the information contained therein and that it was sent and received on the date(s) indicated.

**I. Relief Sought:**

2. This Affidavit is sworn in support of a motion for an Order:

- (a) If necessary, abridging the time for service of the Notice of Motion, the Motion Record and the Second Report of MNP Ltd. (the “**Proposal Trustee**”) dated November 16, 2018 (the “**Second Report**”) and dispensing with service on any other person other than those served;
- (b) Extending the time for filing a proposal, and extending the stay of proceedings granted upon the filing on October 2, 2018 (the “**Filing Date**”) of a Notice of Intention to Make a Proposal (the “**NOI**”), for a period of seven (7) days, to and including **November 23, 2018**;

### **Overview of the Business:**

3. I have reviewed and affirmed the facts contained in the Affidavit of John Murdoch sworn October 30, 2018 and exhibits thereto, which is attached hereto as Exhibit "A".
4. Briefly, Alfacon is an Ontario corporation that was amalgamated on May 1, 2014. At the date of filing of the NOI, Alfacon employed 37 people. Alfacon is a leading custom engineered material handling solutions company, whose amalgamated precursor companies were founded in 1983 and operates from a full scale manufacturing facility in Milton, Ontario.
5. Alfacon provides custom design, engineering, manufacturing and installation support for its customer base of small manufacturers to Fortune 500 companies across North America for lifting-turning-tilting equipment, package handling conveyors, pallet handling conveyors and related equipment, portable-modular conveyors and truck loaders. Alfacon's clients include such leading customers as Purolator, Canada Post, DHL, Federal Express, OnTrac, Jervis B. Webb, Magna, Boeing, and Bombardier.
6. Alfacon funded its operations from a combination of shareholder equity and line of credit from its banking facility with Royal Bank of Canada ("RBC"), its operating lender. Alfacon also has other significant secured creditors including BDC Capital Inc. ("BDC"), and shareholders, directors, family and friends, and capital lessors.
7. Market conditions remain extremely challenging due to persistent working capital shortfalls. Two large legacy systems integration projects were delivered over longer time frames than anticipated and at a combined negative gross margin. These projects initiated the working capital challenges, which were exacerbated by an unplanned facility relocation, coupled with significant turnover in the sales team, resulting in a revenue decline. Shareholder injections have proven insufficient to overcome the deficit in working capital.
8. Alfacon's primary assets are its inventory and accounts receivable from its customers as well as fixed assets.
9. The chief secured creditor, and lender with first priority to Alfacon is Royal Bank of

Canada with indebtedness of approximately \$2,158,586 (“RBC”) as at the Filing Date. RBC has first security position pursuant to a priorities agreement entered into with BDC and shareholders, directors, family and friends.

10. At the date of the hearing of the extension motion Alfacon will be current in paying accrued employee source deductions and HST remittances.

11. In April of 2018, and amended in July 2018, Alfacon entered into a Forbearance Agreement with RBC where RBC agreed to forbear in exchange for being provided further collateral from affiliates and shareholders in order to allow Alfacon time to cure defaults under its banking facilities with RBC.

12. On September 27, 2018, RBC made demand under the terms of its loan and security documentation and issued a notice of Intention to Enforce Security (the “NITES”) under the provisions of section 244 of the *Bankruptcy and Insolvency Act* (the “BIA”). The filing of the NOI by Alfacon was necessitated by the making of demand and service of the NITES by RBC.

13. In response to the above referenced issues, and the making of demand and issuance of the NITES by RBC, Alfacon determined that it had no other readily available options but to file the NOI on the Filing Date to prevent irreparable harm to the business of Alfacon and the erosion of the capital of its investors, while Alfacon implements a sale process.

14. To date, Alfacon has not filed a proposal. The NOI was filed in order to preserve the status quo and to preserve its business operations.

15. On November 1, 2018 Alfacon with the support of the Proposal Trustee and RBC obtained an Extension Order from Justice Hainey extending the Stay of Proceedings to November 16, 2018 (the “**First Extension Order**”) which is attached as Exhibit “**B**” to my affidavit.

16. After the date of the First Extension Order, in consultation with the Proposal Trustee and RBC, Alfacon has worked to complete work in progress, collected receivables and conducted an expedited sale process to identify an en-bloc purchaser.

17. Late on the evening of November 15, 2018 a letter of intent on terms that may be acceptable to the Proposal Trustee and RBC was presented by a potential en-bloc purchaser, and the finalized terms of which were negotiated today. Details of this Letter of Intent will be provided in the Second Report.

18. The terms of the Letter of Intent include funding by the potential purchaser during the requested stay period to enable the purchaser and Alfacon, with the supervision of the Proposal Trustee and consultation with RBC, to complete a definitive Purchase Agreement with the purchaser, and to obtain a requested Vesting and Sale Approval Order to complete the transaction.

19. A revised Cash Flow Forecast will be filed with the Court prior to the hearing, along with the comments of the Proposal Trustee.

20. Since filing the NOI, Alfacon has continued to service its customers. Every effort is being made to maintain the ongoing business until the closing of a possible sale transaction.

21. The paramount goal of Alfacon is to preserve, maximize and realize value for the benefit of all stakeholders.

### **Cash Flow Forecast**

22. Alfacon has prepared a Cash Flow Forecast for the extension period request (the “**Second Cash Flow Forecast**”) which is attached to the Second Report.

### **Extension of Stay**

23. In order to allow Alfacon sufficient time to complete a transaction with the potential purchaser and to complete its reorganization successfully, Alfacon is seeking an extension of the time for filing of the Proposal to and including November 23, 2018 for a total of 7 days.

24. I verily believe that Alfacon has acted in good faith and with diligence and has made best efforts in seeking to restructure the affairs of Alfacon after the date of filing the NOI. In order to

maximize return for all stakeholders, it would not be possible to complete the restructuring process, complete a transaction with the potential purchaser and prepare a Proposal to creditors within the initial stay period, as extended by the First Extension Order, provided for under the BIA.

25. I verily believe that the requested extension will substantially enhance the likelihood of Alfacon completing the transaction to assist it in making a Proposal to its creditors, and will not cause any undue prejudice to any party.

26. An extension of stay proceedings is essential to preserve Alfacon's business and to maintain its value. Without the benefit of a stay of proceedings, Alfacon would be deemed bankrupt and there would be a fast and significant erosion of value of Alfacon's assets.

27. I swear this Affidavit in support of Alfacon's motion for the relief requested and for no other or improper purpose.

## II. Overview and Business Operations

### A. Overview of the Business:

3. Alfacon is an Ontario corporation that was amalgamated on May 1, 2014. Attached hereto as **Exhibit “A”** is a copy of a Corporation Profile Report dated October 23, 2018. The shares of Alfacon are owned by Monteco Ltd. (“**Monteco**”)(75%), Steve Marr Holdings Inc. (19%) and 111385 Ontario Ltd. (6%).

4. At the date of filing of the NOI, Alfacon employed 37 people. None of the employees were terminated after the NOI was filed.

5. Alfacon is a leading custom engineered material handling solutions company, whose amalgamated precursor companies were founded in 1983 and operates from a full scale manufacturing facility in Milton, Ontario.

6. Alfacon provides custom design, engineering, manufacturing and installation support for its customer base of small manufacturers to Fortune 500 companies across North America. Alfacon’s products include: lifting-turning-tilting equipment, package handling conveyors, pallet handling conveyors and related equipment, portable-modular conveyors and truck loaders. Industries served include: postal/courier industry, manufacturing, and distribution industries. Alfacon’s clients include such leading customers as Purolator, Canada Post, DHL, Federal Express, OnTrac, Jervis B. Webb, Magna, Boeing, and Bombardier.

7. Alfacon funded its operations from a combination of shareholder equity and line of credit from its banking facility with Royal Bank of Canada (“RBC”), its operating lender. Alfacon also has other significant secured creditors including BDC Capital Inc. (“BDC”), and shareholders, directors, family and friends, and capital lessors.

8. Market conditions remain extremely challenging due to persistent working capital shortfalls. Two large legacy systems integration projects were delivered over longer time frames than anticipated and at a combined negative gross margin. These projects initiated the working capital challenges, which were exacerbated by an unplanned facility relocation, coupled with significant turnover in the sales team, resulting in a revenue decline. Shareholder injections have proven insufficient to overcome the deficit in working capital.

9. Alfacon’s sales in recent years have been uneven. They range from \$9.5 million per year in fiscal year 2015 to \$19 million in fiscal 2017 and back to \$8 million in fiscal 2018. Sales performance has been inconsistent due to a turnover in the sales team, and a deliberate effort to focus the business on more profitable product manufacturing and away from high risk systems integration projects.

**B. Assets:**

10. Alfacon’s primary assets are its inventory and accounts receivable from its customers as well as fixed assets, with estimated book values at the date of the NOI of \$812,102 for the inventory, \$1,273,623 for the accounts receivable and \$299,464 for the fixed assets. The book value of these assets may not reflect the actual realizable value of the assets and certain of the fixed assets are subject to capital leases. As part of the SISP Alfacon will be obtaining an appraisal of its fixed assets.

**Secured Indebtedness:**

11. Attached hereto as **Exhibit “B”** to this my Affidavit is PPSA Search for Alfacon. The chief secured creditor to Alfacon is Royal Bank of Canada with indebtedness of approximately \$2,158,586 (“RBC”) as at the Filing Date. The total amount owing to all creditors is \$10,767,613 as at the Filing Date, including the amounts owing to RBC. RBC has first security position over the inventory and accounts receivable pursuant to a priorities agreement entered into with BDC

and shareholders, directors, family and friends.

12. BDC is a term lender and is owed \$780,000. BDC has been granted second security position over all assets, including inventory, accounts receivable and intellectual property.

13. Capital lessors with registered security interests that have financed certain equipment and inventory include Vault Credit Corporation, Dell Financial Services Canada Limited, Liftcapital Corporation, National Leasing Group Inc. and RCAP Leasing Inc.

14. Shareholders and management have also injected working capital into Alfacon and have been granted security interests over Alfacon's assets, and these security interests have been subordinated to the secured position of RBC under a priorities agreement.

15. At the date of the hearing of the extension motion Alfacon will be current in paying accrued employee source deductions and HST remittances.

#### **Unsecured Creditors:**

16. The breakdown of secured versus unsecured indebtedness is in the process of being finalized. Alfacon's accounts payable to unsecured creditors totaled approximately \$4,954,476 as at the Filing Date. Attached hereto as **Exhibit "C"** is a copy of Alfacon's Creditor List which is attached to the NOI.

### **III. Current Status**

#### **A. Factors Leading to Insolvency:**

17. As outlined, a number of factors have led to Alfacon's insolvency including but not limited to, negative gross margins on large legacy projects, unplanned facility relocation, turnover in sales staff and the accompanying decline in sales, payment of unplanned legal fees to resolve a five year old dispute, and the inability to attract additional capital from institutional lenders and equity investors. As a result Alfacon faced liquidity concerns which have made it difficult to maintain its obligations to its creditors.

18. Beginning in 2017, the Company increased its efforts to attract additional capital from

institutional lenders and equity investors, whether by way of debt, equity or some other form of strategic alliance. While there was some interest in the market, it became apparent that Alfacon would have to formally restructure its affairs before anyone would invest further.

19. In April of 2018, and amended in July 2018, Alfacon entered into a Forbearance Agreement with RBC where RBC agreed to forbear in exchange for being provided further collateral from affiliates and shareholders in order to allow Alfacon time to cure defaults under its banking facilities with RBC.

20. On September 27, 2018, RBC made demand under the terms of its loan and security documentation and issued a notice of Intention to Enforce Security (the "NITES") under the provisions of section 244 of the *Bankruptcy and Insolvency Act* (the "BIA"). The filing of the NOI by Alfacon was necessitated by the making of demand and service of the NITES by RBC.

21. In response to the above referenced issues, and the making of demand and issuance of the NITES by RBC, Alfacon determined that it had no other readily available options but to file the NOI on the Filing Date to prevent irreparable harm to the business of Alfacon and the erosion of the capital of its investors, while Alfacon implements a sale process.

22. To date, Alfacon has not filed a proposal. A copy of the Certificate of Filing of the NOI is attached hereto as **Exhibit "D"**.

23. The NOI was filed in order to preserve the status quo and to preserve its business operations.

24. After the date of the filing of the NOI, and in consultation with the Proposal Trustee and RBC, Alfacon will implement a factoring arrangement with Liquid Capital to accelerate collection of its receivables. The Second Cash Flow Forecast (as defined below and attached at Exhibit "E") reflects the improved cash flow resulting from the factoring arrangement.

25. Since filing the NOI, Alfacon has continued to service its customers. Every effort is being made to maintain the ongoing business until the closing of a possible sale transaction.

#### IV. Overview of Restructuring Plan and SISP

26. The paramount goal of Alfacon is to preserve, maximize and realize value for the benefit of all stakeholders. Alfacon is of the view that the restructuring to be undertaken under the BIA will likely involve a sale of its business. Alfacon will explore all options to maximize value for stakeholders.

27. The purpose of the SISP is to identify one or more financiers, purchasers or investors in Alfacon's business with a projected completion date of a transaction or transactions by the end of January 2019.

28. The SISP will include broad marketing to all potential financiers and investors, including those that have already expressed interest in purchasing the business. Alfacon and the Trustee are proposing a two stage process of requiring bidders to submit Letters of Intent by November 30, 2018 after a due diligence process, selecting qualified bidders from among the bidders who submitted letters of Intent, with a deadline for final bids of January 15, 2019. Court approval would be sought prior to January 25<sup>th</sup> for an anticipated closing date of January 30<sup>th</sup>, 2019. It will be a fair and transparent process that will be conducted by Alfacon in consultation and oversight by the Proposal Trustee.

29. The SISP, conducted by Alfacon in consultation with the Proposal Trustee and Monteco, would formalize this process and ensure that (a) there will be no complications to completing a transaction resulting from the structure of Alfacon's business, and (b) no issues arise in the event competing bidders make offers for Alfacon's assets.

30. A chart summarizing the important dates for the SISP is set out below:

	<b>Event</b>	<b>Timing</b>
1	Alfacon and the Proposal Trustee shall contact Prospective Offerors.	Immediately upon approval of Sale Process

2	Information pertaining to this opportunity will be posted on the Proposal Trustee's website: <a href="https://mnpdebt.ca/en/corporate/engagements/alfacon-solutions-limited">https://mnpdebt.ca/en/corporate/engagements/alfacon-solutions-limited</a>	Initial information to be posted within 1 business day of obtaining approval of the Sales Process
3	Advertise the sale in a recognized online publication, in a nationally circulated print newspaper, and as considered appropriate by the SISP Team.	Within 5 business days of obtaining approval of the Sales Process
4	Interested Parties given access to data room and provided time to prepare LOIs	November 2 <sup>nd</sup> , 2018 to November 30 <sup>th</sup> , 2018
5	Deadline for submission of LOIs	5:00 PM (Toronto Time) November 30 <sup>th</sup> , 2018
6	Qualified Bidders invited to conduct site visits and additional due diligence	December 1 <sup>st</sup> , 2018 to January 15 <sup>th</sup> , 2019
7	Deadline for Final Bids	5:00 PM (Toronto Time) January 15 <sup>th</sup> , 2019
8	Selection of Successful Bid and execute binding APS	January 18 <sup>th</sup> , 2019
9	Seek Court approval of APS and obtain a vesting order.	On or prior to January 25 <sup>th</sup> , 2019
10	Close sale to Successful Bidder(s).	On or prior to January 30 <sup>th</sup> , 2019
11	Unsuccessful bidders to return all confidential materials to the Proposal Trustee, and applicable deposits refunded.	January 31 <sup>st</sup> , 2019

31. Alfacon approves the SISP being proposed and I am advised that the Proposal Trustee is agreeable to overseeing the SISP.

32. Alfacon has identified and has entered into preliminary discussions with several possible purchasers. After approval of the SISP Alfacon and the Proposal Trustee will specifically invite these parties to participate in the SISP.

33. Given the complexity involved in the sale of Alfacon's assets and a possibility that current management may be involved in a purchase offer, the Proposal Trustee requires enhanced powers to conduct the SISP.

34. The Proposal Trustee has approved Alfacon obtaining the form of draft Order being requested, approving the SISP and the expanded powers of the Proposal Trustee described in the draft Order.

35. Alfacon is also requesting that the Court grant a charge in the amount of \$50,000.00 on its assets in favour of the Proposal Trustee, its counsel and counsel for Alfacon (the "**Professional Advisors**") to secure payment of fees and expenses incurred in connection with this proceeding (the "**Administration Charge**"). The Professional Advisors have been and will continue to be actively involved in providing Alfacon support, advice and assistance through these proceedings and their ongoing support is necessary to maximize value for all stakeholders. The Proposal Trustee will ensure that the business and affairs of Alfacon will be properly managed by management of Alfacon during these proceedings.

#### **V. Cash Flow Forecast**

36. Alfacon has worked with the Proposal Trustee to prepare a Cash Flow Statement and Report on Cash Flow for Alfacon which was filed by Alfacon in accordance with the BIA (the "**Cash Flow Forecast**").

37. Alfacon has also prepared as Cash Flow Forecast for the extension period request (the "**Second Cash Flow Forecast**"). Attached hereto as **Exhibit "E"** is a copy of the Cash Flow Forecast and the Second Cash Flow Forecast. Based on my knowledge of the financial position of Alfacon and the assumptions set out in the Cash Flow Forecast and the Second Cash Flow Forecast, both of these are fair and reasonable.

#### **VI. Extension of Stay**

38. In order to allow Alfacon sufficient time to implement the SISP and to complete its reorganization successfully, Alfacon is seeking an extension of the time for filing of the Proposal to and including December 15, 2018 for a total of 45 days.

39. I verily believe that Alfacon has acted in good faith and with diligence and has made best efforts in seeking to restructure the affairs of Alfacon after the date of filing the NOI. In order to maximize return for all stakeholders, it would not be possible to complete the restructuring process and prepare a viable Proposal to creditors within the initial stay provided for under the BIA.

40. I verily believe that the requested extension will substantially enhance the likelihood of Alfacon conducting an effective SISP to assist it in making a viable Proposal to its creditors, and will not cause any undue prejudice to any party.

41. An extension of stay proceedings is essential to preserve Alfacon's business and to maintain its value. A stay would also provide Alfacon with the necessary time to undertake and implement the SISP and complete a transaction with a view to making a successful proposal to creditors.

42. Without the benefit of a stay of proceedings, Alfacon would be deemed bankrupt and there would be a fast and significant erosion of value of Alfacon's assets.

43. I swear this Affidavit in support of Alfacon's motion for the relief requested and for no other or improper purpose.

IN THE MATTER OF THE PROPOSALS OF  
Alfacon Solutions Limited  
of the Town of Milton, in the Province of Ontario

NOTICE TO CREDITORS OF NOTICE OF INTENTION TO MAKE A PROPOSAL FILING

To the Creditors of Alfacon Solutions Limited ("Alfacon" or the "Company")

Please take notice that on October 2, 2018, Alfacon filed a Notice of Intention to Make a Proposal (the "NOI") pursuant to Section 50.4(1) of Part III, Division I of the *Bankruptcy and Insolvency Act* (Canada) (the "BIA") and MNP Ltd. ("MNP") was appointed as the proposal trustee (the "Trustee") in these proposal proceedings.

Please find enclosed the following:

1. The Notice of Intention to Make a Proposal (Form 33), dated October 1, 2018 (Filed October 2, 2018);
2. A list of the names of the known creditors with claims of \$250 or more and the amounts of their claims (the "Creditor Listing");
3. The consent of the MNP to act as Trustee in these proposal proceedings; and
4. The Certificate of Filing of a Notice of Intention to Make a Proposal, dated October 3, 2018.

Suppliers and other service providers should contact their normal representative of Alfacon with respect to the terms of payment for goods and/or services that are to be provided to the Company going forward (after October 2, 2018).

Pursuant to Section 50.4(8) of the BIA, Alfacon has thirty (30) days, unless such time period is extended by the Court, to file a proposal with the Trustee. During these proposal proceedings there is a stay of proceedings, and as such:

- no person may terminate or amend any agreement with the Company, or claim an accelerated payment, or a forfeiture of the term, under any agreement with Alfacon, by reason only that the company is insolvent or by reason of the filing of the NOI, pursuant to Section 65.1(1) of the BIA; and
- no creditor has any remedy against any of Alfacon or its property or shall commence or continue any action, execution, or other proceedings against the Company without leave of the Court, pursuant to Section 69(1) of the BIA.

We recognize the amounts reflected as being due to you on the Creditor Listing may vary from your records. However at this time, neither the Trustee is not looking to receive nor are creditors required to file a proof of claim in connection with their claim and these proposal proceedings. At a later date and once a proposal has been filed by the Company, the Trustee will provide you with further information regarding these proposal proceedings, including the date for the meeting of creditors to consider the proposal and a proof of claim form, so that you may then submit and prove your claim. Copies of notices, reports of the Trustee and other relevant publicly available information concerning these proposal proceedings can be found at the Trustee's website at: [www.mnpdebt.ca/alfacon](http://www.mnpdebt.ca/alfacon)

If you have any questions concerning the foregoing or require any additional information, please contact Jessie Hue at 416-515-5006 or by email at [Alfacon@mnp.ca](mailto:Alfacon@mnp.ca).

Dated at Toronto, this 5<sup>th</sup> day of October 2018.

(Paragraphs 50(6)(b) and 50.4(2)(b) of the Act)

In the matter of the proposal of  
Alfacon Solutions Limited  
of the Town of Milton  
in the Province of Ontario

The attached statement of projected cash flow of Alfacon Solutions Limited, as of the 26th day of October 2018, consisting of Statement of Weekly Projected Cash Flow for the period ending December 31, 2018, has been prepared by the management of the insolvent person (or the insolvent debtor) for the purpose described in the notes attached, using the probable and hypothetical assumptions set out in the notes attached.

Our review consisted of inquiries, analytical procedures and discussion related to information supplied to us by:  the management and employees of the insolvent person or  the insolvent person. Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the projection. We have also reviewed the support provided by:  management or  the insolvent person for the probable assumptions and preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects,

(a) the hypothetical assumptions are not consistent with the purpose of the projection;

(b) as at the date of this report, the probable assumptions developed are not suitably supported and consistent with the plans of the insolvent person or do not provide a reasonable basis for the projection, given the hypothetical assumptions; or

(c) the projection does not reflect the probable and hypothetical assumptions.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.

The projection has been prepared solely for the purpose described in the notes attached, and readers are cautioned that it may not be appropriate for other purposes.

Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the projection. We have also reviewed the support provided by:  management or  the insolvent person for the probable assumptions and preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects,

(a) the hypothetical assumptions are not consistent with the purpose of the projection;

(b) as at the date of this report, the probable assumptions developed are not suitably supported and consistent with the plans of the insolvent person or do not provide a reasonable basis for the projection, given the hypothetical assumptions; or

(c) the projection does not reflect the probable and hypothetical assumptions.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.

The projection has been prepared solely for the purpose described in the notes attached, and readers are cautioned that it may not be appropriate for other purposes.
