

**IN THE MATTER OF THE RECEIVERSHIP OF  
OLD MILL MARINA (KAWAGAMA) LIMITED  
NOTICE AND UPDATE TO THE CUSTOMERS  
MAY 14<sup>th</sup>, 2020**

Earlier today, the Ontario government announced that effective May 16<sup>th</sup> marinas will be allowed to open for recreational use. While we are able to open the marina, for the safety and protection of customers and the staff at Old Mill Marina (Kawagama) Limited (“**Old Mill**”), access to the marina will remain restricted to only those customers that have rented slips for the 2020 boating season and those customers with appointments to pick-up their boat.

Old Mill has already begun the launch of water-access-only property owner’s boats. Old Mill will begin to add all other customers’ boats to the launch and pick-up/delivery schedule, however water-access-only customers will remain the priority.

If you have requested to have your boat returned to you, without any further service or placing the boat in the water, then please be patient and wait for Old Mill to contact you to schedule a date and time. Note that if you have not yet signed the Spring 2020 Boat Launch Agreement and/or paid for the amount due then your boat will not be scheduled to be launched or released. We appreciate that customers are eager and excited to get out on the water, however, we ask for your patience while the staff at Old Mill works through the creation of the launch schedule.

As we’re sure you’ll understand, the 2020 boating season will be different than any prior year. Attached are some of the 2020 Covid-19 Customer Social Distancing Guidelines that will be in place and must be vigorously adhered to. They are designed to protect the health and safety of our staff and you, our customers, during the COVID-19 pandemic.

**Anyone not adhering to these guidelines may be removed from the marina and may be denied any future access.**

The guidelines were based on guidance from the Boating Ontario Association as well as the office of the Ontario Workplace Safety & Prevention Services. For further information please refer to the Boating Ontario website, <https://www.boatingontario.ca/cpages/boatingontario>, or by calling the provincial support to business toll-free line, 1(888) 444-3659.

Once again thank you for your continued patience and co-operation through these very difficult circumstances.

Yours very truly,

**MNP Ltd.**
