NAME OF JUSTICE WHO MADE THIS ORDER: The Honourable Madam Justice M.E. Burns

UPON THE APPLICATION by MNP Ltd. in its capacity as the Court-appointed receiver (the "Receiver") of certain personal property of 1631807 ALBERTA LTD. and RADIANT TECHNOLOGIES INC. (collectively, the "Debtors") described in Exhibit "L" of the Affidavit of Brian Moskowitz dated March 13, 2023, together with any other personal property of the Debtors as may be agreed upon by the Receiver and the Debtors, including all proceeds thereof, for an order approving the proposed auction sale (the "Auction Sale") contemplated by Workingman Capital Corp. ("Workingman") in accordance with a Request for Offers to Purchase or Liquidation Proposals (the "ROP") for the sale of the purchased assets (the "Purchased Assets"), and vesting right, title and interest in and to the Purchased Assets to the end purchasers (the "Purchaser" or "Purchasers"); **AND UPON HAVING READ** the Limited Receivership Order dated March 21, 2023 (the "Receivership Order"), the Receiver's First Report to the Court and the Affidavit of Service; **AND UPON HEARING** the submissions of counsel for the Receiver, and those in attendance, and no one appearing for any other person on the service list, although properly served as appears from the Affidavit of Service, filed;

IT IS HEREBY ORDERED AND DECLARED THAT:**SERVICE**

1. Service of notice of this application and supporting materials is hereby declared to be good and sufficient and time for service of this application is abridged to that actually given.

APPROVAL OF AUCTION SALE

2. The Auction Sale is hereby approved and the Receiver is hereby authorized and directed to take such additional steps and execute such additional documents, including the auction agreement (the "Auction Agreement") as may be necessary or desirable for completion of the Auction Sale and conveyance of the Purchased Assets to the Purchaser or Purchasers.

VESTING OF PROPERTY

3. Upon delivery of a Receiver's certificate to Workingman Capital Corp. substantially in the form set out in **Schedule "A"** hereto (the "Receiver's Closing Certificate"), all of the Debtors' right, title and interest in and to the Purchased Assets [listed in **Schedule "B"** hereto] shall vest absolutely in the name of the Purchasers (or their nominees), free and clear of and from any and all caveats, security interests, hypothecs, pledges, mortgages, liens, trusts or deemed trusts, reservations of ownership, royalties, options, rights of pre-emption, privileges, interests, assignments, actions, judgements, executions, levies, taxes, writs of enforcement, charges, or other claims, whether contractual, statutory, financial, monetary or otherwise, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, "Claims") including, without limiting the generality of the foregoing:

- (a) any encumbrances or charges created by the Receivership Order;
- (b) any charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Alberta) or any other personal property registry system;

and for greater certainty, this Court orders that all Claims affecting or relating to the Purchased Assets are hereby expunged, discharged and terminated as against the Purchased Assets.

4. Upon delivery of the Receiver's Closing Certificate, and upon filing of a certified copy of this Order, together with any applicable registration fees, all governmental authorities including those referred to below in this paragraph (collectively, "Governmental Authorities") are hereby authorized, requested and directed to accept delivery of such Receiver's Closing Certificate and certified copy of this Order as though they were originals and to register such transfers, interest authorizations, discharges and discharge statements of conveyance as may be required to

convey to the Purchaser or its nominee clear title to the Purchased Assets subject only to Permitted Encumbrances. Without limiting the foregoing:

(a) the Registrar of the Alberta Personal Property Registry (the "PPR Registrar") shall and is hereby directed to forthwith cancel and discharge any registrations at the Alberta Personal Property Registry (whether made before or after the date of this Order) claiming security interests in the estate or interest of the Debtors in any of the Purchased Assets which are of a kind prescribed by applicable regulations as serial-number goods.

5. In order to effect the transfers and discharges described above, this Court directs each of the Governmental Authorities to take such steps as are necessary to give effect to the terms of this Order and the Auction Agreement. Presentment of this Order and the Receiver's Closing Certificate shall be the sole and sufficient authority for the Governmental Authorities to make and register transfers of title or interest and cancel and discharge registrations against any of the Purchased Assets of any Claims.
6. No authorization, approval or other action by and no notice to or filing with any governmental authority or regulatory body exercising jurisdiction over the Purchased Assets is required for the due execution, delivery and performance by the Receiver of the Auction Sale and Auction Agreement.
7. For the purposes of determining the nature and priority of Claims, net proceeds from sale of the Purchased Assets (to be held in an interest bearing trust account by the Receiver) shall stand in the place and stead of the Purchased Assets from and after delivery of the Receiver's Closing Certificate and all Claims shall not attach to, encumber or otherwise form a charge, security interest, lien, or other Claim against the Purchased Assets and may be asserted against the net proceeds from sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale. Unless otherwise ordered (whether before or after the date of this Order), the Receiver shall not make any distributions to creditors of net proceeds from sale of the Purchased Assets without further order of this Court, provided however the Receiver may apply any part of such net proceeds to repay any amounts the Receiver has borrowed for which it has issued a Receiver's Certificate pursuant to the Receivership Order.
8. Workingman and the Purchasers shall not, by completion of the Auction Sale, have liability of any kind whatsoever in respect of any Claims against the Debtor.

9. Upon completion of the Auction Sale, the Debtors and all persons who claim by, through or under the Debtors in respect of the Purchased Assets, and all persons or entities having any Claims of any kind whatsoever in respect of the Purchased Assets, shall stand absolutely and forever barred, estopped and foreclosed from and permanently enjoined from pursuing, asserting or claiming any and all right, title, estate, interest, royalty, rental, equity of redemption or other Claim whatsoever in respect of or to the Purchased Assets, and to the extent that any such persons or entities remain in the possession or control of any of the Purchased Assets, or any artifacts, certificates, instruments or other indicia of title representing or evidencing any right, title, estate, or interest in and to the Purchased Assets, they shall forthwith deliver possession thereof to the Purchaser (or its nominee).
10. The Purchaser (or its nominee) shall be entitled to enter into and upon, hold and enjoy the Purchased Assets for its own use and benefit without any interference of or by the Debtors, or any person claiming by, through or against the Debtors.
11. The Receiver is directed to file with the Court a copy of the Receiver's Closing Certificate forthwith after delivery thereof to Workingman.

MISCELLANEOUS MATTERS

12. Notwithstanding:
 - (a) the pendency of these proceedings and any declaration of insolvency made herein;
 - (b) the pendency of any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c.B-3, as amended (the "BIA"), in respect of the Debtors, and any bankruptcy order issued pursuant to any such applications;

13. The Receiver, Workingman, the Purchaser or Purchasers and any other interested party, shall be at liberty to apply for further advice, assistance and direction as may be necessary in order to give full force and effect to the terms of this Order and to assist and aid the parties in closing the Auction Sale.
