**ONTARIO
SUPERIOR COURT OF JUSTICE
(IN BANKRUPTCY AND INSOLVENCY)**

**IN THE MATTER OF THE PROPOSAL OF
MASTERFILE CORPORATION
OF THE CITY OF TORONTO
IN THE PROVINCE OF ONTARIO**

**REPORT OF TRUSTEE ON PROPOSAL
(Section 59(1) and paragraph 58(d) of the Act)**

We, **MNP Ltd.** (“**MNP**”), the proposal trustee (the “**Trustee**”) of Masterfile Corporation (“**Masterfile**” or the “**Debtor**”) hereby report to the Court as follows:

1. That a proposal was filed with us on the 5th day of April, 2017 (the “**Proposal**”) and electronically filed with the Official Receiver on the same date, a copy of which is attached and marked as **Exhibit “A”**. Attached as **Exhibit “B”** is each Certificate of Filing a Proposal issued by the Office of the Superintendent of Bankruptcy.
2. That on the 11th day of April, 2017, the Trustee gave notice to Masterfile, to the division office and to every known creditor of Masterfile affected by the Proposal, whose names and addresses are shown in **Exhibit “C”** to this report, of the calling of a meeting of creditors to be held on the 25th day of April, 2017 to consider the Proposal (the “**Notice**”).
3. That with the Notice was included Masterfile’s statement of the assets and liabilities of the as at April 5, 2017 (the “**Statement of Affairs**”), a list of the creditors affected by the Proposal showing the amount of their claims, a copy of the Proposal, a form of a proof of claim and proxy in blank and a voting letter. Copies of the Notice, the Statement of Affairs and the list of creditors for Masterfile, are attached and marked as **Exhibits “D”, “E” and “F”**, respectively.
4. That prior to the meeting of creditors, we made a detailed and careful inquiry into Masterfile’s liabilities, Masterfile’s assets and their value, the Masterfile’s conduct and the causes of Masterfile’s insolvency.
5. That the meeting of creditors was held on the 25th day of April, 2017 and was presided over by Michael Cacciavillani of the Office of the Superintendent of Bankruptcy.
6. The Proposal was then voted on and accepted by the required majority of creditors, as detailed below:

	For	%	Against	%
Number of creditors	104	96.30%	4	3.70%
Dollar value	\$1,714,227	89.74%	\$195,902.05	10.26%

7. That a copy of the minutes of the meeting of creditors is attached hereto as **Exhibit "G"**.
8. That we are of the opinion that:
- a. The assets of the Debtor and their fair realizable value, as listed on Masterfile's Statement of Affairs, are as follows:

Description	Estimated Realizable Value
Inventory (wholly owned stock images)	\$ 75,000
Accounts receivable (net of allowance for doubtful accounts)	318,000
Cash	16,862
Equipment	15,000
Shares in subsidiary companies	1
Vehicles (leased 2015 Toyota Sienna)	1
TOTAL	\$ 424,864

- b. the liabilities of the Debtor are as follows, as per the Statement of Affairs and creditor claims filed as at May 1, 2017:

	As per the Statement of Affairs	Claims Filed as at May 11, 2017
Secured	\$ 35,001	\$ -
Preferred	53,350	49,491
Unsecured	3,883,504	2,536,253
Total	\$ 3,971,855	\$2,585,744

9. That we are also of the opinion that:
- a. the causes of the insolvency of the Debtor is as follows:

The causes of Masterfile's insolvency are largely related to the rapid changes that have occurred in the stock photo business. Technology has allowed reproduction grade images to be created quickly and easily by anyone, which has commoditized the product and dramatically depressed the prices Masterfile's clients have been willing to pay for stock photos. Masterfile's revenues have been declining year-over-year since 2008, and despite its efforts to cut costs in the last few years (closing regional offices, reducing headcount by 80%, reducing salaries etc.), Masterfile suffered significant financial losses. Masterfile reports that its revenues are only now showing signs of stabilizing, but its cost structure remained too high given the reduced revenues. The filing of the Proposal provides Masterfile the opportunity to pursue a restructuring of its financial affairs in a stabilized environment with the goal of emerging as a profitable enterprise.

- b. the conduct of the Debtor is subject to censure in the following respects:

The Proposal stipulates that s.95 to s.101 of the *Bankruptcy and Insolvency Act* (“BIA”) will not apply in the Proposal. To assess the reasonableness of the inclusion of this provision, the Trustee completed a limited review of Masterfile’s books and records for the purpose of identifying potential preferences and transactions at undervalue. This initial review did not reveal any transactions worthy of further consideration

- c. The following facts, mentioned in Section 173 of the BIA may be proved against the Debtor:

N/A

10. That we are further of the opinion that the Debtor’s proposal is an advantageous one for the creditors for the following reasons:

- a. the Proposal contemplates a greater distribution to the creditors than in a bankruptcy, as outlined in the Trustee’s report to the creditors pursuant to S. 50(10)(b) of the BIA; and
- b. The Proposal provides for the continuation of the business, which is advantageous to many of Masterfile’s stakeholders.

11. That we forwarded a copy of this report to the official receiver on this day.

Dated at Toronto, Ontario, the 12th day of May, 2017.

IN THE MATTER OF DIVISION 1 PROPOSAL OF
MASTERFILE CORPORATION
MINUTES OF THE FIRST MEETING OF CREDITORS

April 25, 2017, (10:00 AM)
MNP
300-111 Richmond Street W
Toronto, Ontario

ATTENDANCE

Chairperson:	Mike Cacciavillani, Office of the Superintendent of Bankruptcy
Licensed Insolvency Trustee (LIT):	Sheldon Title MNP Ltd
Debtor's Counsel:	Frank Spizzirri
Officers of the Corporation:	Geoff Cannon, Steve Pigeon, Dan Pollack
Secretary:	Yana Evason, Office of the Superintendent of Bankruptcy

The attendance is recorded as per the attached list.

CALL TO ORDER

The Chair called the meeting legally constituted and called the meeting to order at 10:00 am.

QUORUM

Mike Cacciavillani acted as Chair for the meeting of creditors.

The Chair determined that a quorum was established and that the meeting could proceed.

The Chair explained that the purpose of the meeting was to:

- a. Hear the Trustee's Report;
- b. Hear the OR's Report;
- c. Have a Question/Discussion period;
- d. Vote on the Proposal
- e. Appoint Inspectors; and
- f. Give directions to the Trustee.

The authority to chair the meeting can be found in section 51(1) (3) of the BIA. The Chair stated that any decisions made by the Chair during the meeting can be appealed by the Creditors to the Court.

Statutory documents such as Claims Register, Voting Register, Voting Letters, Proxies and Proofs of Claim were available for viewing following the meeting.

TRUSTEE'S REPORT

Mr. Title was given the floor to present the *Report of Trustee on Proposal*. Mr. Title provided salient terms of the proposal. Mr. Title reported that under the Proposal, the Debtor shall pay to the Trustee the sum of \$800,000 in minimum quarterly installments of \$40,000 commencing within 90 days of the Implementation Date, in respect of Masterfile Corporations preferred and unsecured creditors. Immediately after the making of the Approval Order, the Debtor shall pay to the Trustee the funds required to satisfy payment of the Employee Claims. Within six months after the making of the Approval Order, the Debtor shall advance to the Trustee the funds required to satisfy payment of the Source Deduction Creditors.

The Trustee invited the founder and the president of Masterfile Corporation, Mr. Steven Pigeon, to give a brief overview of how the company got to the current financial situation. Before Mr. Pigeon had an opportunity to present, Mr. Mahovlich, one of the creditors, asked a question: "How many people are required to vote to have a quorum?" The quorum was established in the beginning with more than one creditor present in the room. A considerable discussion surrounding establishment of a quorum and voting procedures under the proposal followed. Additional explanation was provided by the Trustee and the Debtor's Legal Counsel on voting procedures for the proposal.

Following this discussion Mr. Pigeon resumed his presentation and gave a brief overview of how Masterfile got to its current financial situation. Furthermore, Mr. Pigeon explained to the creditors the details of his action plan to stabilize the business and get the company back to a financially healthy position.

Mr. Pigeon's presentation was followed by a brief question period.

OR'S REPORT

There was no examination conducted by the OR.

GENERAL DISCUSSION/QUESTIONS

Q.1: "Last year your company was paying rent in the amount of \$30,000 per month. Are you planning on cutting down on the cost of rent? Is there opportunity for the Debtor to get out of the lease?"

A by (Mr. Pigeon): "At the present moment we are still renting the same space and are currently paying \$38,000 per month in rent."

The Trustee interjected with the explanation that until the filing of the proposal, the debtor had the opportunity to extricate itself from its current lease. However, the debtor made a decision to keep the current lease. There is still opportunity for the Debtor to renegotiate the terms of the lease with the landlord.

Q.2: "So, you are paying \$38,000 per month in rent and yet you are allocating \$40,000 to creditors quarterly?"

A by (Mr. Pigeon): "Yes. We decided to stay with the current landlord until we can figure out how to move the computer room cost effectively."

Q.3: "Will you resume paying royalties after the proposal is accepted?"

A by (Mr. Pigeon): "Yes. Royalty payments will resume. I understand that if the company starts defaulting on its payment obligations under the Proposal and stop making payments on royalties, the photographers can terminate their contracts".

Furthermore, Mr. Pigeon stated he believed Masterfile could meet its payment obligations under the Proposal given that it could also rely on additional cash flow generated by its subsidiary company, Artist Defense. Artist Defense is in the business of legally pursuing copyright infringements and that business is rapidly growing. As Artist Defense grows, the administration costs of Masterfile will decrease as these companies will share the administration costs. If Artist Defense becomes more profitable it may enable Masterfile to remit the Proposal payments in a shorter time period than proposed. Artist Defense pays royalties to Masterfile and Masterfile in return will pay royalties to the artists.

Upon questioning, an Officer of the Corporation also advised that it had stress tested the assumptions used in developing its cash flow projections, particularly as it relates to Artist Defense. Masterfile is of the view that it can meet its proposal obligations even if the assumptions concerning Artist Defense's ability to absorb a portion of the Debtor's overheads are significantly overstated.

Q.4: "So, if Artist Defense grows and becomes more profitable, does it mean you will give up on Masterfile?"

A by (Mr. Pigeon): "No. I was the one who started the business and I will not give up on 44 years of hard work I have put into it".

The Trustee also noted that Masterfile owns 100% of Artist Defense and that if Masterfile is deemed bankrupt the shares of Artist Defense would fall in the hands of the Trustee.

Q.5: "Just to clarify, if Masterfile fails, will Artist Defense fail as well?"

A by the Debtor's Legal Counsel: "No. Masterfile and Artist Defense are two separate legal entities".

Q.6: "Are there any provisions in the proposal that obliges Masterfile to expedite its proposal payments?"

The Debtor's Legal Counsel and the Trustee further explained to the creditors that there is nothing in the proposal that obliges the debtor to expedite payment to its creditors. However, it is in the company's best interests to pay off the creditors and complete the proposal as quickly as possible so that the company can get its Certificate of Full Performance.

Q.7: "Can we get a copy of our digital files?"

Steve Pigeon advised that Masterfile can provide contributors with digital copies of their images. However, if they provide the contributors with their digital images, Masterfile will require them to commit to a longer contract period as the process to provide these images will take time and cost the company money. He requested that those who wanted copies of their images can contact Masterfile to discuss further.

Q.8: "If proposal is passed and the company sheds its debt and then the company is sold, will the new owner still be bound by the terms of the Proposal?"

A by the Debtor's Legal Counsel: "Yes. The new owner will be bound by the terms of the Proposal".

A former Masterfile executive interjected and brought to everyone's attention that an important part of the equation of pushing files from Masterfile to Artist Defense was having a reliable monitoring service. Lack of reliable monitoring service puts Masterfile in a vulnerable situation. He stated that Masterfile had issues with some monitoring services in the past and if the monitoring companies became unhappy then they may not be open to deals

In return, Mr. Pigeon stated that Masterfile is planning to address this issue by getting on board with three different providers of monitoring services. This approach is more cost efficient as opposed to building an in-house monitoring service with limited financial resources available at hand.

For most of the last 10 years, Masterfile had one monitoring service that was eventually sold to Getty Images and upon being sold; the rules of the monitoring service were changed. He stated that as of February, 2017, Masterfile had three monitoring services, one being Tineye, who is a creditor. He advised that they can't pay a creditor in favour of other creditors and they believe that they are capable of going forward with them. However, they still have two other monitoring services and are in talks with a fourth monitoring service. He stated that other monitoring services are only paid for successful claims and are paid 15-20% after legal fees are taken off. Tineye is paid per image regardless of whether they are successful.

The Chair addressed meeting participants that were on the phone to see if they had any questions. No further questions were asked.

The Chair has moved on with vote on the proposal.

PROPOSAL – VOTING

The Chair provided the results of the votes as per the Voting Summary Sheet. There had been 105 submitted with 102 who voted in favour and 3 who voted against the Proposal. The Trustee and the Debtor's Legal Counsel further explained voting procedure by voting letters as the creditors did not seem to have sufficient understanding of notion of voting by voting letters. One of the creditors enquired whether he would be able to sue for anything that transpired before April 5, 2017 if the Proposal is accepted. The Debtor's Legal Counsel advised that it would not be an option.

The Chair asked creditors to identify themselves and declare the amounts of their claims. One of the creditors, Mike Mahovlich, declared his name and the amount of his claim. This was followed by an objection from another creditor who said that creditors should not be singled out and that the voting should be done anonymously. The Chair stipulated that if anyone wants to submit their vote in private they can do so on a piece of paper. Another creditor interjected and said that he would like to see the list of creditors who voted in favour of proposal by voting letters prior to the meeting. The Chair specified that the Voting Summary is available for a review by all the creditors. Then the Chair asked anyone who wished to vote in favour of the Proposal to raise their hand. One creditor (Peter Reali) voted in favour of the Proposal.

The Chair went on to announce the results of the vote. There were a total of 108 creditor votes submitted. One hundred and four (104) creditors voted in favour of the Proposal with claims totaling \$1,714,227.04, (\$1,714,227.04/\$1,910,129.09) or 89.8%. Four (4) creditors voted against the Proposal with claims totaling \$195,902.05.

The Chair was reminded during the inspector's nomination process that a formal motion to accept the proposal was required. The Chair acknowledged that the motion was required, and corrected the situation.

It was moved by Brent Garnett and seconded by Andrew Judd to accept the proposal.

The majority of the creditors in numbers with claims valued at 89.8% of the total debt voted in favour of the Proposal filed on April 05, 2017. The motion to accept the proposal carried.

APPOINTMENT OF INSPECTORS

The Chair requested nominations for inspectors. The Chair talked about the role of the inspectors. He pointed out that a creditor who is taking a legal action against the estate cannot be appointed as an inspector. Mike Malhovich put his name forward for a role of an inspector. There were no other nominations for inspectors.

This was followed by a creditor's question asking clarifications as to the role of an inspector. Trustee went on to explain that usually inspectors oversee administration of the Proposal and have an opportunity to review and comment on the administration of the Proposal. Inspectors act as a Board on behalf of the creditors and represent their interests.

A formal motion to accept Mike Mahovlich as the inspector was moved by Nancy Dunn, Jerzyworks and was seconded by Peter Reali. There were no objections to this motion. Motion carried.

After this clarification, the Chair asked if there were any final comments. No comments were put forward.

ESTATE BOND

The Chair did not request the Trustee to obtain an estate bond based on the terms of the Proposal.

DIRECTIONS TO THE TRUSTEE

No directions were given to the Trustee at this meeting.

CREDITOR OBJECTIONS

One creditor objected the fact that the breakdown of the vote would not be published on MNP's website. Trustee went on to explain that it's typically done in the way where the votes are not published on the website but are available for a review by any of the creditors. Trustee also added that the minutes of the meeting will reflect on how the votes are tallied. There were no further objections.

ADJOURNMENT of MEETING

A motion to adjourn the meeting was moved by David Steele, Wintech Air Systems Inc. and seconded by Graham French, Graham French Photography. The meeting was adjourned at 11:30 AM.
