PURPOSE OF BRIEF

1. This Brief is filed on behalf of Kneehill County, (“Kneehill”), Red Deer County (“Red Deer”), Municipal District of Greenview No. 16 (“Greenview”), (collectively the “Municipalities”).
2. The request of the Municipalities is that the entirety of the Application by DEL Canada G.P. Ltd., filed December 12, 2018, be adjourned.
3. The reasons for that request are set out below.

PROCESS

4. This Application was filed December 12, 2018, a mere 3 clear days before the pending Application. This is contrary to the Rules of the Commercial Court which require that the Applicant file all of its materials the Monday of the week preceding the Application. It is also contrary to the ordinary *Rules of Court*, which require 5 days.
5. This Application is scheduled in the last week the Court is sitting before the Christmas break, a time in which availability of all persons involved becomes sporadic.
6. There is no evidence of urgency.
7. It is impossible for the Respondents to file evidence, let alone Briefs, in the expected time. The Court is effectively asked by the Applicants to grant leave for this unavoidable filing delay, *nunc pro tunc*.

FACT

8. There are errors in the Affidavit of Charles Chapman dated December 12, 2018 (the “Chapman Affidavit”). To show this, there needs to be a questioning on that Affidavit and the filing of an Affidavit from the Municipalities involved.
9. Chapman swore his Affidavit on December 12, 2018. At that time, he had already been advised of an error in his calculation. That error was pointed out to him prior to his swearing the Affidavit. Prior to swearing that Affidavit, Chapman was told that he had a duplicate in his list of disclaimed wells (Roll # 202111224, which occurs as the sixth and the last entry in the list of disclaimed wells). But the letter expressly telling Chapman of his error is not in evidence. It needs to be.
10. Chapman sent out a series of letters to municipalities with an artificial deadline of December 7, 2018 without disclosing any reason for that deadline. These letters required a response by December 7, 2018, failing which it was stated “it will be concluded that you have no claim against the documented arrears”. These letters are not in evidence. They need to be.
11. Chapman had a discussion with counsel for one of the Municipalities. There was no disclosure of a pending Application. But that is not in evidence. It needs to be.

12. Chapman proposes a holdback of \$1,474,474.31. It does not contemplate payment to the Municipalities. It makes no allowance for further interest and penalties, which will be incurred over time if no payment is made.
13. Chapman says in paragraph 14 of the Chapman Affidavit, that in dealing with the Municipal Tax Funds, the purchaser has been delayed in closing. He offers no evidence of this.
14. Chapman says the purchaser has suffered loss and damage. He offers no evidence of this.
15. Chapman says if the purchaser does post the amount of \$3,000,000.00 it will lose the use of the funds overpaid and it may incur costs in respect to the posting of the fund. Firstly, he offers no evidence of this. Secondly, it is speculative with respect to any cost. Thirdly, the money can be put into an interest-bearing trust account.
16. The Order of June 6, 2018 (**Appendix A**) required \$3,000,000.00 to be posted as security for the municipal claims. That Order created the Municipal Tax Fund at a maximum of \$3,000,000.00. That Order was never appealed. It remains outstanding, and binding on all concerned, including the Applicants.

LEGAL ISSUES

17. The Applicants, particularly their counsel, rely (paragraph 9 of the Application) on the decision of *Regent Resources* (**Appendix B**). The Municipalities say *Regent Resources* was incorrectly decided. The Municipalities say that the backbone of the decision in *Regent Resources* is factually incorrect. There is ample ability for banks and other creditors to determine the extent of their customer's obligations to pay property taxes that will have priority over the bank's security.
18. If this matter is to proceed with the Applicant relying on *Regent Resources*, the Municipalities need to produce that evidence. That is because they will be arguing that *Regent* is wrongly decided, both as matter of fact, and as a matter of law.
19. The Applicants, particularly their counsel, knew full well that the Court of Appeal has an outstanding decision known as *Virginia Hills* in which these very issues are raised. The Applicants knew full well the existence of the uncertainties in respect of the *Virginia Hills* appeal was the basis for the Court establishing the holdback for the Municipalities, last June. The Applicants knew, when that Order was granted on June 6, 2018, that the *Virginia Hills* appeal was scheduled to be heard a mere 6 days later. That these issues are important is clear from the fact that following the hearing of the appeal, the decision has now been reserved for more than six months.

SUMMARY

The Municipalities say that this Application is procedurally improper. All applicable time deadlines have been breached and it appears to be an attempt to effectively foreclose the Municipalities from any meaningful response.

The Municipalities say that the factual background has been inadequately disclosed and is not correct. Municipalities can establish that the Chapman Affidavit is simply incorrect and, in at least one instance, knowingly incorrect.

The Municipalities submit that there is a serious legal issue at stake here. But by bringing this Application in the fashion that it has, the Applicants purport to deprive the Municipalities of any chance to raise that legal argument.

COSTS

For all of these reasons, it is submitted the Application must be adjourned with costs. It is submitted for all of the reasons described above, those costs should be on an enhanced basis.

LEAVE FOR LATE FILING

The Municipalities recognize that this Brief is filed late. But for the reasons described above, it is through no fault of the Municipalities. It is submitted that this Court should grant Municipalities leave for the late filing of this brief.

ALL OF WHICH is respectfully submitted this 14th day of December, 2018.

VESTING OF PROPERTY

5. Upon the delivery of a Receiver's certificate to the Purchaser substantially in the form set out in **Schedule "A"** hereto (the "**Receiver's Certificate**"), subject to approval of the transfer of applicable licenses, permits and approvals by AER, and to the permitted encumbrances, caveats, easements and restrictive covenants listed on **Schedule "D"** hereto (the "**Permitted**

Encumbrances"), and the payment of the Municipal Taxes Fund as described in paragraph 8 herein, all of the Debtor's right, title and interest in and to the Purchased Assets described in the Sale Agreement and listed on **Schedule "B"** hereto vest absolutely in the name of the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, caveats, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, assignments, actions, taxes, judgments, writs of execution, options, agreements, disputes, debts, debentures, easements, covenants or other rights, limitations or restrictions of any nature whatsoever including, without limitation, any rights or interests of any creditors of the Debtor, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise, whether liquidated, unliquidated or contingent (collectively, the "**Claims**") including, without limiting the generality of the foregoing:

- (a) any encumbrances or charges created by the Receivership Order or any other Orders granted in these proceedings;
- (b) all charges, security interests or claims evidenced by registrations pursuant to (i) the *Personal Property Security Act* (Alberta) (the "**PPSA**"); (ii) the *Land Titles Act* (Alberta) (the "**LTA**") and the *Mines and Minerals Act* (Alberta) (the "**MMA**") including without limitation the instruments listed in **Schedule "C"** hereto; or (iii) or any other personal or real property registry system; and
- (c) all other claims other than the Permitted Encumbrances
- (d) those Claims listed on **Schedule "C"** hereto (all of which are collectively referred to as the "**Encumbrances**", which term shall not include the permitted encumbrances, caveats, easements and restrictive covenants listed on **Schedule "D"**); and,

for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Purchased Assets are hereby expunged, vacated, ordered, removed and discharged as against the Purchased Assets.

6. The Receiver is hereby authorized and directed to execute for and on behalf of the Debtor all conveyances, assignments, transfers, novations, notices of assignment and other documents necessary or desirable in order to convey, assign and transfer title to the Purchased Assets to the Purchaser and to novate the Purchaser into any contracts, licenses, permits, approvals or authorizations included in the Purchased Assets.
7. For the purposes of determining the nature and priority of Claims, the net proceeds from the sale of the Purchased Assets, if any, (to be held in an interest bearing trust account by the Receiver)

shall stand in the place and stead of the Purchased Assets, and from and after the delivery of the Receiver's Certificate all Claims and Encumbrances shall attach to the net proceeds from the sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.

8. The Receiver shall set up a hold-back account to be funded as a condition of closing in the maximum amount of \$3,000,000 (the "**Municipal Taxes Fund**") in cash or by letter of credit. The Receiver shall hold the Municipal Taxes Fund in an interest-bearing trust account and may not make any distributions from the Municipal Taxes Fund except upon further order of this Court, or pursuant to an agreement among the Purchaser, the Receiver, and the municipalities, Municipal Districts and such other similar entities (the "**Municipalities**") as set out in Schedule "E" attached to this Order, with respect to their respective claims. The Municipal Taxes Fund shall be in an amount sufficient to fully fund and satisfy all the proven claims made against the Debtor by the Municipalities which have responded to the Receiver's letters as of June 6, 2018 ("the Asserted Claims"). Until further order of this Court, claims received after June 6, 2018 from the Municipalities in response to the Receiver's letters (the "Late Claims") shall have recourse to the Municipal Taxes Fund up to the amount of the Municipal Taxes Fund, less the Asserted Claims, as that amount exists at closing. Nothing in this order shall be construed as determining the validity or priority of the Asserted Claims or the Late Claims or the entitlement of the Municipalities to the Municipal Taxes Fund. The Receiver is hereby directed to schedule an application to determine the entitlement to the Municipal Taxes Fund. It shall be a condition of the closing of the Transaction that the Municipal Taxes Fund be funded at the amount of \$3,000,000, or the amount of the Asserted Claims which exist at the time of closing, whichever amount is lesser, and the Receiver shall confirm the funding of the Municipal Taxes Fund by including reference to such Fund on the Receiver's Certificate.
9. The Purchaser shall, by virtue of the completion of the Transaction, have no liability of any kind whatsoever in respect of any Claims against the Debtor.
10. The Debtor and all persons who claim by, through or under the Debtor in respect of the Purchased Assets, save and except for the persons entitled to the benefit of the Permitted Encumbrances, shall stand absolutely barred and foreclosed from all estate, right, title, interest, royalty, rental and equity of redemption of the Purchased Assets and, to the extent that any such persons remains in possession or control of any of the Purchased Assets, they shall forthwith deliver possession thereof to the Purchaser.

11. The Purchaser shall be entitled to enter into and upon, hold and enjoy the Purchased Assets for its own use and benefit without any interference of or by the Debtor, or any person claiming by or through or against the Debtor.
12. Immediately after the closing of the Transaction, the holders of the Permitted Encumbrances shall have no claim whatsoever against the Receiver or the Debtor.
13. The Receiver is to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof to the Purchaser.
14. Upon the delivery of the Receiver's Certificate, and upon the filing of a certified copy of this Order, together with any applicable registration fees, the Registrar or Registrars under the *Land Titles Act* (Alberta), the Department of Energy and the Minister of Energy of Alberta, and all other government ministries and authorities in Alberta, respectively, exercising jurisdiction with respect to or over the Purchased Assets (collectively, the "**Governmental Authorities**"), as applicable, are hereby authorized, requested, and directed to (in each case as applicable):
 - (a) enter the Purchaser as the owner, lessee, and/or licensee of the Purchased Assets;
 - (b) cancel the existing Certificates of Title to the Purchased Assets and issue new Certificates of Title for the Purchased Assets, in the name of the Purchaser, specifically including but not limited to Alberta Land Titles Title No. 142 043 667 ;
 - (c) delete and expunge from the existing title documents concerning the Purchased Assets all applicable Claims other than Permitted Encumbrances; and
 - (d) register such transfers, discharges, discharge statements, or conveyances, as may be required to convey clear title to the Purchased Assets to the Purchaser, subject only to the Permitted Encumbrances.
15. Presentment of this Order and the Receiver's Certificate shall be the sole and sufficient authority for the Governmental Authorities to effect the registration of transfers, discharges, discharge statements or conveyances as may be required to convey clear title to the Purchased Assets to the Purchaser, notwithstanding the requirements of section 191(1) of the LTA and notwithstanding that the appeal period in respect of this Order has not elapsed, which appeal period is expressly waived.
16. Pursuant to clause 7(3) of the Canada *Personal Information Protection and Electronic Documents Act* and section 20 Canadian of the Alberta *Personal Information Protection Act*, the Receiver is authorized and permitted to disclose and transfer to the Purchaser all human resources and

payroll information in the Debtor's records pertaining to the Debtor's past and current employees, including personal information of those employees listed in the Sale Agreement. The Purchaser (or its nominee) shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by the Debtor.

17. Notwithstanding:

- (a) the pendency of these proceedings;
- (b) any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3 ("**BIA**") in respect of the Debtor and any bankruptcy order issued pursuant to any such applications; and
- (c) any assignment in bankruptcy made in respect of the Debtor,

the vesting of the Purchased Assets in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a settlement, fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *BIA* or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

18. The Receiver, the Purchaser and any other interested party, shall be at liberty to apply for further advice, assistance and directions as may be necessary in order to give full force and effect to the terms of this Order and to assist and aid the parties in closing the Transaction.

MISCELLANEOUS MATTERS

**Reasons for Judgment
of the
Honourable Madam Justice K.M. Horner**

I. Introduction

[1] This is a priority dispute that raises the question of how far a municipality can go to collect tax arrears from an insolvent taxpayer with no valuable property in that municipality.

[2] The Applicant, Ernst & Young Inc. (the "Receiver"), was appointed as Receiver for the insolvent Regent Resources Ltd. ("Regent"). With the exception of the matter at hand here, all claims against Regent have been resolved. However, Regent's largest creditor, Alberta Treasury Branches ("ATB") faces a significant shortfall on its claim.

[3] Regent owned properties in a number of locations in Alberta, including the Respondent Cardston County ("Cardston"). In 2017, the Receiver disclaimed all of Regent's properties and assets in Cardston, taking the position that they had no value. There were, however, arrears of property tax in respect of those Cardston properties. Together with interest and penalties, those arrears amounted to approximately \$133,000 as at the date of this hearing. Regent also owned a number of properties in other municipalities that were sold within the receivership proceedings. There is no dispute that municipal taxes were paid on all of those properties.

[4] Cardston claims that it has a "special lien" over all of Regent's property for its municipal tax arrears by virtue of s. 348 of the *Municipal Government Act*, RSA 2000, c M-26 (the

“MGA”). The Receiver takes the position that the special lien contemplated in that provision is narrower in scope. The sole substantive issue before me was the proper interpretation of this provision and the scope of the special lien arising from it.

[5] First, however, Cardston raised a procedural issue. Cardston proposed that my determination of this matter be adjourned pending the anticipated decision of the Court of Appeal in *Northern Sunrise County v Virginia Hills Oil Corp*, which was heard on June 12, 2018. That case deals with the application of the special lien to linear property. Cardston asserted that the Court of Appeal might provide applicable guidance and asked that this matter be adjourned *sine die* to await the decision. Cardston argued that an adjournment was likely to occasion little or no prejudice to the Receiver. The Receiver opposed the adjournment. It argued that it was not appropriate to delay hearing an issue of interpretation, particularly when it is not clear that the Court of Appeal will address the particular issue in question.

[6] I agreed with the Receiver and declined to grant the adjournment. I was not persuaded that the Court of Appeal was likely to provide guidance on an issue not squarely before it. Accordingly, we proceeded with the hearing on the substantive issue.

[7] At the conclusion of the hearing, I granted the Receiver’s application for a declaration that ATB was a first ranking priority creditor and issued an order providing for final distribution of proceeds to ATB. I indicated I would issue my reasons subsequently and these are those reasons.

[8] The “special lien” for its municipal tax arrears is set out in s. 348 of the MGA which provides as follows:

- 348 Taxes due to a municipality
- (a) are an amount owing to the municipality,
 - (b) are recoverable as a debt due to the municipality,
 - (c) take priority over the claims of every person except the Crown, and
 - (d) are a special lien
 - (i) on land and any improvements to the land, if the tax is a property tax, a community revitalization levy, a special tax, a local improvement tax or a community aggregate payment levy, or
 - (ii) on goods, if the tax is a business tax, a community revitalization levy, a well drilling equipment tax, a community aggregate payment levy or a property tax imposed in respect of a designated manufactured home in a manufactured home community.

[9] The Receiver asserts that the phrase “land and any improvements to the land” in s. 348(d)(i) refers specifically to the land in respect of which the property tax was levied. Alternatively, the Receiver asserts that, at a minimum, the phrase must refer to land within the geographical boundaries of the municipality. Cardston argues for a broader interpretation that

would allow the special lien to attach to any land, regardless of its location or whether the tax is owing on it.

[10] Cardston relies on several statutory interpretation principles in support of its position. It starts by citing the Supreme Court of Canada's statement in *Re Rizzo & Rizzo Shoes Ltd*, [1998] 1 SCR 27 at para 21:

Today there is only one principle or approach; namely, the words of an Act are to be read in their entire context and in their grammatical and ordinary sense harmoniously with the scheme of the Act, the object of the Act, and the intention of Parliament.

[11] More specifically, Cardston notes that the Supreme Court of Canada held in *United Taxi Drivers' Fellowship of Southern Alberta v Calgary (City)*, 2004 SCC 19 at paras 6-8 that the MGA is to be interpreted in a "broad and purposive" manner.

[12] In addition, Cardston cites the *Interpretation Act*, RSA 2000, c I-8, s 10, which provides that all legislation in Alberta must be "...construed as being remedial, and shall be given the fair, large and liberal construction and interpretation that best ensures the attainment of its objects."

[13] The Receiver does not dispute these principles, but argues that Cardston has applied them inappropriately.

[14] Cardston submits that a proper interpretation of s. 348(d)(i) must be consistent with the remainder of that section and with the MGA as a whole. It argues that if "land" in s. 348(d)(i) is restricted to land on which tax is owing, then "goods" in s. 348(d)(ii) must be similarly restricted. Cardston points out that, if this is correct, there would be situations in which no special lien would be available. This, in its submission, creates a "gap" that cannot have been intended by the Legislature.

[15] I do not find this argument persuasive. The interpretation of s. 348(d)(ii) is not before me and I do not agree that I am so constrained in interpreting s. 348(d)(i).

[16] Cardston next asserts that, where it is intended to refer to property subject to assessment and taxation, the MGA uses the defined terms "property" and "parcel of land". The term "land" used in s. 348(d)(i), is not defined in the MGA. Cardston argues that this term typically is much broader, including a variety of legally recognized interests in land, some of which are never subject to assessment and taxation. It notes that "land" is defined in the *Land Titles Act*, RSA 2000, c L-4 as follows:

"land" means land, messuages, tenements and hereditaments, corporeal and incorporeal, of every nature and description, and every estate or interest therein, whether the estate or interest is legal or equitable, together with paths, passages, ways, watercourses, liberties, privileges and easements appertaining thereto and trees and timber thereon, and mines, minerals and quarries thereon or thereunder lying or being, unless any of them are specially excepted.

[17] Cardston argues that the Legislature's use of the term "land" must be presumed to be deliberate and implies that the Legislature intended a broader reach for the special lien than is advocated by the Receiver.

[18] While I agree that the Legislature should be presumed to have chosen the term "land" deliberately, that does not necessarily mean that the drafters intended to sweep in any and all

interests in land. In my view, it is equally plausible that the drafters chose the term to distinguish between it and “goods” in the next subsection.

[19] Cardston also points out that the previous version of the MGA provided for the special lien over “the land in respect of which the taxes are due.” Cardston asserts that the removal of that language from the current version of the MGA indicates that the Legislature intended to broaden the application of the special lien to all land and improvements owned by the debtor.

[20] While I acknowledge the change in wording, it is not sufficient to require an interpretation that I find will produce absurd results.

[21] As noted above, the Receiver argues that the special lien is applicable only to the particular land on which tax is owing or, at a minimum, only to land within the municipality. It asserts that this interpretation is consistent with the MGA, which permits a municipality to levy property tax on land within its boundaries. It notes further that property taxes are levied by municipal bylaw and that s. 12 of the MGA provides that a bylaw normally applies only within the municipality’s boundaries.

[22] Significantly, the Receiver argues that Cardston’s interpretation would lead to absurd results and that it is a principle of statutory interpretation that such results are to be avoided. It points to *R v Canadian Pacific Ltd* [1995] 2 SCR 1031 where Justice Gonthier held at para 66 that “Where a provision is open to two or more interpretations, the absurdity principle may be employed to reject interpretations which lead to negative consequences, as such consequences are presumed to have been unintended by the legislature.”

[23] The Receiver identifies several possible “negative consequences” to Cardston’s interpretation. First, it notes that giving such broad scope to the special lien could lead to competing special lien claims on the same land. There is no provision in the MGA for determining the priority of such competing claims, though counsel for Cardston suggested during the hearing that such claims could simply be paid out *pari passu*.

[24] The Receiver points out that Cardston’s interpretation could lead to a municipality making special lien claims against land anywhere in the world. If the application of the special lien is not limited to the municipality’s borders, the Receiver argues, there is no reason to limit it to Alberta or indeed to Canada. The Receiver submits that this cannot be what the Legislature intended.

[25] Counsel for the Receiver also made the important point that a broad scope special lien would be “an invisible superpriority charge” of which purchasers and lenders would not have notice. A party intending to lend funds secured against land reasonably may be expected, through its due diligence, to discover arrears of tax in the municipality where the land is located. However, I agree with the Receiver that it is not reasonable to expect lenders to ascertain whether there are tax arrears in every municipality in Alberta. This is particularly so where, as here, the debtor has disclaimed its interest in the land. Under Cardston’s interpretation, a lender would have to determine whether the debtor previously had owned land with taxes owing. The Legislature cannot have intended to create a due diligence requirement of that kind.

[26] Finally, I note that a municipality is not left without a remedy if its special lien is limited to its own boundaries. Cardston acknowledges in its brief that a municipality has the ability to obtain a judgment for unpaid taxes and to enforce that judgment against the debtor’s assets. That judgment is not limited to assets within the municipality, but may be enforced against any of the

debtor's assets within Alberta or even outside Alberta, if the judgment is extraprovincially registered. While the municipality, as a judgment creditor, would rank as an unsecured creditor, it cannot be said that limiting the special lien to the municipal boundaries leaves the municipality with no option to collect the taxes owed. It is only the "superpriority" that is limited. This, in my view, is an appropriate interpretation of s. 348(d)(i) of the MGA that is consonant with the objects and scheme of that statute.

[27] Taking all of the foregoing into account, I granted the Receiver's application.

[28] As is customary in proceedings of this nature, no costs are ordered.
