ENDORSEMENT OF JUSTICE MCEWEN:

[1] *The order shall go as per the draft*

[2]

Filed & signed. The motion is unopposed.
I have reviewed the matter with counsel.
The CCRA proceeding is in its last stages.
The proposed terms for its termination are
fair and reasonable.

I have also reviewed the Sixth Report and Fees
and they are approved. Also, the proposed
distribution is in keeping with the Litigation
Funding Agreement.

The ancillary relief sought is also fair and
reasonable.

Last, the confidential Appendix A shall be sealed
pending further order of the Court. The Sierra
Club criteria as recast in Sherman Estate have
been met. The redaction is minimal and only
involves the settlement amount. The remainder of
the settlement agreement is unredacted.
