PURPOSE OF REPORT

1. Pursuant to an Order of the Court of King's Bench of Alberta granted March 21, 2023 (the "**Limited Receivership Order**"), MNP Ltd. ("**MNP**") was appointed receiver (the "**Receiver**") of certain personal property of 1631807 Alberta Ltd. ("**163 Alberta**") and Radiant Technologies Inc. ("**Radiant**") (collectively the "**Debtors**" or "**Companies**") described in Exhibit "L" of the Affidavit of Brian Moskowitz dated March 13, 2023 (attached as **Appendix "A"**), together with any other personal property of the Debtors as may be agreed upon by the Receiver and the Debtors, including all proceeds thereof (the "**Equipment**"). For greater certainty, and without restricting the generality of the foregoing, the Equipment shall not include the proceeds of any disposition of chattel property belonging to the Debtors held in trust as of March 21, 2023, by Dentons Canada LLP.
2. This is the first report to Court filed by the Receiver regarding the administration of the estate of the Companies (the "**First Report**").
3. The purpose of this report is to:
 - Provide the Court with a summary of our activities since our appointment as Receiver;
 - Assist this Honourable Court's consideration of the Receiver's application for approval of the auction proposal made by Workingman Capital Corp. ("**Workingman**") for the auction of the Equipment, and the approval of an auction agreement (the "**Auction Agreement**") to be executed by the Receiver and Workingman subject to Court approval; and,
 - Seek this Court's approval of a Restricted Court Access Order in relation to the Confidential Appendices hereto.

BACKGROUND INFORMATION

4. The Companies are licensed manufacturer in the cannabis industry operating in Edmonton, Alberta. 163 Alberta is a wholly owned subsidiary of Radiant.

5. Radient operates out of a facility located in Edmonton, Alberta owned by 163 Alberta. The facility includes a main office and extraction building as well as a partially complete, vacant warehouse building (the "**Facility**").
6. Francesco Ferlaino, Gougoux Yves, Harry Kaura, Jocelyne LaFreniere, Jan Petzel and Steven Splinter are the directors of Radient which was incorporated on May 22, 2014.
7. Harry Kaura is the sole director of 163 Alberta. 163 Alberta was incorporated on September 29, 2011.
8. MNP is only the Receiver of the Equipment described Exhibit "L" of the Affidavit of Brian Moskowitz dated March 13, 2023, together with any other personal property of the Debtors as may be agreed upon by the Receiver and the Debtor. The Equipment is comprised of approximately 168 articles of industrial equipment and miscellaneous inventory, much of which is highly specialized and designed for use in the cannabis or bio-medical industries.
9. On April 25, 2023, the Companies and the Receiver agreed to include three crates containing a LC Mass Spectrometer, TEMA Centrifuge and associated parts in the Equipment to be offered for sale.

INSOLVENCY EVENTS

10. Pursuant to a written lending agreement dated May 2, 2018, and various written amending instructions made between June 2018 and April 2022, Moskowitz Capital Mortgage Fund II Inc. ("**MCMF**") advanced funds and charged agreed upon fees to the Companies.
11. As collateral security for repayment of indebtedness, liabilities and obligations owing by the Companies to MCMF, the Companies each granted general security agreements (the "**GSAs**") granting MCMF a charge over all present and after-acquired personal property relating to the business of the Companies (excluding consumer goods) located at the Facility.
12. The Companies also granted MCMF a mortgage against the title to the Facility as additional collateral security.
13. The Companies defaulted on obligations owing to MCMF in mid-2022 and were unable to cure such default.

14. MCMF commenced mortgage proceedings against the Companies and on January 16, 2023, MCMF obtained a Redemption Order – Listing with a 1-day redemption period. The Facility is currently listed for sale pursuant to the Redemption Order – Listing.
15. As the listing price for the judicial sale of the Facility is significantly less than the current value of outstanding debt, MCMF deemed it necessary to enforce their security under the GSA.
16. On March 21, 2023, MCMF applied for and obtained the Limited Receivership Order. A copy of the Receivership Order granted by the Honourable D.R. Mah is attached to this First Report as **Appendix B**.
17. As of March 8, 2023, the Companies owe MCMF \$12,067,093, plus interest and costs on the go forward.
18. As at the date of this report, the Receiver understands the Companies continue to operate despite the Limited Receivership proceedings.
19. The Receiver is aware of amounts owing to the Canada Revenue Agency (“**CRA**”) for unpaid source deductions and GST. A trust audit was scheduled to take place in early April 2023 but due to the recent CRA strike, the trust audit was postponed. The Receiver will provide a fulsome analysis of priorities and related amounts in a subsequent report and application to Court to approve distributions.

RECEIVER’S ACTIVITIES

20. On March 22, 2023, the Receiver attended, took possession, inventoried, and secured the Equipment located at the Facility.
21. In addition to the above, the Receiver has performed the following:
 - Changed exterior locks on the warehouse at the Facility;
 - Reviewed existing insurance policies held by the Companies;
 - Negotiated and obtained liability insurance coverage, including coverage for an on-site auction;
 - Ensured all access points on the vacant warehouse at the Facility were secured;

- Engaged a contractor and to perform regular inspection checks at the vacant warehouse;
- On April 13, 2023, the Receiver located and took possession of certain pieces of equipment located off site, the equipment was relocated to the main building at the Facility on April 17, 2023;
- On May 3, 2023, the Receiver took possession of a large value piece of equipment that was seized by the Edmonton Police Service, the equipment was relocated to the main building at the Facility the same day;
- Prepared and sent a request for proposals for the sale or auction of the Equipment to interested parties;
- Had discussions with interested parties regarding removal of certain large equipment items and auction considerations;
- Toured interest parties through the Facility to view the Equipment;
- Reviewed proposals for the sale and/or auction of the Equipment;
- Had various correspondence with the CRA regarding amounts owing, and completion of a trust audit; and,
- Had various conversations with contractors and vendors who have contacted the Receiver.

22. The Receiver continues to complete its administrative requirements pursuant to the *Bankruptcy and Insolvency Act*. The Receiver set up a website to provide information to the Companies' creditors and interested parties and held discussions with creditors regarding the status of the Limited Receivership and the administration of the estate.

MARKETING AND SALES PROCESS

23. Regarding the marketing of the Equipment, the Receivership Order authorizes the Receiver to market it for sale but does not specify a specific process in that regard. The Receivership Order requires the Receiver obtain Court approval for any sale exceeding \$50,000 or the aggregate of all sales transactions exceeds \$200,000.

24. In connection with the marketing process, the Receiver prepared and distributed a Request for Offers to Purchase or Liquidation Proposals ("ROP") via email blast to various prospective purchasers including auctioneers, liquidators, and the Companies' industry competitors. A copy of the ROP is attached as **Appendix C**.

25. The ROP notified prospective purchasers of;
- The nature of the Companies business;
 - The Equipment available for sale; and,
 - The form of offer, and terms and conditions for the sale of Equipment proposed by the Receiver.
26. The ROP contemplated that offers and/or proposals be submitted to the Receiver by no later than 4:00 pm MST on May 12, 2023 (the “**Bid Deadline**”).
27. The Receiver held discussions with prospective purchasers and auctioneers regarding the Equipment and the ROP process.
28. The Receiver gave all interested parties the opportunity to tour the Facility and view all of the Equipment. Five interested parties conducted in depth due diligence and toured the Facility to view the Equipment.
29. The Equipment had been marketed by the Companies for sale prior to the Receivership and the market was generally familiar with the Equipment. Accordingly, the Receiver marketed the Equipment for sale for a condensed period of three weeks.
30. The Receiver marketed the ROP on the Receiver’s dedicated case website and Insolvency Insider.
31. As of the Bid Deadline, the Receiver had received three auction proposals and one offer to purchase. A summary of the offer and proposals received is attached as **Confidential Appendix 1**.
32. The Receiver reviewed the offer and proposals received, analyzing commission, fee structures and net minimum guarantee amounts. The value of the equipment is believed to be significant and therefore commission and fee structures played a key role.
33. The auction proposal from Workingman was determined by the Receiver to be the highest and best value offer. Their proposal includes a guaranteed minimum advance, and

reasonable commission and auction fee structure. Workingman's proposed timing of completion within 60 to 90 days was also the most favorable.

34. Workingman's marketing plan includes a comprehensive and global marketing campaign, auctioning each asset via a live webcast auction and highlighting strategic assets to garner attention.
35. A copy of the Workingman proposal is attached as **Confidential Appendix 2**.
36. The sale of the Companies' assets pursuant to Workingman's proposal is supported by the secured creditor, MCMF.
37. The Receiver's legal counsel has prepared an Auction Agreement outlining the terms and conditions of the sale of the Equipment to be executed by both Workingman and the Receiver subject to Court approval. A copy of the Auction Agreement is attached as **Confidential Appendix 3**.
38. The Receiver respectfully requests that the Court approve the Workingman auction proposal and proposed Auction Agreement.

CONCLUSION

39. The Receiver respectfully requests the Court grant an Order:
 - Approving the activities of the Receiver as outlined in this First Report;
 - Approving the auction proposal made by Workingman for the auction of the Equipment;
 - Approving the proposed Auction Agreement to be executed by Workingman and the Receiver;
 - Temporarily sealing the Confidential Appendices hereto; and,
 - Any further direction that the Court wishes to provide to the Receiver.

All of which is respectfully submitted this 23rd day of May 2023.

SECOND AFFIDAVIT OF BRIAN MOSKOWITZ

Sworn on March 14, 2023

I, Brian Moskowitz, of the City of Toronto, in the Province of Ontario, SWEAR AND SAY THAT:

1. I am the President of the Plaintiff, Moskowitz Capital Mortgage Fund II Inc. ("**MCMF**"), and as such, I have a personal knowledge of the facts and matters hereinafter deposed to except where stated to be on the basis of information and belief, and, where so stated, I verily believe the same to be true.
2. I previously filed an Affidavit of Default, dated December 12, 2022, (the "**First Moskowitz Affidavit**") in this action in connection with MCMF's mortgage enforcement proceedings in this matter. In this Affidavit, unless otherwise stated, I adopt capitalized naming conventions established in the First Moskowitz Affidavit.
3. This Affidavit is filed by MCMF in support of its Application seeking to appoint MNP Ltd. as receiver of the Equipment (as defined below in this Affidavit) owned or in the possession of 1631807 Alberta Ltd. and Radiant Technologies Inc. (collectively, the "**Debtors**").
4. In the preparation of this Affidavit, I have reviewed relevant books and records of MCMF.

Background to the Debtors

5. Copies of corporate profiles obtained from Alberta's and Canada's corporate registries for each of the Debtors are attached, collectively, as **Exhibit "A"** of this Affidavit. I note that the corporate profile for 1631807 shows that 100% of its outstanding voting shares are owned by Radiant Technologies.
6. Radiant Technologies is a licensed manufacturer of cannabis products.

7. The Debtors operate their business from a facility located in Edmonton, Alberta. The facility is sited on real property owned by 1631807, being the Lands described in the Mortgage produced as Exhibit "A" of the First Moskowitz Affidavit.

Personal Property Security

8. MCMF and Radiant Technologies concluded a Term Sheet for the creation of a \$5,500,000.00 credit facility on May 2, 2018. The Term Sheet was amended on April 25, 2018, under Term Sheet Amendment #1 to add 1631807 as a guarantor under an unlimited guarantee. The Term Sheet and Term Sheet Amendment #1 are attached, collectively, as **Exhibit "B"** of this Affidavit.
9. MCMF advanced a total of \$5,500,000.00 to the Debtors on May 2, 2018. Copies of a Statement of Receipts and Disbursements concerning such advance and correspondence enclosing the portion of the advance distributable to the Debtors are attached, collectively as **Exhibit "C"** of this Affidavit.
10. On May 2, 2018, 1631807 executed a General Security Agreement pursuant to which it agreed to grant MCMF a security interest in all of its present and after acquired personal property relating to the operation of the business of 1631807 located on the Lands, with the exception of consumer goods. A copy of the said General Security Agreement is attached as **Exhibit "D"** of this Affidavit.
11. On June 26, 2018, MCMF and the Debtors agreed pursuant to an amending instrument, namely Term Sheet Amendment #2, to amend their relationship such that 1631807 would serve as the primary borrower and Radiant Technologies would serve as the guarantor of 1631807's debt owed to MCMF. A copy of Term Sheet Amendment #2 is attached as **Exhibit "E"** of this Affidavit. On August 31, 2018, Radiant Technologies executed an Agreement of Guarantee under which it agreed to guarantee all amounts owing by 1631807 to MCMF. A copy of the August 31, 2018, Agreement of Guarantee is attached as **Exhibit "F"** of this Affidavit.
12. On August 31, 2018, Radiant Technologies executed a General Security Agreement pursuant to which it agreed to grant MCMF a security interest in all of its present and after acquired personal property relating to the operation of the business of Radiant Technologies located on the Lands, with the exception of consumer goods. A copy of the said General Security Agreement is attached as **Exhibit "G"** of this Affidavit.
13. I note that the General Security Agreements executed in favour of MCMF by the Debtors both include terms pursuant to which the Debtors agreed that MCMF would have the right to appoint a receive or receive manager over their assets, business and affairs.
14. The applicable interest rate on the balancing owing by the Debtors to MCMF under the has been amended by agreement between MCMF and the Debtors several times since the conclusion of the initial Term Sheet. The key monetary terms of such amending agreements, which included additional advances made available to the Debtors and various fees agreed to by the Debtors, are described in paragraphs 3 - 8 of the First Moskowitz Affidavit. The current applicable interest rate is calculated as the greater of 9.99% per annum or the Bank of Nova Scotia's Prime Rate plus 7.54% per annum. As of today's date, the applicable variable interest rate stands at 14.53% per annum.
15. MCMF perfected its security interests in the Debtors' personal property by way of registration of financing statements in Alberta's Personal Property Registry (the "**PPR**"). MCMF registered a security interest in the PPR against the present and after-acquired personal property (excepting consumer goods) of the Debtors on April 25, 2018. Copies of PPR reports evincing the registration of MCMF's financing statements concerning its personal property security against the Debtors are attached, collectively, as **Exhibit "H"** of this Affidavit.

16. Regarding the said PPR reports, I note that:
- a. the first registered interest in the personal property of Radient Technologies appears to be held by Agricultural Financial Services Corporation ("AFSC"), whose registration is dated May 16, 2011;
 - b. the registration of MCFM in the present and after acquired property (excluding consumer goods) of Radient Technologies is the second security agreement registered following the interest of AFSC;
 - c. reports of seizure concerning an enforcement action of AFSC against Radient Technologies was registered on January 10, 2022;
 - d. there are 13 registrations against the personal property of Radient Technologies registered subsequent to the registration of MCFM;
 - e. the first registered interest in the present and after-acquired property of 1631807 is that of MCFM; and
 - f. there are 3 registrations against the property of 1631807 registered subsequent to the registration of MCFM.

Default Ongoing Insolvency of the Debtor

17. As is stated in the First Moskowitz Affidavit, the Debtors are in default on financial obligations owing to MCMF and MCMF has exercised its right to demand payment of the whole of the amounts owing to it by the Debtors. Such default has not been cured as of the date hereof. As of March 8, 2023, the balance outstanding owing to MCMF by the Debtors stood at \$12,067,093.27, with interest accruing on such balance at a *per diem* rate of \$3,952.59 (the "Indebtedness").
18. A copy of Radient Technology's most recent publicly available financial statements, being financial statements for the fiscal year ended March 31, 2022, is attached as **Exhibit "I"** of this Affidavit. I note that such financial statements show total assets valued at \$27,734,541 and total liabilities of (\$37,860,320). Net and comprehensive losses for 2022 are reported at (\$12,929,980), as compared to total revenue for 2022 of only \$3,621,781.
19. I remain in contact with the management team of the Debtors. I am advised by the Debtors' management team, and I verily believe it to be true, that the Debtors continue to operate and generate revenue, despite their insolvency and the ongoing enforcement proceedings. Notwithstanding the fact that the Debtors continue to carry on business, they have not provided MCMF with any plan to cure their default or to restructure their affairs in a manner that would enable them to retire the Indebtedness within a period acceptable to MCMF.
20. Since the filing of the First Moskowitz Affidavit, MCMF has applied for and successfully obtained a Redemption Order - Listing in these proceedings. The prescribed listing price for the Lands pursuant to paragraph 4 of the Judicial Listing Agreement incorporated into the Redemption Order Listing is \$11,340,000. The Lands have not yet been listed for sale.
21. On October 20, 2022, MCMF obtained a Preservation Order entitling MCMF or its agent to enter the Lands to take all necessary steps to preserve the same. MCMF subsequently appointed Avison Young Real Estate Management Services, LP to act as its agent for all purposes related to the Preservation Order. Notwithstanding the Preservation Order, the Debtors continue to have access to the Lands with the consent of MCMF so as that they may continue to operate their business pending MCMF's enforcement of its security.

22. On March 7, 2023, the Alberta Securities Commission issued a Cease Trade Order respecting the securities of Radiant Technologies. The said Cease Trade Order indicates that Radiant Technologies failed to file public disclosure required by the securities legislation of Ontario and Alberta. A copy of the publicly available Cease Trade Order is attached as **Exhibit "J"** of this Affidavit.
23. On March 10, 2023, counsel for MCMF conveyed to counsel for the Debtors' Notices of Intention to Enforce Security made under section 244 of the *Bankruptcy and Insolvency Act*. Copies of the said Notices of Intention to Enforce Security are attached, collectively, as **Exhibit "K"** of this Affidavit.

Necessity of Receiver's Appointment

24. As is noted above, the prescribed listing price for the Lands is less than the value of the Indebtedness. MCMF has thus determined that the proceeds from the eventual sale of the Lands will likely be insufficient to retire the Indebtedness. Accordingly, MCMF has determined that it is necessary to enforce its security interest against the personal property of the Debtors.
25. At this time, MCMF only seeks to enforce its security interest against certain pieces of equipment (the "**Equipment**") owned by the Debtors. The management team of the Debtors has provided MCMF with a spreadsheet listing pieces of equipment encumbered by MCMF's security interest. The said spreadsheet identified pieces of equipment that were: (a) required for operations; (b) not-required for operations, but were missing or otherwise unavailable for seizure; or (c), not required for operations and were available for seizure.
26. The Equipment MCMF seeks to seize is comprised only of the pieces of property in the latter of the three above-mentioned categories. MCMF has used the spreadsheet provided to it by the Debtors to prepare a schedule of the Equipment, a copy of which is attached as **Exhibit "L"** of this Affidavit. For greater certainty, pieces of property that are required by the Debtors for their operations or are not available for seizure are omitted from the attached schedule of the Equipment.
27. MCMF wishes to ensure that the Equipment is sold in an efficient, orderly, and commercially reasonable sales process. Further, MCMF wishes to ensure that the Debtors are able to continue to use the Equipment to carry on business to as great an extent as is reasonably practicable under the circumstances during the sales process for the Equipment.
28. MCMF is concerned that enforcing its rights as a secured creditor with the assistance of civil enforcement agency may prove impracticable, or at least undesirable, for at least two reasons. First, MCMF is concerned that the process of ensuring that numerous subordinate registrations against the Equipment are discharged from the PPR upon the closing of the transactions for the sale of the Equipment may be cumbersome, time-consuming, and costly. Furthermore, MCMF is concerned that any delay in obtaining such discharges could result in the collapsing of transactions for the sale of the Equipment or future litigation between MCMF and potential purchasers.
29. Second, MCMF is concerned that it will not be practicable for a civil enforcement agency to make appropriate arrangements with the Debtors to a sales process for the Equipment following its seizure while such Equipment continues to be used by the Debtors in furtherance of their operations.
30. With a view to maximizing value for the benefit of all of the Debtors' stakeholders and ensuring that the Equipment is sold as efficiently as possible, MCMF thus seeks the appointment of a receiver.

31. MCMF wishes to appoint MNP Ltd. to serve as receiver of the Equipment. At this time, MCMF does not wish to appoint MNP Ltd. as a receiver manager of the whole of the Debtors' business and affairs and property.
32. MNP Ltd. is a Licensed Insolvency Trustee and has endorsed a Consent to Appointment as receiver in these proceedings.

Conclusion

33. In summary of the foregoing, I verily believe it to be true for the reasons canvassed above that:
 - a. the Debtors are insolvent;
 - b. the Debtors are unable to repay the Indebtedness;
 - c. it will be necessary for MCMF to realize upon its security in the Equipment in order to satisfy the Indebtedness; and
 - d. the appointment of a Receiver is required to maximize value and to enable the Equipment to be sold in an orderly and efficient sales process.
34. I am not physically present before the solicitor retained by MCMF who is serving as the Commissioner for Oaths taking this Affidavit (the "**Commissioner**"). Rather, I am linked to the Commissioner by video conference. The following steps have been taken by the Commissioner and myself:
 - a. I have shown the Commissioner the front and back of my government-issued photo identification ("ID");
 - b. the Commissioner has compared my image to the information on my ID;
 - c. the Commissioner has taken a screen shot of the front and back of my ID to retain it;
 - d. the Commissioner and I have a paper copy of this Affidavit before us;
 - e. the Commissioner and I have reviewed each page of this Affidavit to verify that the pages are identical and have initialed each page in the lower right corner;
 - f. at the conclusion of our review of the Affidavit, the Commissioner administered the oath to me, and the Commissioner watched me sign my name to this Affidavit; and
 - g. I will send this signed Affidavit electronically to the Commissioner.

[Space Intentionally Left Blank - Execution to Follow on Next Page]

35. I make this Affidavit in support of an Application by MCMF to appoint MNP Ltd. as Receiver of the Debtors' Equipment and for no other or improper purpose.

Borrower & Guarantor(s) Initials _____

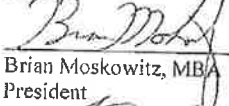

This letter should not be considered as a Commitment, but only as an indication of our interest (Term Sheet). If you wish to proceed to the Commitment stage under the terms outlined herein, please sign the enclosed copies of this letter where indicated and return one copy to the undersigned with a Partial Commitment Fee of **\$50,000 certified funds** payable to Moskowitz Capital Mortgage Fund II Inc., by no later than 3:00 PM, April 2, 2018. If we issue a Commitment, or if you withdraw the application, misrepresented any information, or you cannot furnish the required information or the information you provided does not confirm to be true or is erroneous or you cannot meet the underlying condition, this amount shall be retained by us and the remainder of the Commitment Fee will be due and payable immediately and will serve to cover the costs of investigating and analyzing your application and possibly any damages, whether or not funds are advanced. The Lender reserves the right to secure the unpaid balance of the Commitment Fee and Lender Expenses, as such, the Borrower(s)/Guarantor(s) grant a security interest of all personal property in favour of the Lender and this Term Sheet shall constitute a security agreement for purposes of the Personal Property Security Act, and the Borrower(s)/Guarantor(s) consents to the Lender registering such interest on the Personal Property Registry as security. Subject to the abovementioned, *if after appropriate due diligence, we do not issue a Commitment; the Partial Commitment Fee will be returned to you less any costs incurred by us.* The general terms, conditions and security outlined herein are meant to provide you with a guideline as to the proposed structure of a loan.

We look forward to working with you.

Yours very truly,

GENERAL SECURITY AGREEMENT

1. **1631807 ALBERTA LTD.** (the "Borrower") of 3946 – 101 Street NW, Edmonton, AB T6E 0A5 for valuable consideration grants, assigns, transfers, sets over, mortgages and charges to **MOSKWITZ CAPITAL MORTGAGE FUND II INC.**, 2200 Yonge Street, Suite 1002, Toronto, ON M4S 2C6 (the "Lender") as and by way of a fixed and specific mortgage and charge, and grants to the Lender, a security interest in all present and after acquired undertaking and personal property (other than consumer goods) of the Borrower described in Schedule "A" including all the right, title, interest and benefit which the Borrower now has or may hereafter have in all such personal property described therein (the "Collateral").

In this Agreement, the words "goods", "consumer goods", "account", "account debtor", "inventory", "crops", "equipment", "fixtures", "chattel paper", "document of title", "instrument", "money", "security", or "securities", "intangible", "receiver", "proceeds" and "accessions" shall have the same meanings as their defined meanings where such words are defined in the Personal Property Security Act of Alberta, such Act, including any amendments thereto, being referred to in this Agreement as "the PPSA". In this Agreement, "Collateral" shall refer to "Collateral or any item thereof".

2. The fixed and specific mortgages and charges and the security interest granted under this Agreement secure payment and performance of all obligations of the Borrower to the Lender, including but not limited to all debts and liabilities, present or future, direct or indirect, absolute or contingent, matured or not, at any time owing by the Borrower to the Lender in any currency or remaining unpaid by the Borrower to the Lender in any currency, whether arising from dealings between the Lender and the Borrower or from other dealings or proceedings by which the Lender may be or become in any manner whatever a creditor of the Borrower and wherever incurred, and whether incurred by the Borrower alone or with another or others and whether as principal or surety, including all interest, commissions, legal and other costs, charges and expenses (the "Obligations").
3. The Borrower hereby represents and warrants to the Lender that:
 - A. all of the Collateral is, or when the Borrower acquires any right, title or interest therein, will be the sole property of the Borrower free and clear of all security interests, mortgages, charges, hypothecs, liens or other encumbrances except as disclosed by the Borrower to the Lender in writing;
 - B. the Collateral insofar as it consists of goods (other than inventory enroute from suppliers or enroute to Borrowers or on lease or consignment) will be kept at the locations specified in Schedule "B" hereto or at such other locations as the Borrower shall specify in writing to the Lender and subject to the provisions of paragraph 4(j) none of the Collateral shall be moved therefrom without the written consent of the Lender;
 - C. the Borrower's chief executive address is located at the address specified in paragraph 1;
 - D. none of the Collateral consists of consumer goods; and

E. this Agreement has been properly authorized and constitutes a legally valid and binding obligation of the Borrower in accordance with its terms.

4. The Borrower hereby agrees that:

- A. the Borrower shall diligently maintain, use and operate the Collateral and shall carry on and conduct its business in a proper and efficient manner so as to preserve and protect the Collateral and the earnings, incomes, rents, issues and profits thereof;
- B. the Borrower shall cause the Collateral to be insured and kept insured to the full insurable value thereof with reputable insurers against loss or damage by fire and such other risks as the Lender may reasonably require and shall maintain such insurance with loss if any payable to the Lender and shall lodge such policies with the Lender;
- C. the Borrower shall pay all rents, taxes, levies, assessments and government fees or dues lawfully levied, assessed or imposed in respect of the Collateral or any part thereof as and when the same shall become due and payable, and shall exhibit to the Lender, when required, the receipts and vouchers establishing such payment;
- D. the Borrower shall duly observe and conform to all valid requirements of any governmental authority relative to any of the Collateral and all covenants, terms and conditions upon or under which the Collateral is held;
- E. the Borrower shall keep proper books of account in accordance with sound accounting practice, shall furnish to the Lender such financial information and statements and such information and statements relating to the Collateral as the Lender may from time to time require, and the Borrower shall permit the Lender or its authorized agents at any time at the expense of the Borrower to examine all books of account and other financial records and reports relating to the Collateral and to make copies thereof and take extracts therefrom;
- F. the Borrower shall furnish to the Lender such information with respect to the Collateral and the insurance thereon as the Lender may from time to time require and shall give written notice to the Lender of all litigation before any court, administrative board or other tribunal affecting the Borrower or the Collateral;
- G. the Borrower shall defend the title to the Collateral against all persons and shall keep the Collateral free and clear of all security interests, mortgages, charges, liens and other encumbrances except for those disclosed to the Lender in writing prior to the execution of this Agreement or hereafter approved in writing by the Lender prior to their creation or assumption;

- H. the Borrower shall, upon request by the Lender, execute and deliver all such financing statements, certificates, further assignment and documents and do all such further acts and things as may be considered by the Lender to be necessary or desirable to give effect to the intent of this Agreement and the Borrower hereby irrevocably constitutes and appoints any officer of the Lender mentioned in paragraph 1, the true and lawful attorney of the Borrower, with full power of substitution, to do any of the foregoing in the name of the Borrower whenever and wherever the Lender may consider it to be necessary or desirable;
 - I. the Borrower shall promptly notify the Lender in writing of any event which occurs that would have a material adverse effect upon the Collateral or upon the financial condition of the Borrower and immediately upon the Borrower's acquisition of rights in any vehicle, mobile home, trailer, boat, aircraft or aircraft engine, shall promptly provide the Lender with full particulars of such collateral; and
 - J. the Borrower will not change its name or location of its chief executive office or place of business or sell, exchange, transfer, assign or lease or otherwise dispose of the Collateral or any Interest therein or modify, amend or terminate any chattel paper, document of title, instrument, security or intangible, without the prior written consent of the Lender, except that the Borrower may, until an event of default set out in paragraph 9 occurs, sell or lease inventory in the ordinary course of the Borrower's business.
5. Until an event of default occurs, the Borrower may use the Collateral in any lawful manner not inconsistent with this Agreement, but the Lender shall have the right at any time and from time to time to verify the existence and state of the Collateral in any manner the Lender may consider appropriate and the Borrower agrees to furnish all assistance and information and to perform all such acts as the Lender may reasonably request in connection therewith, and for such purpose shall permit the Lender or its agents access to all places where Collateral may be located and to all premises occupied by the Borrower to examine and inspect the Collateral and related records and documents.
6. After an event of default occurs, the Lender may give notice to any or all account debtors of the Borrower and to any or all persons liable to the Borrower under an instrument to make all further payments to the Lender and any payments or other proceeds of Collateral received by the Borrower from account debtors or from any persons liable to the Borrower under an instrument, after such notice is given by the Lender, shall be held by the Borrower in trust for the Lender and paid over to the Lender upon request. Subject to the foregoing, the Lender may take control of all proceeds of Collateral and may apply any money taken as Collateral to the satisfaction of the Obligations secured hereby. The Lender may hold as additional security any increase or profits, except money, received from any Collateral in the Lender's possession, and may apply any money received from such Collateral to reduce the Obligations secured hereby and may hold any balance as additional security for such part of the Obligations as may not yet be

due, whether absolute or contingent. The Lender will not be obligated to keep any Collateral separate or identifiable. In the case of any instrument, security or chattel paper comprising part of the Collateral, the Lender will not be obligated to take any necessary or other steps to preserve rights against other persons.

7. The Lender may have any Collateral comprising instruments, shares, stock, warrants, bonds, debentures, debenture stock or other securities, registered in its name or in the name of its nominee and shall be entitled but not bound or required to vote in respect of such Collateral at any meeting at which the holder thereof is entitled to vote and, generally, to exercise any of the rights which the holder of such Collateral may at any time have; but the Lender shall not be responsible for any loss occasioned by the exercise of any of such rights or by failure to exercise the same within the time limited for the exercise thereof.
8. Upon the Borrower's failure to perform any of its duties hereunder, the Lender may, but shall not be obliged to, perform any or all of such duties, without waiving any rights to enforce this Agreement, and the Borrower shall pay to the Lender, forthwith upon written demand therefor, an amount equal to the costs, fees and expenses incurred by the Lender in so doing plus interest thereon from the date such costs, fees and expenses are incurred until paid at the rate of 10% per annum.
9. The happening of any one or more of the following events shall constitute an event of default under this Agreement:
 - A. if the Borrower does not pay when due any of the Obligations;
 - B. if the Borrower does not perform any provisions of this Agreement or of any other agreement to which the Borrower and the Lender are parties where such non-performance is not remedied within fifteen (15) days after written notice of the non-performance to the Borrower from the Lender;
 - C. if the Borrower ceases or threatens to cease to carry on its business, commits an act of Bankruptcy, becomes insolvent, makes an assignment or proposal under the *Bankruptcy and Insolvency Act*, takes advantage of provisions for relief under the Companies Creditors Arrangement Act or any other legislation for the benefit of insolvent debtors, transfers all or substantially all of its assets, or proposes a compromise or arrangement to its creditors;
 - D. if the Borrower enters into any reconstruction, reorganization, amalgamation, merger or other similar arrangement, without the consent of the Lender, which results in a change of control of the Borrower;
 - E. if any proceeding is taken with respect to a compromise or arrangement, or to have the Borrower declared Bankrupt or wound up, or if any proceeding is taken, whether in court or under the terms of any agreement or appointment in writing,

to have a receiver appointed of any Collateral or if any encumbrance becomes enforceable against any Collateral;

- F. if any execution, sequestration or extent or any other process of any court becomes enforceable against the Borrower or if any distress or analogous process is levied upon any Collateral;
 - G. if the Lender in good faith believes and has commercially reasonable grounds for believing that the prospect of payment or performance of any Obligation is or is about to be impaired or that any Collateral is or is about to be in danger of being lost, damaged, confiscated or placed in jeopardy.
10. If an event of default occurs, the Lender may withhold any future advances and may declare that the Obligations shall immediately become due and payable in full, and the Lender may proceed to enforce payment of the Obligations and the Borrower and the Lender shall have, in addition to any other rights and remedies provided by law, the rights and remedies of a debtor and a secured party respectively under the PPSA and other applicable legislation and those provided by this Agreement. The Lender may take possession of the Collateral, enter upon any premises of the Borrower, otherwise enforce this Agreement and enforce any rights of the Borrower in respect of the Collateral by any manner permitted by law and may use the Collateral in the manner and to the extent that the Lender may consider appropriate and may hold, insure, repair, process, maintain, protect, preserve, prepare for disposition and dispose of the same and may require the Borrower to assemble the Collateral and deliver or make the Collateral available to the Lender at a reasonably convenient place designated by the Lender.
11. Where required to do so by the PPSA, the Lender shall give to the Borrower the written notice required by the PPSA of any intended disposition of the Collateral by serving such notice personally on the Borrower or by mailing such notice by registered mail to the last known post office address of the Borrower or by any other method authorized or permitted by the PPSA.
12. If an event of default occurs, the Lender may take proceedings in any court of competent jurisdiction for the appointment of a receiver (which term shall include a receiver and manager) of the Collateral or may by appointment in writing appoint any person to be a receiver of the Collateral and may remove any receiver so appointed by the Lender and appoint another in his stead; and any such receiver appointed by instrument in writing shall, to the extent permitted by applicable law or to such lesser extent permitted, have all of the rights, benefits and powers of the Lender hereunder or under the PPSA or otherwise and without limitation have power (a) to take possession of the Collateral, (b) to carry on all or any part or parts of the business of the Borrower, (c) to borrow money required for the seizure, retaking, repossession, holding, insurance, repairing, processing, maintaining, protecting, preserving, preparing for disposition, disposition of the Collateral and for any other enforcement of this Agreement or for the carrying on of the business of the Borrower on the security of the Collateral in priority to the security

interest created under this Agreement, and (d) to sell, lease or otherwise dispose of the whole or any part of the Collateral at public auction, by public tender or by private sale, lease or other disposition either for cash or upon credit, at such time and upon such terms and conditions as the receiver may determine provided that if any such disposition involves deferred payment the Lender will not be accountable for and the Borrower will not be entitled to be credited with the proceeds of any such disposition until the monies therefor are actually received; and further provided that any such receiver shall be deemed the agent of the Borrower and the Lender shall not be in any way responsible for any misconduct or negligence of any such receiver.

13. Any proceeds of any disposition of any collateral may be applied by the Lender to the payment of expenses incurred or paid in connection with seizing, repossessing, retaking, holding, repairing, processing, insuring, preserving, preparing for disposition and disposing of the Collateral (including reasonable solicitor's fees and legal expenses and any other reasonable expenses), and any balance of such proceeds may be applied by the Lender towards the payment of the Obligations in such order of application as the Lender may from time to time effect. All such expenses and all amounts borrowed on the security of the Collateral under paragraph 12 shall bear interest at the rate of 10% per annum, shall be payable by the Borrower upon demand and shall be Obligations under this Agreement. If the disposition of the Collateral fails to satisfy the Obligations secured by this Agreement and the expenses incurred by the Lender, the Borrower shall be liable to pay any deficiency to the Lender on demand.
14. The Borrower and the Lender further agree that:
 - A. the Lender may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Borrower, debtors of the Borrower, sureties and others and with the Collateral or other security as the Lender may see fit without prejudice to the liability of the Borrower and the Lender's rights under this Agreement;
 - B. this Agreement shall not be considered as satisfied or discharged by any intermediate payment of all or any part of the Obligations but shall constitute and be a continuing security to the Lender for a current or running account and shall be in addition to and not in substitution for any other security now or hereafter held by the Lender;
 - C. nothing in this Agreement shall obligate the Lender to make any loan or accommodation to the Borrower or extend the time for payment or satisfaction of the Obligations;
 - D. any failure by the Lender to exercise any right set out in this Agreement shall not constitute a waiver thereof; nothing in this Agreement or in the Obligations secured by this Agreement shall preclude any other remedy

by action or otherwise for the enforcement of this Agreement or the payment in full of the Obligations secured by this Agreement;

- E. all rights of the Lender under this Agreement shall be assignable and in any action brought by an assignee to enforce such rights, the Borrower shall not assert against the assignee any claim or defence which the Borrower now has or may hereafter have against the Lender;
- F. all rights of the Lender under this Agreement shall enure to the benefit of its successors and assigns and all obligations of the Borrower under this Agreement shall bind the Borrower, his heirs, executors, administrators, successors and assigns;
- G. if more than one Borrower executes this Agreement, their obligations under this Agreement shall be joint and several, and the Obligations shall include those of all or any one or more of them;
- H. this Agreement shall be governed in all respects by the laws of Alberta;
- I. the time for attachment of the security interest created hereby has not been postponed and is intended to attach when this Agreement is signed by the Borrower and attaches at that time to Collateral in which the Borrower then has any right, title or interest and attaches to Collateral in which the Borrower subsequently acquires any right, title or interest at the time when the Borrower first acquires such right, title or interest.

The Borrower acknowledges receiving a copy of this Agreement.

The Borrower expressly waives the right to receive a copy of any financing statement or financing change statement which may be registered by the Lender in connection with this Agreement or any verification statement issued with respect thereto where such waiver is not otherwise prohibited by law.

AGREEMENT OF GUARANTEE

THIS AGREEMENT OF GUARANTEE formally dated the 31 day of August, 2018.

BETWEEN:

Radiant Technologies Inc.
(hereinafter called the "**Guarantor**"),

OF THE FIRST PART

-and-

Moskowitz Capital Mortgage Fund II Inc.
(hereinafter called "**Moskowitz Capital**")

OF THE SECOND PART

WHEREAS 1631807 Alberta Ltd. (the "**Company**") has agreed to borrow from Moskowitz Capital the sum of \$5,500,000.00 pursuant to a certain Term Sheet dated March 15, 2017 and as revised March 29, 2018, April 26, 2018 and June 26, 2018 (collectively the "**Term Sheet**") between the Company, Radiant Technologies Inc. ("Radiant") as Guarantor, and Moskowitz Capital as Lender.

NOW THEREFORE THIS AGREEMENT WITNESSETH that in consideration of the premises the Guarantor covenants and agrees with Moskowitz Capital as follows:

SECTION 1. GUARANTEE

- 1.1 For valuable consideration, the Guarantor unconditionally guarantees and covenants with Moskowitz Capital that the Guarantor and the Company will duly and punctually pay to Moskowitz Capital all debts and liabilities, present or future, direct or indirect, absolute or contingent, matured or not at any time owing by the Company to Moskowitz Capital wherever incurred and whether incurred by the Company alone or with another or others, including, without limitation, all of the principal of, interest on and all other moneys owing under the Term Sheet as and when the same become due and payable according to the terms of the Term Sheet (the "**Company's Debts**").
- 1.2 The Guarantor hereby acknowledges communication of the terms of the Term Sheet and consents to and approves of the same. The guarantee herein contained shall take effect and be binding upon the Guarantor notwithstanding any defect in or omission from any documentation or security delivered by the Company to Moskowitz Capital or any default in or omission or any non-registration or non-filing or defective registration or filing or by reason of any failure of the security intended to be created or any other security.
- 1.3 The liability of the Guarantor under Section 1.1 hereof shall be joint and several with that of the Company and shall be absolute and unconditional. The Guarantor shall for all purposes of the guarantee be regarded as in the same position as a principal debtor, and hereby expressly waives demand, presentment, protest and notice thereof and of default. The obligation of the Guarantor hereunder shall be deemed to arise in respect of each default.

SECTION 2. DEFAULT AND ENFORCEMENT

- 2.1 If the Company shall make default in payment of the principal of, interest on or any other moneys owing to Moskowitz Capital on any of the Company's Debts including, without limitation, any principal of, interest on or other monies owing as and when the same becomes due and payable, then the Guarantor shall forthwith on demand by Moskowitz Capital pay to Moskowitz Capital the principal, interest and other moneys in default.
- 2.2 If the Guarantor shall fail forthwith on demand to make good any such default, Moskowitz Capital may in its discretion proceed with the enforcement of its rights hereunder and may proceed to enforce such rights or from time to time any thereof prior to, contemporaneously with or after any action taken under any security or other documents delivered by the Company or others to Moskowitz Capital. The Guarantor shall pay on demand all costs and expenses (including legal fees on a solicitor and own client basis) incurred by Moskowitz Capital in enforcing or attempting to enforce its rights hereunder and all proceedings taken in relation hereto; all such costs and expenses and other moneys payable hereunder shall bear interest at the greater of the loan rate or the interest rate provided for in any of the security or loan documents.
- 2.3 All sums paid to or recovered by Moskowitz Capital pursuant to the provisions hereof shall be applied by it in payment of its costs and expenses payable hereunder and the principal, interest and other moneys owing to Moskowitz Capital including, without limitation, all amounts owing are in such order as Moskowitz Capital in its sole discretion may determine.
- 2.4 Moskowitz Capital may waive any default of the Guarantor hereunder upon such terms and conditions as it may determine provided that no such waiver shall extend to or be taken in any manner whatsoever to affect any subsequent default or the rights resulting therefrom.
- 2.5 Any moneys paid by or recovered from the Guarantor hereunder shall be held to have been paid *pro tanto* in discharge of the liability of the Guarantor hereunder, but not in discharge of the liability of the Company, and in the event of any such payment by or recovery from the Guarantor, the Guarantor hereby assigns any rights with respect to or arising from such payment or recovery (including without limitation any right of subrogation) to Moskowitz Capital unless or until Moskowitz Capital has received in the aggregate payment in full of all moneys owing to Moskowitz Capital. If the Guarantor receives money in payment of any such debts and liabilities, the Guarantor will hold them in trust for, and will immediately pay funds to, Moskowitz Capital without reducing the Guarantor's liability under this Guarantee.

SECTION 3. ABSOLUTE LIABILITY

3.1 The liability of the Guarantor under this Guarantee is absolute and unconditional. It will not be limited or reduced, nor will Moskowitz Capital be responsible or owe any duty (as a fiduciary or otherwise) to the Guarantor, nor will Moskowitz Capital's rights under this Guarantee be prejudiced, by the existence or occurrence (with or without the Guarantor's knowledge or consent) of any one or more of the following events:

- (a) any termination, invalidity, unenforceability or release by Moskowitz Capital or any of its rights against the Company or against any other person or of any security;
- (b) any increase, reduction, renewal, substitution or other change in, or

discontinuance of, the terms relating to the Company's Debts or to any credit extended by Moskowitz Capital to the Company; any agreement to any proposal or scheme of arrangement concerning, or granting any extensions of time or any other indulgences or concessions to, the Company or any other person; any taking or giving up of any security; abstaining from taking, perfecting, filing or registering any security; allowing any security to lapse (whether by failing to make or maintain any registration, filing or otherwise); or any neglect or omission by Moskowitz Capital in respect of, or in the course of, doing any of these things;

(c) accepting compositions from compromises, arrangements or plans of reorganizations or granting releases or discharges to the Company or any other person, or any other dealing with the Company or any other person or with any security that Moskowitz Capital considers appropriate;

(d) any unenforceability or loss of or in respect of any security held from time to time by Moskowitz Capital from the Guarantor, the Company or any other person, whether the loss is due to the means or timing of any registration, disposition or realization of any collateral that is the subject of that security or otherwise due to Moskowitz Capital's fault or any other reason;

(e) any change in the Company's name; or any reorganization (whether by way of amalgamation, merger, transfer, sale lease or otherwise) of the Company or the Company's business;

(f) any change in the Company's financial condition or that of the Company or any other guarantor (including insolvency and bankruptcy);

(g) any change of effective control of the Company;

(h) any event, whether or not attributable to Moskowitz Capital, that may be considered to have caused or accelerated the bankruptcy or insolvency of the Company or the Guarantor, or to have resulted in the initiation of any such proceedings;

(i) Moskowitz Capital's filing of any claim for payment with any administrator, provisional liquidator, conservator, trustee, receiver, custodian or other similar officer appointed for the Company or for all or substantially all of the Company's assets;

(j) any failure by Moskowitz Capital to abide by any of the terms and conditions of Moskowitz Capital's agreements with, or to meet any of its obligations or duties owed to, the Guarantor, the Company or any person, or any breach of any duty (whether as a fiduciary or otherwise) that exists or is alleged to exist between Moskowitz Capital and the Guarantor, the Company or any person;

(k) any incapacity, disability, or lack or limitation of status or of the power of the Company or of the Company's directors, managers, officers, partners or agents; the discovery that the Company is not or may not be a legal entity; or any irregularity, defect or informality in the incurring of any of the Company's Debts;

(l) any event whatsoever that might be a defence available to, or result in a reduction or discharge of, the Guarantor, the Company or any other person in respect of either the Company's Debts or the Guarantor's liability under this Guarantee; or

(m) any amendment to any, some or all of the Term Sheet or any other security or agreements as between the Company and Moskowitz Capital.

For greater certainty, the Guarantor agrees that Moskowitz Capital may deal with the Guarantor, the Company and any other person in any manner without affecting the Guarantor's liability under this Guarantee. Any claims by the Guarantor against Moskowitz Capital and its agents in respect of any of the foregoing matters or otherwise are hereby waived.

3.2 After all moneys payable by the Company to Moskowitz Capital have been paid in full, this guarantee shall cease and become null and void and Moskowitz Capital shall, at the request and at the expense of the Guarantor execute and deliver a release to the Guarantor.

SECTION 4. MISCELLANEOUS

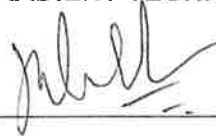

4.1 Any notices given hereunder shall be conclusively deemed effectively given if delivered personally to either of the parties hereto at the address for such party given above or if forwarded by registered mail to such party at such address. Any notice so mailed shall be conclusively deemed given on the third business day after the day of mailing, provided that in the event of a known disruption of postal service notice shall be given by personal delivery only. Either party hereto may effect a change of address by written notice given to the other party hereto in accordance with this section.

This Agreement shall be construed in accordance with and governed by the laws of the Province of Alberta and shall extend to and be binding upon the heirs, executors, administrators and personal representatives of the Guarantor.

IN WITNESS WHEREOF the Guarantor has executed these presents.

GENERAL SECURITY AGREEMENT

1. **RADIANT TECHNOLOGIES INC.** (the "Borrower") of 8223 Roper Road, Edmonton, AB T6E 6S4 for valuable consideration grants, assigns, transfers, sets over, mortgages and charges to **MOSKWITZ CAPITAL MORTGAGE FUND II INC.**, 2200 Yonge Street, Suite 1002, Toronto, ON M4S 2C6 (the "Lender") as and by way of a fixed and specific mortgage and charge, and grants to the Lender, a security interest in all present and after acquired undertaking and personal property (other than consumer goods) of the Borrower described in Schedule "A" including all the right, title, interest and benefit which the Borrower now has or may hereafter have in all such personal property described therein (the "Collateral").

In this Agreement, the words "goods", "consumer goods", "account", "account debtor", "inventory", "crops", "equipment", "fixtures", "chattel paper", "document of title", "instrument", "money", "security", or "securities", "intangible", "receiver", "proceeds" and "accessions" shall have the same meanings as their defined meanings where such words are defined in the Personal Property Security Act of Alberta, such Act, including any amendments thereto, being referred to in this Agreement as "the PPSA". In this Agreement, "Collateral" shall refer to "Collateral or any item thereof".

2. The fixed and specific mortgages and charges and the security interest granted under this Agreement secure payment and performance of all obligations of the Borrower to the Lender, including but not limited to all debts and liabilities, present or future, direct or indirect, absolute or contingent, matured or not, at any time owing by the Borrower to the Lender in any currency or remaining unpaid by the Borrower to the Lender in any currency, whether arising from dealings between the Lender and the Borrower or from other dealings or proceedings by which the Lender may be or become in any manner whatever a creditor of the Borrower and wherever incurred, and whether incurred by the Borrower alone or with another or others and whether as principal or surety, including all interest, commissions, legal and other costs, charges and expenses (the "Obligations").
3. The Borrower hereby represents and warrants to the Lender that:
 - A. all of the Collateral is, or when the Borrower acquires any right, title or interest therein, will be the sole property of the Borrower free and clear of all security interests, mortgages, charges, hypothecs, liens or other encumbrances except as disclosed by the Borrower to the Lender in writing;
 - B. the Collateral insofar as it consists of goods (other than inventory enroute from suppliers or enroute to Borrowers or on lease or consignment) will be kept at the locations specified in Schedule "B" hereto or at such other locations as the Borrower shall specify in writing to the Lender and subject to the provisions of paragraph 4(j) none of the Collateral shall be moved therefrom without the written consent of the Lender;
 - C. the Borrower's chief executive address is located at the address specified in paragraph 1;

- D. none of the Collateral consists of consumer goods; and
 - E. this Agreement has been properly authorized and constitutes a legally valid and binding obligation of the Borrower in accordance with its terms.
4. The Borrower hereby agrees that:
- A. the Borrower shall diligently maintain, use and operate the Collateral and shall carry on and conduct its business in a proper and efficient manner so as to preserve and protect the Collateral and the earnings, incomes, rents, issues and profits thereof;
 - B. the Borrower shall cause the Collateral to be insured and kept insured to the full insurable value thereof with reputable insurers against loss or damage by fire and such other risks as the Lender may reasonably require and shall maintain such insurance with loss if any payable to the Lender and shall lodge such policies with the Lender;
 - C. the Borrower shall pay all rents, taxes, levies, assessments and government fees or dues lawfully levied, assessed or imposed in respect of the Collateral or any part thereof as and when the same shall become due and payable, and shall exhibit to the Lender, when required, the receipts and vouchers establishing such payment;
 - D. the Borrower shall duly observe and conform to all valid requirements of any governmental authority relative to any of the Collateral and all covenants, terms and conditions upon or under which the Collateral is held;
 - E. the Borrower shall keep proper books of account in accordance with sound accounting practice, shall furnish to the Lender such financial information and statements and such information and statements relating to the Collateral as the Lender may from time to time require, and the Borrower shall permit the Lender or its authorized agents at any time at the expense of the Borrower to examine all books of account and other financial records and reports relating to the Collateral and to make copies thereof and take extracts therefrom;
 - F. the Borrower shall furnish to the Lender such information with respect to the Collateral and the insurance thereon as the Lender may from time to time require and shall give written notice to the Lender of all litigation before any court, administrative board or other tribunal affecting the Borrower or the Collateral;
 - G. the Borrower shall defend the title to the Collateral against all persons and shall keep the Collateral free and clear of all security interests, mortgages, charges, liens and other encumbrances except for those disclosed to the Lender in writing prior to the execution of this Agreement or hereafter approved in writing by the Lender prior to their creation or assumption;

- H. the Borrower shall, upon request by the Lender, execute and deliver all such financing statements, certificates, further assignment and documents and do all such further acts and things as may be considered by the Lender to be necessary or desirable to give effect to the intent of this Agreement and the Borrower hereby irrevocably constitutes and appoints any officer of the Lender mentioned in paragraph 1, the true and lawful attorney of the Borrower, with full power of substitution, to do any of the foregoing in the name of the Borrower whenever and wherever the Lender may consider it to be necessary or desirable;
 - I. the Borrower shall promptly notify the Lender in writing of any event which occurs that would have a material adverse effect upon the Collateral or upon the financial condition of the Borrower and immediately upon the Borrower's acquisition of rights in any vehicle, mobile home, trailer, boat, aircraft or aircraft engine, shall promptly provide the Lender with full particulars of such collateral; and,
 - J. the Borrower will not change its name or location of its chief executive office or place of business or sell, exchange, transfer, assign or lease or otherwise dispose of the Collateral or any interest therein or modify, amend or terminate any chattel paper, document of title, instrument, security or intangible, without the prior written consent of the Lender, except that the Borrower may, until an event of default set out in paragraph 9 occurs, sell or lease inventory in the ordinary course of the Borrower's business.
5. Until an event of default occurs, the Borrower may use the Collateral in any lawful manner not inconsistent with this Agreement, but the Lender shall have the right at any time and from time to time to verify the existence and state of the Collateral in any manner the Lender may consider appropriate and the Borrower agrees to furnish all assistance and information and to perform all such acts as the Lender may reasonably request in connection therewith, and for such purpose shall permit the Lender or its agents access to all places where Collateral may be located and to all premises occupied by the Borrower to examine and inspect the Collateral and related records and documents.
6. After an event of default occurs, the Lender may give notice to any or all account debtors of the Borrower and to any or all persons liable to the Borrower under an instrument to make all further payments to the Lender and any payments or other proceeds of Collateral received by the Borrower from account debtors or from any persons liable to the Borrower under an instrument, after such notice is given by the Lender, shall be held by the Borrower in trust for the Lender and paid over to the Lender upon request. Subject to the permitted encumbrances set forth in Schedule "C, the Lender may take control of all proceeds of Collateral and may apply any money taken as Collateral to the satisfaction of the Obligations secured hereby. The Lender may hold as additional security any increase or profits, except money, received from any Collateral in the Lender's possession, and may apply any money received from such Collateral to reduce the Obligations secured hereby and may hold any balance as additional security for such part of the Obligations as may not yet be due, whether absolute or contingent. The Lender will not be obligated to keep any Collateral separate or identifiable. In the case of any instrument, security or chattel

paper comprising part of the Collateral, the Lender will not be obligated to take any necessary or other steps to preserve rights against other persons.

7. The Lender may have any Collateral comprising instruments, shares, stock, warrants, bonds, debentures, debenture stock or other securities, registered in its name or in the name of its nominee and shall be entitled but not bound or required to vote in respect of such Collateral at any meeting at which the holder thereof is entitled to vote and, generally, to exercise any of the rights which the holder of such Collateral may at any time have; but the Lender shall not be responsible for any loss occasioned by the exercise of any of such rights or by failure to exercise the same within the time limited for the exercise thereof.
8. Upon the Borrower's failure to perform any of its duties hereunder, the Lender may, but shall not be obliged to, perform any or all of such duties, without waiving any rights to enforce this Agreement, and the Borrower shall pay to the Lender, forthwith upon written demand therefor, an amount equal to the costs, fees and expenses incurred by the Lender in so doing plus interest thereon from the date such costs, fees and expenses are incurred until paid at the rate of 10% per annum.
9. The happening of any one or more of the following events shall constitute an event of default under this Agreement:
 - A. if the Borrower does not pay when due any of the Obligations;
 - B. if the Borrower does not perform any provisions of this Agreement or of any other agreement to which the Borrower and the Lender are parties where such non-performance is not remedied within fifteen (15) days after written notice of the non-performance to the Borrower from the Lender;
 - C. if the Borrower ceases or threatens to cease to carry on its business, commits an act of Bankruptcy, becomes insolvent, makes an assignment or proposal under the *Bankruptcy and Insolvency Act*, takes advantage of provisions for relief under the Companies Creditors Arrangement Act or any other legislation for the benefit of insolvent debtors, transfers all or substantially all of its assets, or proposes a compromise or arrangement to its creditors;
 - D. if the Borrower enters into any reconstruction, reorganization, amalgamation, merger or other similar arrangement, without the consent of the Lender, which results in a change of control of the Borrower;
 - E. if any proceeding is taken with respect to a compromise or arrangement, or to have the Borrower declared Bankrupt or wound up, or if any proceeding is taken, whether in court or under the terms of any agreement or appointment in writing, to have a receiver appointed of any Collateral or if any encumbrance becomes enforceable against any Collateral;

- F. if any execution, sequestration or extent or any other process of any court becomes enforceable against the Borrower or if any distress or analogous process is levied upon any Collateral;
 - G. if the Lender in good faith believes and has commercially reasonable grounds for believing that the prospect of payment or performance of any Obligation is or is about to be impaired or that any Collateral is or is about to be in danger of being lost, damaged, confiscated or placed in jeopardy.
10. If an event of default occurs, the Lender may withhold any future advances and may declare that the Obligations shall immediately become due and payable in full, and the Lender may proceed to enforce payment of the Obligations and the Borrower and the Lender shall have, in addition to any other rights and remedies provided by law, the rights and remedies of a debtor and a secured party respectively under the PPSA and other applicable legislation and those provided by this Agreement. The Lender may take possession of the Collateral, enter upon any premises of the Borrower, otherwise enforce this Agreement and enforce any rights of the Borrower in respect of the Collateral by any manner permitted by law and may use the Collateral in the manner and to the extent that the Lender may consider appropriate and may hold, insure, repair, process, maintain, protect, preserve, prepare for disposition and dispose of the same and may require the Borrower to assemble the Collateral and deliver or make the Collateral available to the Lender at a reasonably convenient place designated by the Lender.
 11. Where required to do so by the PPSA, the Lender shall give to the Borrower the written notice required by the PPSA of any intended disposition of the Collateral by serving such notice personally on the Borrower or by mailing such notice by registered mail to the last known post office address of the Borrower or by any other method authorized or permitted by the PPSA.
 12. If an event of default occurs, the Lender may take proceedings in any court of competent jurisdiction for the appointment of a receiver (which term shall include a receiver and manager) of the Collateral or may by appointment in writing appoint any person to be a receiver of the Collateral and may remove any receiver so appointed by the Lender and appoint another in his stead; and any such receiver appointed by instrument in writing shall, to the extent permitted by applicable law or to such lesser extent permitted, have all of the rights, benefits and powers of the Lender hereunder or under the PPSA or otherwise and without limitation have power (a) to take possession of the Collateral, (b) to carry on all or any part or parts of the business of the Borrower, (c) to borrow money required for the seizure, retaking, repossession, holding, insurance, repairing, processing, maintaining, protecting, preserving, preparing for disposition, disposition of the Collateral and for any other enforcement of this Agreement or for the carrying on of the business of the Borrower on the security of the Collateral in priority to the security interest created under this Agreement, and (d) to sell, lease or otherwise dispose of the whole or any part of the Collateral at public auction, by public tender or by private sale, lease or other disposition either for cash or upon credit, at such time and upon such terms and conditions as the receiver may determine provided that if any such disposition involves deferred payment the Lender will not be accountable for and the Borrower will not be entitled to be

credited with the proceeds of any such disposition until the monies therefor are actually received; and further provided that any such receiver shall be deemed the agent of the Borrower and the Lender shall not be in any way responsible for any misconduct or negligence of any such receiver.

13. Any proceeds of any disposition of any collateral may be applied by the Lender to the payment of expenses incurred or paid in connection with seizing, repossessing, retaking, holding, repairing, processing, insuring, preserving, preparing for disposition and disposing of the Collateral (including reasonable solicitor's fees and legal expenses and any other reasonable expenses), and any balance of such proceeds may be applied by the Lender towards the payment of the Obligations in such order of application as the Lender may from time to time effect. All such expenses and all amounts borrowed on the security of the Collateral under paragraph 12 shall bear interest at the rate of 10% per annum, shall be payable by the Borrower upon demand and shall be Obligations under this Agreement. If the disposition of the Collateral fails to satisfy the Obligations secured by this Agreement and the expenses incurred by the Lender, the Borrower shall be liable to pay any deficiency to the Lender on demand.
14. The Borrower and the Lender further agree that:
 - A. the Lender may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Borrower, debtors of the Borrower, sureties and others and with the Collateral or other security as the Lender may see fit without prejudice to the liability of the Borrower and the Lender's rights under this Agreement;
 - B. this Agreement shall not be considered as satisfied or discharged by any intermediate payment of all or any part of the Obligations but shall constitute and be a continuing security to the Lender for a current or running account and shall be in addition to and not in substitution for any other security now or hereafter held by the Lender;
 - C. nothing in this Agreement shall obligate the Lender to make any loan or accommodation to the Borrower or extend the time for payment or satisfaction of the Obligations;
 - D. any failure by the Lender to exercise any right set out in this Agreement shall not constitute a waiver thereof; nothing in this Agreement or in the Obligations secured by this Agreement shall preclude any other remedy by action or otherwise for the enforcement of this Agreement or the payment in full of the Obligations secured by this Agreement;
 - E. all rights of the Lender under this Agreement shall be assignable and in any action brought by an assignee to enforce such rights, the Borrower shall not assert against the assignee any claim or defence which the Borrower now has or may hereafter have against the Lender;

- F. all rights of the Lender under this Agreement shall enure to the benefit of its successors and assigns and all obligations of the Borrower under this Agreement shall bind the Borrower, his heirs, executors, administrators, successors and assigns;
- G. if more than one Borrower executes this Agreement, their obligations under this Agreement shall be joint and several, and the Obligations shall include those of all or any one or more of them;
- H. this Agreement shall be governed in all respects by the laws of Alberta;
- I. the time for attachment of the security interest created hereby has not been postponed and is intended to attach when this Agreement is signed by the Borrower and attaches at that time to Collateral in which the Borrower then has any right, title or interest and attaches to Collateral in which the Borrower subsequently acquires any right, title or interest at the time when the Borrower first acquires such right, title or interest.

The Borrower acknowledges receiving a copy of this Agreement.

The Borrower expressly waives the right to receive a copy of any financing statement or financing change statement which may be registered by the Lender in connection with this Agreement or any verification statement issued with respect thereto where such waiver is not otherwise prohibited by law.

Signed this 31 day of AUGUST, 2018.

Independent Auditor's Report

To the Shareholders of Radient Technologies Inc.

Opinion

We have audited the consolidated financial statements of Radient Technologies Inc. and its subsidiaries (the "Company"), which comprise the consolidated statements of financial position as at March 31, 2022, and the consolidated statements of operations and comprehensive loss, consolidated statements of changes in cash flows and consolidated statements of shareholders' deficit for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Company as at March 31, 2022 and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards ("IFRS").

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other matter

The consolidated financial statements of the Company for the year ended March 31, 2021, were audited by another auditor who expressed an unmodified opinion on those statements on September 30, 2021.

We have audited the restatement to the consolidated financial statements as at March 31, 2021, as described in note 3 (share-based payments) to the consolidated financial statements. In our opinion, such restatement is appropriate and has been properly applied. We were not engaged to audit, review or apply any procedures to the 2021 consolidated financial statements (restated) of the Company other than with respect to the restatement described above and accordingly, we do not express an opinion or any other form or assurance on the 2021 consolidated financial statements (restated) taken as a whole.

Material uncertainty related to going concern

We draw attention to Note 1 in the consolidated financial statements, which indicates that the Company incurred a net loss during the year ended March 31, 2022 and, as of that date, the Company's current liabilities exceeded its current assets. The Company is also in breach of

certain terms of its liabilities and has been provided with demand notices related to certain liabilities. As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1, indicate that material uncertainties exist that cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Other information

Management is responsible for the other information. The other information comprises Management's Discussion and Analysis.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

We obtained Management's Discussion and Analysis prior to the date of this auditor's report. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRS, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risks of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes to the Consolidated Financial Statements

March 31, 2022

1. Nature of operations and going concern

Radiant Technologies Inc. was incorporated on June 12, 2001. The principal activities of Radiant Technologies Inc. and its subsidiaries, (collectively, the "Company") are research, development and commercialization of an efficient and environmentally responsible technology for the extraction, isolation and purification of soluble products from a wide range of materials using microwave technology and a customized hydrocarbon extraction platform. The Company is currently focused on the formulation, manufacturing and launching of unique value-added cannabis products. The ordinary shares are listed on the TSXV under the symbol "RTI" and on the OTC Pink, operated by OTC Markets Group under the ticker symbol "RDDTF". The address of the Company's head office is 4036 101 St NW, Edmonton, Alberta T6E 0A4 and its registered office is located at 2900 – 550 Burrard Street, Vancouver, British Columbia V6C 0A3.

These consolidated financial statements were prepared on a going concern basis, which assumes the Company will be able to realize its assets and discharge its liabilities in the normal course of operations as they become due. The Company has a history of significant operating losses and expects to incur further losses in the development of its business. As such, the Company's status as a going concern is contingent on its ability to increase cash flows or to raise further funds through the issuance of equity or debt. If unsuccessful, the Company will not be able to continue as a going concern.

The Company has incurred significant losses to date. The net loss for the year ended March 31, 2022 totaled \$12,929,980 (2021 – \$42,265,830) and as at March 31, 2022 the Company had a deficit of \$154,099,990 (March 31, 2021 - \$169,549,239).

In addition, at March 31, 2022, the Company's current liabilities exceeded its current assets by \$35,100,888 (March 31, 2021 – \$28,434,362). At March 31, 2022, the Company was in arrears with certain trade creditors, rent, wages, long-term debt, and lease liabilities. Certain of the Company's trade creditors are pursuing legal recourse for the amounts outstanding. The Company has been able thus far to negotiate settlements with the trade creditors on a case-by-case basis. Subsequent to March 31, 2022, the Company received a demand note from a creditor. Subsequent to March 31, 2022, the Company received a demand letter from the CRA requesting payment of all outstanding excise tax owing. The Company was permitted to renew their cannabis license for an additional six months, from July 6, 2022 to January 5, 2023. These matters indicate that there are material uncertainties that cast significant doubt about the Company's ability to continue as a going concern.

Management has been able to finance operations through debt and equity financings and will continue, as appropriate, to seek financing from these and other sources; however, there are no assurances that any such financings can be obtained on favourable terms, if at all. There can be no assurance that the steps management is taking will be successful.

The consolidated financial statements for the years presented do not include any adjustments to the amounts and classification of assets and liabilities that might be necessary should the Company be unable to continue in business as a going concern and that such adjustments could be material.

During the 2021 and 2022 calendar years, there continued to be a global pandemic outbreak of COVID-19. The actual and threatened spread of the virus globally has had a material adverse effect on the global economy and specifically, the regional economies in which the Company operates. The pandemic could continue to have a negative impact on the stock market, including trading prices of the Company's shares and its ability to raise new capital. These factors, among others, could have a significant impact on the Company's operations. Management has given consideration to the impact of COVID-19 on the Company and has concluded that the consolidated financial statements appropriately reflect and disclose management's best estimate and uncertainty regarding the impact of COVID-19 on the Company's future operations and financial results. The Company has recorded wage subsidies and rent subsidies from the Canadian government's COVID-19 programs in the year ended March 31, 2022. The rent subsidies were recorded in the general and administrative expense on the consolidated statement of operations and the

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

wage subsidies were recorded proportionately to the salary expenses allocated to each of the cost of sales, general and administrative, production plant, research and process development, engineering, quality control and assurance, and business and corporate development on the consolidated statement of operations.

These consolidated financial statements, including comparatives, were authorized for issue by the Board of Directors of the Company on September 29, 2022.

2. Basis of presentation

a) Statement of compliance

These consolidated financial statements and the notes hereto have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board (IASB).

b) Basis of consolidation

The consolidated financial statements of the Company include the financial statements of Radiant Technologies Inc. and its wholly-owned subsidiaries Radiant Technologies (Cannabis) Inc. ("RTC"), Radiant Technologies Innovations Inc. ("RII"), Radiant Technologies (Switzerland) Inc. ("RTS") up to the date of its dissolution, 1631807 Alberta Ltd, MAG Innovation GmbH ("MAG") up to its date of dissolution, which is a wholly-owned subsidiary of RTS, and Tunaaaaroom Xtracts Inc. ("Tunaaaa"), from the date of acquisition on January 28, 2022.

The Company had a 50% interest in Natac Solutions S.L. which was incorporated during the year ended March 31, 2020. In February 2021, the Company terminated its joint arrangement with Grupo Natac S.L. through the sale of the shares for nominal consideration.

In July 2021, the Company announced that it was winding up its German operations at MAG. As a wholly owned subsidiary of RTS, MAG was fully consolidated at March 31, 2021. The Company deconsolidated MAG once the insolvency process had concluded.

In October 2021, RTS filed for insolvency in Switzerland. The Company deconsolidated RTS once the insolvency process was closed.

Subsidiaries are fully consolidated from the date of acquisition, being the date on which the Company obtains control, and continue to be consolidated until the date that such control ceases. On acquisition, the assets, liabilities and contingent liabilities of a subsidiary are measured at their fair values. If accounted for as a business combination, any excess of the cost over the fair values of the identifiable net assets acquired is recognized as goodwill. If accounted for as a purchase of assets, any excess of the cost over fair value of the identifiable net assets is allocated to the assets purchased.

The financial statements of the subsidiaries are prepared for the same reporting period as the parent company using consistent accounting policies. All transactions and balances between the Company and its subsidiaries are eliminated upon consolidation.

c) Basis of measurement

The consolidated financial statements have been prepared under the historical cost convention, unless otherwise indicated.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

d) Functional and presentation currency

Amounts presented in these consolidated financial statements and the notes hereto are in Canadian dollars, the parent Company's functional currency, unless otherwise stated.

The Company's German operation's functional currency is Canadian dollars. All other subsidiaries have a Canadian functional currency. Foreign currency transactions are translated into the functional currency, using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the remeasurement of monetary items denominated in foreign currency at year-end exchange rates are recognised in profit or loss. Non-monetary items are not retranslated at year-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

3. Summary of significant accounting policies

Use of management critical judgments, estimates and assumptions

The preparation of consolidated financial statements requires management to make critical judgments, estimates and assumptions that affect the reported amounts of certain assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses recorded during the reporting period. In making estimates and judgments, management relies on external information and observable conditions where possible, supplemented by internal analysis as required. Actual results may differ from those estimates. Estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Management critical judgments, estimates and assumptions

Impairment assessment of non-financial assets

Judgement is required to identify the cash generating units ("CGU") of the Company for purposes of testing non-financial assets for impairment. The assessment of any impairment of the Company's long-lived assets is dependent upon estimate of the recoverable amounts of these assets. The process to calculate the recoverable amount of each CGU requires use of valuation methods such as a market approach or discounted cash flow method which uses assumption of key variables including estimated cash flows, discount rates and terminal value growth rates. The Company applies judgement when determining which methods are most appropriate to estimate the value in use and fair value less costs of disposal for each CGU.

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. Impairment is reversed when the recoverable amount exceeds the carrying value.

The fair value less costs of disposal calculation is based on available data from binding sales transactions in an arm's length transaction of similar assets or observable market prices less incremental costs for disposing of the asset.

Determination of purchase price paid and allocation of purchase price related to business combination or asset acquisition

Determination of whether a set of assets acquired and liabilities assumed constitute a business requires the Company to make certain judgments, taking into account all facts and circumstances. Applying the acquisition method requires the consideration paid and each identifiable asset and liability to be measured at its acquisition-date fair value. The excess, if any, of the fair value of consideration paid over the fair value of the net identifiable assets acquired is recognized as goodwill. The determination of the acquisition-date

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

fair values often requires management to make assumptions and estimates about future events. The assumptions and estimates with respect to determining the fair value of net identifiable assets acquired generally require a high degree of judgment, and include estimates of future reserves and resources, sales levels and discount rates. Changes in any of the assumptions or estimates used in determining the fair value of the consideration paid and the fair value of acquired assets and liabilities could impact the amounts assigned to assets, liabilities and goodwill in the purchase price allocation.

Considerable judgment is applied in assessing indicators of impairment or impairment reversal and concluding whether impairment or reversal of impairment would subsequently be recorded. Many of the indicators used in these assessments are outside of management's control and inherently uncertain. As a result, it is reasonably likely that assumptions and estimates could change in future periods that could have a significant impact on the recoverable amount of the non-financial assets in future periods.

Inventories

Inventories are valued at the lower of cost and net realizable value. There is judgment in determining the net realizable value. Net realizable value for inventories is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Provisions

The Company records provision for matters where a legal or constructive obligation exists at the date of the consolidated statement of financial position as a result of a past event and where a reliable estimate can be made of the obligation. These matters might include restructuring projects, legal matters, disputed issues, indirect taxes and other items. These obligations may not be settled for several years and a reliable estimate must be made of the likely outcome of each of these matters. These provisions represent our best estimate of the costs that will be incurred but actual experience may differ from the estimates made and therefore affect future financial results. The effects would be recognized in profit or loss.

Sales return allowance

The Company has agreements with customers that allow them to return products for a full refund in circumstances where the products are defective, below an acceptable quality level or in instances where the customer is unable to sell the product. An expected value method is used to estimate such returns at the time of sale. The Company has limited history in selling its products in the market, and as such, there is significant judgment required in estimated returns for products sold. The Company reviews actual returns during the reporting period, combined with remaining inventory levels of its products with customers at each period end and estimates returns based on this information. The validity of these assumptions and estimated returns are reassessed at each reporting period and adjusted, as necessary, to estimate returns for sold products.

Depreciation and amortization

The Company provides for depreciation expense on property and equipment at rates designed to amortize the cost of individual items and their material components over their estimated useful lives as well as provides for amortization expense on intangible assets over the life of the intangible. Management makes estimates of future useful life based on patterns of benefit consumption and impairments based on experience and market conditions. Impairment losses, depreciation and amortization expense are presented in profit or loss of the current period.

Available for use

Management uses judgment in determining when items of plant and equipment are available for use. An item is determined to be available for use when it is in the location and condition necessary for it to operate in the manner which management intended.

Income taxes

The Company makes estimates in respect of tax liabilities and tax assets. Full provision is made for future and current taxation at the rates of tax prevailing at the year end unless future rates have been substantively

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

enacted. These calculations represent the Company's best estimate of the costs that will be incurred and recovered but actual experience may differ from the estimates made and therefore effect future financial results. The effects would be recognized in profit or loss, primarily through taxation.

The Company recognizes the deferred tax benefit related to deferred tax assets to the amount that is probable to be realized. Assessing the recoverability of deferred tax assets requires management to make significant estimates of future taxable profit. In addition, future changes in tax laws could limit the ability of the Company to obtain tax deductions from deferred tax assets.

Common shares, purchase warrants and options

The fair value of share-based payments is determined using the Black Scholes Option Pricing Model based on estimated fair values at the date of grant. The Black Scholes Option Pricing Model utilizes subjective assumptions such as expected price volatility and expected life of the award. Changes in these assumptions can significantly affect the fair value estimate. There is also judgement in the allocation of proceeds on private placements between the share and warrant components of the units issued.

Functional currency

The functional currency for the Company and each of the Company's subsidiaries is the currency of the primary economic environment in which the respective entity operates. The Company has determined the functional currency of each entity to be the Canadian dollar. Certain judgements must be made in order to identify the primary economic environment. The Company reconsiders the functional currency of its subsidiaries if there is a change in events and/or conditions which determine the primary economic environment.

Going concern

The Company regularly reviews and makes an assessment of its ability to continue as a going concern. This assessment relies on significant judgements and assumptions, taking into account all known future information.

Revenue recognition

The Company enters into agreements with customers for the provision of manufacturing services. There is judgement in determining whether the Company is a principal or agent under the terms of the agreements, and therefore whether the Company records revenue on a gross or net basis. The Company reviews the terms of the agreements to assess whether it controls the specified good or services before transferring those goods or services to the customers including whether it has inventory risk and is primarily responsible for fulfilling the promise to provide the specified goods or services.

Plant and equipment

Plant and equipment is recorded at cost less accumulated depreciation and impairment losses. Depreciation is calculated as cost less the residual value and provided on a straight-line basis over the expected useful life of the asset.

The following is a summary of estimated useful lives of the assets:

Equipment	5 to 20 years
Leasehold improvements	Term of the lease
Buildings and improvements	10 to 35 years
Land and improvements	10 to 15 years
Computer hardware	3 years
Office furniture	5 years

Cost for plant and equipment includes the purchase price, import duties, non-refundable taxes and any other costs directly attributable to bringing the asset into the location and condition to be capable of

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

operating. Significant parts of an item of plant and equipment with different useful lives are recognized and depreciated separately. Depreciation commences when the asset is available for use. The asset's residual values, useful lives and method of depreciation are reviewed at each financial year end and adjustments are accounted for prospectively if appropriate. An item of plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of an asset is included in profit or loss in the period the asset is derecognized.

Intangible assets

Acquired

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination are their fair values at the date of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and any accumulated impairment losses. The estimated useful lives are as follows:

Patents	Life of the patent
Licenses	80 to 120 months
ERP	Term of the contract plus one renewal term (6 years)
Website	Expected life of the site (5 years)
Software	Expected life of the software (5 years)
Customer relationships	Expected life of customer relationship (30 years)
Brand name	Expected life of brand name (20 years)

Intangible assets with finite lives are amortized over their estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and method of amortization is reviewed at least annually. The licenses are location specific with amortization calculated over the remaining term of the leased location including any likely renewal periods or 10 years for licenses in Company owned facilities.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

Research and development costs

Research costs are charged as an expense in the year in which they are incurred. Development costs are charged as an expense in the period incurred unless the Company believes a development project meets generally accepted criteria for deferral and amortization.

To determine when a development project meets the criteria for deferral and amortization, the Company regularly reviews costs associated with activities related to the development of internally generated assets to support the capitalization criteria. Management utilizes judgement in determining which costs qualify under the criteria for deferral and amortization.

Inventories

Inventories consist of raw materials, supplies and finished goods. Raw material cost includes the purchase price, transport/handling costs, any currency exchange differences and any import duties or other taxes. Cost is determined on a weighted average basis. Finished goods include direct materials, supplies and labour. Inventories are measured at the lower of cost and net realizable value. Net realizable value is defined as the estimated selling price less cost to complete the goods used in production and estimated selling cost.

Revenue from contracts with customers

To determine the amount and timing of revenue recognized, the Company followed the five-step model framework:

1. Identify the contract(s) with a customer;
2. Identify the performance obligations in the contract;
3. Determine the transaction price;
4. Allocate the transaction price to the performance obligations in the contract; and
5. Recognize revenue when (or as) the entity satisfies a performance obligation.

Revenue recognition

Revenue is recognized at the amount of the transaction price that is allocated to the performance obligation. The transaction price is the amount of consideration the Company receives in exchange for transferring promised goods or services to a customer. The Company's payment terms require payment from the customer between 15 days and 60 days after delivery and as such, the Company does not adjust any of the transaction prices for the time value of money.

The Company generates revenue primarily from the sale of manufactured products and from extraction services for its customers.

Manufactured Products: Revenue is recognized when the finished products, such as vape cartridges or dabs, are delivered and accepted by the customers. For contracts that permit the customer to return an item, revenue is recognized to the extent that it is highly probable that a significant reversal of cumulative revenue recognized will not occur. Therefore, the amount of revenue recognized is adjusted for expected returns, which are estimated based on actual returns combined with the Company's inventory on hand with customers at the end of each period. For the year ended March 31, 2022, \$97,871 of returns relating to sales were recorded (year ended March 31, 2021: \$nil).

Where excise tax has been billed to customers, the Company has reflected the excise tax as part of revenue in accordance with IFRS 15. Revenues presented on the consolidated statement of operations and comprehensive loss represents revenue from the sale of goods less applicable excise taxes.

Manufacturing Services: The Company provides extraction services to some customers. Under extraction services agreements, the customers supply the direct material to the Company for extracting cannabis oil (processed biomass) from the direct material. Revenue for extraction services is recognized when the processed biomass has been tested and the customer obtains notification of satisfactory third-party testing of the processed biomass.

Consideration received in advance of revenue being recognized is deferred until the conditions are met.

Interest income

Interest income is recognised when it is probable that the economic benefits will flow to the Company and the amount of the interest can be measured reliably. Interest income is accrued on a time basis by reference to the principal outstanding and the applicable effective interest rate.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

Impairment of long-lived assets

Goodwill, intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired. Plant and equipment and other intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of measuring recoverable cash flows, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units or CGUs). If such indication exists, the Company estimates the recoverable amount of the assets, which is the higher of its fair value less costs of disposal and its value in use. Value in use is estimated as the present value of future cash flows generated by the asset or CGU including eventual disposal. If the recoverable amount of an asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount, and an impairment loss is recognized immediately in profit or loss. Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the lesser of the revised estimated recoverable amount and the carrying amount that would have been recorded, had no impairment loss been recognized previously. Any such recovery is recognized immediately in profit or loss.

Leases

For leases entered into or modified on or after April 1, 2019, a contract is a lease or contains a lease if it conveys the right to control the use of an asset for a time period in exchange for consideration. To identify a lease, the Company considers whether an explicit or implicit asset is specified in the contract and determines whether the Company obtains substantially all the economic benefits from the use of the underlying asset by assessing numerous factors, including but not limited to substitution rights and the right to determine how and for what purpose the asset is used.

At the commencement of a lease, the Company determines the lease term as the non-cancellable period of a lease, together with periods covered by an option to extend or an option to terminate if it is reasonably certain to exercise an extension option or to not exercise a termination option. Management considers all facts and circumstances that create an economic incentive to exercise and extension option or to not exercise a termination option. This judgement is based on factors such as contract rates compared to market rates, economic reasons, significance of leasehold improvements, termination and relocation costs, installation of specialized assets, residual value guarantees, and any sublease term. The Company reassesses this when a significant event or significant change in circumstances within the Company's control has occurred.

The Company recognizes lease assets and lease liabilities for all leases, except for leases of low-value assets and short-term leases with a term of 12 months or less. The lease payments associated with those exempted leases are recognized in general and administrative expenses on a straight-line basis over the lease term.

The lease liability is recognized at the commencement date of the lease and is initially measured at the present value of the lease payments that are not paid. The Company elected to separate non-lease components from lease components and account for non-lease components separately.

The lease liability is discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. The lease liability is subsequently measured at amortized cost using the effective interest method. The lease liability is remeasured when the expected lease payments change as a result of a change in the lease term, a change in the assessment of an option to purchase the leased asset, changes in the future lease payments as a result of a change in an index or rate used to determine the lease payments, and changes in estimated payments for residual value guarantees.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

The lease asset is recognized at the commencement date of the lease and is initially measured at cost, comprised of the amount of the initial measurement of the lease liability less any incentives received from the lessor. Added to the lease asset are any initial direct costs incurred, lease payments made before the commencement date, and estimated restoration costs. The lease asset is subsequently depreciated on a straight-line basis from the commencement date to the earlier of the end of the useful life of the lease asset or the end of the lease term. The lease asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

All other leases are accounted for as operating leases, wherein payments are expensed on a straight-line basis over the term of the lease.

Government assistance

Government grants are recognized where there is a reasonable assurance that the grant will be received and all attached conditions will be complied with. Government grants are recognized as an offset to expenses over the periods in which the Company recognizes expenses which the grants are intended to compensate. Government grants related to assets are recognized as a cost reduction of the assets and reduce depreciation over the expected useful life of the related assets.

Foreign currency translation

The individual financial statements of each entity are recorded in their functional currency which is the currency of the primary economic environment in which the entity operates.

In preparing the financial statements of the individual entities, foreign currency transactions are translated into the functional currency of the respective entity using exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses arising from the settlement of such transactions and from remeasurement of monetary items at period-end exchange rates are recognized in profit or loss. Non-monetary items measured at historical cost are translated using exchange rates at the date of the transaction and are not retranslated. Non-monetary items measured at fair value are translated using the exchange rates at the date when fair value was determined.

Loss per common share

Basic loss per common share is computed by dividing the loss by the weighted average number of common shares outstanding during the year. Diluted per share amounts reflect the potential dilution that could occur if the Company's convertible securities were converted to common shares. Diluted loss per common share is calculated by adjusting the loss attributable to common shareholders and the weighted average number of common shares outstanding for the effect of all dilutive potential common shares. Convertible securities are converted using the "treasury stock" method. When the Company is in a net loss position, the conversion of convertible securities is considered to be anti-dilutive.

Deferred taxes

The Company accounts for income taxes using the liability method of tax allocation. Deferred taxes are recognized for the deferred tax consequences attributable to differences between the carrying values of assets and liabilities and their respective income tax bases. Deferred tax assets and liabilities are measured using substantively enacted income tax rates expected to apply to taxable income in the years in which temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in rates is included in profit and loss in the period that includes the enactment date. Deferred tax assets are recorded in the consolidated financial statements if realization is considered probable.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

Share issue costs

Share issuance costs relating to the issuance of share capital that has not occurred prior to year end are deferred in prepaids and netted against the proceeds when the related shares are issued.

Share-based payments

The Company issues equity-settled share-based awards to eligible employees, directors, officers and consultants. Share-based payments are accounted for using the fair value method whereby compensation expense related to these programs is recorded in profit or loss with a corresponding increase to contributed surplus. The fair value of options granted is determined using Black-Scholes Option Pricing Model at the grant date and expensed over the vesting period. Expected forfeitures are estimated at the date of grant and subsequently adjusted if further information indicates estimated forfeitures will change.

Upon the exercise of the stock options or warrants, consideration received together with the amount previously recognized in contributed surplus is recorded as an increase to share capital. On expiry, any amount related to the stock options or warrants previously recognized in contributed surplus is recorded to deficit with a corresponding decrease to contributed surplus.

During the year ended March 31, 2022, the Company changed its accounting policy on treatment of expired stock options and warrants. Prior to the year ended March 31, 2022, the amounts related to expired stock options and warrants remained in contributed surplus. With the change in accounting policy, amounts related to expired stock options and warrants are recorded to deficit with a corresponding decrease to contributed surplus. As a result of the change in accounting policy, the contributed surplus account balance as at March 31, 2020 and 2021 has been reduced by \$7,704,915 and the deficit account balance as at March 31, 2020 and 2021 has been increased by \$7,704,915.

Had the accounting policy been in effect in prior years, the contributed surplus and deficit balances would have been as follows:

	March 31, 2020	March 31, 2021
Deficit	(119,578,494)	(146,678,008)
Contributed Surplus	26,115,585	17,020,655

Employee Share Purchase Plan

The Company contributes to an Employee Share Purchase Plan ("ESPP") for employees and certain contractors. The plan is based on the amount of an individual's contribution and is subject to maximum limits per individual. The Company accounts for this plan as an expense in the period in which the contributions are made.

Financial instruments

Financial assets

Financial assets are initially recognized at fair value plus directly attributable transaction costs. The classification is based on the Company's business approach for managing the financial assets and whether the instruments' contractual cash flows represent solely payments of principal and interest on the principal amount outstanding (SPPI test). The business approach considers whether a Company's objective is to receive cash flows from holding assets, from selling assets in a portfolio, or a combination of both.

Subsequent measurement of financial assets is at amortized cost, fair value through other comprehensive income (FVOCI), or fair value through profit or loss (FVTPL).

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

Assets held only for the collection of contractual cash flows and that meet the SPPI test, are classified and subsequently measured at amortized cost using the effective interest rate method. Cash, accounts receivables, lease receivable and deposits have been included in this category.

Assets held within a business approach to both collect cash flows and sell the assets and that meet the SPPI test are classified and subsequently measured at FVOCI. Assets that do not meet the criteria for amortized cost or FVOCI are classified and subsequently measured at FVTPL with realized and unrealized gains and losses reported in other income (expense). The Company currently does not hold any assets at FVOCI or FVTPL.

Financial liabilities

Financial liabilities are initially recognized at fair value and are subsequently measured at amortized cost using the effective interest method. The Company's financial liabilities include short term borrowings, facility construction liabilities, accounts payable and accrued liabilities, long-term debt, and lease liabilities.

Fair value

Financial instruments are initially measured at fair value. The Company categorizes its fair value measurements for financial assets and financial liabilities measured at fair value according to a three-level hierarchy which prioritizes the inputs used in the Company's valuation techniques. A level is assigned to each fair value measurement based on the lowest level input significant to the overall fair value measurement. The three levels of the fair value hierarchy based on the reliability of inputs are as follows:

Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Impairment

Under IFRS 9, the Company reviews the carrying amount of assets at the end of each reporting period to determine whether there is an indication of impairment. An asset may be impaired when there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the financial of the asset and if these events have an impact on the estimated future cash flows of the financial asset.

Credit Loss

The Company recognizes an allowance for expected credit loss ("ECL") based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows the Company expects to receive, discounted at an approximation of the original effective interest rate.

The ECLs are recognized in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months. For credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

The Company applies the simplified approach to trades receivables and calculates based on lifetime expected credit losses at each reporting date, taking into considerations historical credit loss experience and general economic conditions. When the carrying amount of financial assets are reduced through an ECL allowance, this is recognized in the consolidated statements of operations.

New accounting standards issued but not yet effective

Certain new accounting standards and interpretations have been published that are not mandatory for the current year and have not been early adopted. These standards are not expected to have a material effect on the Company in the current or future reporting periods.

IAS 1 - In February 2021, the IASB issued 'Disclosure of Accounting Policies' with amendments that are intended to help preparers in deciding which accounting policies to disclose in their financial statements. The amendments are effective for year ends beginning on or after January 1, 2023.

IAS 1 - Presentation of Financial Statements ("IAS 1") was amended in January 2020 to provide a more general approach to the classification of liabilities under IAS 1 based on the contractual arrangements in place at the reporting date. The amendments clarify that the classification of liabilities as current or noncurrent is based solely on a company's right to defer settlement at the reporting date. The right needs to be unconditional and must have substance. The amendments also clarify that the transfer of a company's own equity instruments is regarded as settlement of a liability, unless it results from the exercise of a conversion option meeting the definition of an equity instrument. The amendments are effective for annual periods beginning on January 1, 2023.

IAS 8 - In February 2021, the IASB issued 'Definition of Accounting Estimates' to help entities distinguish between accounting policies and accounting estimates. The amendments are effective for year ends beginning on or after January 1, 2023.

IAS 12 - In May 2021, the IASB issued 'Deferred Tax Related to Assets and Liabilities Arising from a Single Transaction' that clarifies how entities account for deferred tax on transactions such as leases and decommissioning obligations. The amendments are effective for year ends beginning on or after January 1, 2023.

IAS 16 - Property, Plant and Equipment ("IAS 16") was amended. The amendments introduce new guidance, such that the proceeds from selling items before the related property, plant and equipment is available for its intended use can no longer be deducted from the cost. Instead, such proceeds are to be recognized in profit or loss, together with the costs of producing those items. The amendments are effective for annual periods beginning on January 1, 2022.

IAS 37 - Provisions, Contingent Liabilities, and Contingent Assets ("IAS 37") was amended. The amendments clarify that when assessing if a contract is onerous, the cost of fulfilling the contract includes all costs that relate directly to the contract - i.e. a full-cost approach. Such costs include both the incremental costs of the contract (i.e. costs a company would avoid if it did not have the contract) and an allocation of other direct costs incurred on activities required to fulfill the contract - e.g. contract management and supervision, or depreciation of equipment used in fulfilling the contract. The amendments are effective for annual periods beginning on January 1, 2022.

Notes to the Consolidated Financial Statements

March 31, 2022

Impairment for the year ended March 31, 2022

The Company performs impairment tests on its cash generating units (“CGUs”) when there are indicators of impairment. The Company has two CGUs: Cannabis Production and Edmonton Facility III. The CGUs are separate geographical areas and represent specific product groupings for the Company. In 2021, the Company had a third CGU for Germany (MAG). This CGU no longer exists as the Company deconsolidated MAG during the year ended March 31, 2022.

As at March 31, 2022, the Company identified impairment indicators related to the Cannabis Production CGU including underperforming operating results and excess production capacity in the facilities. As at March 31, 2022, the carrying value of the Cannabis Production CGU was \$15,179,847, prior to the impact of any impairment in the current year.

As at March 31, 2022, the Company identified impairment indicators related to the Edmonton Facility III CGU related to the fact that the Edmonton Facility III CGU consists of redundant assets. These assets are considered redundant due to a change in the Company’s strategic direction from the production of bulk cannabis oil to other cannabis products in the recreational cannabis market. As at March 31, 2022, Edmonton Facility III had a carrying value of \$9,837,566, prior to the impact of any impairment in the current year.

In accordance with the Company’s accounting policies, management evaluated the recoverability of each of its CGUs. The Company determined the fair value less cost of disposal (“FVLCD”) was greater than the value in use for each of the CGUs.

As a result, the Company has recorded property and equipment impairment of \$98,559 related to the Cannabis Production CGU, and \$2,077,566 for the Edmonton Facility III CGU.

The FVLCD calculation for the equipment included in the Cannabis Production CGU was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) using primarily the sales comparison approach. The key assumptions in determining the FVLCD were the comparability of the assets used in the sales comparison approach to the related equipment held by the Company, any adjustments made to take into account differences between the equipment, as well as the estimated costs of disposal.

For the building and building improvements in the Cannabis Production CGU, the FVLCD was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) and based on a capitalization of forecasted normalized net operating income approach. The Company determined the forecasted normalized net earnings for each facility based on market rental rates. Capitalization rates used to estimate fair market value considered many factors including but not limited to; the location of the facility, the size of the land parcel, site coverage and type and use of the property, the age of the building and special use characteristics of the facility. The key assumptions in determining the FVLCD were the expected lease rental rates and the capitalization percentage applied. The capitalization rates used were 15%.

The FVLCD calculation for the Edmonton Facility III CGU was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) using primarily the sales comparison approach. The key assumptions in determining the FVLCD were the comparability of the assets used in the sales comparison approach. This includes any adjustments made to take into account differences between these assets, the estimated costs of disposal, and the estimated costs to complete the facility to a comparable state as the buildings utilized in the sales comparison.

Impairment for the year ended March 31, 2021

The Company performs impairment tests on its cash generating units (“CGUs”) when there are indicators of impairment. The Company has three CGUs: Cannabis Production, Edmonton Facility III and Germany (MAG). The CGUs are separate geographical areas and represent specific product groupings for the Company.

Notes to the Consolidated Financial Statements

March 31, 2022

As at March 31, 2021, the Company identified impairment indicators related to the Cannabis Production CGU including underperforming operating results and excess production capacity in the facilities. As at March 31, 2021, the carrying value of the Cannabis Production CGU was \$17,853,327, prior to the impact of impairment.

As at March 31, 2021, the Company identified impairment indicators related to the Edmonton Facility III CGU related to the fact that the Edmonton Facility III CGU consists of redundant assets. These assets are considered redundant due to a change in the Company's strategic direction from the production of bulk cannabis oil to other cannabis products in the recreational cannabis market. As at March 31, 2021, Edmonton Facility III had a carrying value of \$20,628,236, prior to the impact of impairment.

As at March 31, 2021, the Company identified impairment indicators relating to the MAG CGU including a decline in the value of the worldwide cannabis market and a change in the Company's strategic direction to no longer pursue the German market and to discontinue any German operations. As at March 31, 2021, the carrying value of the MAG CGU was \$2,422,932, prior to the impact of impairment.

In accordance with the Company's accounting policies, management evaluated the recoverability of each of its CGUs. The Company determined the fair value less cost of disposal ("FVLCD") was greater than the value in use for each of the CGUs.

As a result, the Company recorded property and equipment impairment of \$2,138,633 related to the Cannabis Production CGU, \$10,734,236 for the Edmonton Facility III CGU and \$2,422,932 related to the MAG CGU, and the Cannabis Production CGU has also recorded impairment of \$79,855 on intangible assets.

The FVLCD calculation for the equipment included in the Cannabis Production CGU was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) using primarily the sales comparison approach. The key assumptions in determining the FVLCD were the comparability of the assets used in the sales comparison approach to the related equipment held by the Company, any adjustments made to take into account differences between the equipment, as well as the estimated costs of disposal.

For the building and building improvements in the Cannabis Production CGU, the FVLCD was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) and based on a capitalization of forecasted normalized net operating income approach. The Company determined the forecasted normalized net earnings for each facility based on market rental rates. Capitalization rates used to estimate fair market value considered many factors including but not limited to; the location of the facility, the size of the land parcel, site coverage and type and use of the property, the age of the building and special use characteristics of the facility. The key assumptions in determining the FVLCD were the expected lease rental rates and the capitalization percentage applied. The capitalization rates used were 15%.

The FVLCD calculation for the Edmonton Facility III CGU was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) using primarily the sales comparison approach. The key assumptions in determining the FVLCD were the comparability of the assets used in the sales comparison approach. This includes any adjustments made to take into account differences between these assets, the estimated costs of disposal, and the estimated costs to complete the facility to a comparable state as the buildings utilized in the sales comparison.

The FVLCD calculation for the MAG CGU was based on management's assessment of the market, and determination that the construction of the facility, and subsequent bankruptcy of the MAG operations resulted in a \$nil FVLCD. The key assumption in determining FVLCD was that the assets could not be resold to an arms-length third party for proceeds.

At March 31, 2022, there was \$nil included in long-term prepaids and deposits (March 31, 2021 - \$1,177,217) related to patent applications that are expected to be recorded to intangible assets as patents are granted. It was determined at March 31, 2022 and 2021 that there were indicators of impairment of these patents as a result of the reduced ability of the Company to fund the required filings to continue the patent process. In accordance with the Company's accounting policies, management evaluated the recoverability of the individual assets. The Company determined the fair value less cost of disposal ("FVLCD") was equal to the value in use for the individual assets. The Company completed an impairment assessment of the patents assets on an individual basis and as a result of that assessment, the Company recorded impairment on all of the patents of \$85,720 for the year ended March 31, 2022 (2021 - \$1,177,217).

The Company reviews the carrying value of the intangible assets at each reporting period for indicators of impairment. The Company determined that its intangible assets were part of its cannabis production CGU (Note 6). It was determined that at March 31, 2021, there were indicators of impairment for this CGU. The Company completed an impairment assessment of this CGU and as a result of that assessment, the Company recorded impairment of its intangible assets of \$79,855 for the year ended March 31, 2021.

9. Capital management

The primary objectives of the Company's capital management strategy are to:

- 1 Provide an adequate return to its shareholders;
- 2 Provide adequate and efficient funding for operations;
- 3 Finance growth; and
- 4 Preserve financial flexibility to benefit from potential opportunities as they arise.

The Company has historically financed operations and capital expansions mainly by receiving funds borrowed from creditors and obtained from investors by issuing convertible promissory notes and common shares. If so required and available, the Company will continue this practice in the future.

The capital structure of the Company consists of long-term debt, lease liabilities, and deficit as follows:

	March 31, 2022	March 31, 2021
Long-term debt	\$ 10,809,814	\$ 9,582,593

10. Short-term borrowings

On January 31, 2020, the Company entered into a loan agreement with Akaura Holdings Inc. ("Akaura", a related party as the Company shares a director with Akaura, Note 15) to assist the Company with working capital requirements. The amount funded under the loan agreement was \$2,500,000 and bore interest at 21.0% per annum. \$200,000 was held back by the lender and was recorded as long-term restricted cash. Interest was accrued monthly with the principal balance due on February 28, 2020. With the loan unpaid at February 28, 2020, an additional penalty of \$60,000 was due immediately with a further per diem penalty of \$2,000 per day accruing from February 15, 2020 until all principal, interest and penalties were repaid in full.

At February 2, 2021, the Company owed the original principal of \$2,500,000 less the \$200,000 holdback, and \$981,664 of accrued interest and default fees related to the loan. The Company renegotiated the terms of the loan with Akaura in February 2021. As a result of the renegotiation, the Company issued 20,952,381 shares of the Company to Akaura to settle \$2,200,000 of the Company's outstanding debt with Akaura. Akaura extended \$1,000,000 of the outstanding liability under a new agreement with the Company and forgave \$219,937 of the Company's existing debt. The Company reimbursed Akaura for legal and financing fees of \$138,273 relating to the renegotiation.

The new loan agreement allowed an interest free period on the loan until June 1, 2021, at which time the \$1,000,000 was to be paid in full. If the loan was not repaid on June 1, 2021, interest in the amount of 3% per month, retroactive to March 2021 would be charged until payment was received in full.

The Company concluded that the terms of the new agreement were substantially modified from the terms of the original agreement and as such, the renegotiation of the loan was treated as an extinguishment of the original debt and the modified loan was recorded as new debt.

The loan is secured through a mortgage on land and building as well as a general security agreement between Akaura Holdings Inc. and two of the Company's subsidiaries. Akaura retained all rights and security pertaining to the second mortgage under the new debt agreement.

This loan was not repaid on June 1, 2021 and as such, an interest expense of \$390,000 was recorded in the consolidated statement of operations for the year ended March 31, 2022 (2021 - \$1,258,168).

During the year ended March 31, 2022, the Company received \$45,000 in advances from directors of the Company and \$125,000 from a related company controlled by a director and officer of the Company. The Company repaid \$125,000 to the related party during the year ended March 31, 2022. These advances are non-interest bearing, have no fixed repayment terms and are payable on demand. (Note 15.)

The Company entered into \$545,033 in promissory notes during the year ended March 31, 2022 and repaid \$300,033 of the promissory notes. At March 31, 2022, the promissory note balance was \$245,000. The promissory notes matured six months from the date of the promissory note issuance. The outstanding promissory notes matured on February 10, 2022, February 21, 2022 and March 20, 2022. The remaining promissory notes were not repaid as of March 31, 2022.

For the year ended March 31, 2022, total interest expense related to long-term debt was \$1,309,190 (\$1,520,386 for the year ended March 31, 2021).

The Company is not in compliance with terms and conditions of its long-term debt agreements and therefore, has presented the amounts as current.

(a) Agriculture Financial Services Corporation ("AFSC") loans payable

On September 2, 2011, the Company entered into a loan agreement with AFSC to assist the Company to purchase equipment. The amount funded under the loan agreement was \$750,000, and bears interest at 5.8% per annum. Monthly payments of \$9,327 are payable to October 1, 2021. The loan is secured by the Company's equipment.

On December 11, 2012, the Company entered into a second loan agreement with AFSC to assist the Company to purchase equipment. The amount funded under this agreement was \$250,000 and bears interest at 4.55% per annum, monthly installments of \$2,586 are payable to March 1, 2023. The loan is secured by the Company's equipment.

As at March 31, 2022, the Company was 25 months in arrears on these loans. Arrears interest and penalties owing are \$10,833 (March 31, 2021 - \$5,213) and are included in accounts payable and accrued liabilities. AFSC had provided the Company until February 15, 2021 to cure the payments in arrears as well as the

additional arrears interest and penalties. The Company did not pay these arrears to the AFSC by February 15, 2021. On October 27, 2021, the Company received a notice of intention to enforce security in relation to the AFSC loans. Attempts to negotiate a forbearance agreement with AFSC have not been successful and AFSC has indicated its intention to collect Company assets to satisfy the liability. The Company has been working with AFSC to secure an orderly sale of non-core assets to satisfy its obligation to AFSC, however, in June 2022, AFSC indicated that they would no longer accept partial payments of the loan and were in the process of securing an auctioneer to assist with the sale of select assets of the Company.

(b) Ministry of Agriculture and Agri-Foods Canada (“AAFC”) loan payable

On May 18, 2017, the Company restructured its AAFC debt obligation which was accounted for as an extinguishment with \$883,493 included in long-term debt.

The new long-term debt agreement includes an initial payment of \$92,000 which was made during the three months ended June 30, 2017 and a repayment schedule commencing July 1, 2017 which results in the remaining balance being repaid over 8 years. Monthly payments are \$6,500 in years 1 and 2, \$8,500 in year 3 and \$8,000 for the remaining 5 years with the full remaining balance due June 1, 2025. Interest is compounded monthly at the Bank of Canada policy interest rate plus 3%. The long-term debt is unsecured.

As at March 31, 2022, the Company was 22 months in arrears on the AAFC loan with arrears interest owing of \$51,576 (March 31, 2021 - \$26,939) which is included in accounts payable and accrued liabilities.

(c) Moskowitz Capital Mortgage Fund II Inc. (“Moskowitz”)

On May 3, 2018, the Company acquired the remaining 50% interest in 1631807 Alberta Ltd. and the Adjacent Lands from Amnor Group Inc. In conjunction with these transactions, the Company entered into a \$5,500,000 mortgage with Moskowitz to discharge the previous mortgage loans on these properties. The mortgage bore interest at the greater of 8.5% or Bank of Nova Scotia prime rate plus 5.05%. Monthly interest only payments commenced May 1, 2018 and were required until the loan was due in full on November 1, 2020. The mortgage was secured by the Company’s production facility and the adjacent lands. On August 14, 2019, the Company amended the mortgage with Moskowitz, by increasing the amount borrowed from \$5,500,000 to \$8,500,000 and extending the due date from November 1, 2020 to November 1, 2021. Interest rates remained the same. As the terms of the amendment to the mortgage were substantially different from the terms of the previously existing mortgage, the amendment was determined to be an extinguishment of debt. As a result, a loss on extinguishment of long-term debt totalling \$440,513 was recognized, which consisted of \$90,264 of the remaining unamortized financing fees related to the original debt and fees and costs of \$350,249 related to the amendment.

A new loan was recognized at a fair value of \$8,500,000. Monthly interest only payments related to the new loan commenced July 25, 2019 and are required until the loan is due in full on November 1, 2021. Remaining amendment fees of \$197,500 were added to the loan balance outstanding. Monthly amendment fee payments of \$10,000 commenced August 1, 2019 and were required until February 1, 2021. A final payment of \$7,500 was due on March 1, 2021. Subsequent to March 31, 2020, there was increase in the interest rate to the greater of 12.5% or Bank of Nova Scotia prime rate plus 10.05% per annum.

On April 29, 2020, the Company amended the mortgage with Moskowitz increasing the interest rate to the greater of 12.5% or Bank of Nova Scotia prime rate plus 10.05% per annum revised from the greater of 8.5% or Bank of Nova Scotia prime rate plus 5.05% per annum. As the terms of the amendment to the mortgage were not substantially different from the terms of the previously existing mortgage, the amendment was determined to be a modification of debt. As a result, a loss on modification of long-term debt with corresponding increase to the value of the debt totalling \$477,810 was recognized. This adjustment is amortized back to the debt over the remaining term of the mortgage. Deferred financing charges of \$85,000 related to the loan amendment fee were recorded and are amortized over the remaining term of the mortgage.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

On October 2, 2020, Moskowitz agreed to defer arrears payments owing related to interest and non-interest bearing amendment fees payable to December 31, 2020 for a fee of \$90,000.

On January 15, 2021, the deferral agreement was extended to February 28, 2021 for an additional fee of \$50,000 and 550,000 shares of Radiant. The shares were issued to Moskowitz on February 1, 2021.

On May 3, 2021, the Company amended the mortgage with Moskowitz increasing the interest rate to the greater of 15% or Bank of Nova Scotia prime rate plus 12.55% per annum revised from the greater of 12.5% or Bank of Nova Scotia prime rate plus 10.05% per annum. As the terms of the amendment to the mortgage were not substantially different from the terms of the previously existing mortgage, the amendment was determined to be a modification of debt. As a result, a loss on modification of long-term debt with corresponding increase to the value of the debt totalling \$129,935 was recognized. This adjustment is amortized back to the debt over the remaining term of the mortgage. This amendment also included bonus standby interest of \$35,000, to be paid in shares of the Company.

On November 1, 2021, the Company's loan with Moskowitz matured. The Company negotiated a loan renewal with Moskowitz. Under the renewal, outstanding interest of \$1,429,076 was added to the outstanding principal of \$8,500,000 for total principal of \$9,929,076, with an interest rate of the greater of 9.99% or Bank of Nova Scotia prime rate plus 7.54% per annum, and a maturity date of November 1, 2022. The renewal agreement included a renewal fee of \$99,929, payable in three installments of \$33,309 on February 1, 2022, March 1, 2022 and April 1, 2022. Further, the Company will pay bonus interest of 10,000,000 common share purchase warrants, entitling the mortgage holder to purchase one common share of the Company for each warrant at a price of \$0.085, expiring December 1, 2026 as part of the renewal agreement. The value of the warrants has been estimated to be \$365,244 using the Black-Scholes model with the following assumptions: share price of \$0.05, volatility of 99.93% based on the Company's historical volatility, risk-free rate of 1.35%, 0% dividend yield and time to maturity of 5 years, and has been included in accounts payable and accrued liabilities as at March 31, 2022 (as such warrants have not been issued).

The mortgage is secured by the Company's production facility and the adjacent lands.

On April 4, 2022, the Company amended the mortgage with Moskowitz adjusting the exercise period of the 10 million common share purchase warrants to one year, down from a five-year exercise period under the original agreement. If the warrants are not issued before the maturity of the loan, the Company will issue two consecutive one-year term warrants at an exercise price of \$0.085.

On August 26, 2022, Moskowitz issued a demand notice to the Company for payment of this loan, plus accrued costs and interest pursuant to the terms of the loan. The Company is evaluating its options with respect to this demand notice.

(d) Debenture

On March 4, 2020, the Company issued an aggregate of \$1,162,500 of unsecured debentures that would mature on March 4, 2022. The debentures bore interest at 15%, payable quarterly. On March 3, 2021, the Company issued 12,485,086 shares to settle the \$1,162,500 face value of the debentures and \$86,009 of accrued interest relating to the debentures.

Lease liabilities relate to leases for office and warehouse space with lease terms between 1 and 5 years and for equipment between 1 and 2 years. In determining the lease term, the Company assesses whether it is reasonably certain it will exercise the lease extension options or not exercise a termination option. Future undiscounted cash outflows for lease liabilities are disclosed as part of total commitments in Note 14.

Excluded from the calculation of the lease liabilities are variable lease payments that do not depend on an index or a rate, which include utilities, common area maintenance costs, property tax, or any additional service payments. Total variable lease payments recognized as an expense are \$27,925 for the year ended March 31, 2022 (2021 - \$195,768).

March 31, 2022

During the year ended March 31, 2021, the Company issued both common shares and units of the Company to settle amounts owing to certain third-party creditors as well as some directors and officers. Specific details for each transaction are summarized in the table below. Each unit issued consisted of one common share and one-half common share purchase warrant exercisable for one-half common share.

In each of the unit transactions, the common share purchase warrants were allocated a portion of the total amount payable based upon their relative fair value at the date of issuance. The fair values of the common share purchase warrants were determined using a Black-Scholes option pricing valuation model.

Shares issued for debt with an arms length third party were recorded at fair value on the date of issuance. Any difference between the fair value of these shares issued to an arms length third party and the carrying value of the debt is recorded through the consolidated statement of operations.

The Company had previously approved a shares for service agreement with a third party in exchange for consulting services. Pursuant to the terms of the agreement the Company issued common shares in exchange for a maximum amount of services provided. Per the terms of the agreement on January 1, 2019, the number of shares were issued monthly and the issue price of these shares was the greater of (i) the 15-day VWAP share trading price of the shares on the TSXV on the last financial trading day of the relevant month; (ii) the “Discounted Market Price” (as defined in the policies of the TSXV) on the last financial trading day of the relevant month. The agreements were approved by the TSXV and were subject to approval for each successive 2-year renewal term.

As of March 31, 2021, the Company no longer has services provided under the January 1, 2019 agreement, as the agreement was terminated.

d) Stock option plan

The Company's stock option plan (the "Stock Option Plan") provides that the Board of Directors of the Company may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Company non-transferable options to purchase common shares, provided that the number of common shares reserved for issuance under the Stock Option Plan shall not exceed ten percent (10%) of the issued and outstanding common shares exercisable for the period of up to ten (10) years.

In addition, the number of common shares reserved for issuance to any one person shall not exceed five percent (5%) of the issued and outstanding common shares and the number of common shares reserved for issuance to any one consultant will not exceed two percent (2%) of the issued and outstanding common shares. The Board of Directors determines the price per common share and the number of common shares which may be allocated to each director, officer, employee and consultant and all other terms and conditions of the option, subject to the rules of the TSXV. Options have been issued with vesting periods of immediate to 4 years with terms between 2 and 10 years.

The Company issued an additional 2,000,000 options to a director of the Company on February 11, 2021 that will vest based on performance milestones. The milestones for these options have not yet been finalized and approved by the Board as at March 31, 2022 and therefore, the options are not considered to be granted.

For stock options granted, the Company records compensation expense using the fair value method. Fair values are determined using the Black-Scholes Option pricing model. Compensation costs are recognized over the vesting period as an increase to share based payments expense and contributed surplus. When stock options are subsequently exercised, the fair-value of such stock options in contributed surplus is credited to share capital. When stock options expire, unexercised or are cancelled, the fair-value of such stock options in contributed surplus is transferred to deficit.

The estimated volatility is based on the Company's historic volatility since May 22, 2014.

	\$ 3,333,263	\$ 3,782,097

The Company is subject to various claims, lawsuits and other complaints arising in the ordinary course of business. The Company records provisions for losses when claims become probable and the amounts are estimable. Although the outcome of such matters cannot be determined, it is the opinion of management that the final resolution of these matters will not have a material adverse effect on the Company's financial condition, operations or liquidity. As at March 31, 2022, the Company had received statement of claims from various vendors in the total amount of \$1,341,458, which has not been accrued by the Company as at March 31, 2022, as a reliable estimate cannot be determined at this time.

15. Related party transactions

The Company's related parties are its Board of Directors, and key management personnel (President and Chief Executive Officer, Chief Operating Officer, Chief Financial Officer and Chief Technology Officer), as well as any companies controlled by key management personnel or directors. Transactions conducted with related parties took place in the normal course of operations and are measured at the amount of consideration established and agreed to by the related parties.

Balances and transactions between the Company and its subsidiaries, which are related parties, have been eliminated on consolidation and are not disclosed in this note.

a) Key management personnel and director remuneration

The remuneration of directors and key management personnel follows:

	Year ended March 31,	
	2022	2021
Compensation	\$ 271,319	\$ 1,133,135
Short-term benefits	5,000	29,155

e) Aurora Cannabis Inc. "Aurora"

On November 6, 2017, the Company entered into a Master Services Agreement (MSA) with Aurora. The term of the MSA is 5 years, with an option for Aurora to extend an additional 5 years. The terms of the MSA include certain requirements around pricing for extraction services related to cannabis to parties other than Aurora, within a specified geographic territory. Additionally, it provides Aurora with priority for extraction services, and certain first right of refusal to acquire certain cannabis related intellectual property and sets pricing for the extraction services currently provided to Aurora. In addition to the MSA, the Company and Aurora entered into an Investor Rights Agreement on the same date, that provides Aurora with certain rights to participate in future offerings up to 19.99% and appoint one director to the board of directors of the Company.

As at March 31, 2020, Aurora held 33,101,542 shares in the Company resulting in a effective ownership of 11.9 % of all issued and outstanding shares. Aurora had representation on the Company's board of directors and accounted for 98% of all revenue for the year ended March 31, 2020. The Company determined that a related party relationship with Aurora existed at March 31, 2020 through their ability to exert significant influence over the Company.

In December 2020, Aurora's share ownership fell to 8.7%. Further, Aurora did not have representation on the Company's board of directors after December 2020. Based on these facts, the Company determined that Aurora ceased to be a related party of the Company in December 2020 and that Aurora no longer had significant influence over the Company. There were no revenue or inventory transactions with Aurora during the year ended March 31, 2021.

16. Financing fees

Other	711,774	367,931
	\$ 2,289,944	\$ 2,944,539

17. Financial instruments

Cash, accounts receivable and deposits are classified as financial assets at amortized cost. Financial assets are measured at amortized cost using the effective interest method, less any impairment losses.

Financial liabilities are initially recognized at fair value and are subsequently measured at amortized cost using the effective interest method. The Company's financial liabilities include short-term borrowings, facility construction liabilities, accounts payable and accrued liabilities, long-term debt, and lease liabilities.

The fair value of cash, accounts receivable, deposits, short-term borrowings and accounts payable and accrued liabilities approximate their carrying amount due to their short-term nature. The fair values of long-term debt, facility construction liabilities, and lease liabilities are estimated to approximate their carrying value because the interest rates do not differ significantly from current interest rates for similar types of borrowing arrangements.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

The Company has exposure to credit, interest rate, liquidity, foreign exchange and credit risk as follows:

Credit Risk

Credit risk is the risk that the counterparty to a financial asset will default, resulting in the Company incurring a financial loss. The Company is exposed to credit risk on its cash, accounts receivable and deposits and to a maximum of the carrying value of the items at the reporting date.

The Company mitigates its exposure to credit risk related to its cash by holding funds with reputable financial institutions.

The Company's trade receivables are monitored on an ongoing basis for impairment.

As at March 31, 2022, the Company had \$117,925 (March 31, 2021 - \$315,120) of trade accounts receivable balances. Credit risk is limited with respect to trade accounts receivable and all amounts receivable from customers were received subsequent to March 31, 2022.

Interest Rate Risk

Interest rate risk is the risk that the value of a financial instrument will fluctuate because of changes in market interest rates. The Company has interest rate risk in respect of its variable rate long-term debt. As at March 31, 2022, the increase or decrease in annual net income for each one percent change in interest rate on the variable rate long-term debt would amount to \$99,291 (March 31, 2021 - \$92,732).

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulties in meeting its financial obligations.

The Company manages its liquidity risk by forecasting cash flow requirements for its planned development, production and corporate activities and anticipating investing and financing activities. Management and the Board of Directors are actively involved in the review, planning and approval of annual budgets and significant expenditures and commitments. The Company has disclosed (Note 1) that continuation as a going concern is dependent on obtaining sufficient funds to discharge contractual liabilities as well as funding continuing operations.

The Company's contractual liabilities and obligations are as follows:

	< 1 year	1 to 3 years	4 to 5 years	>5 years	Total
Accounts payable and accrued liabilities	\$ 18,192,063	\$ -	\$ -	\$ -	\$ 18,192,063

19. Segmented reporting

Operating segments are identified based on internal reports that are regularly reviewed by the Company's chief operating decision maker, the Chief Executive Officer. For the year ended March 31, 2022 and 2021, the Company had a single reporting segment which is the production and sale of cannabis related retail products.

a) Information about geographic areas

The Company's non-current assets are all located in Canada as at March 3, 2022 and 2021.

b) Information about major customers

During the year ended March 31, 2022, the Company earned 87% of its revenue from three customers (2021– 74% of revenue from two customers).

20. Loss per share

Diluted net income per common share is calculated by dividing the applicable net income by the sum of the weighted average number of common shares outstanding and all additional common shares that would have been outstanding if potentially dilutive common shares had been issued during the period. As at March 31, 2022 and 2021, all instruments were anti-dilutive based on having a net loss attributable to common shareholders for the period.

21. Tunaaaaroom Xtracts ("Tunaaaa") acquisition

On January 28, 2022, completed a transaction that resulted in the acquisition of 100% of Tunaaaa Xtracts Inc. ("Tunaaaa") shares. The Company accounted for the transaction as an asset acquisition.

As consideration for the assets acquired, the Company provided the following:

- Radiant issued 70,000,000 common shares of the Company, the shares issued had a statutory hold period of four months plus one day; and
- Radiant issued 15,000,000 common share purchase warrants, exercisable for one common share of the Company for \$0.15 for a period of two years.

Radient Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

The Company also provided the following contingent consideration:

- Radient will issue 10,000,000 common shares to the sellers of Tunaaaa if sales generated by Tunaaaa products exceed \$1,000,000 per month for any three months in a trailing 24-month period, or if the gross revenue of Tunaaaa exceeds \$1,500,000 in any two months in a trailing 24-month period following closing of the asset acquisition (these shares were not issued, recognized or accrued as at March 31, 2022);
- Radient will issue 10,000,000 common shares to the sellers of Tunaaaa if gross revenue generated by Tunaaaa products exceeds \$1,500,000 per month for any two months in a trailing 24-month period, or if the gross revenue of Tunaaaa exceeds \$1,500,000 in any two months in a trailing 24-month period following closing of the asset acquisition (these shares were not issued, recognized or accrued as at March 31, 2022); and
- Radient will issue 5,000,000 common shares to the sellers of Tunaaaa if gross revenue generated by Tunaaaa products exceeds \$2,000,000 per month for a 3-year period following closing of the asset acquisition (these shares were not issued, recognized or accrued as at March 31, 2022).

Purchase Price Allocation

The acquisition is being treated as an asset acquisition for accounting purposes as Tunaaaa does not meet the definition of a business, as defined in IFRS 3, Business Combinations. The assets acquired were recorded at their estimated fair market values, which are based on management estimates.

Purchase price:

Common shares	\$	3,335,000
Common share purchase warrants		300,000
	\$	3,635,000

Fair value of assets acquired and liabilities assumed:

The common shares were valued using a share price of \$0.048. The value of the warrants has been estimated to be \$300,000 using the Black-Scholes valuation method, with the following assumptions: share price of \$0.06, volatility of 104.99% based on the Company's historical volatility, risk-free rate of 1.25%, 0% dividend yield and time to maturity of 2 years. The contingent consideration has been estimated to have a value of \$nil based on projections at the acquisition date and March 31, 2022.

22. Deconsolidation of subsidiaries

MAG

In July 2021, the Company's subsidiary, MAG announced that it was winding up its German operations at MAG. In November 2021, the insolvency proceedings over the assets of MAG were opened and an insolvency administrator was appointed by the court. As a wholly owned subsidiary of RTS, MAG was fully consolidated at March 31, 2021. The Company deconsolidated MAG once the insolvency process had commenced. Once the insolvency proceedings commenced, the Company no longer has control over the

MAG subsidiary or its assets. As a result of this loss of control, the Company deconsolidated MAG during the year ended March 31, 2022.

The following assets and liabilities of MAG have been deconsolidated from the consolidated statement of financial position:

	March 31, 2022
Assets	
Accounts receivable	\$ 95,461
Liabilities	
Accounts payable and accrued liabilities	(1,171,146)
Gain on deconsolidation	\$ (1,075,685)

The Company recognized a gain on deconsolidation of \$1,075,685 in the consolidated statement of operations for the year ended March 31, 2022 related to the deconsolidation of MAG.

RTS

In October 2021, RTS was placed into liquidation under Swiss insolvency law. The insolvency proceedings have been closed and as such, the Company no longer has control of the RTS subsidiary. As a result of this loss of control, the Company deconsolidated RTS during the year ended March 31, 2022.

RTS had no assets or liabilities as at March 31, 2022. The Company did not recognize a gain or loss on deconsolidation of RTS during the year ended March 31, 2022.

23. Income taxes

a) Provision for Income Taxes

The reconciliation of the combined Canadian federal and provincial statutory income tax rate of 23% (2021 - 23%) to the effective tax rate is as follows:

	2022 \$	2021 \$
<u>(Loss) before income taxes</u>	(12,929,980)	(42,265,830)
Expected income tax recovery based on statutory rate	(2,974,000)	(9,721,000)
Adjustment to expected income tax recovery:		
Share based compensation	9,000	-
Expenses not deductible for tax purposes	(151,000)	408,000
Change in tax rates	-	(211,000)
Change in benefit of tax assets not recognized	3,116,000	9,524,000
<u>Deferred income tax provision (recovery)</u>	-	-

b) Deferred Income Tax

Deferred taxes are a result of temporary differences that arise due to the differences between the income tax values and the carrying

	2022 \$	2021 \$
<u>Recognized deferred tax assets and liabilities:</u>		
Non-capital loss carry-forwards	87,000	248,000

CEASE TRADE ORDER
Under the securities legislation of Alberta and Ontario
(Legislation)

Background

1. This is the order of the Executive Director of the Alberta Securities Commission and evidences the decision of the regulator or securities regulatory authority in Ontario (each a **Decision Maker**).
2. The Issuer has not filed the following periodic disclosure required by the Legislation:
 - (a) interim unaudited financial reports, interim management's discussion and analysis and certification of the interim filings for the interim period ended 31 December 2022.
3. As a result of this order, if the Issuer is a reporting issuer in a jurisdiction in which Multilateral Instrument 11-103 *Failure-to-File Cease Trade Orders in Multiple Jurisdictions* applies, a person or company must not trade in or purchase a security of the issuer in that jurisdiction, except in accordance with the conditions that are contained in this order, if any, for so long as this order remains in effect.
4. Further, this order takes automatic effect in each jurisdiction of Canada that has a statutory reciprocal order provision, subject to the terms of the local securities legislation.

Interpretation

5. Terms defined in the Legislation, National Instrument 14-101 *Definitions* or National Policy 11-207 *Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions* have the same meaning if used in this order, unless otherwise defined.

Order

6. The Decision Maker is satisfied that the decision concerning the cease trade meets the test set out in the Legislation to make this decision.
7. It is ordered under the Legislation that trading and purchasing cease in respect of each security of the Issuer.
8. Despite this order a beneficial securityholder of the Issuer who is not, and was not at the date of this order, an insider or control person of the Issuer, may sell securities of the Issuer acquired before the date of this order if both of the following apply:

- (a) the sale is made through a “foreign organized regulated market”, as defined in section 1.1 of the Universal Market Integrity Rules of the Investment Industry Regulatory Organization of Canada; and
- (b) the sale is made through an investment dealer registered in a jurisdiction of Canada in accordance with applicable securities legislation.

SECOND AFFIDAVIT OF BRIAN MOSKOWITZ

Sworn on March 12, 2023

I, Brian Moskowitz, of the City of Toronto, in the Province of Ontario, SWEAR AND SAY THAT:

1. I am the President of the Plaintiff, Moskowitz Capital Mortgage Fund II Inc. ("MCMF"), and as such, I have a personal knowledge of the facts and matters hereinafter deposed to except where stated to be on the basis of information and belief, and, where so stated, I verily believe the same to be true.
2. I previously filed an Affidavit of Default, dated December 12, 2022, (the "First Moskowitz Affidavit") in this action in connection with MCMF's mortgage enforcement proceedings in this matter. In this Affidavit, unless otherwise stated, I adopt capitalized naming conventions established in the First Moskowitz Affidavit.
3. This Affidavit is filed by MCMF in support of its Application seeking to appoint MNP Ltd. as receiver of the Equipment (as defined below in this Affidavit) owned or in the possession of 1631807 Alberta Ltd. and Radiant Technologies Inc. (collectively, the "Debtors").
4. In the preparation of this Affidavit, I have reviewed relevant books and records of MCMF.

Background to the Debtors

5. Copies of corporate profiles obtained from Alberta's and Canada's corporate registries for each of the Debtors are attached, collectively, as **Exhibit "A"** of this Affidavit. I note that the corporate profile for 1631807 shows that 100% of its outstanding voting shares are owned by Radiant Technologies.
6. Radiant Technologies is a licensed manufacturer of cannabis products.

BM

7. The Debtors operate their business from a facility located in Edmonton, Alberta. The facility is sited on real property owned by 1631807, being the Lands described in the Mortgage produced as Exhibit "A" of the First Moskowitz Affidavit.

Personal Property Security

8. MCMF and Radiant Technologies concluded a Term Sheet for the creation of a \$5,500,000.00 credit facility on May 2, 2018. The Term Sheet was amended on April 25, 2018, under Term Sheet Amendment #1 to add 1631807 as a guarantor under an unlimited guarantee. The Term Sheet and Term Sheet Amendment #1 are attached, collectively, as Exhibit "B" of this Affidavit.
9. MCMF advanced a total of \$5,500,000.00 to the Debtors on May 2, 2018. Copies of a Statement of Receipts and Disbursements concerning such advance and correspondence enclosing the portion of the advance distributable to the Debtors are attached, collectively as Exhibit "C" of this Affidavit.
10. On May 2, 2018, 1631807 executed a General Security Agreement pursuant to which it agreed to grant MCMF a security interest in all of its present and after acquired personal property relating to the operation of the business of 1631807 located on the Lands, with the exception of consumer goods. A copy of the said General Security Agreement is attached as Exhibit "D" of this Affidavit.
11. On June 26, 2018, MCMF and the Debtors agreed pursuant to an amending instrument, namely Term Sheet Amendment #2, to amend their relationship such that 1631807 would serve as the primary borrower and Radiant Technologies would serve as the guarantor of 1631807's debt owed to MCMF. A copy of Term Sheet Amendment #2 is attached as Exhibit "E" of this Affidavit. On August 31, 2018, Radiant Technologies executed an Agreement of Guarantee under which it agreed to guarantee all amounts owing by 1631807 to MCMF. A copy of the August 31, 2018, Agreement of Guarantee is attached as Exhibit "F" of this Affidavit.
12. On August 31, 2018, Radiant Technologies executed a General Security Agreement pursuant to which it agreed to grant MCMF a security interest in all of its present and after acquired personal property relating to the operation of the business of Radiant Technologies located on the Lands, with the exception of consumer goods. A copy of the said General Security Agreement is attached as Exhibit "G" of this Affidavit.
13. I note that the General Security Agreements executed in favour of MCMF by the Debtors both include terms pursuant to which the Debtors agreed that MCMF would have the right to appoint a receiver or receiver manager over their assets, business and affairs.
14. The applicable interest rate on the balancing owing by the Debtors to MCMF under the has been amended by agreement between MCMF and the Debtors several times since the conclusion of the initial Term Sheet. The key monetary terms of such amending agreements, which included additional advances made available to the Debtors and various fees agreed to by the Debtors, are described in paragraphs 3 - 8 of the First Moskowitz Affidavit. The current applicable interest rate is calculated as the greater of 9.99% per annum or the Bank of Nova Scotia's Prime Rate plus 7.54% per annum. As of today's date, the applicable variable interest rate stands at 14.53% per annum.
15. MCMF perfected its security interests in the Debtors' personal property by way of registration of financing statements in Alberta's Personal Property Registry (the "PPR"). MCMF registered a security interest in the PPR against the present and after-acquired personal property (excepting consumer goods) of the Debtors on April 25, 2018. Copies of PPR reports evincing the registration of MCMF's financing statements concerning its personal property security against the Debtors are attached, collectively, as Exhibit "H" of this Affidavit.

16. Regarding the said PPR reports, I note that:
- a. the first registered interest in the personal property of Radiant Technologies appears to be held by Agricultural Financial Services Corporation ("AFSC"), whose registration is dated May 16, 2011;
 - b. the registration of MCFM in the present and after acquired property (excluding consumer goods) of Radiant Technologies is the second security agreement registered following the interest of AFSC;
 - c. reports of seizure concerning an enforcement action of AFSC against Radiant Technologies was registered on January 10, 2022;
 - d. there are 13 registrations against the personal property of Radiant Technologies registered subsequent to the registration of MCFM;
 - e. the first registered interest in the present and after-acquired property of 1631807 is that of MCMF; and
 - f. there are 3 registrations against the property of 1631807 registered subsequent to the registration of MCMF

Default Ongoing Insolvency of the Debtor

17. As is stated in the First Moskowitz Affidavit, the Debtors are in default on financial obligations owing to MCMF and MCMF has exercised its right to demand payment of the whole of the amounts owing to it by the Debtors. Such default has not been cured as of the date hereof. As of March 8, 2023, the balance outstanding owing to MCMF by the Debtors stood at \$12,067,093.27, with interest accruing on such balance at a *per diem* rate of \$3,952.59 (the "Indebtedness").
18. A copy of Radiant Technology's most recent publicly available financial statements, being financial statements for the fiscal year ended March 31, 2022, is attached as Exhibit "I" of this Affidavit. I note that such financial statements show total assets valued at \$27,734,541 and total liabilities of (\$37,860,320). Net and comprehensive losses for 2022 are reported at (\$12,929,980), as compared to total revenue for 2022 of only \$3,621,781.
19. I remain in contact with the management team of the Debtors. I am advised by the Debtors' management team, and I verily believe it to be true, that the Debtors continue to operate and generate revenue, despite their insolvency and the ongoing enforcement proceedings. Notwithstanding the fact that the Debtors continue to carry on business, they have not provided MCMF with any plan to cure their default or to restructure their affairs in a manner that would enable them to retire the Indebtedness within a period acceptable to MCMF.
20. Since the filing of the First Moskowitz Affidavit, MCMF has applied for and successfully obtained a Redemption Order - Listing in these proceedings. The prescribed listing price for the Lands pursuant to paragraph 4 of the Judicial Listing Agreement incorporated into the Redemption Order Listing is \$11,340,000. The Lands have not yet been listed for sale.
21. On October 20, 2022, MCMF obtained a Preservation Order entitling MCMF or its agent to enter the Lands to take all necessary steps to preserve the same. MCMF subsequently appointed Avison Young Real Estate Management Services, LP to act as its agent for all purposes related to the Preservation Order. Notwithstanding the Preservation Order, the Debtors continue to have access to the Lands with the consent of MCMF so as that they may continue to operate their business pending MCMF's enforcement of its security.

22. On March 7, 2023, the Alberta Securities Commission issued a Cease Trade Order respecting the securities of Radient Technologies. The said Cease Trade Order indicates that Radient Technologies failed to file public disclosure required by the securities legislation of Ontario and Alberta. A copy of the publicly available Cease Trade Order is attached as **Exhibit "J"** of this Affidavit.
23. On March 10, 2023, counsel for MCMF conveyed to counsel for the Debtors' Notices of Intention to Enforce Security made under section 244 of the *Bankruptcy and Insolvency Act*. Copies of the said Notices of Intention to Enforce Security are attached, collectively, as **Exhibit "K"** of this Affidavit.

Necessity of Receiver's Appointment

24. As is noted above, the prescribed listing price for the Lands is less than the value of the Indebtedness. MCMF has thus determined that the proceeds from the eventual sale of the Lands will likely be insufficient to retire the Indebtedness. Accordingly, MCMF has determined that it is necessary to enforce its security interest against the personal property of the Debtors.
25. At this time, MCMF only seeks to enforce its security interest against certain pieces of equipment (the "**Equipment**") owned by the Debtors. The management team of the Debtors has provided MCMF with a spreadsheet listing pieces of equipment encumbered by MCMF's security interest. The said spreadsheet identified pieces of equipment that were: (a) required for operations; (b) not-required for operations, but were missing or otherwise unavailable for seizure; or (c), not required for operations and were available for seizure.
26. The Equipment MCMF seeks to seize is comprised only of the pieces of property in the latter of the three above-mentioned categories. MCMF has used the spreadsheet provided to it by the Debtors to prepare a schedule of the Equipment, a copy of which is attached as **Exhibit "L"** of this Affidavit. For greater certainty, pieces of property that are required by the Debtors for their operations or are not available for seizure are omitted from the attached schedule of the Equipment.
27. MCMF wishes to ensure that the Equipment is sold in an efficient, orderly, and commercially reasonable sales process. Further, MCMF wishes to ensure that the Debtors are able to continue to use the Equipment to carry on business to as great an extent as is reasonably practicable under the circumstances during the sales process for the Equipment.
28. MCMF is concerned that enforcing its rights as a secured creditor with the assistance of civil enforcement agency may prove impracticable, or at least undesirable, for at least two reasons. First, MCMF is concerned that the process of ensuring that numerous subordinate registrations against the Equipment are discharged from the PPR upon the closing of the transactions for the sale of the Equipment may be cumbersome, time-consuming, and costly. Furthermore, MCMF is concerned that any delay in obtaining such discharges could result in the collapsing of transactions for the sale of the Equipment or future litigation between MCMF and potential purchasers.
29. Second, MCMF is concerned that it will not be practicable for a civil enforcement agency to make appropriate arrangements with the Debtors to a sales process for the Equipment following its seizure while such Equipment continues to be used by the Debtors in furtherance of their operations.
30. With a view to maximizing value for the benefit of all of the Debtors' stakeholders and ensuring that the Equipment is sold as efficiently as possible, MCMF thus seeks the appointment of a receiver.

31. MCMF wishes to appoint MNP Ltd. to serve as receiver of the Equipment. At this time, MCMF does not wish to appoint MNP Ltd. as a receiver manager of the whole of the Debtors' business and affairs and property.
32. MNP Ltd. is a Licensed Insolvency Trustee and has endorsed a Consent to Appointment as receiver in these proceedings.

Conclusion

33. In summary of the foregoing, I verily believe it to be true for the reasons canvassed above that:
 - a. the Debtors are insolvent,
 - b. the Debtors are unable to repay the Indebtedness,
 - c. it will be necessary for MCMF to realize upon its security in the Equipment in order to satisfy the Indebtedness, and
 - d. the appointment of a Receiver is required to maximize value and to enable the Equipment to be sold in an orderly and efficient sales process.
34. I am not physically present before the solicitor retained by MCMF who is serving as the Commissioner for Oaths taking this Affidavit (the "Commissioner"). Rather, I am linked to the Commissioner by video conference. The following steps have been taken by the Commissioner and myself:
 - a. I have shown the Commissioner the front and back of my government-issued photo identification ("ID"),
 - b. the Commissioner has compared my image to the information on my ID,
 - c. the Commissioner has taken a screen shot of the front and back of my ID to retain it,
 - d. the Commissioner and I have a paper copy of this Affidavit before us,
 - e. the Commissioner and I have reviewed each page of this Affidavit to verify that the pages are identical and have initialed each page in the lower right corner,
 - f. at the conclusion of our review of the Affidavit, the Commissioner administered the oath to me, and the Commissioner watched me sign my name to this Affidavit, and
 - g. I will send this signed Affidavit electronically to the Commissioner.

[Space Intentionally Left Blank - Execution to Follow on Next Page]

35. I make this Affidavit in support of an Application by MCMF to appoint MNP Ltd. as Receiver of the Debtors' Equipment and for no other or improper purpose.

This letter should not be considered as a Commitment, but only as an indication of our interest (Term Sheet). If you wish to proceed to the Commitment stage under the terms outlined herein, please sign the enclosed copies of this letter where indicated and return one copy to the undersigned with a Partial Commitment Fee of **\$50,000 certified funds** payable to Moskowitz Capital Mortgage Fund II Inc., by no later than 3:00 PM, April 2, 2018. If we issue a Commitment, or if you withdraw the application, misrepresented any information, or you cannot furnish the required information or the information you provided does not confirm to be true or is erroneous or you cannot meet the underlying condition, this amount shall be retained by us and the remainder of the Commitment Fee will be due and payable immediately and will serve to cover the costs of investigating and analyzing your application and possibly any damages, whether or not funds are advanced. The Lender reserves the right to secure the unpaid balance of the Commitment Fee and Lender Expenses, as such, the Borrower(s)/Guarantor(s) grant a security interest of all personal property in favour of the Lender and this Term Sheet shall constitute a security agreement for purposes of the Personal Property Security Act, and the Borrower(s)/Guarantor(s) consents to the Lender registering such interest on the Personal Property Registry as security. Subject to the abovementioned, *if after appropriate due diligence, we do not issue a Commitment; the Partial Commitment Fee will be returned to you less any costs incurred by us.* The general terms, conditions and security outlined herein are meant to provide you with a guideline as to the proposed structure of a loan.

We look forward to working with you.

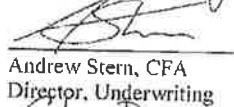

Yours very truly,

A COMMISSIONER FOR OATHS in and
for the Province of Alberta.

GENERAL SECURITY AGREEMENT

1. **1631807 ALBERTA LTD.** (the "Borrower") of 3946 – 101 Street NW, Edmonton, AB T6E 0A5 for valuable consideration grants, assigns, transfers, sets over, mortgages and charges to **MOSKWITZ CAPITAL MORTGAGE FUND II INC.**, 2200 Yonge Street, Suite 1002, Toronto, ON M4S 2C6 (the "Lender") as and by way of a fixed and specific mortgage and charge, and grants to the Lender, a security interest in all present and after acquired undertaking and personal property (other than consumer goods) of the Borrower described in Schedule "A" including all the right, title, interest and benefit which the Borrower now has or may hereafter have in all such personal property described therein (the "Collateral").

In this Agreement, the words "goods", "consumer goods", "account", "account debtor", "inventory", "crops", "equipment", "fixtures", "chattel paper", "document of title", "instrument", "money", "security", or "securities", "intangible", "receiver", "proceeds" and "accessions" shall have the same meanings as their defined meanings where such words are defined in the Personal Property Security Act of Alberta, such Act, including any amendments thereto, being referred to in this Agreement as "the PPSA". In this Agreement, "Collateral" shall refer to "Collateral or any item thereof".

2. The fixed and specific mortgages and charges and the security interest granted under this Agreement secure payment and performance of all obligations of the Borrower to the Lender, including but not limited to all debts and liabilities, present or future, direct or indirect, absolute or contingent, matured or not, at any time owing by the Borrower to the Lender in any currency or remaining unpaid by the Borrower to the Lender in any currency, whether arising from dealings between the Lender and the Borrower or from other dealings or proceedings by which the Lender may be or become in any manner whatever a creditor of the Borrower and wherever incurred, and whether incurred by the Borrower alone or with another or others and whether as principal or surety, including all interest, commissions, legal and other costs, charges and expenses (the "Obligations").
3. The Borrower hereby represents and warrants to the Lender that:
 - A. all of the Collateral is, or when the Borrower acquires any right, title or interest therein, will be the sole property of the Borrower free and clear of all security interests, mortgages, charges, hypothecs, liens or other encumbrances except as disclosed by the Borrower to the Lender in writing;
 - B. the Collateral insofar as it consists of goods (other than inventory enroute from suppliers or enroute to Borrowers or on lease or consignment) will be kept at the locations specified in Schedule "B" hereto or at such other locations as the Borrower shall specify in writing to the Lender and subject to the provisions of paragraph 4(j) none of the Collateral shall be moved therefrom without the written consent of the Lender;
 - C. the Borrower's chief executive address is located at the address specified in paragraph 1;
 - D. none of the Collateral consists of consumer goods; and

- E. this Agreement has been properly authorized and constitutes a legally valid and binding obligation of the Borrower in accordance with its terms.

4. The Borrower hereby agrees that:

- A. the Borrower shall diligently maintain, use and operate the Collateral and shall carry on and conduct its business in a proper and efficient manner so as to preserve and protect the Collateral and the earnings, incomes, rents, issues and profits thereof;
- B. the Borrower shall cause the Collateral to be insured and kept insured to the full insurable value thereof with reputable insurers against loss or damage by fire and such other risks as the Lender may reasonably require and shall maintain such insurance with loss if any payable to the Lender and shall lodge such policies with the Lender;
- C. the Borrower shall pay all rents, taxes, levies, assessments and government fees or dues lawfully levied, assessed or imposed in respect of the Collateral or any part thereof as and when the same shall become due and payable, and shall exhibit to the Lender, when required, the receipts and vouchers establishing such payment;
- D. the Borrower shall duly observe and conform to all valid requirements of any governmental authority relative to any of the Collateral and all covenants, terms and conditions upon or under which the Collateral is held;
- E. the Borrower shall keep proper books of account in accordance with sound accounting practice, shall furnish to the Lender such financial information and statements and such information and statements relating to the Collateral as the Lender may from time to time require, and the Borrower shall permit the Lender or its authorized agents at any time at the expense of the Borrower to examine all books of account and other financial records and reports relating to the Collateral and to make copies thereof and take extracts therefrom;
- F. the Borrower shall furnish to the Lender such information with respect to the Collateral and the insurance thereon as the Lender may from time to time require and shall give written notice to the Lender of all litigation before any court, administrative board or other tribunal affecting the Borrower or the Collateral;
- G. the Borrower shall defend the title to the Collateral against all persons and shall keep the Collateral free and clear of all security interests, mortgages, charges, liens and other encumbrances except for those disclosed to the Lender in writing prior to the execution of this Agreement or hereafter approved in writing by the Lender prior to their creation or assumption;

- H. the Borrower shall, upon request by the Lender, execute and deliver all such financing statements, certificates, further assignment and documents and do all such further acts and things as may be considered by the Lender to be necessary or desirable to give effect to the intent of this Agreement and the Borrower hereby irrevocably constitutes and appoints any officer of the Lender mentioned in paragraph 1, the true and lawful attorney of the Borrower, with full power of substitution, to do any of the foregoing in the name of the Borrower whenever and wherever the Lender may consider it to be necessary or desirable;
 - I. the Borrower shall promptly notify the Lender in writing of any event which occurs that would have a material adverse effect upon the Collateral or upon the financial condition of the Borrower and immediately upon the Borrower's acquisition of rights in any vehicle, mobile home, trailer, boat, aircraft or aircraft engine, shall promptly provide the Lender with full particulars of such collateral; and
 - J. the Borrower will not change its name or location of its chief executive office or place of business or sell, exchange, transfer, assign or lease or otherwise dispose of the Collateral or any interest therein or modify, amend or terminate any chattel paper, document of title, instrument, security or intangible, without the prior written consent of the Lender, except that the Borrower may, until an event of default set out in paragraph 9 occurs, sell or lease inventory in the ordinary course of the Borrower's business.
5. Until an event of default occurs, the Borrower may use the Collateral in any lawful manner not inconsistent with this Agreement, but the Lender shall have the right at any time and from time to time to verify the existence and state of the Collateral in any manner the Lender may consider appropriate and the Borrower agrees to furnish all assistance and information and to perform all such acts as the Lender may reasonably request in connection therewith, and for such purpose shall permit the Lender or its agents access to all places where Collateral may be located and to all premises occupied by the Borrower to examine and inspect the Collateral and related records and documents.
6. After an event of default occurs, the Lender may give notice to any or all account debtors of the Borrower and to any or all persons liable to the Borrower under an instrument to make all further payments to the Lender and any payments or other proceeds of Collateral received by the Borrower from account debtors or from any persons liable to the Borrower under an instrument, after such notice is given by the Lender, shall be held by the Borrower in trust for the Lender and paid over to the Lender upon request. Subject to the foregoing, the Lender may take control of all proceeds of Collateral and may apply any money taken as Collateral to the satisfaction of the Obligations secured hereby. The Lender may hold as additional security any increase or profits, except money, received from any Collateral in the Lender's possession, and may apply any money received from such Collateral to reduce the Obligations secured hereby and may hold any balance as additional security for such part of the Obligations as may not yet be

due, whether absolute or contingent. The Lender will not be obligated to keep any Collateral separate or identifiable. In the case of any instrument, security or chattel paper comprising part of the Collateral, the Lender will not be obligated to take any necessary or other steps to preserve rights against other persons.

7. The Lender may have any Collateral comprising instruments, shares, stock, warrants, bonds, debentures, debenture stock or other securities, registered in its name or in the name of its nominee and shall be entitled but not bound or required to vote in respect of such Collateral at any meeting at which the holder thereof is entitled to vote and, generally, to exercise any of the rights which the holder of such Collateral may at any time have; but the Lender shall not be responsible for any loss occasioned by the exercise of any of such rights or by failure to exercise the same within the time limited for the exercise thereof.
8. Upon the Borrower's failure to perform any of its duties hereunder, the Lender may, but shall not be obliged to, perform any or all of such duties, without waiving any rights to enforce this Agreement, and the Borrower shall pay to the Lender, forthwith upon written demand therefor, an amount equal to the costs, fees and expenses incurred by the Lender in so doing plus interest thereon from the date such costs, fees and expenses are incurred until paid at the rate of 10% per annum.
9. The happening of any one or more of the following events shall constitute an event of default under this Agreement:
 - A. if the Borrower does not pay when due any of the Obligations;
 - B. if the Borrower does not perform any provisions of this Agreement or of any other agreement to which the Borrower and the Lender are parties where such non-performance is not remedied within fifteen (15) days after written notice of the non-performance to the Borrower from the Lender;
 - C. if the Borrower ceases or threatens to cease to carry on its business, commits an act of Bankruptcy, becomes insolvent, makes an assignment or proposal under the *Bankruptcy and Insolvency Act*, takes advantage of provisions for relief under the Companies Creditors Arrangement Act or any other legislation for the benefit of insolvent debtors, transfers all or substantially all of its assets, or proposes a compromise or arrangement to its creditors;
 - D. if the Borrower enters into any reconstruction, reorganization, amalgamation, merger or other similar arrangement, without the consent of the Lender, which results in a change of control of the Borrower;
 - E. if any proceeding is taken with respect to a compromise or arrangement, or to have the Borrower declared Bankrupt or wound up, or if any proceeding is taken, whether in court or under the terms of any agreement or appointment in writing,

to have a receiver appointed of any Collateral or if any encumbrance becomes enforceable against any Collateral;

- F. if any execution, sequestration or extent or any other process of any court becomes enforceable against the Borrower or if any distress or analogous process is levied upon any Collateral;
 - G. if the Lender in good faith believes and has commercially reasonable grounds for believing that the prospect of payment or performance of any Obligation is or is about to be impaired or that any Collateral is or is about to be in danger of being lost, damaged, confiscated or placed in jeopardy.
10. If an event of default occurs, the Lender may withhold any future advances and may declare that the Obligations shall immediately become due and payable in full, and the Lender may proceed to enforce payment of the Obligations and the Borrower and the Lender shall have, in addition to any other rights and remedies provided by law, the rights and remedies of a debtor and a secured party respectively under the PPSA and other applicable legislation and those provided by this Agreement. The Lender may take possession of the Collateral, enter upon any premises of the Borrower, otherwise enforce this Agreement and enforce any rights of the Borrower in respect of the Collateral by any manner permitted by law and may use the Collateral in the manner and to the extent that the Lender may consider appropriate and may hold, insure, repair, process, maintain, protect, preserve, prepare for disposition and dispose of the same and may require the Borrower to assemble the Collateral and deliver or make the Collateral available to the Lender at a reasonably convenient place designated by the Lender.
11. Where required to do so by the PPSA, the Lender shall give to the Borrower the written notice required by the PPSA of any intended disposition of the Collateral by serving such notice personally on the Borrower or by mailing such notice by registered mail to the last known post office address of the Borrower or by any other method authorized or permitted by the PPSA.
12. If an event of default occurs, the Lender may take proceedings in any court of competent jurisdiction for the appointment of a receiver (which term shall include a receiver and manager) of the Collateral or may by appointment in writing appoint any person to be a receiver of the Collateral and may remove any receiver so appointed by the Lender and appoint another in his stead; and any such receiver appointed by instrument in writing shall, to the extent permitted by applicable law or to such lesser extent permitted, have all of the rights, benefits and powers of the Lender hereunder or under the PPSA or otherwise and without limitation have power (a) to take possession of the Collateral, (b) to carry on all or any part or parts of the business of the Borrower, (c) to borrow money required for the seizure, retaking, repossession, holding, insurance, repairing, processing, maintaining, protecting, preserving, preparing for disposition, disposition of the Collateral and for any other enforcement of this Agreement or for the carrying on of the business of the Borrower on the security of the Collateral in priority to the security

interest created under this Agreement, and (d) to sell, lease or otherwise dispose of the whole or any part of the Collateral at public auction, by public tender or by private sale, lease or other disposition either for cash or upon credit, at such time and upon such terms and conditions as the receiver may determine provided that if any such disposition involves deferred payment the Lender will not be accountable for and the Borrower will not be entitled to be credited with the proceeds of any such disposition until the monies therefor are actually received; and further provided that any such receiver shall be deemed the agent of the Borrower and the Lender shall not be in any way responsible for any misconduct or negligence of any such receiver.

13. Any proceeds of any disposition of any collateral may be applied by the Lender to the payment of expenses incurred or paid in connection with seizing, repossessing, retaking, holding, repairing, processing, insuring, preserving, preparing for disposition and disposing of the Collateral (including reasonable solicitor's fees and legal expenses and any other reasonable expenses), and any balance of such proceeds may be applied by the Lender towards the payment of the Obligations in such order of application as the Lender may from time to time effect. All such expenses and all amounts borrowed on the security of the Collateral under paragraph 12 shall bear interest at the rate of 10% per annum, shall be payable by the Borrower upon demand and shall be Obligations under this Agreement. If the disposition of the Collateral fails to satisfy the Obligations secured by this Agreement and the expenses incurred by the Lender, the Borrower shall be liable to pay any deficiency to the Lender on demand.
14. The Borrower and the Lender further agree that:
 - A. the Lender may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Borrower, debtors of the Borrower, sureties and others and with the Collateral or other security as the Lender may see fit without prejudice to the liability of the Borrower and the Lender's rights under this Agreement;
 - B. this Agreement shall not be considered as satisfied or discharged by any intermediate payment of all or any part of the Obligations but shall constitute and be a continuing security to the Lender for a current or running account and shall be in addition to and not in substitution for any other security now or hereafter held by the Lender;
 - C. nothing in this Agreement shall obligate the Lender to make any loan or accommodation to the Borrower or extend the time for payment or satisfaction of the Obligations;
 - D. any failure by the Lender to exercise any right set out in this Agreement shall not constitute a waiver thereof; nothing in this Agreement or in the Obligations secured by this Agreement shall preclude any other remedy

by action or otherwise for the enforcement of this Agreement or the payment in full of the Obligations secured by this Agreement;

- E. all rights of the Lender under this Agreement shall be assignable and in any action brought by an assignee to enforce such rights, the Borrower shall not assert against the assignee any claim or defence which the Borrower now has or may hereafter have against the Lender;
- F. all rights of the Lender under this Agreement shall enure to the benefit of its successors and assigns and all obligations of the Borrower under this Agreement shall bind the Borrower, his heirs, executors, administrators, successors and assigns;
- G. if more than one Borrower executes this Agreement, their obligations under this Agreement shall be joint and several, and the Obligations shall include those of all or any one or more of them;
- H. this Agreement shall be governed in all respects by the laws of Alberta;
- I. the time for attachment of the security interest created hereby has not been postponed and is intended to attach when this Agreement is signed by the Borrower and attaches at that time to Collateral in which the Borrower then has any right, title or interest and attaches to Collateral in which the Borrower subsequently acquires any right, title or interest at the time when the Borrower first acquires such right, title or interest.

The Borrower acknowledges receiving a copy of this Agreement.

The Borrower expressly waives the right to receive a copy of any financing statement or financing change statement which may be registered by the Lender in connection with this Agreement or any verification statement issued with respect thereto where such waiver is not otherwise prohibited by law.

AGREEMENT OF GUARANTEE

THIS AGREEMENT OF GUARANTEE formally dated the 31 day of August, 2018.

BETWEEN:

Radiant Technologies Inc.
(hereinafter called the "**Guarantor**"),

OF THE FIRST PART

-and-

Moskowitz Capital Mortgage Fund II Inc.
(hereinafter called "**Moskowitz Capital**")

OF THE SECOND PART

WHEREAS 1631807 Alberta Ltd. (the "**Company**") has agreed to borrow from Moskowitz Capital the sum of \$5,500,000.00 pursuant to a certain Term Sheet dated March 15, 2017 and as revised March 29, 2018, April 26, 2018 and June 26, 2018 (collectively the "**Term Sheet**") between the Company, Radiant Technologies Inc. ("**Radiant**") as Guarantor, and Moskowitz Capital as Lender.

NOW THEREFORE THIS AGREEMENT WITNESSETH that in consideration of the premises the Guarantor covenants and agrees with Moskowitz Capital as follows:

SECTION 1. GUARANTEE

- 1.1 For valuable consideration, the Guarantor unconditionally guarantees and covenants with Moskowitz Capital that the Guarantor and the Company will duly and punctually pay to Moskowitz Capital all debts and liabilities, present or future, direct or indirect, absolute or contingent, matured or not at any time owing by the Company to Moskowitz Capital wherever incurred and whether incurred by the Company alone or with another or others, including, without limitation, all of the principal of, interest on and all other moneys owing under the Term Sheet as and when the same become due and payable according to the terms of the Term Sheet (the "**Company's Debts**").
- 1.2 The Guarantor hereby acknowledges communication of the terms of the Term Sheet and consents to and approves of the same. The guarantee herein contained shall take effect and be binding upon the Guarantor notwithstanding any defect in or omission from any documentation or security delivered by the Company to Moskowitz Capital or any default in or omission or any non-registration or non-filing or defective registration or filing or by reason of any failure of the security intended to be created or any other security.
- 1.3 The liability of the Guarantor under Section 1.1 hereof shall be joint and several with that of the Company and shall be absolute and unconditional. The Guarantor shall for all purposes of the guarantee be regarded as in the same position as a principal debtor, and hereby expressly waives demand, presentment, protest and notice thereof and of default. The obligation of the Guarantor hereunder shall be deemed to arise in respect of each default.

SECTION 2. DEFAULT AND ENFORCEMENT

- 2.1 If the Company shall make default in payment of the principal of, interest on or any other moneys owing to Moskowitz Capital on any of the Company's Debts including, without limitation, any principal of, interest on or other monies owing as and when the same becomes due and payable, then the Guarantor shall forthwith on demand by Moskowitz Capital pay to Moskowitz Capital the principal, interest and other moneys in default.
- 2.2 If the Guarantor shall fail forthwith on demand to make good any such default, Moskowitz Capital may in its discretion proceed with the enforcement of its rights hereunder and may proceed to enforce such rights or from time to time any thereof prior to, contemporaneously with or after any action taken under any security or other documents delivered by the Company or others to Moskowitz Capital. The Guarantor shall pay on demand all costs and expenses (including legal fees on a solicitor and own client basis) incurred by Moskowitz Capital in enforcing or attempting to enforce its rights hereunder and all proceedings taken in relation hereto; all such costs and expenses and other moneys payable hereunder shall bear interest at the greater of the loan rate or the interest rate provided for in any of the security or loan documents.
- 2.3 All sums paid to or recovered by Moskowitz Capital pursuant to the provisions hereof shall be applied by it in payment of its costs and expenses payable hereunder and the principal, interest and other moneys owing to Moskowitz Capital including, without limitation, all amounts owing are in such order as Moskowitz Capital in its sole discretion may determine.
- 2.4 Moskowitz Capital may waive any default of the Guarantor hereunder upon such terms and conditions as it may determine provided that no such waiver shall extend to or be taken in any manner whatsoever to affect any subsequent default or the rights resulting therefrom.
- 2.5 Any moneys paid by or recovered from the Guarantor hereunder shall be held to have been paid *pro tanto* in discharge of the liability of the Guarantor hereunder, but not in discharge of the liability of the Company, and in the event of any such payment by or recovery from the Guarantor, the Guarantor hereby assigns any rights with respect to or arising from such payment or recovery (including without limitation any right of subrogation) to Moskowitz Capital unless or until Moskowitz Capital has received in the aggregate payment in full of all moneys owing to Moskowitz Capital. If the Guarantor receives money in payment of any such debts and liabilities, the Guarantor will hold them in trust for, and will immediately pay funds to, Moskowitz Capital without reducing the Guarantor's liability under this Guarantee.

SECTION 3. ABSOLUTE LIABILITY

3.1 The liability of the Guarantor under this Guarantee is absolute and unconditional. It will not be limited or reduced, nor will Moskowitz Capital be responsible or owe any duty (as a fiduciary or otherwise) to the Guarantor, nor will Moskowitz Capital's rights under this Guarantee be prejudiced, by the existence or occurrence (with or without the Guarantor's knowledge or consent) of any one or more of the following events:

- (a) any termination, invalidity, unenforceability or release by Moskowitz Capital or any of its rights against the Company or against any other person or of any security;
- (b) any increase, reduction, renewal, substitution or other change in, or

discontinuance of, the terms relating to the Company's Debts or to any credit extended by Moskowitz Capital to the Company; any agreement to any proposal or scheme of arrangement concerning, or granting any extensions of time or any other indulgences or concessions to, the Company or any other person; any taking or giving up of any security; abstaining from taking, perfecting, filing or registering any security; allowing any security to lapse (whether by failing to make or maintain any registration, filing or otherwise); or any neglect or omission by Moskowitz Capital in respect of, or in the course of, doing any of these things;

(c) accepting compositions from compromises, arrangements or plans of reorganizations or granting releases or discharges to the Company or any other person, or any other dealing with the Company or any other person or with any security that Moskowitz Capital considers appropriate;

(d) any unenforceability or loss of or in respect of any security held from time to time by Moskowitz Capital from the Guarantor, the Company or any other person, whether the loss is due to the means or timing of any registration, disposition or realization of any collateral that is the subject of that security or otherwise due to Moskowitz Capital's fault or any other reason;

(e) any change in the Company's name; or any reorganization (whether by way of amalgamation, merger, transfer, sale lease or otherwise) of the Company or the Company's business;

(f) any change in the Company's financial condition or that of the Company or any other guarantor (including insolvency and bankruptcy);

(g) any change of effective control of the Company;

(h) any event, whether or not attributable to Moskowitz Capital, that may be considered to have caused or accelerated the bankruptcy or insolvency of the Company or the Guarantor, or to have resulted in the initiation of any such proceedings;

(i) Moskowitz Capital's filing of any claim for payment with any administrator, provisional liquidator, conservator, trustee, receiver, custodian or other similar officer appointed for the Company or for all or substantially all of the Company's assets;

(j) any failure by Moskowitz Capital to abide by any of the terms and conditions of Moskowitz Capital's agreements with, or to meet any of its obligations or duties owed to, the Guarantor, the Company or any person, or any breach of any duty (whether as a fiduciary or otherwise) that exists or is alleged to exist between Moskowitz Capital and the Guarantor, the Company or any person;

(k) any incapacity, disability, or lack or limitation of status or of the power of the Company or of the Company's directors, managers, officers, partners or agents; the discovery that the Company is not or may not be a legal entity; or any irregularity, defect or informality in the incurring of any of the Company's Debts;

(l) any event whatsoever that might be a defence available to, or result in a reduction or discharge of, the Guarantor, the Company or any other person in respect of either the Company's Debts or the Guarantor's liability under this Guarantee; or

(m) any amendment to any, some or all of the Term Sheet or any other security or agreements as between the Company and Moskowitz Capital.

For greater certainty, the Guarantor agrees that Moskowitz Capital may deal with the Guarantor, the Company and any other person in any manner without affecting the Guarantor's liability under this Guarantee. Any claims by the Guarantor against Moskowitz Capital and its agents in respect of any of the foregoing matters or otherwise are hereby waived.

3.2 After all moneys payable by the Company to Moskowitz Capital have been paid in full, this guarantee shall cease and become null and void and Moskowitz Capital shall, at the request and at the expense of the Guarantor execute and deliver a release to the Guarantor.

SECTION 4. MISCELLANEOUS

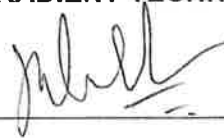

4.1 Any notices given hereunder shall be conclusively deemed effectively given if delivered personally to either of the parties hereto at the address for such party given above or if forwarded by registered mail to such party at such address. Any notice so mailed shall be conclusively deemed given on the third business day after the day of mailing, provided that in the event of a known disruption of postal service notice shall be given by personal delivery only. Either party hereto may effect a change of address by written notice given to the other party hereto in accordance with this section.

This Agreement shall be construed in accordance with and governed by the laws of the Province of Alberta and shall extend to and be binding upon the heirs, executors, administrators and personal representatives of the Guarantor.

IN WITNESS WHEREOF the Guarantor has executed these presents.

THIS IS EXHIBIT "G" referred to in
the Affidavit of **BRIAN MOSKOWITZ**
SWORN BEFORE ME this _____ day
of March, 2023.

A COMMISSIONER FOR OATHS in and
for the Province of Alberta.

GENERAL SECURITY AGREEMENT

1. **RADIANT TECHNOLOGIES INC.** (the "Borrower") of 8223 Roper Road, Edmonton, AB T6E 6S4 for valuable consideration grants, assigns, transfers, sets over, mortgages and charges to **MOSKWITZ CAPITAL MORTGAGE FUND II INC.**, 2200 Yonge Street, Suite 1002, Toronto, ON M4S 2C6 (the "Lender") as and by way of a fixed and specific mortgage and charge, and grants to the Lender, a security interest in all present and after acquired undertaking and personal property (other than consumer goods) of the Borrower described in Schedule "A" including all the right, title, interest and benefit which the Borrower now has or may hereafter have in all such personal property described therein (the "Collateral").

In this Agreement, the words "goods", "consumer goods", "account", "account debtor", "inventory", "crops", "equipment", "fixtures", "chattel paper", "document of title", "instrument", "money", "security", or "securities", "intangible", "receiver", "proceeds" and "accessions" shall have the same meanings as their defined meanings where such words are defined in the Personal Property Security Act of Alberta, such Act, including any amendments thereto, being referred to in this Agreement as "the PPSA". In this Agreement, "Collateral" shall refer to "Collateral or any item thereof".

2. The fixed and specific mortgages and charges and the security interest granted under this Agreement secure payment and performance of all obligations of the Borrower to the Lender, including but not limited to all debts and liabilities, present or future, direct or indirect, absolute or contingent, matured or not, at any time owing by the Borrower to the Lender in any currency or remaining unpaid by the Borrower to the Lender in any currency, whether arising from dealings between the Lender and the Borrower or from other dealings or proceedings by which the Lender may be or become in any manner whatever a creditor of the Borrower and wherever incurred, and whether incurred by the Borrower alone or with another or others and whether as principal or surety, including all interest, commissions, legal and other costs, charges and expenses (the "Obligations").
3. The Borrower hereby represents and warrants to the Lender that:
 - A. all of the Collateral is, or when the Borrower acquires any right, title or interest therein, will be the sole property of the Borrower free and clear of all security interests, mortgages, charges, hypothecs, liens or other encumbrances except as disclosed by the Borrower to the Lender in writing;
 - B. the Collateral insofar as it consists of goods (other than inventory enroute from suppliers or enroute to Borrowers or on lease or consignment) will be kept at the locations specified in Schedule "B" hereto or at such other locations as the Borrower shall specify in writing to the Lender and subject to the provisions of paragraph 4(j) none of the Collateral shall be moved therefrom without the written consent of the Lender;
 - C. the Borrower's chief executive address is located at the address specified in paragraph 1;

- D. none of the Collateral consists of consumer goods; and
- E. this Agreement has been properly authorized and constitutes a legally valid and binding obligation of the Borrower in accordance with its terms.

4. The Borrower hereby agrees that:

- A. the Borrower shall diligently maintain, use and operate the Collateral and shall carry on and conduct its business in a proper and efficient manner so as to preserve and protect the Collateral and the earnings, incomes, rents, issues and profits thereof;
- B. the Borrower shall cause the Collateral to be insured and kept insured to the full insurable value thereof with reputable insurers against loss or damage by fire and such other risks as the Lender may reasonably require and shall maintain such insurance with loss if any payable to the Lender and shall lodge such policies with the Lender;
- C. the Borrower shall pay all rents, taxes, levies, assessments and government fees or dues lawfully levied, assessed or imposed in respect of the Collateral or any part thereof as and when the same shall become due and payable, and shall exhibit to the Lender, when required, the receipts and vouchers establishing such payment;
- D. the Borrower shall duly observe and conform to all valid requirements of any governmental authority relative to any of the Collateral and all covenants, terms and conditions upon or under which the Collateral is held;
- E. the Borrower shall keep proper books of account in accordance with sound accounting practice, shall furnish to the Lender such financial information and statements and such information and statements relating to the Collateral as the Lender may from time to time require, and the Borrower shall permit the Lender or its authorized agents at any time at the expense of the Borrower to examine all books of account and other financial records and reports relating to the Collateral and to make copies thereof and take extracts therefrom;
- F. the Borrower shall furnish to the Lender such information with respect to the Collateral and the insurance thereon as the Lender may from time to time require and shall give written notice to the Lender of all litigation before any court, administrative board or other tribunal affecting the Borrower or the Collateral;
- G. the Borrower shall defend the title to the Collateral against all persons and shall keep the Collateral free and clear of all security interests, mortgages, charges, liens and other encumbrances except for those disclosed to the Lender in writing prior to the execution of this Agreement or hereafter approved in writing by the Lender prior to their creation or assumption;

- H. the Borrower shall, upon request by the Lender, execute and deliver all such financing statements, certificates, further assignment and documents and do all such further acts and things as may be considered by the Lender to be necessary or desirable to give effect to the intent of this Agreement and the Borrower hereby irrevocably constitutes and appoints any officer of the Lender mentioned in paragraph 1, the true and lawful attorney of the Borrower, with full power of substitution, to do any of the foregoing in the name of the Borrower whenever and wherever the Lender may consider it to be necessary or desirable;
 - I. the Borrower shall promptly notify the Lender in writing of any event which occurs that would have a material adverse effect upon the Collateral or upon the financial condition of the Borrower and immediately upon the Borrower's acquisition of rights in any vehicle, mobile home, trailer, boat, aircraft or aircraft engine, shall promptly provide the Lender with full particulars of such collateral; and,
 - J. the Borrower will not change its name or location of its chief executive office or place of business or sell, exchange, transfer, assign or lease or otherwise dispose of the Collateral or any interest therein or modify, amend or terminate any chattel paper, document of title, instrument, security or intangible, without the prior written consent of the Lender, except that the Borrower may, until an event of default set out in paragraph 9 occurs, sell or lease inventory in the ordinary course of the Borrower's business.
5. Until an event of default occurs, the Borrower may use the Collateral in any lawful manner not inconsistent with this Agreement, but the Lender shall have the right at any time and from time to time to verify the existence and state of the Collateral in any manner the Lender may consider appropriate and the Borrower agrees to furnish all assistance and information and to perform all such acts as the Lender may reasonably request in connection therewith, and for such purpose shall permit the Lender or its agents access to all places where Collateral may be located and to all premises occupied by the Borrower to examine and inspect the Collateral and related records and documents.
6. After an event of default occurs, the Lender may give notice to any or all account debtors of the Borrower and to any or all persons liable to the Borrower under an instrument to make all further payments to the Lender and any payments or other proceeds of Collateral received by the Borrower from account debtors or from any persons liable to the Borrower under an instrument, after such notice is given by the Lender, shall be held by the Borrower in trust for the Lender and paid over to the Lender upon request. Subject to the permitted encumbrances set forth in Schedule "C, the Lender may take control of all proceeds of Collateral and may apply any money taken as Collateral to the satisfaction of the Obligations secured hereby. The Lender may hold as additional security any increase or profits, except money, received from any Collateral in the Lender's possession, and may apply any money received from such Collateral to reduce the Obligations secured hereby and may hold any balance as additional security for such part of the Obligations as may not yet be due, whether absolute or contingent. The Lender will not be obligated to keep any Collateral separate or identifiable. In the case of any instrument, security or chattel

paper comprising part of the Collateral, the Lender will not be obligated to take any necessary or other steps to preserve rights against other persons.

7. The Lender may have any Collateral comprising instruments, shares, stock, warrants, bonds, debentures, debenture stock or other securities, registered in its name or in the name of its nominee and shall be entitled but not bound or required to vote in respect of such Collateral at any meeting at which the holder thereof is entitled to vote and, generally, to exercise any of the rights which the holder of such Collateral may at any time have; but the Lender shall not be responsible for any loss occasioned by the exercise of any of such rights or by failure to exercise the same within the time limited for the exercise thereof.
8. Upon the Borrower's failure to perform any of its duties hereunder, the Lender may, but shall not be obliged to, perform any or all of such duties, without waiving any rights to enforce this Agreement, and the Borrower shall pay to the Lender, forthwith upon written demand therefor, an amount equal to the costs, fees and expenses incurred by the Lender in so doing plus interest thereon from the date such costs, fees and expenses are incurred until paid at the rate of 10% per annum.
9. The happening of any one or more of the following events shall constitute an event of default under this Agreement:
 - A. if the Borrower does not pay when due any of the Obligations;
 - B. if the Borrower does not perform any provisions of this Agreement or of any other agreement to which the Borrower and the Lender are parties where such non-performance is not remedied within fifteen (15) days after written notice of the non-performance to the Borrower from the Lender;
 - C. if the Borrower ceases or threatens to cease to carry on its business, commits an act of Bankruptcy, becomes insolvent, makes an assignment or proposal under the *Bankruptcy and Insolvency Act*, takes advantage of provisions for relief under the *Companies Creditors Arrangement Act* or any other legislation for the benefit of insolvent debtors, transfers all or substantially all of its assets, or proposes a compromise or arrangement to its creditors;
 - D. if the Borrower enters into any reconstruction, reorganization, amalgamation, merger or other similar arrangement, without the consent of the Lender, which results in a change of control of the Borrower;
 - E. if any proceeding is taken with respect to a compromise or arrangement, or to have the Borrower declared Bankrupt or wound up, or if any proceeding is taken, whether in court or under the terms of any agreement or appointment in writing, to have a receiver appointed of any Collateral or if any encumbrance becomes enforceable against any Collateral;

- F. if any execution, sequestration or extent or any other process of any court becomes enforceable against the Borrower or if any distress or analogous process is levied upon any Collateral;
 - G. if the Lender in good faith believes and has commercially reasonable grounds for believing that the prospect of payment or performance of any Obligation is or is about to be impaired or that any Collateral is or is about to be in danger of being lost, damaged, confiscated or placed in jeopardy.
10. If an event of default occurs, the Lender may withhold any future advances and may declare that the Obligations shall immediately become due and payable in full, and the Lender may proceed to enforce payment of the Obligations and the Borrower and the Lender shall have, in addition to any other rights and remedies provided by law, the rights and remedies of a debtor and a secured party respectively under the PPSA and other applicable legislation and those provided by this Agreement. The Lender may take possession of the Collateral, enter upon any premises of the Borrower, otherwise enforce this Agreement and enforce any rights of the Borrower in respect of the Collateral by any manner permitted by law and may use the Collateral in the manner and to the extent that the Lender may consider appropriate and may hold, insure, repair, process, maintain, protect, preserve, prepare for disposition and dispose of the same and may require the Borrower to assemble the Collateral and deliver or make the Collateral available to the Lender at a reasonably convenient place designated by the Lender.
11. Where required to do so by the PPSA, the Lender shall give to the Borrower the written notice required by the PPSA of any intended disposition of the Collateral by serving such notice personally on the Borrower or by mailing such notice by registered mail to the last known post office address of the Borrower or by any other method authorized or permitted by the PPSA.
12. If an event of default occurs, the Lender may take proceedings in any court of competent jurisdiction for the appointment of a receiver (which term shall include a receiver and manager) of the Collateral or may by appointment in writing appoint any person to be a receiver of the Collateral and may remove any receiver so appointed by the Lender and appoint another in his stead; and any such receiver appointed by instrument in writing shall, to the extent permitted by applicable law or to such lesser extent permitted, have all of the rights, benefits and powers of the Lender hereunder or under the PPSA or otherwise and without limitation have power (a) to take possession of the Collateral, (b) to carry on all or any part or parts of the business of the Borrower, (c) to borrow money required for the seizure, retaking, repossession, holding, insurance, repairing, processing, maintaining, protecting, preserving, preparing for disposition, disposition of the Collateral and for any other enforcement of this Agreement or for the carrying on of the business of the Borrower on the security of the Collateral in priority to the security interest created under this Agreement, and (d) to sell, lease or otherwise dispose of the whole or any part of the Collateral at public auction, by public tender or by private sale, lease or other disposition either for cash or upon credit, at such time and upon such terms and conditions as the receiver may determine provided that if any such disposition involves deferred payment the Lender will not be accountable for and the Borrower will not be entitled to be

credited with the proceeds of any such disposition until the monies therefor are actually received; and further provided that any such receiver shall be deemed the agent of the Borrower and the Lender shall not be in any way responsible for any misconduct or negligence of any such receiver.

13. Any proceeds of any disposition of any collateral may be applied by the Lender to the payment of expenses incurred or paid in connection with seizing, repossessing, retaking, holding, repairing, processing, insuring, preserving, preparing for disposition and disposing of the Collateral (including reasonable solicitor's fees and legal expenses and any other reasonable expenses), and any balance of such proceeds may be applied by the Lender towards the payment of the Obligations in such order of application as the Lender may from time to time effect. All such expenses and all amounts borrowed on the security of the Collateral under paragraph 12 shall bear interest at the rate of 10% per annum, shall be payable by the Borrower upon demand and shall be Obligations under this Agreement. If the disposition of the Collateral fails to satisfy the Obligations secured by this Agreement and the expenses incurred by the Lender, the Borrower shall be liable to pay any deficiency to the Lender on demand.
14. The Borrower and the Lender further agree that:
 - A. the Lender may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Borrower, debtors of the Borrower, sureties and others and with the Collateral or other security as the Lender may see fit without prejudice to the liability of the Borrower and the Lender's rights under this Agreement;
 - B. this Agreement shall not be considered as satisfied or discharged by any intermediate payment of all or any part of the Obligations but shall constitute and be a continuing security to the Lender for a current or running account and shall be in addition to and not in substitution for any other security now or hereafter held by the Lender;
 - C. nothing in this Agreement shall obligate the Lender to make any loan or accommodation to the Borrower or extend the time for payment or satisfaction of the Obligations;
 - D. any failure by the Lender to exercise any right set out in this Agreement shall not constitute a waiver thereof; nothing in this Agreement or in the Obligations secured by this Agreement shall preclude any other remedy by action or otherwise for the enforcement of this Agreement or the payment in full of the Obligations secured by this Agreement;
 - E. all rights of the Lender under this Agreement shall be assignable and in any action brought by an assignee to enforce such rights, the Borrower shall not assert against the assignee any claim or defence which the Borrower now has or may hereafter have against the Lender;

- F. all rights of the Lender under this Agreement shall enure to the benefit of its successors and assigns and all obligations of the Borrower under this Agreement shall bind the Borrower, his heirs, executors, administrators, successors and assigns;
- G. if more than one Borrower executes this Agreement, their obligations under this Agreement shall be joint and several, and the Obligations shall include those of all or any one or more of them;
- H. this Agreement shall be governed in all respects by the laws of Alberta;
- I. the time for attachment of the security interest created hereby has not been postponed and is intended to attach when this Agreement is signed by the Borrower and attaches at that time to Collateral in which the Borrower then has any right, title or interest and attaches to Collateral in which the Borrower subsequently acquires any right, title or interest at the time when the Borrower first acquires such right, title or interest.

The Borrower acknowledges receiving a copy of this Agreement.

The Borrower expressly waives the right to receive a copy of any financing statement or financing change statement which may be registered by the Lender in connection with this Agreement or any verification statement issued with respect thereto where such waiver is not otherwise prohibited by law.

Signed this 31 day of AUGUST, 2018.

Independent Auditor's Report

To the Shareholders of Radiant Technologies Inc.

Opinion

We have audited the consolidated financial statements of Radiant Technologies Inc. and its subsidiaries (the "Company"), which comprise the consolidated statements of financial position as at March 31, 2022, and the consolidated statements of operations and comprehensive loss, consolidated statements of changes in cash flows and consolidated statements of shareholders' deficit for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Company as at March 31, 2022 and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards ("IFRS").

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other matter

The consolidated financial statements of the Company for the year ended March 31, 2021, were audited by another auditor who expressed an unmodified opinion on those statements on September 30, 2021.

We have audited the restatement to the consolidated financial statements as at March 31, 2021, as described in note 3 (share-based payments) to the consolidated financial statements. In our opinion, such restatement is appropriate and has been properly applied. We were not engaged to audit, review or apply any procedures to the 2021 consolidated financial statements (restated) of the Company other than with respect to the restatement described above and accordingly, we do not express an opinion or any other form or assurance on the 2021 consolidated financial statements (restated) taken as a whole.

Material uncertainty related to going concern

We draw attention to Note 1 in the consolidated financial statements, which indicates that the Company incurred a net loss during the year ended March 31, 2022 and, as of that date, the Company's current liabilities exceeded its current assets. The Company is also in breach of

certain terms of its liabilities and has been provided with demand notices related to certain liabilities. As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1, indicate that material uncertainties exist that cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Other information

Management is responsible for the other information. The other information comprises Management's Discussion and Analysis.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

We obtained Management's Discussion and Analysis prior to the date of this auditor's report. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRS, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risks of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes to the Consolidated Financial Statements

March 31, 2022

1. Nature of operations and going concern

Radiant Technologies Inc. was incorporated on June 12, 2001. The principal activities of Radiant Technologies Inc. and its subsidiaries, (collectively, the "Company") are research, development and commercialization of an efficient and environmentally responsible technology for the extraction, isolation and purification of soluble products from a wide range of materials using microwave technology and a customized hydrocarbon extraction platform. The Company is currently focused on the formulation, manufacturing and launching of unique value-added cannabis products. The ordinary shares are listed on the TSXV under the symbol "RTI" and on the OTC Pink, operated by OTC Markets Group under the ticker symbol "RDDTF". The address of the Company's head office is 4036 101 St NW, Edmonton, Alberta T6E 0A4 and its registered office is located at 2900 – 550 Burrard Street, Vancouver, British Columbia V6C 0A3.

These consolidated financial statements were prepared on a going concern basis, which assumes the Company will be able to realize its assets and discharge its liabilities in the normal course of operations as they become due. The Company has a history of significant operating losses and expects to incur further losses in the development of its business. As such, the Company's status as a going concern is contingent on its ability to increase cash flows or to raise further funds through the issuance of equity or debt. If unsuccessful, the Company will not be able to continue as a going concern.

The Company has incurred significant losses to date. The net loss for the year ended March 31, 2022 totaled \$12,929,980 (2021 – \$42,265,830) and as at March 31, 2022 the Company had a deficit of \$154,099,990 (March 31, 2021 - \$169,549,239).

In addition, at March 31, 2022, the Company's current liabilities exceeded its current assets by \$35,100,888 (March 31, 2021 – \$28,434,362). At March 31, 2022, the Company was in arrears with certain trade creditors, rent, wages, long-term debt, and lease liabilities. Certain of the Company's trade creditors are pursuing legal recourse for the amounts outstanding. The Company has been able thus far to negotiate settlements with the trade creditors on a case-by-case basis. Subsequent to March 31, 2022, the Company received a demand note from a creditor. Subsequent to March 31, 2022, the Company received a demand letter from the CRA requesting payment of all outstanding excise tax owing. The Company was permitted to renew their cannabis license for an additional six months, from July 6, 2022 to January 5, 2023. These matters indicate that there are material uncertainties that cast significant doubt about the Company's ability to continue as a going concern.

Management has been able to finance operations through debt and equity financings and will continue, as appropriate, to seek financing from these and other sources; however, there are no assurances that any such financings can be obtained on favourable terms, if at all. There can be no assurance that the steps management is taking will be successful.

The consolidated financial statements for the years presented do not include any adjustments to the amounts and classification of assets and liabilities that might be necessary should the Company be unable to continue in business as a going concern and that such adjustments could be material.

During the 2021 and 2022 calendar years, there continued to be a global pandemic outbreak of COVID-19. The actual and threatened spread of the virus globally has had a material adverse effect on the global economy and specifically, the regional economies in which the Company operates. The pandemic could continue to have a negative impact on the stock market, including trading prices of the Company's shares and its ability to raise new capital. These factors, among others, could have a significant impact on the Company's operations. Management has given consideration to the impact of COVID-19 on the Company and has concluded that the consolidated financial statements appropriately reflect and disclose management's best estimate and uncertainty regarding the impact of COVID-19 on the Company's future operations and financial results. The Company has recorded wage subsidies and rent subsidies from the Canadian government's COVID-19 programs in the year ended March 31, 2022. The rent subsidies were recorded in the general and administrative expense on the consolidated statement of operations and the

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

wage subsidies were recorded proportionately to the salary expenses allocated to each of the cost of sales, general and administrative, production plant, research and process development, engineering, quality control and assurance, and business and corporate development on the consolidated statement of operations.

These consolidated financial statements, including comparatives, were authorized for issue by the Board of Directors of the Company on September 29, 2022.

2. Basis of presentation

a) Statement of compliance

These consolidated financial statements and the notes hereto have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board (IASB).

b) Basis of consolidation

The consolidated financial statements of the Company include the financial statements of Radiant Technologies Inc. and its wholly-owned subsidiaries Radiant Technologies (Cannabis) Inc. ("RTC"), Radiant Technologies Innovations Inc. ("RII"), Radiant Technologies (Switzerland) Inc. ("RTS") up to the date of its dissolution, 1631807 Alberta Ltd, MAG Innovation GmbH ("MAG") up to its date of dissolution, which is a wholly-owned subsidiary of RTS, and Tunaaaaroom Xtracts Inc. ("Tunaaaa"), from the date of acquisition on January 28, 2022.

The Company had a 50% interest in Natac Solutions S.L. which was incorporated during the year ended March 31, 2020. In February 2021, the Company terminated its joint arrangement with Grupo Natac S.L. through the sale of the shares for nominal consideration.

In July 2021, the Company announced that it was winding up its German operations at MAG. As a wholly owned subsidiary of RTS, MAG was fully consolidated at March 31, 2021. The Company deconsolidated MAG once the insolvency process had concluded.

In October 2021, RTS filed for insolvency in Switzerland. The Company deconsolidated RTS once the insolvency process was closed.

Subsidiaries are fully consolidated from the date of acquisition, being the date on which the Company obtains control, and continue to be consolidated until the date that such control ceases. On acquisition, the assets, liabilities and contingent liabilities of a subsidiary are measured at their fair values. If accounted for as a business combination, any excess of the cost over the fair values of the identifiable net assets acquired is recognized as goodwill. If accounted for as a purchase of assets, any excess of the cost over fair value of the identifiable net assets is allocated to the assets purchased.

The financial statements of the subsidiaries are prepared for the same reporting period as the parent company using consistent accounting policies. All transactions and balances between the Company and its subsidiaries are eliminated upon consolidation.

c) Basis of measurement

The consolidated financial statements have been prepared under the historical cost convention, unless otherwise indicated.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

d) Functional and presentation currency

Amounts presented in these consolidated financial statements and the notes hereto are in Canadian dollars, the parent Company's functional currency, unless otherwise stated.

The Company's German operation's functional currency is Canadian dollars. All other subsidiaries have a Canadian functional currency. Foreign currency transactions are translated into the functional currency, using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the remeasurement of monetary items denominated in foreign currency at year-end exchange rates are recognised in profit or loss. Non-monetary items are not retranslated at year-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

3. Summary of significant accounting policies

Use of management critical judgments, estimates and assumptions

The preparation of consolidated financial statements requires management to make critical judgments, estimates and assumptions that affect the reported amounts of certain assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses recorded during the reporting period. In making estimates and judgments, management relies on external information and observable conditions where possible, supplemented by internal analysis as required. Actual results may differ from those estimates. Estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Management critical judgments, estimates and assumptions

Impairment assessment of non-financial assets

Judgement is required to identify the cash generating units ("CGU") of the Company for purposes of testing non-financial assets for impairment. The assessment of any impairment of the Company's long-lived assets is dependent upon estimate of the recoverable amounts of these assets. The process to calculate the recoverable amount of each CGU requires use of valuation methods such as a market approach or discounted cash flow method which uses assumption of key variables including estimated cash flows, discount rates and terminal value growth rates. The Company applies judgement when determining which methods are most appropriate to estimate the value in use and fair value less costs of disposal for each CGU.

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. Impairment is reversed when the recoverable amount exceeds the carrying value.

The fair value less costs of disposal calculation is based on available data from binding sales transactions in an arm's length transaction of similar assets or observable market prices less incremental costs for disposing of the asset.

Determination of purchase price paid and allocation of purchase price related to business combination or asset acquisition

Determination of whether a set of assets acquired and liabilities assumed constitute a business requires the Company to make certain judgments, taking into account all facts and circumstances. Applying the acquisition method requires the consideration paid and each identifiable asset and liability to be measured at its acquisition-date fair value. The excess, if any, of the fair value of consideration paid over the fair value of the net identifiable assets acquired is recognized as goodwill. The determination of the acquisition-date

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

fair values often requires management to make assumptions and estimates about future events. The assumptions and estimates with respect to determining the fair value of net identifiable assets acquired generally require a high degree of judgment, and include estimates of future reserves and resources, sales levels and discount rates. Changes in any of the assumptions or estimates used in determining the fair value of the consideration paid and the fair value of acquired assets and liabilities could impact the amounts assigned to assets, liabilities and goodwill in the purchase price allocation.

Considerable judgment is applied in assessing indicators of impairment or impairment reversal and concluding whether impairment or reversal of impairment would subsequently be recorded. Many of the indicators used in these assessments are outside of management's control and inherently uncertain. As a result, it is reasonably likely that assumptions and estimates could change in future periods that could have a significant impact on the recoverable amount of the non-financial assets in future periods.

Inventories

Inventories are valued at the lower of cost and net realizable value. There is judgment in determining the net realizable value. Net realizable value for inventories is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Provisions

The Company records provision for matters where a legal or constructive obligation exists at the date of the consolidated statement of financial position as a result of a past event and where a reliable estimate can be made of the obligation. These matters might include restructuring projects, legal matters, disputed issues, indirect taxes and other items. These obligations may not be settled for several years and a reliable estimate must be made of the likely outcome of each of these matters. These provisions represent our best estimate of the costs that will be incurred but actual experience may differ from the estimates made and therefore affect future financial results. The effects would be recognized in profit or loss.

Sales return allowance

The Company has agreements with customers that allow them to return products for a full refund in circumstances where the products are defective, below an acceptable quality level or in instances where the customer is unable to sell the product. An expected value method is used to estimate such returns at the time of sale. The Company has limited history in selling its products in the market, and as such, there is significant judgment required in estimated returns for products sold. The Company reviews actual returns during the reporting period, combined with remaining inventory levels of its products with customers at each period end and estimates returns based on this information. The validity of these assumptions and estimated returns are reassessed at each reporting period and adjusted, as necessary, to estimate returns for sold products.

Depreciation and amortization

The Company provides for depreciation expense on property and equipment at rates designed to amortize the cost of individual items and their material components over their estimated useful lives as well as provides for amortization expense on intangible assets over the life of the intangible. Management makes estimates of future useful life based on patterns of benefit consumption and impairments based on experience and market conditions. Impairment losses, depreciation and amortization expense are presented in profit or loss of the current period.

Available for use

Management uses judgment in determining when items of plant and equipment are available for use. An item is determined to be available for use when it is in the location and condition necessary for it to operate in the manner which management intended.

Income taxes

The Company makes estimates in respect of tax liabilities and tax assets. Full provision is made for future and current taxation at the rates of tax prevailing at the year end unless future rates have been substantively

Radiant Technologies Inc.

enacted. These calculations represent the Company's best estimate of the costs that will be incurred and recovered but actual experience may differ from the estimates made and therefore effect future financial results. The effects would be recognized in profit or loss, primarily through taxation.

The Company recognizes the deferred tax benefit related to deferred tax assets to the amount that is probable to be realized. Assessing the recoverability of deferred tax assets requires management to make significant estimates of future taxable profit. In addition, future changes in tax laws could limit the ability of the Company to obtain tax deductions from deferred tax assets.

Common shares, purchase warrants and options

The fair value of share-based payments is determined using the Black Scholes Option Pricing Model based on estimated fair values at the date of grant. The Black Scholes Option Pricing Model utilizes subjective assumptions such as expected price volatility and expected life of the award. Changes in these assumptions can significantly affect the fair value estimate. There is also judgement in the allocation of proceeds on private placements between the share and warrant components of the units issued.

Functional currency

The functional currency for the Company and each of the Company's subsidiaries is the currency of the primary economic environment in which the respective entity operates. The Company has determined the functional currency of each entity to be the Canadian dollar. Certain judgements must be made in order to identify the primary economic environment. The Company reconsiders the functional currency of its subsidiaries if there is a change in events and/or conditions which determine the primary economic environment.

Going concern

The Company regularly reviews and makes an assessment of its ability to continue as a going concern. This assessment relies on significant judgements and assumptions, taking into account all known future information.

Revenue recognition

The Company enters into agreements with customers for the provision of manufacturing services. There is judgement in determining whether the Company is a principal or agent under the terms of the agreements, and therefore whether the Company records revenue on a gross or net basis. The Company reviews the terms of the agreements to assess whether it controls the specified good or services before transferring those goods or services to the customers including whether it has inventory risk and is primarily responsible for fulfilling the promise to provide the specified goods or services.

Plant and equipment

Plant and equipment is recorded at cost less accumulated depreciation and impairment losses. Depreciation is calculated as cost less the residual value and provided on a straight-line basis over the expected useful life of the asset.

The following is a summary of estimated useful lives of the assets:

Equipment	5 to 20 years
Leasehold improvements	Term of the lease
Buildings and improvements	10 to 35 years
Land and improvements	10 to 15 years
Computer hardware	3 years
Office furniture	5 years

Cost for plant and equipment includes the purchase price, import duties, non-refundable taxes and any other costs directly attributable to bringing the asset into the location and condition to be capable of

Radiant Technologies Inc.

operating. Significant parts of an item of plant and equipment with different useful lives are recognized and depreciated separately. Depreciation commences when the asset is available for use. The asset's residual values, useful lives and method of depreciation are reviewed at each financial year end and adjustments are accounted for prospectively if appropriate. An item of plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of an asset is included in profit or loss in the period the asset is derecognized.

Intangible assets

Acquired

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination are their fair values at the date of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and any accumulated impairment losses. The estimated useful lives are as follows:

Patents	Life of the patent
Licenses	80 to 120 months
ERP	Term of the contract plus one renewal term (6 years)
Website	Expected life of the site (5 years)
Software	Expected life of the software (5 years)
Customer relationships	Expected life of customer relationship (30 years)
Brand name	Expected life of brand name (20 years)

Intangible assets with finite lives are amortized over their estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and method of amortization is reviewed at least annually. The licenses are location specific with amortization calculated over the remaining term of the leased location including any likely renewal periods or 10 years for licenses in Company owned facilities.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

Research and development costs

Research costs are charged as an expense in the year in which they are incurred. Development costs are charged as an expense in the period incurred unless the Company believes a development project meets generally accepted criteria for deferral and amortization.

To determine when a development project meets the criteria for deferral and amortization, the Company regularly reviews costs associated with activities related to the development of internally generated assets to support the capitalization criteria. Management utilizes judgement in determining which costs qualify under the criteria for deferral and amortization.

Inventories

Inventories consist of raw materials, supplies and finished goods. Raw material cost includes the purchase price, transport/handling costs, any currency exchange differences and any import duties or other taxes. Cost is determined on a weighted average basis. Finished goods include direct materials, supplies and labour. Inventories are measured at the lower of cost and net realizable value. Net realizable value is defined as the estimated selling price less cost to complete the goods used in production and estimated selling cost.

Revenue from contracts with customers

To determine the amount and timing of revenue recognized, the Company followed the five-step model framework:

1. Identify the contract(s) with a customer;
2. Identify the performance obligations in the contract;
3. Determine the transaction price;
4. Allocate the transaction price to the performance obligations in the contract; and
5. Recognize revenue when (or as) the entity satisfies a performance obligation.

Revenue recognition

Revenue is recognized at the amount of the transaction price that is allocated to the performance obligation. The transaction price is the amount of consideration the Company receives in exchange for transferring promised goods or services to a customer. The Company's payment terms require payment from the customer between 15 days and 60 days after delivery and as such, the Company does not adjust any of the transaction prices for the time value of money.

The Company generates revenue primarily from the sale of manufactured products and from extraction services for its customers.

Manufactured Products: Revenue is recognized when the finished products, such as vape cartridges or dabs, are delivered and accepted by the customers. For contracts that permit the customer to return an item, revenue is recognized to the extent that it is highly probable that a significant reversal of cumulative revenue recognized will not occur. Therefore, the amount of revenue recognized is adjusted for expected returns, which are estimated based on actual returns combined with the Company's inventory on hand with customers at the end of each period. For the year ended March 31, 2022, \$97,871 of returns relating to sales were recorded (year ended March 31, 2021: \$nil).

Where excise tax has been billed to customers, the Company has reflected the excise tax as part of revenue in accordance with IFRS 15. Revenues presented on the consolidated statement of operations and comprehensive loss represents revenue from the sale of goods less applicable excise taxes.

Manufacturing Services: The Company provides extraction services to some customers. Under extraction services agreements, the customers supply the direct material to the Company for extracting cannabis oil (processed biomass) from the direct material. Revenue for extraction services is recognized when the processed biomass has been tested and the customer obtains notification of satisfactory third-party testing of the processed biomass.

Consideration received in advance of revenue being recognized is deferred until the conditions are met.

Interest income

Interest income is recognised when it is probable that the economic benefits will flow to the Company and the amount of the interest can be measured reliably. Interest income is accrued on a time basis by reference to the principal outstanding and the applicable effective interest rate.

Impairment of long-lived assets

Goodwill, intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired. Plant and equipment and other intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of measuring recoverable cash flows, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units or CGUs). If such indication exists, the Company estimates the recoverable amount of the assets, which is the higher of its fair value less costs of disposal and its value in use. Value in use is estimated as the present value of future cash flows generated by the asset or CGU including eventual disposal. If the recoverable amount of an asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount, and an impairment loss is recognized immediately in profit or loss. Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the lesser of the revised estimated recoverable amount and the carrying amount that would have been recorded, had no impairment loss been recognized previously. Any such recovery is recognized immediately in profit or loss.

Leases

For leases entered into or modified on or after April 1, 2019, a contract is a lease or contains a lease if it conveys the right to control the use of an asset for a time period in exchange for consideration. To identify a lease, the Company considers whether an explicit or implicit asset is specified in the contract and determines whether the Company obtains substantially all the economic benefits from the use of the underlying asset by assessing numerous factors, including but not limited to substitution rights and the right to determine how and for what purpose the asset is used.

At the commencement of a lease, the Company determines the lease term as the non-cancellable period of a lease, together with periods covered by an option to extend or an option to terminate if it is reasonably certain to exercise an extension option or to not exercise a termination option. Management considers all facts and circumstances that create an economic incentive to exercise an extension option or to not exercise a termination option. This judgement is based on factors such as contract rates compared to market rates, economic reasons, significance of leasehold improvements, termination and relocation costs, installation of specialized assets, residual value guarantees, and any sublease term. The Company reassesses this when a significant event or significant change in circumstances within the Company's control has occurred.

The Company recognizes lease assets and lease liabilities for all leases, except for leases of low-value assets and short-term leases with a term of 12 months or less. The lease payments associated with those exempted leases are recognized in general and administrative expenses on a straight-line basis over the lease term.

The lease liability is recognized at the commencement date of the lease and is initially measured at the present value of the lease payments that are not paid. The Company elected to separate non-lease components from lease components and account for non-lease components separately.

The lease liability is discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. The lease liability is subsequently measured at amortized cost using the effective interest method. The lease liability is remeasured when the expected lease payments change as a result of a change in the lease term, a change in the assessment of an option to purchase the leased asset, changes in the future lease payments as a result of a change in an index or rate used to determine the lease payments, and changes in estimated payments for residual value guarantees.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

The lease asset is recognized at the commencement date of the lease and is initially measured at cost, comprised of the amount of the initial measurement of the lease liability less any incentives received from the lessor. Added to the lease asset are any initial direct costs incurred, lease payments made before the commencement date, and estimated restoration costs. The lease asset is subsequently depreciated on a straight-line basis from the commencement date to the earlier of the end of the useful life of the lease asset or the end of the lease term. The lease asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

All other leases are accounted for as operating leases, wherein payments are expensed on a straight-line basis over the term of the lease.

Government assistance

Government grants are recognized where there is a reasonable assurance that the grant will be received and all attached conditions will be complied with. Government grants are recognized as an offset to expenses over the periods in which the Company recognizes expenses which the grants are intended to compensate. Government grants related to assets are recognized as a cost reduction of the assets and reduce depreciation over the expected useful life of the related assets.

Foreign currency translation

The individual financial statements of each entity are recorded in their functional currency which is the currency of the primary economic environment in which the entity operates.

In preparing the financial statements of the individual entities, foreign currency transactions are translated into the functional currency of the respective entity using exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses arising from the settlement of such transactions and from remeasurement of monetary items at period-end exchange rates are recognized in profit or loss. Non-monetary items measured at historical cost are translated using exchange rates at the date of the transaction and are not retranslated. Non-monetary items measured at fair value are translated using the exchange rates at the date when fair value was determined.

Loss per common share

Basic loss per common share is computed by dividing the loss by the weighted average number of common shares outstanding during the year. Diluted per share amounts reflect the potential dilution that could occur if the Company's convertible securities were converted to common shares. Diluted loss per common share is calculated by adjusting the loss attributable to common shareholders and the weighted average number of common shares outstanding for the effect of all dilutive potential common shares. Convertible securities are converted using the "treasury stock" method. When the Company is in a net loss position, the conversion of convertible securities is considered to be anti-dilutive.

Deferred taxes

The Company accounts for income taxes using the liability method of tax allocation. Deferred taxes are recognized for the deferred tax consequences attributable to differences between the carrying values of assets and liabilities and their respective income tax bases. Deferred tax assets and liabilities are measured using substantively enacted income tax rates expected to apply to taxable income in the years in which temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in rates is included in profit and loss in the period that includes the enactment date. Deferred tax assets are recorded in the consolidated financial statements if realization is considered probable.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

Share issue costs

Share issuance costs relating to the issuance of share capital that has not occurred prior to year end are deferred in prepaids and netted against the proceeds when the related shares are issued.

Share-based payments

The Company issues equity-settled share-based awards to eligible employees, directors, officers and consultants. Share-based payments are accounted for using the fair value method whereby compensation expense related to these programs is recorded in profit or loss with a corresponding increase to contributed surplus. The fair value of options granted is determined using Black-Scholes Option Pricing Model at the grant date and expensed over the vesting period. Expected forfeitures are estimated at the date of grant and subsequently adjusted if further information indicates estimated forfeitures will change.

Upon the exercise of the stock options or warrants, consideration received together with the amount previously recognized in contributed surplus is recorded as an increase to share capital. On expiry, any amount related to the stock options or warrants previously recognized in contributed surplus is recorded to deficit with a corresponding decrease to contributed surplus.

During the year ended March 31, 2022, the Company changed its accounting policy on treatment of expired stock options and warrants. Prior to the year ended March 31, 2022, the amounts related to expired stock options and warrants remained in contributed surplus. With the change in accounting policy, amounts related to expired stock options and warrants are recorded to deficit with a corresponding decrease to contributed surplus. As a result of the change in accounting policy, the contributed surplus account balance as at March 31, 2020 and 2021 has been reduced by \$7,704,915 and the deficit account balance as at March 31, 2020 and 2021 has been increased by \$7,704,915.

Had the accounting policy been in effect in prior years, the contributed surplus and deficit balances would have been as follows:

	March 31, 2020	March 31, 2021
Deficit	(119,578,494)	(146,678,008)
Contributed Surplus	26,115,585	17,020,655

Employee Share Purchase Plan

The Company contributes to an Employee Share Purchase Plan ("ESPP") for employees and certain contractors. The plan is based on the amount of an individual's contribution and is subject to maximum limits per individual. The Company accounts for this plan as an expense in the period in which the contributions are made.

Financial instruments

Financial assets

Financial assets are initially recognized at fair value plus directly attributable transaction costs. The classification is based on the Company's business approach for managing the financial assets and whether the instruments' contractual cash flows represent solely payments of principal and interest on the principal amount outstanding (SPPI test). The business approach considers whether a Company's objective is to receive cash flows from holding assets, from selling assets in a portfolio, or a combination of both.

Subsequent measurement of financial assets is at amortized cost, fair value through other comprehensive income (FVOCI), or fair value through profit or loss (FVTPL).

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

Assets held only for the collection of contractual cash flows and that meet the SPPI test, are classified and subsequently measured at amortized cost using the effective interest rate method. Cash, accounts receivables, lease receivable and deposits have been included in this category.

Assets held within a business approach to both collect cash flows and sell the assets and that meet the SPPI test are classified and subsequently measured at FVOCI. Assets that do not meet the criteria for amortized cost or FVOCI are classified and subsequently measured at FVTPL with realized and unrealized gains and losses reported in other income (expense). The Company currently does not hold any assets at FVOCI or FVTPL.

Financial liabilities

Financial liabilities are initially recognized at fair value and are subsequently measured at amortized cost using the effective interest method. The Company's financial liabilities include short term borrowings, facility construction liabilities, accounts payable and accrued liabilities, long-term debt, and lease liabilities.

Fair value

Financial instruments are initially measured at fair value. The Company categorizes its fair value measurements for financial assets and financial liabilities measured at fair value according to a three-level hierarchy which prioritizes the inputs used in the Company's valuation techniques. A level is assigned to each fair value measurement based on the lowest level input significant to the overall fair value measurement. The three levels of the fair value hierarchy based on the reliability of inputs are as follows:

Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Impairment

Under IFRS 9, the Company reviews the carrying amount of assets at the end of each reporting period to determine whether there is an indication of impairment. An asset may be impaired when there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the financial of the asset and if these events have an impact on the estimated future cash flows of the financial asset.

Credit Loss

The Company recognizes an allowance for expected credit loss ("ECL") based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows the Company expects to receive, discounted at an approximation of the original effective interest rate.

The ECLs are recognized in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months. For credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

The Company applies the simplified approach to trades receivables and calculates based on lifetime expected credit losses at each reporting date, taking into considerations historical credit loss experience and general economic conditions. When the carrying amount of financial assets are reduced through an ECL allowance, this is recognized in the consolidated statements of operations.

New accounting standards issued but not yet effective

Certain new accounting standards and interpretations have been published that are not mandatory for the current year and have not been early adopted. These standards are not expected to have a material effect on the Company in the current or future reporting periods.

IAS 1 - In February 2021, the IASB issued ‘Disclosure of Accounting Policies’ with amendments that are intended to help preparers in deciding which accounting policies to disclose in their financial statements. The amendments are effective for year ends beginning on or after January 1, 2023.

IAS 1 - Presentation of Financial Statements (“IAS 1”) was amended in January 2020 to provide a more general approach to the classification of liabilities under IAS 1 based on the contractual arrangements in place at the reporting date. The amendments clarify that the classification of liabilities as current or noncurrent is based solely on a company’ s right to defer settlement at the reporting date. The right needs to be unconditional and must have substance. The amendments also clarify that the transfer of a company’ s own equity instruments is regarded as settlement of a liability, unless it results from the exercise of a conversion option meeting the definition of an equity instrument. The amendments are effective for annual periods beginning on January 1, 2023.

IAS 8 - In February 2021, the IASB issued ‘Definition of Accounting Estimates’ to help entities distinguish between accounting policies and accounting estimates. The amendments are effective for year ends beginning on or after January 1, 2023.

IAS 12 - In May 2021, the IASB issued ‘Deferred Tax Related to Assets and Liabilities Arising from a Single Transaction’ that clarifies how entities account for deferred tax on transactions such as leases and decommissioning obligations. The amendments are effective for year ends beginning on or after January 1, 2023.

IAS 16 - Property, Plant and Equipment (“IAS 16”) was amended. The amendments introduce new guidance, such that the proceeds from selling items before the related property, plant and equipment is available for its intended use can no longer be deducted from the cost. Instead, such proceeds are to be recognized in profit or loss, together with the costs of producing those items. The amendments are effective for annual periods beginning on January 1, 2022.

IAS 37 - Provisions, Contingent Liabilities, and Contingent Assets (“IAS 37”) was amended. The amendments clarify that when assessing if a contract is onerous, the cost of fulfilling the contract includes all costs that relate directly to the contract - i.e. a full-cost approach. Such costs include both the incremental costs of the contract (i.e. costs a company would avoid if it did not have the contract) and an allocation of other direct costs incurred on activities required to fulfill the contract - e.g. contract management and supervision, or depreciation of equipment used in fulfilling the contract. The amendments are effective for annual periods beginning on January 1, 2022.

4. Inventories

Inventories were comprised of the following:

	March 31, 2022	March 31, 2021
Direct materials	\$ 1,053,670	\$ 76,635
Supplies and materials	182,996	696,039

Finished goods	634,753	251,666
	\$ 2,121,536	\$ 1,393,834

The valuation of the inventory is carried at cost as at March 31, 2022 and 2021. During the year ended March 31, 2022, the Company reviewed the carrying value of its inventories for indicators of impairment. Management determined that indicators of impairment existed and conducted an impairment assessment. As a result of the impairment assessment, the Company recognized an inventory impairment reversal of \$155,921 during the year ended March 31, 2022 (March 31, 2021 – impairment of \$7,428,465). The Company included \$nil of inventory impairment in cost of sales during the year ended March 31, 2022 (2021 - \$63,691).

Inventory expensed to cost of sales during the year ended March 31, 2022 was \$2,347,339 (2021 - \$2,068,301). Inventories expensed to operating expenses during the year ended March 31, 2022 were \$nil (2021 - \$28,686).

During the year ended March 31, 2021, the Company sublet a property included in buildings and improvements. The sublease resulted in a derecognition of \$165,756 related to cost and \$47,536 related to accumulated amortization. The net investment in the new sublease of \$80,688 was recorded as a lease receivable. At March 31, 2022, the outstanding balance under the lease receivable was \$21,008 (2021 - \$69,020).

The Company reviews the carrying value of its lease assets at each reporting period for indicators of impairment. It was determined there were indicators of impairment relating to specifically identified leased assets, as follows:

During the year ended March 31, 2022, the Company vacated a leased property included in buildings and improvements. The Company was not able to re-enter the property. The Company has recorded impairment of lease assets of \$370,053 related to this lease comprised of \$687,241 related to cost and \$317,188 related to accumulated amortization. The Company recorded a further impairment of \$85,264 of leasehold improvements related to the lease. Additionally, the Company had five months of unpaid operating costs owing of \$27,923 at March 31, 2022 which was included in accounts payable and accrued liabilities.

Assets under construction consists of machinery in the installation process and costs incurred related to one of the Company's plants. Since these assets were not available for use at March 31, 2022 and 2021, no depreciation was recognized for these assets during these years.

At March 31, 2022, advance payments on the purchase of various pieces of equipment of \$100,000 (March 31, 2021 - \$392,032) are included in prepaids and deposits. Delivery is expected in fiscal 2023.

At March 31, 2022, capitalized borrowing costs of \$nil (2021 - \$144,126 at the greater of 8.5% or the Bank of Nova Scotia prime rate plus 10.05%) were included in additions to assets under construction. The Company ceased the capitalization of borrowing costs in September 2020, as the construction project was suspended.

Notes to the Consolidated Financial Statements

March 31, 2022

Impairment for the year ended March 31, 2022

The Company performs impairment tests on its cash generating units ("CGUs") when there are indicators of impairment. The Company has two CGUs: Cannabis Production and Edmonton Facility III. The CGUs are separate geographical areas and represent specific product groupings for the Company. In 2021, the Company had a third CGU for Germany (MAG). This CGU no longer exists as the Company deconsolidated MAG during the year ended March 31, 2022.

As at March 31, 2022, the Company identified impairment indicators related to the Cannabis Production CGU including underperforming operating results and excess production capacity in the facilities. As at March 31, 2022, the carrying value of the Cannabis Production CGU was \$15,179,847, prior to the impact of any impairment in the current year.

As at March 31, 2022, the Company identified impairment indicators related to the Edmonton Facility III CGU related to the fact that the Edmonton Facility III CGU consists of redundant assets. These assets are considered redundant due to a change in the Company's strategic direction from the production of bulk cannabis oil to other cannabis products in the recreational cannabis market. As at March 31, 2022, Edmonton Facility III had a carrying value of \$9,837,566, prior to the impact of any impairment in the current year.

In accordance with the Company's accounting policies, management evaluated the recoverability of each of its CGUs. The Company determined the fair value less cost of disposal ("FVLCD") was greater than the value in use for each of the CGUs.

As a result, the Company has recorded property and equipment impairment of \$98,559 related to the Cannabis Production CGU, and \$2,077,566 for the Edmonton Facility III CGU.

The FVLCD calculation for the equipment included in the Cannabis Production CGU was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) using primarily the sales comparison approach. The key assumptions in determining the FVLCD were the comparability of the assets used in the sales comparison approach to the related equipment held by the Company, any adjustments made to take into account differences between the equipment, as well as the estimated costs of disposal.

For the building and building improvements in the Cannabis Production CGU, the FVLCD was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) and based on a capitalization of forecasted normalized net operating income approach. The Company determined the forecasted normalized net earnings for each facility based on market rental rates. Capitalization rates used to estimate fair market value considered many factors including but not limited to; the location of the facility, the size of the land parcel, site coverage and type and use of the property, the age of the building and special use characteristics of the facility. The key assumptions in determining the FVLCD were the expected lease rental rates and the capitalization percentage applied. The capitalization rates used were 15%.

The FVLCD calculation for the Edmonton Facility III CGU was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) using primarily the sales comparison approach. The key assumptions in determining the FVLCD were the comparability of the assets used in the sales comparison approach. This includes any adjustments made to take into account differences between these assets, the estimated costs of disposal, and the estimated costs to complete the facility to a comparable state as the buildings utilized in the sales comparison.

Impairment for the year ended March 31, 2021

The Company performs impairment tests on its cash generating units ("CGUs") when there are indicators of impairment. The Company has three CGUs: Cannabis Production, Edmonton Facility III and Germany (MAG). The CGUs are separate geographical areas and represent specific product groupings for the Company.

Notes to the Consolidated Financial Statements

March 31, 2022

As at March 31, 2021, the Company identified impairment indicators related to the Cannabis Production CGU including underperforming operating results and excess production capacity in the facilities. As at March 31, 2021, the carrying value of the Cannabis Production CGU was \$17,853,327, prior to the impact of impairment.

As at March 31, 2021, the Company identified impairment indicators related to the Edmonton Facility III CGU related to the fact that the Edmonton Facility III CGU consists of redundant assets. These assets are considered redundant due to a change in the Company's strategic direction from the production of bulk cannabis oil to other cannabis products in the recreational cannabis market. As at March 31, 2021, Edmonton Facility III had a carrying value of \$20,628,236, prior to the impact of impairment.

As at March 31, 2021, the Company identified impairment indicators relating to the MAG CGU including a decline in the value of the worldwide cannabis market and a change in the Company's strategic direction to no longer pursue the German market and to discontinue any German operations. As at March 31, 2021, the carrying value of the MAG CGU was \$2,422,932, prior to the impact of impairment.

In accordance with the Company's accounting policies, management evaluated the recoverability of each of its CGUs. The Company determined the fair value less cost of disposal ("FVLCD") was greater than the value in use for each of the CGUs.

As a result, the Company recorded property and equipment impairment of \$2,138,633 related to the Cannabis Production CGU, \$10,734,236 for the Edmonton Facility III CGU and \$2,422,932 related to the MAG CGU, and the Cannabis Production CGU has also recorded impairment of \$79,855 on intangible assets.

The FVLCD calculation for the equipment included in the Cannabis Production CGU was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) using primarily the sales comparison approach. The key assumptions in determining the FVLCD were the comparability of the assets used in the sales comparison approach to the related equipment held by the Company, any adjustments made to take into account differences between the equipment, as well as the estimated costs of disposal.

For the building and building improvements in the Cannabis Production CGU, the FVLCD was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) and based on a capitalization of forecasted normalized net operating income approach. Capitalization rates used to estimate fair market value considered many factors including but not limited to; the location of the facility, the size of the land parcel, site coverage and type and use of the property, the age of the building and special use characteristics of the facility. The key assumptions in determining the FVLCD were the expected lease rental rates and the capitalization percentage applied. The capitalization rates used were 15%.

The FVLCD calculation for the Edmonton Facility III CGU was based on third party appraisals and other unobservable inputs (Level 3 of the fair value hierarchy) using primarily the sales comparison approach. This includes any adjustments made to take into account differences between these assets, the estimated costs of disposal, and the estimated costs to complete the facility to a comparable state as the buildings utilized in the sales comparison.

The FVLCD calculation for the MAG CGU was based on management's assessment of the market, and determination that the construction of the facility, and subsequent bankruptcy of the MAG operations resulted in a \$nil FVLCD. The key assumption in determining FVLCD was that the assets could not be resold to an arms-length third party for proceeds.

At March 31, 2022, there was \$nil included in long-term prepaids and deposits (March 31, 2021 - \$1,177,217) related to patent applications that are expected to be recorded to intangible assets as patents are granted. It was determined at March 31, 2022 and 2021 that there were indicators of impairment of these patents as a result of the reduced ability of the Company to fund the required filings to continue the patent process. In accordance with the Company's accounting policies, management evaluated the recoverability of the individual assets. The Company determined the fair value less cost of disposal ("FVLCD") was equal to the value in use for the individual assets. The Company completed an impairment assessment of the patents assets on an individual basis and as a result of that assessment, the Company recorded impairment on all of the patents of \$85,720 for the year ended March 31, 2022 (2021 - \$1,177,217).

The Company reviews the carrying value of the intangible assets at each reporting period for indicators of impairment. The Company determined that its intangible assets were part of its cannabis production CGU (Note 6). It was determined that at March 31, 2021, there were indicators of impairment for this CGU. The Company completed an impairment assessment of this CGU and as a result of that assessment, the Company recorded impairment of its intangible assets of \$79,855 for the year ended March 31, 2021.

9. Capital management

The primary objectives of the Company's capital management strategy are to:

- 1 Provide an adequate return to its shareholders;
- 2 Provide adequate and efficient funding for operations;
- 3 Finance growth; and
- 4 Preserve financial flexibility to benefit from potential opportunities as they arise.

The Company has historically financed operations and capital expansions mainly by receiving funds borrowed from creditors and obtained from investors by issuing convertible promissory notes and common shares. If so required and available, the Company will continue this practice in the future.

The capital structure of the Company consists of long-term debt, lease liabilities, and deficit as follows:

10. Short-term borrowings

On January 31, 2020, the Company entered into a loan agreement with Akaura Holdings Inc. ("Akaura", a related party as the Company shares a director with Akaura, Note 15) to assist the Company with working capital requirements. The amount funded under the loan agreement was \$2,500,000 and bore interest at 21.0% per annum. \$200,000 was held back by the lender and was recorded as long-term restricted cash. Interest was accrued monthly with the principal balance due on February 28, 2020. With the loan unpaid at February 28, 2020, an additional penalty of \$60,000 was due immediately with a further per diem penalty of \$2,000 per day accruing from February 15, 2020 until all principal, interest and penalties were repaid in full.

At February 2, 2021, the Company owed the original principal of \$2,500,000 less the \$200,000 holdback, and \$981,664 of accrued interest and default fees related to the loan. The Company renegotiated the terms of the loan with Akaura in February 2021. As a result of the renegotiation, the Company issued 20,952,381 shares of the Company to Akaura to settle \$2,200,000 of the Company's outstanding debt with Akaura. Akaura extended \$1,000,000 of the outstanding liability under a new agreement with the Company and forgave \$219,937 of the Company's existing debt. The Company reimbursed Akaura for legal and financing fees of \$138,273 relating to the renegotiation.

The new loan agreement allowed an interest free period on the loan until June 1, 2021, at which time the \$1,000,000 was to be paid in full. If the loan was not repaid on June 1, 2021, interest in the amount of 3% per month, retroactive to March 2021 would be charged until payment was received in full.

The Company concluded that the terms of the new agreement were substantially modified from the terms of the original agreement and as such, the renegotiation of the loan was treated as an extinguishment of the original debt and the modified loan was recorded as new debt.

The loan is secured through a mortgage on land and building as well as a general security agreement between Akaura Holdings Inc. and two of the Company's subsidiaries. Akaura retained all rights and security pertaining to the second mortgage under the new debt agreement.

This loan was not repaid on June 1, 2021 and as such, an interest expense of \$390,000 was recorded in the consolidated statement of operations for the year ended March 31, 2022 (2021 - \$1,258,168).

During the year ended March 31, 2022, the Company received \$45,000 in advances from directors of the Company and \$125,000 from a related company controlled by a director and officer of the Company. The Company repaid \$125,000 to the related party during the year ended March 31, 2022. These advances are non-interest bearing, have no fixed repayment terms and are payable on demand. (Note 15.)

The Company entered into \$545,033 in promissory notes during the year ended March 31, 2022 and repaid \$300,033 of the promissory notes. At March 31, 2022, the promissory note balance was \$245,000. The promissory notes matured six months from the date of the promissory note issuance. The outstanding promissory notes matured on February 10, 2022, February 21, 2022 and March 20, 2022. The remaining promissory notes were not repaid as of March 31, 2022.

For the year ended March 31, 2022, total interest expense related to long-term debt was \$1,309,190 (\$1,520,386 for the year ended March 31, 2021).

The Company is not in compliance with terms and conditions of its long-term debt agreements and therefore, has presented the amounts as current.

(a) Agriculture Financial Services Corporation (“AFSC”) loans payable

On September 2, 2011, the Company entered into a loan agreement with AFSC to assist the Company to purchase equipment. The amount funded under the loan agreement was \$750,000, and bears interest at 5.8% per annum. Monthly payments of \$9,327 are payable to October 1, 2021. The loan is secured by the Company’s equipment.

On December 11, 2012, the Company entered into a second loan agreement with AFSC to assist the Company to purchase equipment. The amount funded under this agreement was \$250,000 and bears interest at 4.55% per annum, monthly installments of \$2,586 are payable to March 1, 2023. The loan is secured by the Company’s equipment.

As at March 31, 2022, the Company was 25 months in arrears on these loans. Arrears interest and penalties owing are \$10,833 (March 31, 2021 - \$5,213) and are included in accounts payable and accrued liabilities. AFSC had provided the Company until February 15, 2021 to cure the payments in arrears as well as the

additional arrears interest and penalties. The Company did not pay these arrears to the AFSC by February 15, 2021. On October 27, 2021, the Company received a notice of intention to enforce security in relation to the AFSC loans. Attempts to negotiate a forbearance agreement with AFSC have not been successful and AFSC has indicated its intention to collect Company assets to satisfy the liability. The Company has been working with AFSC to secure an orderly sale of non-core assets to satisfy its obligation to AFSC, however, in June 2022, AFSC indicated that they would no longer accept partial payments of the loan and were in the process of securing an auctioneer to assist with the sale of select assets of the Company.

(b) Ministry of Agriculture and Agri-Foods Canada (“AAFC”) loan payable

On May 18, 2017, the Company restructured its AAFC debt obligation which was accounted for as an extinguishment with \$883,493 included in long-term debt.

The new long-term debt agreement includes an initial payment of \$92,000 which was made during the three months ended June 30, 2017 and a repayment schedule commencing July 1, 2017 which results in the remaining balance being repaid over 8 years. Monthly payments are \$6,500 in years 1 and 2, \$8,500 in year 3 and \$8,000 for the remaining 5 years with the full remaining balance due June 1, 2025. Interest is compounded monthly at the Bank of Canada policy interest rate plus 3%. The long-term debt is unsecured.

As at March 31, 2022, the Company was 22 months in arrears on the AAFC loan with arrears interest owing of \$51,576 (March 31, 2021 - \$26,939) which is included in accounts payable and accrued liabilities.

(c) Moskowitz Capital Mortgage Fund II Inc. (“Moskowitz”)

On May 3, 2018, the Company acquired the remaining 50% interest in 1631807 Alberta Ltd. and the Adjacent Lands from Amnor Group Inc. In conjunction with these transactions, the Company entered into a \$5,500,000 mortgage with Moskowitz to discharge the previous mortgage loans on these properties. The mortgage bore interest at the greater of 8.5% or Bank of Nova Scotia prime rate plus 5.05%. Monthly interest only payments commenced May 1, 2018 and were required until the loan was due in full on November 1, 2020. The mortgage was secured by the Company's production facility and the adjacent lands. On August 14, 2019, the Company amended the mortgage with Moskowitz, by increasing the amount borrowed from \$5,500,000 to \$8,500,000 and extending the due date from November 1, 2020 to November 1, 2021. Interest rates remained the same. As the terms of the amendment to the mortgage were substantially different from the terms of the previously existing mortgage, the amendment was determined to be an extinguishment of debt. As a result, a loss on extinguishment of long-term debt totalling \$440,513 was recognized, which consisted of \$90,264 of the remaining unamortized financing fees related to the original debt and fees and costs of \$350,249 related to the amendment.

A new loan was recognized at a fair value of \$8,500,000. Monthly interest only payments related to the new loan commenced July 25, 2019 and are required until the loan is due in full on November 1, 2021. Remaining amendment fees of \$197,500 were added to the loan balance outstanding. Monthly amendment fee payments of \$10,000 commenced August 1, 2019 and were required until February 1, 2021. A final payment of \$7,500 was due on March 1, 2021. Subsequent to March 31, 2020, there was increase in the interest rate to the greater of 12.5% or Bank of Nova Scotia prime rate plus 10.05% per annum.

On April 29, 2020, the Company amended the mortgage with Moskowitz increasing the interest rate to the greater of 12.5% or Bank of Nova Scotia prime rate plus 10.05% per annum revised from the greater of 8.5% or Bank of Nova Scotia prime rate plus 5.05% per annum. As the terms of the amendment to the mortgage were not substantially different from the terms of the previously existing mortgage, the amendment was determined to be a modification of debt. As a result, a loss on modification of long-term debt with corresponding increase to the value of the debt totalling \$477,810 was recognized. This adjustment is amortized back to the debt over the remaining term of the mortgage. Deferred financing charges of \$85,000 related to the loan amendment fee were recorded and are amortized over the remaining term of the mortgage.

Notes to the Consolidated Financial Statements

March 31, 2022

On October 2, 2020, Moskowitz agreed to defer arrears payments owing related to interest and non-interest bearing amendment fees payable to December 31, 2020 for a fee of \$90,000.

On January 15, 2021, the deferral agreement was extended to February 28, 2021 for an additional fee of \$50,000 and 550,000 shares of Radiant. The shares were issued to Moskowitz on February 1, 2021.

On May 3, 2021, the Company amended the mortgage with Moskowitz increasing the interest rate to the greater of 15% or Bank of Nova Scotia prime rate plus 12.55% per annum revised from the greater of 12.5% or Bank of Nova Scotia prime rate plus 10.05% per annum. As the terms of the amendment to the mortgage were not substantially different from the terms of the previously existing mortgage, the amendment was determined to be a modification of debt. As a result, a loss on modification of long-term debt with corresponding increase to the value of the debt totalling \$129,935 was recognized. This adjustment is amortized back to the debt over the remaining term of the mortgage. This amendment also included bonus standby interest of \$35,000, to be paid in shares of the Company.

On November 1, 2021, the Company's loan with Moskowitz matured. The Company negotiated a loan renewal with Moskowitz. Under the renewal, outstanding interest of \$1,429,076 was added to the outstanding principal of \$8,500,000 for total principal of \$9,929,076, with an interest rate of the greater of 9.99% or Bank of Nova Scotia prime rate plus 7.54% per annum, and a maturity date of November 1, 2022. The renewal agreement included a renewal fee of \$99,929, payable in three installments of \$33,309 on February 1, 2022, March 1, 2022 and April 1, 2022. Further, the Company will pay bonus interest of 10,000,000 common share purchase warrants, entitling the mortgage holder to purchase one common share of the Company for each warrant at a price of \$0.085, expiring December 1, 2026 as part of the renewal agreement. The value of the warrants has been estimated to be \$365,244 using the Black-Scholes model with the following assumptions: share price of \$0.05, volatility of 99.93% based on the Company's historical volatility, risk-free rate of 1.35%, 0% dividend yield and time to maturity of 5 years, and has been included in accounts payable and accrued liabilities as at March 31, 2022 (as such warrants have not been issued).

The mortgage is secured by the Company's production facility and the adjacent lands.

On April 4, 2022, the Company amended the mortgage with Moskowitz adjusting the exercise period of the 10 million common share purchase warrants to one year, down from a five-year exercise period under the original agreement. If the warrants are not issued before the maturity of the loan, the Company will issue two consecutive one-year term warrants at an exercise price of \$0.085.

On August 26, 2022, Moskowitz issued a demand notice to the Company for payment of this loan, plus accrued costs and interest pursuant to the terms of the loan. The Company is evaluating its options with respect to this demand notice.

(d) Debenture

On March 4, 2020, the Company issued an aggregate of \$1,162,500 of unsecured debentures that would mature on March 4, 2022. The debentures bore interest at 15%, payable quarterly. On March 3, 2021, the Company issued 12,485,086 shares to settle the \$1,162,500 face value of the debentures and \$86,009 of accrued interest relating to the debentures.

Lease liabilities relate to leases for office and warehouse space with lease terms between 1 and 5 years and for equipment between 1 and 2 years. In determining the lease term, the Company assesses whether it is reasonably certain it will exercise the lease extension options or not exercise a termination option. Future undiscounted cash outflows for lease liabilities are disclosed as part of total commitments in Note 14.

Excluded from the calculation of the lease liabilities are variable lease payments that do not depend on an index or a rate, which include utilities, common area maintenance costs, property tax, or any additional service payments. Total variable lease payments recognized as an expense are \$27,925 for the year ended March 31, 2022 (2021 - \$195,768).

Notes to the Consolidated Financial Statements

March 31, 2022

During the year ended March 31, 2021, the Company issued both common shares and units of the Company to settle amounts owing to certain third-party creditors as well as some directors and officers. Specific details for each transaction are summarized in the table below. Each unit issued consisted of one common share and one-half common share purchase warrant exercisable for one-half common share.

In each of the unit transactions, the common share purchase warrants were allocated a portion of the total amount payable based upon their relative fair value at the date of issuance. The fair values of the common share purchase warrants were determined using a Black-Scholes option pricing valuation model.

Shares issued for debt with an arms length third party were recorded at fair value on the date of issuance. Any difference between the fair value of these shares issued to an arms length third party and the carrying value of the debt is recorded through the consolidated statement of operations.

d) Stock option plan

The Company's stock option plan (the "Stock Option Plan") provides that the Board of Directors of the Company may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Company non-transferable options to purchase common shares, provided that the number of common shares reserved for issuance under the Stock Option Plan shall not exceed ten percent (10%) of the issued and outstanding common shares exercisable for the period of up to ten (10) years.

In addition, the number of common shares reserved for issuance to any one person shall not exceed five percent (5%) of the issued and outstanding common shares and the number of common shares reserved for issuance to any one consultant will not exceed two percent (2%) of the issued and outstanding common shares. The Board of Directors determines the price per common share and the number of common shares which may be allocated to each director, officer, employee and consultant and all other terms and conditions of the option, subject to the rules of the TSXV. Options have been issued with vesting periods of immediate to 4 years with terms between 2 and 10 years.

The Company issued an additional 2,000,000 options to a director of the Company on February 11, 2021 that will vest based on performance milestones. The milestones for these options have not yet been finalized and approved by the Board as at March 31, 2022 and therefore, the options are not considered to be granted.

For stock options granted, the Company records compensation expense using the fair value method. Fair values are determined using the Black-Scholes Option pricing model. Compensation costs are recognized over the vesting period as an increase to share based payments expense and contributed surplus. When stock options are subsequently exercised, the fair-value of such stock options in contributed surplus is credited to share capital. When stock options expire, unexercised or are cancelled, the fair-value of such stock options in contributed surplus is transferred to deficit.

The estimated volatility is based on the Company's historic volatility since May 22, 2014.

	\$ 3,333,263	\$ 3,782,097

The Company is subject to various claims, lawsuits and other complaints arising in the ordinary course of business. The Company records provisions for losses when claims become probable and the amounts are estimable. Although the outcome of such matters cannot be determined, it is the opinion of management that the final resolution of these matters will not have a material adverse effect on the Company's financial condition, operations or liquidity. As at March 31, 2022, the Company had received statement of claims from various vendors in the total amount of \$1,341,458, which has not been accrued by the Company as at March 31, 2022, as a reliable estimate cannot be determined at this time.

15. Related party transactions

The Company's related parties are its Board of Directors, and key management personnel (President and Chief Executive Officer, Chief Operating Officer, Chief Financial Officer and Chief Technology Officer), as well as any companies controlled by key management personnel or directors. Transactions conducted with related parties took place in the normal course of operations and are measured at the amount of consideration established and agreed to by the related parties.

Balances and transactions between the Company and its subsidiaries, which are related parties, have been eliminated on consolidation and are not disclosed in this note.

a) Key management personnel and director remuneration

The remuneration of directors and key management personnel follows:

	Year ended March 31,	
	2022	2021
Compensation	\$ 271,319	\$ 1,133,135
Short-term benefits	5,000	29,155

e) Aurora Cannabis Inc. "Aurora"

On November 6, 2017, the Company entered into a Master Services Agreement (MSA) with Aurora. The term of the MSA is 5 years, with an option for Aurora to extend an additional 5 years. The terms of the MSA include certain requirements around pricing for extraction services related to cannabis to parties other than Aurora, within a specified geographic territory. Additionally, it provides Aurora with priority for extraction services, and certain first right of refusal to acquire certain cannabis related intellectual property and sets pricing for the extraction services currently provided to Aurora. In addition to the MSA, the Company and Aurora entered into an Investor Rights Agreement on the same date, that provides Aurora with certain rights to participate in future offerings up to 19.99% and appoint one director to the board of directors of the Company.

As at March 31, 2020, Aurora held 33,101,542 shares in the Company resulting in a effective ownership of 11.9 % of all issued and outstanding shares. Aurora had representation on the Company's board of directors and accounted for 98% of all revenue for the year ended March 31, 2020. The Company determined that a related party relationship with Aurora existed at March 31, 2020 through their ability to exert significant influence over the Company.

In December 2020, Aurora's share ownership fell to 8.7%. Further, Aurora did not have representation on the Company's board of directors after December 2020. Based on these facts, the Company determined that Aurora ceased to be a related party of the Company in December 2020 and that Aurora no longer had significant influence over the Company. There were no revenue or inventory transactions with Aurora during the year ended March 31, 2021.

Other	711,774	367,931
	\$ 2,289,944	\$ 2,944,539

17. Financial instruments

Cash, accounts receivable and deposits are classified as financial assets at amortized cost. Financial assets are measured at amortized cost using the effective interest method, less any impairment losses.

Financial liabilities are initially recognized at fair value and are subsequently measured at amortized cost using the effective interest method. The Company's financial liabilities include short-term borrowings, facility construction liabilities, accounts payable and accrued liabilities, long-term debt, and lease liabilities.

The fair value of cash, accounts receivable, deposits, short-term borrowings and accounts payable and accrued liabilities approximate their carrying amount due to their short-term nature. The fair values of long-term debt, facility construction liabilities, and lease liabilities are estimated to approximate their carrying value because the interest rates do not differ significantly from current interest rates for similar types of borrowing arrangements.

Radiant Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

The Company has exposure to credit, interest rate, liquidity, foreign exchange and credit risk as follows:

Credit Risk

Credit risk is the risk that the counterparty to a financial asset will default, resulting in the Company incurring a financial loss. The Company is exposed to credit risk on its cash, accounts receivable and deposits and to a maximum of the carrying value of the items at the reporting date.

The Company mitigates its exposure to credit risk related to its cash by holding funds with reputable financial institutions.

The Company's trade receivables are monitored on an ongoing basis for impairment.

As at March 31, 2022, the Company had \$117,925 (March 31, 2021 - \$315,120) of trade accounts receivable balances. Credit risk is limited with respect to trade accounts receivable and all amounts receivable from customers were received subsequent to March 31, 2022.

Interest Rate Risk

Interest rate risk is the risk that the value of a financial instrument will fluctuate because of changes in market interest rates. The Company has interest rate risk in respect of its variable rate long-term debt. As at March 31, 2022, the increase or decrease in annual net income for each one percent change in interest rate on the variable rate long-term debt would amount to \$99,291 (March 31, 2021 - \$92,732).

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulties in meeting its financial obligations.

The Company manages its liquidity risk by forecasting cash flow requirements for its planned development, production and corporate activities and anticipating investing and financing activities. Management and the Board of Directors are actively involved in the review, planning and approval of annual budgets and significant expenditures and commitments. The Company has disclosed (Note 1) that continuation as a going concern is dependent on obtaining sufficient funds to discharge contractual liabilities as well as funding continuing operations.

The Company's contractual liabilities and obligations are as follows:

	< 1 year	1 to 3 years	4 to 5 years	>5 years	Total

19. Segmented reporting

Operating segments are identified based on internal reports that are regularly reviewed by the Company's chief operating decision maker, the Chief Executive Officer. For the year ended March 31, 2022 and 2021, the Company had a single reporting segment which is the production and sale of cannabis related retail products.

a) Information about geographic areas

The Company's non-current assets are all located in Canada as at March 3, 2022 and 2021.

b) Information about major customers

During the year ended March 31, 2022, the Company earned 87% of its revenue from three customers (2021– 74% of revenue from two customers).

20. Loss per share

Diluted net income per common share is calculated by dividing the applicable net income by the sum of the weighted average number of common shares outstanding and all additional common shares that would have been outstanding if potentially dilutive common shares had been issued during the period. As at March 31, 2022 and 2021, all instruments were anti-dilutive based on having a net loss attributable to common shareholders for the period.

21. Tunaaaaroom Xtracts ("Tunaaaa") acquisition

On January 28, 2022, completed a transaction that resulted in the acquisition of 100% of Tunaaaa Xtracts Inc. ("Tunaaaa") shares. The Company accounted for the transaction as an asset acquisition.

As consideration for the assets acquired, the Company provided the following:

- Radiant issued 70,000,000 common shares of the Company, the shares issued had a statutory hold period of four months plus one day; and
- Radiant issued 15,000,000 common share purchase warrants, exercisable for one common share of the Company for \$0.15 for a period of two years.

Radient Technologies Inc.

Notes to the Consolidated Financial Statements

March 31, 2022

The Company also provided the following contingent consideration:

- Radient will issue 10,000,000 common shares to the sellers of Tunaaaa if sales generated by Tunaaaa products exceed \$1,000,000 per month for any three months in a trailing 24-month period, or if the gross revenue of Tunaaaa exceeds \$1,500,000 in any two months in a trailing 24-month period following closing of the asset acquisition (these shares were not issued, recognized or accrued as at March 31, 2022);
- Radient will issue 10,000,000 common shares to the sellers of Tunaaaa if gross revenue generated by Tunaaaa products exceeds \$1,500,000 per month for any two months in a trailing 24-month period, or if the gross revenue of Tunaaaa exceeds \$1,500,000 in any two months in a trailing 24-month period following closing of the asset acquisition (these shares were not issued, recognized or accrued as at March 31, 2022); and
- Radient will issue 5,000,000 common shares to the sellers of Tunaaaa if gross revenue generated by Tunaaaa products exceeds \$2,000,000 per month for a 3-year period following closing of the asset acquisition (these shares were not issued, recognized or accrued as at March 31, 2022).

Purchase Price Allocation

The acquisition is being treated as an asset acquisition for accounting purposes as Tunaaaa does not meet the definition of a business, as defined in IFRS 3, Business Combinations. The assets acquired were recorded at their estimated fair market values, which are based on management estimates.

Purchase price:

Common shares	\$	3,335,000
Common share purchase warrants		300,000
	\$	3,635,000

Fair value of assets acquired and liabilities assumed:

Brand name	\$	805,000
Customer relationships		1,142,000
	\$	1,947,000

Excess of purchase price over fair value of assets acquired expensed	\$	1,688,000
---	-----------	------------------

The common shares were valued using a share price of \$0.048. The value of the warrants has been estimated to be \$300,000 using the Black-Scholes valuation method, with the following assumptions: share price of \$0.06, volatility of 104.99% based on the Company's historical volatility, risk-free rate of 1.25%, 0% dividend yield and time to maturity of 2 years. The contingent consideration has been estimated to have a value of \$nil based on projections at the acquisition date and March 31, 2022.

22. Deconsolidation of subsidiaries

MAG

In July 2021, the Company's subsidiary, MAG announced that it was winding up its German operations at MAG. In November 2021, the insolvency proceedings over the assets of MAG were opened and an insolvency administrator was appointed by the court. As a wholly owned subsidiary of RTS, MAG was fully consolidated at March 31, 2021. The Company deconsolidated MAG once the insolvency process had commenced. Once the insolvency proceedings commenced, the Company no longer has control over the

 - (a) interim unaudited financial reports, interim management's discussion and analysis and certification of the interim filings for the interim period ended 31 December 2022.
3. As a result of this order, if the Issuer is a reporting issuer in a jurisdiction in which Multilateral Instrument 11-103 *Failure-to-File Cease Trade Orders in Multiple Jurisdictions* applies, a person or company must not trade in or purchase a security of the issuer in that jurisdiction, except in accordance with the conditions that are contained in this order, if any, for so long as this order remains in effect.
4. Further, this order takes automatic effect in each jurisdiction of Canada that has a statutory reciprocal order provision, subject to the terms of the local securities legislation.

Interpretation

5. Terms defined in the Legislation, National Instrument 14-101 *Definitions* or National Policy 11-207 *Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions* have the same meaning if used in this order, unless otherwise defined.

Order

6. The Decision Maker is satisfied that the decision concerning the cease trade meets the test set out in the Legislation to make this decision.
7. It is ordered under the Legislation that trading and purchasing cease in respect of each security of the Issuer.
8. Despite this order a beneficial securityholder of the Issuer who is not, and was not at the date of this order, an insider or control person of the Issuer, may sell securities of the Issuer acquired before the date of this order if both of the following apply:

- (a) the sale is made through a “foreign organized regulated market”, as defined in section 1.1 of the Universal Market Integrity Rules of the Investment Industry Regulatory Organization of Canada; and
- (b) the sale is made through an investment dealer registered in a jurisdiction of Canada in accordance with applicable securities legislation.

(the Issuer)

CEASE TRADE ORDER
Under the securities legislation of Alberta and Ontario
(Legislation)

Background

1. This is the order of the Executive Director of the Alberta Securities Commission and evidences the decision of the regulator or securities regulatory authority in Ontario (each a **Decision Maker**).
2. The Issuer has not filed the following periodic disclosure required by the Legislation:
 - (a) interim unaudited financial reports, interim management's discussion and analysis and certification of the interim filings for the interim period ended 31 December 2022.
3. As a result of this order, if the Issuer is a reporting issuer in a jurisdiction in which Multilateral Instrument 11-103 *Failure-to-File Cease Trade Orders in Multiple Jurisdictions* applies, a person or company must not trade in or purchase a security of the issuer in that jurisdiction, except in accordance with the conditions that are contained in this order, if any, for so long as this order remains in effect.
4. Further, this order takes automatic effect in each jurisdiction of Canada that has a statutory reciprocal order provision, subject to the terms of the local securities legislation.

Interpretation

5. Terms defined in the Legislation, National Instrument 14-101 *Definitions* or National Policy 11-207 *Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions* have the same meaning if used in this order, unless otherwise defined.

Order

6. The Decision Maker is satisfied that the decision concerning the cease trade meets the test set out in the Legislation to make this decision.
7. It is ordered under the Legislation that trading and purchasing cease in respect of each security of the Issuer.
8. Despite this order a beneficial securityholder of the Issuer who is not, and was not at the date of this order, an insider or control person of the Issuer, may sell securities of the Issuer acquired before the date of this order if both of the following apply:

- (a) the sale is made through a “foreign organized regulated market”, as defined in section 1.1 of the Universal Market Integrity Rules of the Investment Industry Regulatory Organization of Canada; and

I, Kevin Hoy, administered the oath of Brian Moskowitz (the "Deponent") for his Affidavit sworn/affirmed March 12, 2023. I am a solicitor and Commissioner for Oaths in the Province of Alberta.

The Deponent was linked with me utilizing video technology. I followed the process for remote commissioning of affidavits described in the Notice to the Profession and Public 2020-02, and complied with the Law Society of Alberta best practices for using video-conferencing.

I certify that I am satisfied that the process for the remote commissioning of affidavits was necessary because it was impossible or unsafe, for medical reasons, for the Deponent and the commissioner to be physically present together.

DATED at the City of Calgary, Alberta, this 12th day of March, 2023.

Kevin Hoy
Commissioner for Oaths

NAME OF JUSTICE WHO GRANTED THIS ORDER: **The Honourable Justice D.R. Mah**

UPON the application of Moskowitz Capital Mortgage Fund II Inc. ("**MCMF**") in respect of 1631807 Alberta Ltd. and Radient Technologies Inc. (collectively, the "**Debtor**"); **AND UPON** having read the Application, the Affidavits of Brian Moskowitz, dated December 12, 2022, and March 12, 2023, and Bench Brief; and the Affidavit of Service of Cassandra Anderson, all filed; **AND UPON** reading the consent of MNP Ltd. to act as receiver (the "**Receiver**") of the Debtor, filed; **AND UPON** noting the consent endorsed hereon of MNP Ltd.; **AND UPON** hearing counsel for MCMF, counsel for the proposed Receiver and any other counsel or other interested parties present; **IT IS HEREBY ORDERED AND DECLARED THAT:**

Service

1. The time for service of the notice of application for this order (the "**Order**") is hereby abridged and deemed good and sufficient and this application is properly returnable today.

Appointment

2. Pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, RSC 1985, c. B-3 (the "**BIA**"), and sections 13(2) of the *Judicature Act*, RSA 2000, c.J-2, and 65(7) of the *Personal Property Security Act*, RSA 2000, c.P-7 MNP Ltd. is hereby appointed Receiver, without security, of the personal property of the Debtor's described in Exhibit "L" of the Affidavit of Brian Moskowitz dated March 13, 2023, together with any other personal property of the Debtor as may be agreed upon by the Receiver and the Debtor, including all proceeds thereof (the "**Property**"). For greater certainty, and without restricting the generality of the foregoing, the Property shall not include the proceeds of any disposition of chattel property belonging to the Debtor held in trust as of the date of this Order by Dentons Canada LLP.

Receiver's Powers

3. The Receiver is hereby empowered and authorized, but not obligated, to act at once in respect of the Property and, without in any way limiting the generality of the foregoing, the Receiver is hereby expressly empowered and authorized to do any of the following where the Receiver considers it necessary or desirable:
 - (a) to take possession of and exercise control over the Property and any and all proceeds, receipts and disbursements arising out of or from the Property, which shall include the Receiver's ability to abandon, dispose of, or otherwise release any interest in the Property;
 - (b) to receive, preserve and protect the Property, or any part or parts thereof, including, but not limited to, the changing of locks and security codes, the relocating of Property to safeguard it, the engaging of independent security personnel, the taking of physical inventories and the placement of such insurance coverage as may be necessary or desirable;
 - (c) to cease to perform any contract of the Debtor connected or relating to the use, operation, lease, license, sale, transfer or other disposition of the Property;
 - (d) to engage consultants, appraisers, agents, experts, auditors, accountants, managers, counsel and such other persons from time to time and on whatever basis, including on a temporary basis, to assist with the exercise of the Receiver's powers and duties, including without limitation those conferred by this Order;

- (e) to execute, assign, issue and endorse documents of whatever nature in respect of any of the Property, whether in the Receiver's name or in the name and on behalf of the Debtor, for any purpose pursuant to this Order;
- (f) to initiate, prosecute and continue the prosecution of any and all proceedings and to defend all proceedings now pending or hereafter instituted with respect to the Property or the Receiver, and to settle or compromise any such proceedings. The authority hereby conveyed shall extend to such appeals or applications for judicial review in respect of any order or judgment pronounced in any such proceeding, and provided further that nothing in this Order shall authorize the Receiver to defend or settle the action in which this Order is made unless otherwise directed by this Court;
- (g) to market any or all the Property, including advertising and soliciting offers in respect of the Property or any part or parts thereof and negotiating such terms and conditions of sale as the Receiver in its discretion may deem appropriate;
- (h) to sell, convey, transfer, lease or assign the Property or any part or parts thereof out of the ordinary course of business:
 - i. without the approval of this Court in respect of any transaction not exceeding \$50,000 provided that the aggregate consideration for all such transactions does not exceed \$200,000; and
 - ii. with the approval of this Court in respect of any transaction in which the purchase price or the aggregate purchase price exceeds the applicable amount set out in the preceding clause;

and in each such case notice under subsection 60(8) of the *Personal Property Security Act*, RSA 2000, c. P-7 or any other similar legislation in any other province or territory shall not be required.

- (i) to apply for any vesting order or other orders (including, without limitation, confidentiality or sealing orders) necessary to convey the Property or any part or parts thereof to a purchaser or purchasers thereof, free and clear of any liens or encumbrances affecting such Property;
- (j) to report to, meet with and discuss with such affected Persons (as defined below) as the Receiver deems appropriate all matters relating to the Property and the receivership, and to share information, subject to such terms as to confidentiality as the Receiver deems advisable;

- (k) to register a copy of this Order and any other orders in respect of the Property against title to any of the Property, and when submitted by the Receiver for registration this Order shall be immediately registered by the Registrar of Land Titles of Alberta, or any other similar government authority, notwithstanding Section 191 of the *Land Titles Act*, RSA 2000, c. L-4, or the provisions of any other similar legislation in any other province or territory, and notwithstanding that the appeal period in respect of this Order has not elapsed and the Registrar of Land Titles shall accept all Affidavits of Corporate Signing Authority submitted by the Receiver in its capacity as Receiver of the Debtor and not in its personal capacity;
- (l) to apply for any permits, licences, approvals or permissions as may be required by any governmental authority in connection with the Property and any renewals thereof for and on behalf of and, if thought desirable by the Receiver, in the name of the Debtor;
- (m) to enter into agreements with any trustee in bankruptcy appointed in respect of the Debtor, including, without limiting the generality of the foregoing, the ability to enter into occupation agreements for any property owned or leased by the Debtor; and
- (n) to take any steps reasonably incidental to the exercise of these powers or the performance of any statutory obligations;

and in each case where the Receiver takes any such actions or steps, it shall be exclusively authorized and empowered to do so, to the exclusion of all other Persons, including the Debtor, and without interference from any other Person (as defined below).

- 4. Notwithstanding anything in paragraph 3 of this Order, the Receiver shall not be empowered or authorized to manage, operate, or carry on the business of the Debtor or to perform any contractual obligation of the Debtor.
- 5. Notwithstanding anything in paragraph 3 of this Order, the Receiver shall provide to any secured creditor who requests information of the Debtor relating to amounts owing by the Debtor pursuant to the *Income Tax Act*, RSC 1985, c 1, or the *Excise Tax Act*, RSC 1985, c E-15, any such information within the Receiver's knowledge at the time of such request.

Duty to Provide Access and Co-operations to the Receiver

- 6. (i) The Debtor, (ii) all of its current and former directors, officers, employees, agents, accountants, legal counsel and shareholders, and all other persons acting on its instructions or behalf, and (iii) all other individuals, firms, corporations, governmental bodies or agencies, or other entities having notice of this Order including, without limitation, any authorized agent acting on behalf of MCMF in connection with any of MCMF's rights or authority arising from the October 20, 2022, Order granted by the Honourable Applications Judge B.W. Summers in these proceedings (all of the foregoing, collectively, being "**Persons**" and each being a "**Person**") shall forthwith advise the Receiver of the

existence of any Property in such Person's possession or control, shall grant immediate and continued access to the Property to the Receiver, and shall deliver all such Property (excluding Property subject to liens the validity of which is dependent on maintaining possession) to the Receiver upon the Receiver's request.

7. All Persons shall forthwith advise the Receiver of the existence of any books, documents, securities, contracts, orders, corporate and accounting records, and any other papers, records and information of any kind related to the Property, and any computer programs, computer tapes, computer disks or other data storage media containing any such information (the foregoing, collectively, the "**Records**") in that Person's possession or control, and shall provide to the Receiver or permit the Receiver to make, retain and take away copies thereof and grant to the Receiver unfettered access to and use of accounting, computer, software and physical facilities relating thereto, provided however that nothing in this paragraph or in paragraph 8 of this Order shall require the delivery of Records, or the granting of access to Records, which may not be disclosed or provided to the Receiver due to the privilege attaching to solicitor-client communication or documents prepared in contemplation of litigation or due to statutory provisions prohibiting such disclosure.
8. If any Records are stored or otherwise contained on a computer or other electronic system of information storage, whether by independent service provider or otherwise, all Persons in possession or control of such Records shall forthwith give unfettered access to the Receiver for the purpose of allowing the Receiver to recover and fully copy all of the information contained therein whether by way of printing the information onto paper or making copies of computer disks or such other manner of retrieving and copying the information as the Receiver in its discretion deems expedient, and shall not alter, erase or destroy any Records without the prior written consent of the Receiver. Further, for the purposes of this paragraph, all Persons shall provide the Receiver with all such assistance in gaining immediate access to the information in the Records as the Receiver may in its discretion require including providing the Receiver with instructions on the use of any computer or other system and providing the Receiver with any and all access codes, account names, and account numbers that may be required to gain access to the information.

No Proceedings Against the Receiver

9. No proceeding or enforcement process in any court or tribunal (each, a "**Proceeding**"), shall be commenced or continued against the Receiver except with the written consent of the Receiver or with leave of this Court.

No Proceedings Against the Debtor or the Property

10. No Proceeding against or in respect of the Debtor concerning or relating to the Property shall be commenced or continued except with the written consent of the Receiver or with leave of this Court and any and all Proceedings currently under way against or in respect of the Property are hereby

stayed and suspended pending further Order of this Court, provided, however, that nothing in this Order shall: (i) prevent any Person from commencing a proceeding regarding a claim that might otherwise become barred by statute or an existing agreement if such proceeding is not commenced before the expiration of the stay provided by this paragraph; and (ii) affect a Regulatory Body's investigation in respect of the debtor or an action, suit or proceeding that is taken in respect of the debtor by or before the Regulatory Body, other than the enforcement of a payment order by the Regulatory Body or the Court. "**Regulatory Body**" means a person or body that has powers, duties or functions relating to the enforcement or administration of an Act of Parliament or of the legislature of a Province.

No Exercise of Rights of Remedies

11. All rights and remedies of any Person, whether judicial or extra-judicial, statutory or non-statutory (including, without limitation, set-off rights) against or in respect of the Debtor or the Receiver in connection with or affecting the Property are hereby stayed and suspended and shall not be commenced, proceeded with or continued except with leave of this Court or the express written consent of the Receiver, provided, however, that nothing in this Order shall:
 - (a) empower the Debtor to carry on any business that the Debtor is not lawfully entitled to carry on;
 - (b) prevent the filing of any registration to preserve or perfect a security interest;
 - (c) prevent the registration of a claim for lien; or
 - (d) exempt the Debtor from compliance with statutory or regulatory provisions relating to health, safety or the environment.
12. Nothing in this Order shall prevent any party from taking an action against the Debtor where such an action must be taken in order to comply with statutory time limitations in order to preserve their rights at law, provided that no further steps shall be taken by such party except in accordance with the other provisions of this Order, and notice in writing of such action be given to the Receiver at the first available opportunity.
13. No Person shall accelerate, suspend, discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by the Debtor in relation to or concerning the Property, except with the written consent of the Debtor and the Receiver, or leave of this Court. All persons having oral or written agreements or arrangements with the Debtor, including without limitation all computer software, communication and other data services, insurance, transportation, maintenance services, other services to the Debtor in connection with the Property are hereby restrained until further order of this Court from discontinuing, altering, interfering with, suspending or terminating the supply of such

goods or services as may be required by the Debtor or exercising any other remedy provided under such agreements or arrangements.

Receiver to Hold Funds

14. All funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the "**Post Receivership Accounts**") and the monies standing to the credit of such Post Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further order of this Court.

Employees

15. The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*, SC 2005, c.47 ("**WEPPA**").
16. Pursuant to clause 7(3)(c) of the *Personal Information Protection and Electronic Documents Act*, SC 2000, c. 5, the Receiver shall disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a "**Sale**"). Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

Limitations on Environmental Liabilities

17. (a) Notwithstanding anything in any federal or provincial law, the Receiver is not personally liable in that position for any environmental condition that arose or environmental damage that occurred:
 - i. before the Receiver's appointment; or

- ii. after the Receiver's appointment unless it is established that the condition arose or the damage occurred as a result of the Receiver's gross negligence or wilful misconduct.
- (b) Nothing in sub-paragraph (a) exempts a Receiver from any duty to report or make disclosure imposed by a law referred to in that sub-paragraph.
- (c) Notwithstanding anything in any federal or provincial law, but subject to sub-paragraph (a) hereof, where an order is made which has the effect of requiring the Receiver to remedy any environmental condition or environmental damage affecting the Property, the Receiver is not personally liable for failure to comply with the order, and is not personally liable for any costs that are or would be incurred by any person in carrying out the terms of the order,
 - i. if, within such time as is specified in the order, within 10 days after the order is made if no time is so specified, within 10 days after the appointment of the Receiver, if the order is in effect when the Receiver is appointed, or during the period of the stay referred to in clause ii below, the Receiver:
 - A. complies with the order, or
 - B. on notice to the person who issued the order, abandons, disposes of or otherwise releases any interest in any real property affected by the condition or damage;
 - ii. during the period of a stay of the order granted, on application made within the time specified in the order referred to in clause (i) above, within 10 days after the order is made or within 10 days after the appointment of the Receiver, if the order is in effect when the Receiver is appointed, by:
 - A. the court or body having jurisdiction under the law pursuant to which the order was made to enable the Receiver to contest the order; or
 - B. the court having jurisdiction in bankruptcy for the purposes of assessing the economic viability of complying with the order; or
 - iii. if the Receiver had, before the order was made, abandoned or renounced or been divested of any interest in any real property affected by the condition or damage.

Limitation on the Receiver's Liability

18. Except for gross negligence or wilful misconduct, as a result of its appointment or carrying out the provisions of this Order the Receiver shall incur no liability or obligation that exceeds an amount for which it may obtain full indemnity from the Property. Nothing in this Order shall derogate from

any limitation on liability or other protection afforded to the Receiver under any applicable law, including, without limitation, Section 14.06, 81.4(5) or 81.6(3) of the BIA.

Receiver's Accounts

19. The Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case, incurred at their standard rates and charges. The Receiver and counsel to the Receiver shall be entitled to the benefits of and are hereby granted a charge (the "**Receiver's Charge**") on the Property, which charge shall not exceed an aggregate amount of \$50,000.00 as security for their professional fees and disbursements incurred at the normal rates and charges of the Receiver and such counsel, both before and after the making of this Order in respect of these proceedings, and the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, deemed trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person but subject to section 14.06(7), 81.4(4) and 81.6(2) of the BIA.
20. The Receiver and its legal counsel shall pass their accounts from time to time.
21. Prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including the legal fees and disbursements, incurred at the normal rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

Funding of the Receivership

22. The Receiver be at liberty and it is hereby empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$50,000.00 (or such greater amount as this Court may by further order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the "**Receiver's Borrowings Charge**") as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, deemed trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver's Charge and the charges set out in sections 14.06(7), 81.4(4) and 81.6(2) of the BIA.
23. Neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

24. The Receiver is at liberty and authorized to issue certificates substantially in the form annexed as Schedule "A" hereto (the "**Receiver's Certificates**") for any amount borrowed by it pursuant to this Order.
25. The monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver's Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver's Certificates.
26. The Receiver shall be authorized to repay any amounts borrowed by way of Receiver's Certificates out of the Property or any proceeds, including any proceeds from the sale of any assets without further approval of this Court.

Allocation

27. Any interested party may apply to this Court on notice to any other party likely to be affected, for an order allocating the Receiver's Charge and Receiver's Borrowings Charge amongst the various assets comprising the Property

General

28. The Receiver may from time to time apply to this Court for advice and directions in the discharge of its powers and duties hereunder.
29. Notwithstanding Rule 6.11 of the *Alberta Rules of Court*, unless otherwise ordered by this Court, the Receiver will report to the Court from time to time, which reporting is not required to be in affidavit form and shall be considered by this Court as evidence. The Receiver's reports shall be filed by the Court Clerk notwithstanding that they do not include an original signature.
30. Nothing in this Order shall prevent the Receiver from acting as a trustee in bankruptcy of the Debtor.
31. This Court hereby requests the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in any foreign jurisdiction to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order, to grant representative status to the Receiver in any foreign proceeding, or to assist the Receiver and its agents in carrying out the terms of this Order.
32. The Receiver be at liberty and is hereby authorized and empowered to apply to any court, tribunal, regulatory or administrative body, wherever located, for the recognition of this Order and for assistance in carrying out the terms of this Order and that the Receiver is authorized and

empowered to act as a representative in respect of the within proceedings for the purpose of having these proceedings recognized in a jurisdiction outside Canada.

33. The Plaintiff shall have its costs of this application, up to and including entry and service of this Order, provided for by the terms of the Plaintiff's security or, if not so provided by the Plaintiff's security, then on a substantial indemnity basis, including legal costs on a solicitor-client full indemnity basis, to be paid by the Receiver from the proceeds of the Property with such priority and at such time as this Court may determine.
34. Any interested party may apply to this Court to vary or amend this Order on not less than 7 days' notice to the Receiver and to any other party likely to be affected by the order sought or upon such other notice, if any, as this Court may order.

Filing

35. This Order is issued and shall be filed in Court of King's Bench Action No. 2203-13202.
36. The Receiver shall establish and maintain a website in respect of these proceedings at <https://mnpdebt.ca/en/corporate/corporate-engagements/radiant-technologies-inc> the "**Receiver's Website**") and shall post there as soon as practicable:
 - (a) all materials prescribed by statute or regulation to be made publicly available; and
 - (b) all applications, reports, affidavits, orders and other materials filed in these proceedings by or on behalf of the Receiver, or served upon it, except such materials as are confidential and the subject of a sealing order or pending application for a sealing order.
37. Service of this Order shall be deemed good and sufficient by:
 - (a) serving the same on:
 - i. the persons listed on the service list created in these proceedings or otherwise served with notice of these proceedings;
 - ii. any other person served with notice of the application for this Order;
 - iii. any other parties attending or represented at the application for this Order; and
 - (b) posting a copy of this Order on the Receiver's Websiteand service on any other person is hereby dispensed with.

[Space intentionally Left Blank - Endorsement on Next Page]

38. Service of this Order may be effected by facsimile, electronic mail, personal delivery or courier. Service is deemed to be effected the next business day following transmission or delivery of this Order.

A handwritten signature in black ink, appearing to read "D. J. ...", is written above a horizontal line.

1. OVERVIEW AND BACKGROUND INFORMATION

MNP Ltd. was appointed Receiver (the “**Receiver**”) of certain personal property owned by Radiant Technologies Inc. and 1631807 Alberta Ltd. (“**Radiant**” or the “**Companies**”) pursuant to an Order of the Court of King’s Bench of Alberta granted March 21, 2023 (the “**Receivership Order**”). A copy of the Receivership Order is attached as **Appendix A**.

Pursuant to the authority granted to it under the Receivership Order, the Receiver is, solely in that capacity, seeking separate offers to purchase or proposals to liquidate certain personal property of the Company located in Edmonton, Alberta (the “**Equipment**”).

Radiant operates out of a premises located in Edmonton, Alberta and is a commercial manufacturer of high-quality cannabis derivatives, formulations and products.

The Equipment, which is more particularly described in below referenced appendices, is of the following general nature:

- Forklifts;
- Containment tanks;
- Various instrumentation;
- Refrigeration units;
- Vacuum solvent recovery systems;
- Pumps;
- Electrical glycol heaters;
- Jacketed, non jacketed, agitated and non agitated stainless-steel tanks; and
- Miscellaneous laboratory equipment;

The Equipment is being sold on an “as is, where is” basis. The Receiver does not make any representations, covenants, or warranties regarding the assets. Further details and descriptions of the Equipment are provided in the appendices.

The Receiver is requesting that any auction or liquidation proposal include a timeline for holding an auction or sale, as well as the particulars of the estimated gross proceeds, the commission structure, details and estimates of associated costs, and the net estimated

recovery for the estate, including any net minimum guarantee. The proposals should also confirm if the auction or liquidation sale is to be held at the Companies' premises in Edmonton, or at a third-party location, and provide any further information that may be requested by the Receiver.

The Receiver is at liberty to accept any offer in its sole discretion, and specifically reserves the right (a) not to accept a proposal or any proposal whatsoever, (b) to accept or negotiate with any proposed liquidator at any time prior to the below deadline, (c) waive or vary any term or condition, (d) reject any or all proposals, or (e) to apply to Court for approval of any proposal. The Receiver will evaluate the proposals received and may individually contact some or all prospective purchasers to request additional information about their respective proposal.

Each prospective purchaser shall bear all their own costs, including, but not limited to, legal counsel and external advisers, for its investigation and due diligence for preparing its proposal.

All inquiries with respect to the Equipment should be directed to the Receiver;

Offers to purchase and liquidation proposals must be submitted to MNP Ltd. prior to **4:00 pm MST Friday, May 12th, 2023** (the "**Deadline**"). Details concerning a form of offer to purchase are referenced below. The Receiver's acceptance of any offer to purchase or liquidation proposal is subject to Court approval.

This Request of Offers to Purchase or Liquidation Proposals ("**ROP**") is intended solely for the purpose of soliciting offers or proposals from qualified, prospective purchasers or liquidators.

The ROP is provided with the expressed understanding that each prospective purchaser will undertake its own due diligence and independently investigate those matters that it deems pertinent. The Receiver has prepared the ROP from information provided by the Companies and other sources deemed reliable. The Receiver has conducted a limited review of this

information, but it has not independently verified its accuracy or completeness. The ROP is provided with the expressed understanding that each prospective purchaser will undertake its own due diligence and independently investigate those matters that it deems pertinent. Nothing in the ROP shall be deemed to create or imply any covenant, representation, or warranty whatsoever on the part of the Receiver. The Receiver expressly disclaims liability for any loss or damage that may arise from the use of the information contained in this ROP.

2. EQUIPMENT

A detailed list of the Equipment is attached as **Appendix B**.

Please note that additions or deletions may occur during the sales process. The Receiver will update interested parties of any additions or deletions that occur during the due diligence process.

UPON the application of Moskowitz Capital Mortgage Fund II Inc. ("**MCMF**") in respect of 1631807 Alberta Ltd. and Radient Technologies Inc. (collectively, the "**Debtor**"); **AND UPON** having read the Application, the Affidavits of Brian Moskowitz, dated December 12, 2022, and March 12, 2023, and Bench Brief; and the Affidavit of Service of Cassandra Anderson, all filed; **AND UPON** reading the consent of MNP Ltd. to act as receiver (the "**Receiver**") of the Debtor, filed; **AND UPON** noting the consent endorsed hereon of MNP Ltd.; **AND UPON** hearing counsel for MCMF, counsel for the proposed Receiver and any other counsel or other interested parties present; **IT IS HEREBY ORDERED AND DECLARED THAT:**

Service

1. The time for service of the notice of application for this order (the "**Order**") is hereby abridged and deemed good and sufficient and this application is properly returnable today.

Appointment

2. Pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, RSC 1985, c. B-3 (the "**BIA**"), and sections 13(2) of the *Judicature Act*, RSA 2000, c.J-2, and 65(7) of the *Personal Property Security Act*, RSA 2000, c.P-7 MNP Ltd. is hereby appointed Receiver, without security, of the personal property of the Debtor's described in Exhibit "L" of the Affidavit of Brian Moskowitz dated March 13, 2023, together with any other personal property of the Debtor as may be agreed upon by the Receiver and the Debtor, including all proceeds thereof (the "**Property**"). For greater certainty, and without restricting the generality of the foregoing, the Property shall not include the proceeds of any disposition of chattel property belonging to the Debtor held in trust as of the date of this Order by Dentons Canada LLP.

Receiver's Powers

3. The Receiver is hereby empowered and authorized, but not obligated, to act at once in respect of the Property and, without in any way limiting the generality of the foregoing, the Receiver is hereby expressly empowered and authorized to do any of the following where the Receiver considers it necessary or desirable:
 - (a) to take possession of and exercise control over the Property and any and all proceeds, receipts and disbursements arising out of or from the Property, which shall include the Receiver's ability to abandon, dispose of, or otherwise release any interest in the Property;
 - (b) to receive, preserve and protect the Property, or any part or parts thereof, including, but not limited to, the changing of locks and security codes, the relocating of Property to safeguard it, the engaging of independent security personnel, the taking of physical inventories and the placement of such insurance coverage as may be necessary or desirable;
 - (c) to cease to perform any contract of the Debtor connected or relating to the use, operation, lease, license, sale, transfer or other disposition of the Property;
 - (d) to engage consultants, appraisers, agents, experts, auditors, accountants, managers, counsel and such other persons from time to time and on whatever basis, including on a temporary basis, to assist with the exercise of the Receiver's powers and duties, including without limitation those conferred by this Order;

- (e) to execute, assign, issue and endorse documents of whatever nature in respect of any of the Property, whether in the Receiver's name or in the name and on behalf of the Debtor, for any purpose pursuant to this Order;
- (f) to initiate, prosecute and continue the prosecution of any and all proceedings and to defend all proceedings now pending or hereafter instituted with respect to the Property or the Receiver, and to settle or compromise any such proceedings. The authority hereby conveyed shall extend to such appeals or applications for judicial review in respect of any order or judgment pronounced in any such proceeding, and provided further that nothing in this Order shall authorize the Receiver to defend or settle the action in which this Order is made unless otherwise directed by this Court;
- (g) to market any or all the Property, including advertising and soliciting offers in respect of the Property or any part or parts thereof and negotiating such terms and conditions of sale as the Receiver in its discretion may deem appropriate;
- (h) to sell, convey, transfer, lease or assign the Property or any part or parts thereof out of the ordinary course of business:
 - i. without the approval of this Court in respect of any transaction not exceeding \$50,000 provided that the aggregate consideration for all such transactions does not exceed \$200,000; and
 - ii. with the approval of this Court in respect of any transaction in which the purchase price or the aggregate purchase price exceeds the applicable amount set out in the preceding clause;

and in each such case notice under subsection 60(8) of the *Personal Property Security Act*, RSA 2000, c. P-7 or any other similar legislation in any other province or territory shall not be required.

- (i) to apply for any vesting order or other orders (including, without limitation, confidentiality or sealing orders) necessary to convey the Property or any part or parts thereof to a purchaser or purchasers thereof, free and clear of any liens or encumbrances affecting such Property;
- (j) to report to, meet with and discuss with such affected Persons (as defined below) as the Receiver deems appropriate all matters relating to the Property and the receivership, and to share information, subject to such terms as to confidentiality as the Receiver deems advisable;

- (k) to register a copy of this Order and any other orders in respect of the Property against title to any of the Property, and when submitted by the Receiver for registration this Order shall be immediately registered by the Registrar of Land Titles of Alberta, or any other similar government authority, notwithstanding Section 191 of the *Land Titles Act*, RSA 2000, c. L-4, or the provisions of any other similar legislation in any other province or territory, and notwithstanding that the appeal period in respect of this Order has not elapsed and the Registrar of Land Titles shall accept all Affidavits of Corporate Signing Authority submitted by the Receiver in its capacity as Receiver of the Debtor and not in its personal capacity;
- (l) to apply for any permits, licences, approvals or permissions as may be required by any governmental authority in connection with the Property and any renewals thereof for and on behalf of and, if thought desirable by the Receiver, in the name of the Debtor;
- (m) to enter into agreements with any trustee in bankruptcy appointed in respect of the Debtor, including, without limiting the generality of the foregoing, the ability to enter into occupation agreements for any property owned or leased by the Debtor; and
- (n) to take any steps reasonably incidental to the exercise of these powers or the performance of any statutory obligations;

and in each case where the Receiver takes any such actions or steps, it shall be exclusively authorized and empowered to do so, to the exclusion of all other Persons, including the Debtor, and without interference from any other Person (as defined below).

- 4. Notwithstanding anything in paragraph 3 of this Order, the Receiver shall not be empowered or authorized to manage, operate, or carry on the business of the Debtor or to perform any contractual obligation of the Debtor.
- 5. Notwithstanding anything in paragraph 3 of this Order, the Receiver shall provide to any secured creditor who requests information of the Debtor relating to amounts owing by the Debtor pursuant to the *Income Tax Act*, RSC 1985, c 1, or the *Excise Tax Act*, RSC 1985, c E-15, any such information within the Receiver's knowledge at the time of such request.

Duty to Provide Access and Co-operations to the Receiver

- 6. (i) The Debtor, (ii) all of its current and former directors, officers, employees, agents, accountants, legal counsel and shareholders, and all other persons acting on its instructions or behalf, and (iii) all other individuals, firms, corporations, governmental bodies or agencies, or other entities having notice of this Order including, without limitation, any authorized agent acting on behalf of MCMF in connection with any of MCMF's rights or authority arising from the October 20, 2022, Order granted by the Honourable Applications Judge B.W. Summers in these proceedings (all of the foregoing, collectively, being "**Persons**" and each being a "**Person**") shall forthwith advise the Receiver of the

existence of any Property in such Person's possession or control, shall grant immediate and continued access to the Property to the Receiver, and shall deliver all such Property (excluding Property subject to liens the validity of which is dependent on maintaining possession) to the Receiver upon the Receiver's request.

7. All Persons shall forthwith advise the Receiver of the existence of any books, documents, securities, contracts, orders, corporate and accounting records, and any other papers, records and information of any kind related to the Property, and any computer programs, computer tapes, computer disks or other data storage media containing any such information (the foregoing, collectively, the "**Records**") in that Person's possession or control, and shall provide to the Receiver or permit the Receiver to make, retain and take away copies thereof and grant to the Receiver unfettered access to and use of accounting, computer, software and physical facilities relating thereto, provided however that nothing in this paragraph or in paragraph 8 of this Order shall require the delivery of Records, or the granting of access to Records, which may not be disclosed or provided to the Receiver due to the privilege attaching to solicitor-client communication or documents prepared in contemplation of litigation or due to statutory provisions prohibiting such disclosure.
8. If any Records are stored or otherwise contained on a computer or other electronic system of information storage, whether by independent service provider or otherwise, all Persons in possession or control of such Records shall forthwith give unfettered access to the Receiver for the purpose of allowing the Receiver to recover and fully copy all of the information contained therein whether by way of printing the information onto paper or making copies of computer disks or such other manner of retrieving and copying the information as the Receiver in its discretion deems expedient, and shall not alter, erase or destroy any Records without the prior written consent of the Receiver. Further, for the purposes of this paragraph, all Persons shall provide the Receiver with all such assistance in gaining immediate access to the information in the Records as the Receiver may in its discretion require including providing the Receiver with instructions on the use of any computer or other system and providing the Receiver with any and all access codes, account names, and account numbers that may be required to gain access to the information.

No Proceedings Against the Receiver

9. No proceeding or enforcement process in any court or tribunal (each, a "**Proceeding**"), shall be commenced or continued against the Receiver except with the written consent of the Receiver or with leave of this Court.

No Proceedings Against the Debtor or the Property

10. No Proceeding against or in respect of the Debtor concerning or relating to the Property shall be commenced or continued except with the written consent of the Receiver or with leave of this Court and any and all Proceedings currently under way against or in respect of the Property are hereby

stayed and suspended pending further Order of this Court, provided, however, that nothing in this Order shall: (i) prevent any Person from commencing a proceeding regarding a claim that might otherwise become barred by statute or an existing agreement if such proceeding is not commenced before the expiration of the stay provided by this paragraph; and (ii) affect a Regulatory Body's investigation in respect of the debtor or an action, suit or proceeding that is taken in respect of the debtor by or before the Regulatory Body, other than the enforcement of a payment order by the Regulatory Body or the Court. "**Regulatory Body**" means a person or body that has powers, duties or functions relating to the enforcement or administration of an Act of Parliament or of the legislature of a Province.

No Exercise of Rights of Remedies

11. All rights and remedies of any Person, whether judicial or extra-judicial, statutory or non-statutory (including, without limitation, set-off rights) against or in respect of the Debtor or the Receiver in connection with or affecting the Property are hereby stayed and suspended and shall not be commenced, proceeded with or continued except with leave of this Court or the express written consent of the Receiver, provided, however, that nothing in this Order shall:
 - (a) empower the Debtor to carry on any business that the Debtor is not lawfully entitled to carry on;
 - (b) prevent the filing of any registration to preserve or perfect a security interest;
 - (c) prevent the registration of a claim for lien; or
 - (d) exempt the Debtor from compliance with statutory or regulatory provisions relating to health, safety or the environment.
12. Nothing in this Order shall prevent any party from taking an action against the Debtor where such an action must be taken in order to comply with statutory time limitations in order to preserve their rights at law, provided that no further steps shall be taken by such party except in accordance with the other provisions of this Order, and notice in writing of such action be given to the Receiver at the first available opportunity.
13. No Person shall accelerate, suspend, discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by the Debtor in relation to or concerning the Property, except with the written consent of the Debtor and the Receiver, or leave of this Court. All persons having oral or written agreements or arrangements with the Debtor, including without limitation all computer software, communication and other data services, insurance, transportation, maintenance services, other services to the Debtor in connection with the Property are hereby restrained until further order of this Court from discontinuing, altering, interfering with, suspending or terminating the supply of such

goods or services as may be required by the Debtor or exercising any other remedy provided under such agreements or arrangements.

Receiver to Hold Funds

14. All funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the "**Post Receivership Accounts**") and the monies standing to the credit of such Post Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further order of this Court.

Employees

15. The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*, SC 2005, c.47 ("**WEPPA**").
16. Pursuant to clause 7(3)(c) of the *Personal Information Protection and Electronic Documents Act*, SC 2000, c. 5, the Receiver shall disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a "**Sale**"). Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

Limitations on Environmental Liabilities

17. (a) Notwithstanding anything in any federal or provincial law, the Receiver is not personally liable in that position for any environmental condition that arose or environmental damage that occurred:
 - i. before the Receiver's appointment; or

- ii. after the Receiver's appointment unless it is established that the condition arose or the damage occurred as a result of the Receiver's gross negligence or wilful misconduct.
- (b) Nothing in sub-paragraph (a) exempts a Receiver from any duty to report or make disclosure imposed by a law referred to in that sub-paragraph.
- (c) Notwithstanding anything in any federal or provincial law, but subject to sub-paragraph (a) hereof, where an order is made which has the effect of requiring the Receiver to remedy any environmental condition or environmental damage affecting the Property, the Receiver is not personally liable for failure to comply with the order, and is not personally liable for any costs that are or would be incurred by any person in carrying out the terms of the order,
 - i. if, within such time as is specified in the order, within 10 days after the order is made if no time is so specified, within 10 days after the appointment of the Receiver, if the order is in effect when the Receiver is appointed, or during the period of the stay referred to in clause ii below, the Receiver:
 - A. complies with the order, or
 - B. on notice to the person who issued the order, abandons, disposes of or otherwise releases any interest in any real property affected by the condition or damage;
 - ii. during the period of a stay of the order granted, on application made within the time specified in the order referred to in clause (i) above, within 10 days after the order is made or within 10 days after the appointment of the Receiver, if the order is in effect when the Receiver is appointed, by:
 - A. the court or body having jurisdiction under the law pursuant to which the order was made to enable the Receiver to contest the order; or
 - B. the court having jurisdiction in bankruptcy for the purposes of assessing the economic viability of complying with the order; or
 - iii. if the Receiver had, before the order was made, abandoned or renounced or been divested of any interest in any real property affected by the condition or damage.

Limitation on the Receiver's Liability

18. Except for gross negligence or wilful misconduct, as a result of its appointment or carrying out the provisions of this Order the Receiver shall incur no liability or obligation that exceeds an amount for which it may obtain full indemnity from the Property. Nothing in this Order shall derogate from

any limitation on liability or other protection afforded to the Receiver under any applicable law, including, without limitation, Section 14.06, 81.4(5) or 81.6(3) of the BIA.

Receiver's Accounts

19. The Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case, incurred at their standard rates and charges. The Receiver and counsel to the Receiver shall be entitled to the benefits of and are hereby granted a charge (the "**Receiver's Charge**") on the Property, which charge shall not exceed an aggregate amount of \$50,000.00 as security for their professional fees and disbursements incurred at the normal rates and charges of the Receiver and such counsel, both before and after the making of this Order in respect of these proceedings, and the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, deemed trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person but subject to section 14.06(7), 81.4(4) and 81.6(2) of the BIA.
20. The Receiver and its legal counsel shall pass their accounts from time to time.
21. Prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including the legal fees and disbursements, incurred at the normal rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

Funding of the Receivership

22. The Receiver be at liberty and it is hereby empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$50,000.00 (or such greater amount as this Court may by further order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the "**Receiver's Borrowings Charge**") as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, deemed trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver's Charge and the charges set out in sections 14.06(7), 81.4(4) and 81.6(2) of the BIA.
23. Neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

24. The Receiver is at liberty and authorized to issue certificates substantially in the form annexed as Schedule "A" hereto (the "**Receiver's Certificates**") for any amount borrowed by it pursuant to this Order.
25. The monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver's Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver's Certificates.
26. The Receiver shall be authorized to repay any amounts borrowed by way of Receiver's Certificates out of the Property or any proceeds, including any proceeds from the sale of any assets without further approval of this Court.

Allocation

27. Any interested party may apply to this Court on notice to any other party likely to be affected, for an order allocating the Receiver's Charge and Receiver's Borrowings Charge amongst the various assets comprising the Property

General

28. The Receiver may from time to time apply to this Court for advice and directions in the discharge of its powers and duties hereunder.
29. Notwithstanding Rule 6.11 of the *Alberta Rules of Court*, unless otherwise ordered by this Court, the Receiver will report to the Court from time to time, which reporting is not required to be in affidavit form and shall be considered by this Court as evidence. The Receiver's reports shall be filed by the Court Clerk notwithstanding that they do not include an original signature.
30. Nothing in this Order shall prevent the Receiver from acting as a trustee in bankruptcy of the Debtor.
31. This Court hereby requests the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in any foreign jurisdiction to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order, to grant representative status to the Receiver in any foreign proceeding, or to assist the Receiver and its agents in carrying out the terms of this Order.
32. The Receiver be at liberty and is hereby authorized and empowered to apply to any court, tribunal, regulatory or administrative body, wherever located, for the recognition of this Order and for assistance in carrying out the terms of this Order and that the Receiver is authorized and

empowered to act as a representative in respect of the within proceedings for the purpose of having these proceedings recognized in a jurisdiction outside Canada.

33. The Plaintiff shall have its costs of this application, up to and including entry and service of this Order, provided for by the terms of the Plaintiff's security or, if not so provided by the Plaintiff's security, then on a substantial indemnity basis, including legal costs on a solicitor-client full indemnity basis, to be paid by the Receiver from the proceeds of the Property with such priority and at such time as this Court may determine.
34. Any interested party may apply to this Court to vary or amend this Order on not less than 7 days' notice to the Receiver and to any other party likely to be affected by the order sought or upon such other notice, if any, as this Court may order.

Filing

35. This Order is issued and shall be filed in Court of King's Bench Action No. 2203-13202.
36. The Receiver shall establish and maintain a website in respect of these proceedings at <https://mnpdebt.ca/en/corporate/corporate-engagements/radiant-technologies-inc> the "**Receiver's Website**") and shall post there as soon as practicable:
 - (a) all materials prescribed by statute or regulation to be made publicly available; and
 - (b) all applications, reports, affidavits, orders and other materials filed in these proceedings by or on behalf of the Receiver, or served upon it, except such materials as are confidential and the subject of a sealing order or pending application for a sealing order.
37. Service of this Order shall be deemed good and sufficient by:
 - (a) serving the same on:
 - i. the persons listed on the service list created in these proceedings or otherwise served with notice of these proceedings;
 - ii. any other person served with notice of the application for this Order;
 - iii. any other parties attending or represented at the application for this Order; and
 - (b) posting a copy of this Order on the Receiver's Websiteand service on any other person is hereby dispensed with.

[Space intentionally Left Blank - Endorsement on Next Page]

38. Service of this Order may be effected by facsimile, electronic mail, personal delivery or courier. Service is deemed to be effected the next business day following transmission or delivery of this Order.

APPENDIX E

Terms & Conditions

**RADIANT TECHNOLOGIES INC. AND 1631807 ALBERTA LTD.
TERMS AND CONDITIONS OF SALE**

1. MNP Ltd. ("**MNP**" or "**Receiver**"), in its capacity as the court-appointed Receiver certain personal property owned by of Radiant Technologies Inc. and 1631807 Alberta Ltd. ("**Radiant**" or the "**Companies**") will consider written offers to purchase or proposals to liquidate (an "**Offer**") Radiant's right, title and interest, if any, in the assets described in Schedule "A" hereto (the "**Assets**").
2. The submission of an Offer to MNP shall constitute an acknowledgment and an acceptance by the prospective purchaser (the "**Purchaser**") that these Terms and Conditions of Sale are incorporated by reference into, and form part of, the Purchaser's Offer.
3. Acceptance of any Offer received by MNP shall be expressly conditional on obtaining the approval of the Court of the King's Bench of Alberta (and the superior court of any other Province or Territory), required to convey title to the Assets in accordance with these Terms and Conditions in a form and content satisfactory to MNP. Without limiting the generality of the foregoing, such approval of the Court shall include such Sale Approval and Vesting Order(s) ("**SAVO**") and such Recognition Order(s) as the Receiver and its legal counsel may require. Notwithstanding anything herein to the contrary, no Offer shall be binding on MNP unless and until such Court approval has been obtained.
4. If any Offer is accepted by the Receiver and the Court of the King's Bench of Alberta (and the superior court of any other Province or Territory), required to convey title to the Assets in accordance with these Terms and Conditions, then notification of such acceptance shall be transmitted to the Purchaser by notice in writing sent to the Purchaser named in the Offer at the address set forth in the Purchaser's Offer, such notice to be given by electronic transmission or any such other form.
5. Completion of the purchase and sale of the Assets will take place 14 Business Days after the expiration of any appeal period for the SAVO, or such earlier or later date as may be agreed to between the Receiver and the Purchaser in writing (the "**Closing Date**"). The term "**Business Day**" shall mean a day which is not a Saturday, Sunday or statutory holiday.
6. The completion of the purchase and sale shall take place on the Closing Date at such place and time as MNP may advise the Purchaser in writing.
6. At the Closing Date, provided that the purchase price together with all applicable taxes have been paid, MNP shall execute and deliver to the Purchaser all such bills of sale, transfers, deeds, assignments, and other documents as may be reasonably necessary to convey Radiant's interests in the Assets to the Purchaser in exchange for payment of the purchase price. Any such transfers, deeds, assignments, and other documents shall be in a form and content satisfactory to MNP (acting reasonably) and shall not contain

any covenant or representation other than as specifically provided in these terms and conditions.

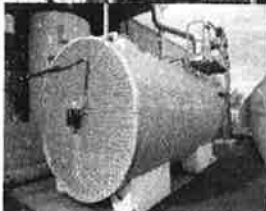

8. By submitting an Offer, the Purchaser acknowledges that it has inspected the Assets and that the Assets are sold on an "as is, where is" basis at the time of closing and that no representation, warranty or condition is expressed or implied as to title, description, fitness for purpose, merchantability, quantity, condition, cost, or quality thereof or compliance of the Assets (including any lands or buildings) with environmental laws and requirements, or in respect of any other matter or thing whatsoever. Without limitation, all Assets are specifically offered as they exist on closing and with no adjustments to be allowed to the Purchaser for changes in conditions, qualities or quantities of such parcels from the date hereof to the Closing Date. The Purchaser acknowledges that MNP is not required to inspect or count, or provide any inspection or counting of the Assets or any part thereof and the Purchaser shall be deemed to have relied entirely on its own inspection and investigation including an independent investigation by the Purchaser of current and past uses of the Assets to satisfy the Purchaser as to the effects of any environmental laws, regulations or requirements upon the Assets or the transfer to the Purchaser of the Assets. It shall be the Purchaser's sole responsibility to obtain, at its own expense, any consent to such transfer or assignment and any further documents or assurances which are necessary or desirable in the circumstances, with the exception of obtaining any court orders, including if required, the consent of any municipality or lessor of the Assets.
9. All conditions and warranties expressed or implied by the Alberta *Sale of Goods Act*, RSA 2000, c S-2 are expressly waived with respect to the Assets.
10. From and after the Closing Date, all risk of loss and damage to the purchased Assets shall be borne solely by the Purchaser.
11. Should the Receiver be unable to complete the sale of any Assets subject to an Offer due to a defect in title, the Receiver and the Purchaser may negotiate an adjustment to the purchase price, failing which the Receiver may terminate any agreement for purchase and sale and return the deposit to the Purchaser. The Purchaser shall have no remedy against the Receiver in such instance other than the return of the deposit, if applicable.
12. MNP shall not be required to produce any tax certificate, clearance certificate, abstract of title or documents or copies thereof or any evidence as to title, other than those in its actual possession.
13. MNP shall remain in possession of the Assets until the purchase price thereof has been paid in full.
14. All Offers must be submitted in the enclosed form of "Offer to Purchase". Supplemental information must be in written form, signed by a duly authorized officer(s) of the entity making the Offer. Offers received that are not in the attached form or which amend the attached form may, at the sole discretion of MNP, be rejected.

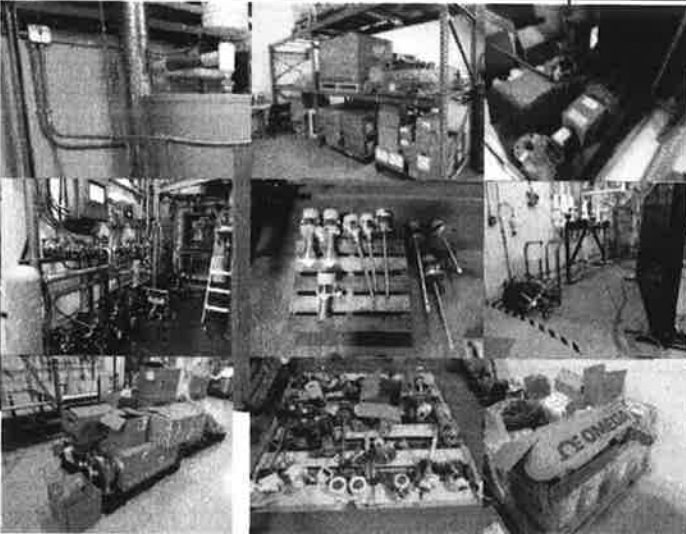

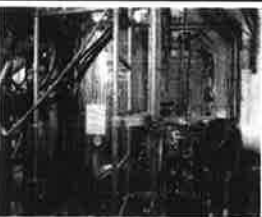

15. All Offers must be accompanied by a bank draft or certified cheque payable to "MNP Ltd. – In Trust" in an amount equal to not less than 20% of the gross purchase price offered for the Assets. If the Offer is accepted, this draft or cheque shall be deemed a non-refundable cash deposit and shall be forfeited to MNP on account of liquidated damages if the contemplated sale is not completed by the Purchaser by reason of the Purchaser's default or failure to comply with these Terms and Conditions of Sale, in which case the Receiver may resell the Assets and the Purchaser shall be liable for any deficiency resulting from the resale, including all costs and expenses in connection with the resale, including ongoing costs of occupancy and all legal costs of the Receiver on a solicitor and own client, full indemnity basis.
16. The acceptance of any Offer is subject to MNP and the Purchaser entering into an Agreement of Purchase and Sale or Auction Agreement on terms and in a form acceptable to MNP.
17. In consideration of MNP making available to purchasers these Terms and Conditions of Sale, any other information, and the opportunity of inspection, and/or in consideration of receiving and considering any Offer to be submitted hereunder, the Purchaser agrees that its Offer is irrevocable and cannot be retracted, withdrawn, varied, or countermanded prior to acceptance or rejection thereof.
18. In the event that any Offers are substantially in the same terms and/or amounts as determined by MNP, the Receiver may, in its sole discretion, call upon those Purchasers to re-submit revised Offers to MNP for its final consideration. Each Purchaser agrees that the re-submission contemplated under this section is a fair and reasonable manner of proceeding in the case of Offers in substantially the same terms and/or amounts.
19. Although the Receiver will entertain piecemeal Offers, preference will be given to en-bloc Offers.
16. The balance of the purchase price, subject to normal adjustments, shall be paid on or before the Closing Date. The closing shall take place at the offices of McLennan Ross LLP, Edmonton, Alberta.
20. The Purchaser shall pay to MNP on closing, in addition to the balance of the purchase price, all applicable federal, provincial and states taxes, unless the applicable exemption certificates are presented to MNP on or before the Closing Date.
21. The Purchaser shall be solely responsible for any costs to gain access to or in the Assets, if any. The Assets shall be removed at the sole cost and expense of the Purchaser forthwith after the Closing Date. The Purchaser shall be responsible and shall repair as required by the Receiver, any damage caused by the removal.
22. The Purchaser shall assume, at its cost, complete responsibility for compliance with all municipal, provincial, and federal laws insofar as the same apply to the Assets and the use thereof by the Purchaser.

23. The highest or any Offer shall not necessarily be accepted. Each purchaser agrees that MNP shall be entitled to accept whichever Offer, if any, MNP, in its sole unrestricted discretion, considers to be the most advantageous. Each purchaser further agrees that MNP shall have the unfettered right to discuss and clarify any Offer with the submitting purchaser.
24. MNP reserves the right to amend or terminate the Offer process at any time.
25. The obligation of MNP to complete any Agreement of Purchase and Sale shall be relieved if, on or before the Closing Date:
 - any Asset which is the subject of an Agreement of Purchase and Sale is removed from the control of MNP by any means or process; or
 - any such Asset is redeemed.
26. In either case of paragraph 25, the sole obligation of MNP to the Purchaser shall be to return the deposit without interest or deduction.
27. The validity and interpretation of these Terms and Conditions of Sale, and each provision and part thereof, this sales process, any Offer and any sale of the Assets shall be governed by the laws of the Province of Alberta and the laws of Canada applicable therein; and the Receiver, and any offeror or Purchaser irrevocably and exclusively attorn to the jurisdiction of the Courts of the Province of Alberta.
28. All stipulations as to time are strictly of the essence.
29. The Purchaser shall assume, at the Purchaser's cost, complete responsibility for compliance with all laws, municipal, provincial, or federal insofar as the same apply to the Assets (including the lands and buildings) and the use thereof by the Purchaser.
30. The Purchaser(s) agree(s) to accept title to any real property subject to work orders, municipal requirements, including building or zoning by-laws and regulations, easements for hydro, gas, telephone, or any other utility affecting the real property, like services to the real property, and restrictions and/or covenants which run with the real property.
31. MNP reserves the right to withdraw any parcel or any part thereof if there is any actual, threatened, or anticipated litigation with respect to any Assets or any part thereof, or if any Assets have been redeemed or if the security under which MNP was appointed is deemed invalid, or the Assets or any part thereof have been sold directly to another third party outside of this tender process. If MNP exercises the right, unless the Receiver and the Purchaser agree in writing to an adjustment of the purchase price or such other amendment as is agreeable to both parties, the Agreement of Purchase and Sale affecting such parcel(s) shall be automatically terminated and deemed null and void and the deposit money shall be refunded to the Purchaser without interest, costs, compensation or deduction and neither party shall be liable to the other for any costs or damages whatsoever.

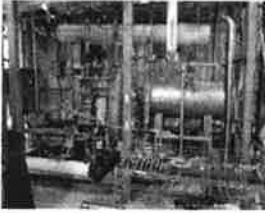

32. MNP is acting in its capacity as the Receiver of Radiant Technologies Inc, and 1631807 Alberta Ltd. and not in its personal capacity.
33. These Terms and Conditions of Sale, any Offer, and any Agreement of Purchase and Sale shall constitute the entire agreement between the Purchaser and the Receiver and may only be amended in writing.
