The Respondent does not oppose. The First Hearing, although reserved, did not appear. Order to go in accordance with draft filed. The Respondent has commenced a proceeding attacking the validity of the 922 mortgage and a hearing date is set for Sept 17/14. I will not vacate that date at this time, but I would ask the Receiver to report to this Court by mid-July or week before that date should be preserved on some other course of action as appropriate.
