**SECTION A - Background**

The Company, an Ontario corporation, started operations in August 2018. The Company offers mobile cafe services to niche customers throughout the GTA and nearby cities, operating from its leased premises in Vaughan, Ontario. The Company operates under the “**Fleets Coffee**” brand.

The principal of the Company is Kirk Tobias (“**Mr. Tobias**”) the sole director and an officer (the “**Director**”) of the Company. Mr. Tobias directs and manages all aspects of the Company’s operations.

On November 26, 2024, Untether Group filed a Joint Proposal pursuant to the BIA.

The Company commenced these proceeds as a means to:

- (i) allow for the orderly liquidation and distribution of the net assets of the Company; and
- (ii) maximize the distribution/recovery for Untether Group’s creditors by offering a liquidating proposal.

## **SECTION B - Summary of the Proposal**

This section contains a summary of the Joint Proposal, the terms of which would only be effective if the Joint Proposal is accepted by the creditors and approved by the Court, in accordance with the provisions of the BIA (collectively the “**Implementation Date**”).

As set out in the Proposal, the Proposal provides for the following:

- (i) **Funding of the Proposal** – The Proposal Fund will comprise the net proceeds from the sale of the Company’s principal assets comprised of five (5) customized trucks being operated as “**Mobile Cafes**” having an estimated value totalling approximately \$1,950,000.
- (ii) **Administrative Fees and Expenses** – The fees and expenses of the Trustee and those of the Company’s legal counsel incidental to the preparation, presentation, consideration, and implementation of the Joint Proposal, shall be paid in full out of the Proposal Fund prior to distribution to the Unsecured Creditors, to a maximum of forty thousand dollars (\$40,000) plus disbursements and applicable taxes;
- (iii) **Secured Creditors** - To be paid in full from the Proposal Fund in priority to subordinate creditors;
- (iv) **Crown Creditors** - Unless Her Majesty in Right of Canada or a Province agrees otherwise, the Proven Claims, if any, of Crown Creditors shall be paid within six (6) months after Court approval of the Proposal out of the Proposal Fund. Based on the SOA, the Company’s obligation to the Canada Revenue Agency in respect of unpaid source deductions including penalties and interest;
- (v) **Employee Creditors** - The Proven Claims, if any, of the Employee Creditors who are owed a preferred claim for qualifying wages under subsection 136(1)(d) of the BIA (this does not include termination or severance pay owing), shall be paid immediately after Court approval of the Joint Proposal out of the Proposal Fund.
- (vi) **Preferred Creditors** – The Company will pay each Preferred Creditor their Proven Claim according to the priority set by the BIA. According to the SOA, the Company has one preferred creditor, the landlord of the rental premises. Their preferred claim has not yet been quantified;

- (vii) **Ordinary Creditors** – The Proven Claims of Ordinary Creditors shall be paid by the Proposal Trustee from the remaining balance of the Proposal Fund after payment of the Administrative Fees and Expenses, and the Claims, if any, set out in paragraphs (iii) to (vi) of this Section, their pro rata share of the Proposal Fund;
- (viii) **Related Party Creditors** – Any Related Party creditors shall not be entitled to vote in favour of the Joint Proposal and will receive \$1,000 in full and final settlement of each of their respective proven claims;
- (ix) **Levy** – Payments to each Unsecured Creditor shall be net of any applicable levy payable to the Office of the Superintendent of Bankruptcy (the “OSB”) as required by the BIA and the Proposal Trustee shall remit the amount of such levy to the OSB with the distributions to Unsecured Creditors;
- (x) **Preferences and Transactions at Under Value** - Sections 95-101 of the BIA will not apply in respect of this Proposal;
- (xi) **Claims Against Directors** - Any Claims against the Company by any Creditor that are also Claims against the directors and/or officers of the Company that relate to obligations of Company where the directors are under any law liable in their capacity as directors for the payment of such obligations and that claims arose before the commencement of the proposal proceedings shall be, upon Court approval of the Joint Proposal and to the extent permitted by the BIA, released and forever discharged as against the directors of the Company;

The above description of the Joint Proposal is a summary only, and readers are cautioned that if there is an inconsistency between this Report and the Joint Proposal, the terms of the Joint Proposal shall govern.

### **SECTION C - Financial Position and Causes of Difficulties**

The below table summarize the Company’s internally prepared historical financial results as follows:

	Year ended	
	September 2023	September 2022
Sales	\$766,791	\$598,900
Cost of Sales	406,796	419,043
Payroll expenses	143,058	173,315
Amortization	561,207	696,018
Other expenses	376,806	707,793
<b>Net Income</b>	<b>(\$721,076)</b>	<b>(\$1,397,269)</b>

The following factors have contributed to the financial difficulties faced by the Untether Group over the past few years:

1. **Impact of COVID-19 and Changing Market Conditions:** The business was primarily designed to serve transit commuters, but the pandemic kept people at home for 2-3 years. The numbers have yet to return to pre-COVID levels.
2. **Inability to Pivot to New Markets:** The company has struggled to fully replace the lost revenue from transit commuters with new markets like catering & events.
3. **Rising Costs During and After COVID-19:** Input costs, including labour and food, have increased by 20%-50%, without a corresponding rise in prices.
4. **Higher Debt Servicing Costs:** The cost of servicing debt has risen due to high interest rates in the post-COVID marketplace.
5. **Economic Slowdown Due to High Interest Rates:** High interest rates post-COVID have slowed the economy, leading to a significant decline in corporate spending on events.
6. **Insufficient Working Capital:** A lack of working capital has hindered the Company's ability to invest in growth and increase top-line revenue.

#### **SECTION D - Interim Receiver**

Not Applicable.

#### **SECTION E - Identification and Evaluation of Assets**

According to the sworn SOA, the Company's principal recoverable assets comprise the 5 Mobile Cafes valued at approximately between USD 275,000 and USD 350,000 each for an approximate total amount of \$1,950,000.

#### **SECTION F - Conduct of the Company**

The conduct of the Company does not appear to be subject to censure.

#### **SECTION G - Creditors' Claims**

As per the sworn SOA and Proofs of Claim filed to date, the Company's creditors are summarized below:

<b>Creditor Classifications</b>	<b>Indebtedness Per SOA</b>
Due to CRA re employee source deductions	\$267,000
Third-Party Secured	\$1,500,000
Related Party Secured	\$934,000
Preferred	\$300,000
Third-Party Unsecured	\$1,200,000
<b>Total</b>	<b>\$4,201,000</b>

## SECTION J - Remuneration of Proposal Trustee

The Joint Proposal includes the Proposal Trustee's fees and expenses for administering the Proposal, as well as the Company's legal counsel fees (collectively referred to as '**Administrative Fees and Expenses**') to a maximum of \$40,000 plus disbursements and applicable taxes. These will be covered by the Proposal Fund.

### NOTES:

1. Represents in Joint Proposal scenario the estimated net proceeds for the sale of the Mobile Cafes based on Letters of Intent received and current negotiations with prospective purchasers.
2. Based on terms of the Joint Proposal, Statement of Affairs and Proofs of Claim filed to date.
3. Represents the estimated claims of preferred creditors and third party unsecured creditors.

Based on the above analysis, the Proposal Trustee estimates that Unsecured Creditors should receive a distribution if the Joint Proposal is accepted by the Creditors and approved by the Court, rather than if it is rejected and the Company is deemed bankrupt. This is because Mr. Tobias, with his industry experience, is conducting the sale process for the Company's principal assets, Mobile Cafes, and should maximize recoveries as opposed to those achievable by a Trustee in Bankruptcy. In addition, the Proposal Trustee will supervise the sales of the Mobile Cafes and sale proceeds will be paid directly to the Proposal Trustee.

### **Preferences and Transactions at Under Value**

The Joint Proposal provides that sections 95-101 are not applicable. To evaluate the appropriateness of this clause, the Proposal Trustee is reviewing the Company's bank statements and cancelled cheques from October 30, 2023, to October 29, 2024. This review aims to identify any potential preferences or transfers at undervalue, and the Trustee will report the findings to the creditors at the meeting to consider the Joint Proposal.

### **SECTION M - Recommendations**

Based on the above and subject to no material potential preferences or transfers at undervalue being identified, the Proposal Trustee recommends the acceptance of the Proposal as the Proposal contemplates a distribution to the Unsecured Creditors which would not occur if the Company were bankrupt.

### **SECTION N - Technical Requirements for a Successful Proposal**

This Joint Proposal will become effective only if it is accepted by a resolution of the Unsecured Creditors and approved by the Court. To obtain Creditor approval, a simple majority in the number of Unsecured Creditors voting, with this majority representing at least 2/3 of the dollar value of the Unsecured Creditors voting, must vote in favour of the Joint Proposal. If the Unsecured Creditors do not accept the Joint Proposal, then the Company will be deemed to have made an assignment in bankruptcy and a meeting of creditors in the matter of the bankruptcy will immediately take place.

If the Unsecured Creditors vote to accept the Joint Proposal, Court approval of the Joint Proposal must then be sought. If the Court does not approve the Joint Proposal, the Company would be deemed to have made an assignment in bankruptcy and the Trustee of the bankruptcy estate will then call a meeting of creditors in the matter of the bankruptcy.

When completing the Proof of Claim form submitted herewith, Creditors should include all outstanding amounts as of October 29, 2024, the date of the filing of the Notice of Intention to Make a Proposal. It is expressly noted and should be clearly understood that MNP Ltd., in its capacity as Proposal Trustee, assumes no personal liability for any claims that Creditors may have against the Company, filed, proven, deemed or otherwise, either before or after the filing of the Joint Proposal.

Creditors may attend, in person or by proxy, the meeting to consider the Proposal, which will be held on **Monday, December 23, 2024, at 10:00 a.m. (Toronto, Ontario Time) by video/telephone conference (via Microsoft Teams Meetings)**. To attend/join the meeting you may connect by the following:

## Guidance for Completing Form 31, Proof of Claim

### Creditor Contact Information

The creditor's preferred contact details for correspondence about the claim.

- This can be a mailing address, fax number or email address.
- More than one type of contact can be provided. The LIT will then have the discretion to send correspondence by one of these options.

The creditor's mailing address **must** be given to allow the LIT to distribute any estate funds.

Name a contact person to receive correspondence about the claim.

- This can be the creditor or the name or position of a creditor representative.
- A telephone number for the contact person can be given for communication with the LIT.

### Additional Details

Enter the following:

- Select if the claim relates to a bankruptcy, a proposal or a receivership.
- The full legal name of the debtor, or the full legal or trade name of the debtor corporation.
- The city and province of the debtor.
- The full legal name of the creditor.

The type of proceeding and the name and city of the debtor may be pre-filled by the LIT.

### Creditor Information

Enter the following:

- The full name of the creditor or creditor representative.
- The city and province of the creditor or creditor representative.

### Creditor Statement

The creditor or creditor representative confirms that all information related to the creditor's claim is true and completed to the best of their knowledge.

Paragraphs 1 and 2:

- If you are an employee the creditor or a creditor representative, supply your position or job title, and the full legal name of your employer.
- If the creditor is a corporation, the person completing the form must confirm that they have the authority to bind the creditor.

### Paragraph 3

#### Claim details:

- Select if the claim relates to a bankruptcy, a receivership, a proposal or a proposal made following a notice of intention.
- The filing date of the proceeding (day, month, and year).
  - This date may be pre-filled by the LIT.
- The full amount, in Canadian dollars, the debtor owes the creditor on the date of the proceedings, minus any counterclaims to which the debtor is entitled.
  - If the amount owing was payable in a currency other than Canadian dollars, it should be converted to Canadian dollars at the rate provided in the proposal.
  - If there is no specified rate, use the exchange rate on the filing date provided above.
- Attach supporting documents to provide all relevant details to prove the claim. This allows the LIT to examine the claim and decide whether to allow it.

#### Paragraph 4

##### Confirmation of debt status:

- Select whether all, part or none of the debt is statute-barred.
  - A debt is statute-barred when legislation extinguishes the debt or bars a creditor from taking legal action to recover on it due to the passage of time, known as the limitation period.
  - The specific conditions and the time for a debt to become statute-barred vary depending on the circumstances and relevant legislation. For most unsecured liabilities, the general limitation period is between two and six years.
  - A statute-barred debt is not a provable claim under the Act. If you have a claim, it is advisable to seek legal advice to confirm the relevant legislation and limitation period that apply to your claim.

#### Paragraph 5

##### Claim Details:

- Provide the date (day, month, and year) when payment was owed and the date (day, month, and year) of the last payment made by the debtor for the debt, if any.
- Provide the date of the debtor's most recent acknowledgment of the debt, if any.
- Include all relevant details about the debt or obligation, e.g., the nature and history of the claim, how and when the debt or obligation was contracted, etc.

#### Paragraph 6

##### Type of Claim (according to the Act)

Check each applicable category for the claim or claims and include the required information and supporting documentation for each claim.

##### A. **Unsecured Claim**

- For a claim against a securities firm, omit any amount claimed against the customer pool fund.

**Priority claims:**

**If not claiming a right to a priority**, check the first box and enter the amount for which there is no priority being claimed.

**If claiming a right to a priority** under any of paragraphs 136(1)(d), (d.01), (d.02), (d.1), (e), (f), (g) or (i) of the Act, check the corresponding box and enter the amount for which a priority is claimed.

- **Employee claims:** For unpaid wages, salaries, commissions or compensation of up to \$2000, for work done during the six months preceding the bankruptcy or receivership, check the paragraph 136(1)(d) box. The details of the claim must also be provided in section E.
- **Secured creditor claims:** For the amount not received from the realization of the security because of the legislated security for unpaid wages or pension plans for the benefit of the debtor's employees, check the paragraph 136(1)(d.01) or 136(1)(d.02) box.
- **Former partner or child support claims:** For unpaid alimony, alimentary pension, support or maintenance of a former partner or child for a lump sum or periodic payment for amounts due in the year before the bankruptcy or proposal, check the paragraph 136(1)(d.01) box.
- **Municipal tax claims:** For unpaid property taxes owed for the last two years before the bankruptcy or proposal and for which the municipality has not registered on title, check the paragraph 136(1)(e) box.
- **Lessor claims:** For unpaid rent for the three months before the bankruptcy or proposal or accelerated rent for the three months after the bankruptcy or proposal, check the paragraph 136(1)(f) box.
- **Creditor cost claims:** For legal fees and costs paid by a creditor for any process against the property of the debtor filed before the bankruptcy or proposal, check the paragraph 136(1)(g) box.
- **Insurer claims:** For claims of insurers who paid money for injuries to the debtor's employees not covered by the provisions of any workers' compensation legislation, check the paragraph 136(1)(i) box.

The total amount of all the amounts in priority must correspond to the total amount for unsecured claims reported at A.

**B. Lessor's claim for a disclaimer of a lease:**

- This is only available if the debtor used a proposal to end a commercial lease.
- Provide details of the claim, including calculations on which the claim is based.

**C. Secured claim:**

- Provide the amount of the secured debt and complete details of the security, including the date the security was given and the value at which it is assessed at the date of completing the form.
- Include copies of security and registration documents.

**D. Claims by Farmers, Fishers or Aquaculturists:**

- The amount entered on both lines should be the same.
- This claim only applies to inventory supplied by farmers, fishers or aquaculturists within 15 days of the bankruptcy date or receiver's appointment (see the filing date at Paragraph 3).
- Include sales agreements and delivery receipts.

**E. Claims by Wage Earner:**

- If the claim relates to the bankruptcy of the employer, check the subsection 81.3(8) box.

  - A priority claim can often be filed at A for these unpaid wages under paragraph 136(1)(d).

- If the claim relates to the employer's bankruptcy, check the section 81.5 box.
  - Enter the amount claimed for unpaid amounts from the pension plan.
- If the claim relates to the appointment of a receiver to the property of the employer, check the section 81.6 box.
  - Enter the amount claimed for unpaid amounts from the pension plan.

#### G. Claims against Directors:

- This only applies to corporations that have filed a proposal that includes a compromise or protection from claims against the directors of the corporation made under subsection 50(13).
- A director of a corporation other than an income trust means a person who holds the position of a director regardless of their title, and in the case of an income trust, a person holding the position of trustee by any name.
- Fully explain the claim and include detailed calculations upon which the claim is based.

#### H. Claims by a customer of a bankrupt securities firm:

- A securities firm refers to a business that buys and sells securities, such as shares, mutual funds shares, notes, bonds, debentures, commodity futures, or derivatives, on behalf of its customers.
- The amount claimed must be for the net equity of the customer:
  - This is the value of the securities in the customer's account, had it been liquidated at the close of business on the date of bankruptcy, less any amount owed by the customer to the securities firm on the same date.
- Include detailed calculations upon which the claim is based.

### Paragraph 7

#### Relationship to the Debtor

- Indicate whether the creditor is related to the debtor:
  - Individuals are related if they are connected by blood, marriage, common-law partnership, or adoption.
  - Corporations are typically related to individuals who control them, as well as other corporations controlled by the same persons or are part of the same group of corporations.
- Indicate whether the creditor has dealt with the debtor in a non-arm's length manner:
  - Non-arm's length refers to a relationship or transaction between parties who are related to each other.
  - Creditors related to the debtor are generally considered not to deal with each other at arm's length.

## Paragraph 8

### Payment and Credits

List all payments received from the debtor and credit extended to the debtor during the designated period.

- Designated period:
  - For related persons or persons who are not at arm's length, the designated period is twelve months before the date of filing in Paragraph 3.
  - Otherwise, the designated period is three months before the date of filing in Paragraph 3.

  - Transfers at undervalue include all transactions, either for goods or services, for which the debtor received conspicuously less than reasonable value.
- Include all details of payments, credits or any transfers at undervalue.

## Paragraph 9

### Request for Information

If the proof of claim relates to an individual bankrupt, you can request to receive specific information by checking the applicable box.

**Check the first box** to be informed whenever the LIT reviews the bankrupt's financial situation, redetermines if they must make surplus income payments to the estate, and the new amount of these payments.

**Check the second box** to receive a copy of the LIT's report on the discharge of the bankrupt which includes information such as the reasons for bankruptcy, the bankrupt's conduct, performance of their required duties, and other relevant facts.

- The LIT will send a copy of the report to the creditor using the contact information provided in the **Creditor Contact Information** section.

## Paragraph 10

### Signature

The person completing the form must sign it and include the location and specific date (day, month, and year) they signed it.

- Signing this form binds the creditor and attests that the information is full, true and complete to the best of their knowledge.
- It is a serious offence for a creditor to include any false information or to make any false claims with the intent to defraud. The offence can result in a fine of up to \$5,000, imprisonment for up to one year, or both.
