Schedule 1	Sale and Investment Solicitation Process
Schedule 2	Stalking Horse Purchase Agreement

INTRODUCTION

1. On August 19, 2022 (the “Receivership Date”), the Court of Queen’s Bench of Alberta, as it was known at the time (the “Court”), granted an Order (the “Receivership Order”) appointing MNP Ltd. as Receiver (the “Receiver”), without security, over all of the current and future assets, undertakings and properties of every nature and kind whatsoever, and wherever situate, including all proceeds thereof (the “Property”) of SolvAQUA Inc. (“SolvAQUA” or the “Company”).
2. The Receivership Order was granted following an application by Arnaki Ltd. (“Arnaki”), who has a secured claim of approximately \$7.9 million (the “Arnaki Claim”) pursuant to various general security agreements (the “Arnaki Security”).
3. SolvAQUA was incorporated in the Province of Alberta on June 19, 2019 with Mr. Chris Tesarski being listed as its sole director and shareholder. The Company was in the business of providing proprietary wastewater management solutions based on nanopolymerization technology (the “Technology”) that allowed isolated areas to reuse water, thereby decreasing freshwater usage. SolvAQUA’s business plan involved implementing the Technology in foreign jurisdictions.
4. At the Receivership Date, SolvAQUA had very limited operations and did not have any designated office space. The Company previously operated out of premises located at 300, 340 Midpark Way SE, Calgary, Alberta and had a registered office of 1000 – 250 2nd Street SW, Calgary, Alberta.
5. Copies of the relevant documents relating to these proceedings are available on the Receiver’s website at <https://mnpdebt.ca/en/corporate/corporate-engagements/Solvaqua-inc>.

NOTICE TO READER

6. In preparing this report and making comments herein, the Receiver has relied upon, certain unaudited, draft or internal financial information, including the Company’s books and records, and information from other third-party sources (collectively, the “Information”). The Receiver has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with generally accepted assurance standards or other standards established by the Chartered Professional Accountants of Canada (the “Standards”). Additionally, none of the Receiver’s procedures were intended to disclose defalcations or other irregularities. If the Receiver were to perform additional procedures or to undertake an audit examination of the Information in accordance with the Standards, additional matters may have come to the Receiver’s attention. Accordingly, the Receiver does not express an opinion, nor does it provide any other form of assurance on the financial or other information presented herein. The Receiver may refine or alter its observations as further information is obtained or brought to its attention after the date of this report.
7. All amounts included herein are in Canadian dollars unless otherwise stated.

PURPOSE OF THE REPORT

8. This report constitutes the First Report of the Receiver (the “First Report”). The First Report is being filed in support of the Receiver’s application to this Honourable Court returnable on October 20, 2022 (the “October 20 Hearing”) requesting the following relief:
 - 8.1. Approving a sale and investor solicitation process (the “SISP”), a copy of which is attached as “Schedule 1” hereto, pursuant to which the Receiver will solicit offers for the sale of the Property, or investment in all or part of the Company’s business (the “Business”);
 - 8.2. Approving the transaction (the “Stalking Horse Transaction”) contemplated in the stalking horse asset purchase agreement, which will be executed substantially in the form attached hereto as “Schedule 2” (the “Stalking Horse Agreement”) between the Receiver and 2464525 Alberta Ltd. (the “Stalking Horse Purchaser”); and
 - 8.3. Approving the actions and activities of the Receiver as set out in this First Report, provided that only the Receiver, in its personal capacity and with respect to its own personal liability, shall be entitled to rely upon or utilize in any way such approvals.

ACTIVITIES OF THE RECEIVER

9. The Receiver’s activities since the Receivership Date include, among other things:
 - 9.1. Taking possession and control of the Company’s available books and records;
 - 9.2. Contacting SolvAQUA’s banking institution and requesting that the Company’s account be set to deposit only and all funds be remitted to the Receiver;
 - 9.3. Attending the premises of Rotating Right (2016) Inc. (“Rotating Right”), located at 101, 3903 75 Avenue in Leduc, Alberta, where various equipment and chemicals used to implement the Technology (the “Equipment”) are currently being held;
 - 9.4. Arranging insurance coverage for the Equipment;
 - 9.5. Opening a GST account with Canada Revenue Agency (“CRA”) for the Receiver;
 - 9.6. Opening a trust account in the name of the Receiver;
 - 9.7. Terminating existing contractors and engaging two contractors to assist during the SISP;
 - 9.8. Setting up and maintaining the Receiver’s website for the proceedings;
 - 9.9. Preparing and issuing all statutory reporting as required pursuant to subsections 245(1) and 246(1) of the *Bankruptcy and Insolvency Act*;
 - 9.10. Preparing the SISP and working with the Stalking Horse Purchaser to develop the Stalking Horse Agreement;

- 9.11. Directing the Receiver's legal counsel, Cassels Brock & Blackwell LLP ("Cassels"), to complete an independent review the Arnaki Security; and
- 9.12. Responding to various creditor/ stakeholder inquiries.

ASSETS

10. At the Receivership Date, the Company was holding the following Property in connection with the Technology:
 - 10.1. Cash held in financial institutions totaling approximately \$200;
 - 10.2. The Equipment includes of: (i) five large and four small wastewater management units in various stages of completion and the associated chemicals that are being held at the premises of the equipment manufacturer, Rotating Right and (ii) one additional small unit, which was sent overseas for use in a client demonstration. The Equipment consists of various components assembled to implement the Technology, which are assigned serial numbers by Rotating Right. The Receiver notes as follows with respect to the Equipment:
 - 10.2.1. Two of the large units, both with serial number J-888011-A (the "Vivakor Equipment") were manufactured pursuant to a contract between SolvAQUA and Vivaventures, Inc., a wholly owned subsidiary of Vivakor Inc. ("Vivakor") executed on April 17, 2020 (the "Vivakor Contract"). The Receiver is advised that Vivakor is in default under the terms of the Vivakor Contract for failing to pay for the Vivakor Equipment (the Vivakor Default").
 - 10.2.2. SolvAQUA held an export receivables policy no. SE102960 (the "EDC Policy") with Export Development Canada ("EDC"). A claim was advanced under the EDC Policy related to the Vivakor Default (the "Vivakor Claim"). EDC partially accepted the Vivakor Claim, resulting in a payment of approximately \$1.4 million US (the "Vivakor Payout") being issued to Murchinson Inc. (Arnaki's parent company) as the first loss payee under the EDC Policy. SolvAQUA continues to have a claim related to any balance that may be payable under the Vivakor Claim.
 - 10.2.3. Based on the Vivakor Payout, EDC has taken the position that they own the Vivakor Equipment (the "EDC Ownership Claim"). EDC's position appears to be based on Section 26 of the EDC Policy – General Terms and Conditions as well as an assignment agreement between EDC and SolvAQUA, effective February 1, 2022. Cassels has reviewed the EDC Ownership Claim and, based on the documentation provided, are of the view that, while EDC has taken an assignment of all rights in debts and choses in action related to the Vivakor Claim, they do not have an ownership interest in the Vivakor Equipment, which remains subject to the Arnaki Security. Cassels is having ongoing

discussions with EDC's legal counsel regarding any additional documentation that should be considered related to the EDC Ownership Claim.

- 10.3. SolvAQUA may have claims related to alleged breaches under various contracts that were previously held by SolvAQUA, in particular with the Clear Capital Group of Companies and any other claims under the EDC Policy (the "SolvAQUA Claims");
 - 10.4. The Receiver is currently assessing the Company's eligibility to claim scientific research and development tax credits (the "SR&ED Credits") in connection with the annual corporate tax filings; however, SolvAQUA has limited books and records and the quantum and availability of such SR&ED Credits remains uncertain; and
11. As the Company has limited books and records, the Receiver has not yet undertaken a review of any transactions that occurred prior to the Filing Date that may constitute a transfer at undervalue or a fraudulent preference as defined by subsections 95 and 96 of the *Bankruptcy and Insolvency Act*.

CREDITORS

Secured creditors

12. As noted above, approximately \$7.9 million was outstanding pursuant to the Arnaki Claim at the Receivership Date. The Receiver's legal counsel, Cassels, has completed an independent review of the Arnaki Security and determined that, subject to the usual assumptions and qualifications:
 - 12.1. the Arnaki security documents (the "Security Documents") create a security interest in favour of Arnaki in the "Collateral" (as that term is defined in the Security Documents) to which the *Personal Property Security Act* (Alberta) applies and in which SolvAQUA now has rights, and is sufficient to create a security interest in favour of Arnaki in the Collateral in which SolvAQUA hereafter acquires rights when those rights are acquired by SolvAQUA, in each case to secure payment and performance of the obligations described in the Security Documents as being secured;
 - 12.2. registration has been made in all public offices provided for under the laws of Alberta where such registration is necessary to preserve, protect, or perfect the security interests created by the Security Documents in the Collateral in which SolvAQUA has rights; and
 - 12.3. the Security Documents constitute legal, valid and binding obligations of SolvAQUA in Alberta, enforceable against it in accordance with its terms.
13. The Receiver notes that both Mr. Sean Campbell, who is listed as having a claim for approximately \$350,000 (the "Campbell Claim") and Mr. Bruce Bower, who is listed as having a claim for approximately \$50,000 (the "Bower Claim") have represented that their claims may constitute secured interests against the Company. Based on the documentation provided, however, the Receiver is of the view that the Campbell Claim and the Bower Claim are unsecured. In particular,

the only registrations against SolvAQUA in the Alberta Personal Property Registry are by Arnaki and EDC (the “EDC Registration”). The Receiver notes that the EDC Registration occurred on August 24, 2022, following the Receivership Date.

Potential Priority Creditors

14. The Receiver understands that SolvAQUA has not completed any required Canada Revenue Agency (“CRA”) filings or remittances since its inception. Any potential claims by CRA will be referred to as the “CRA Claims”. The Company had one employee, who had been terminated prior to the Receivership Date. Based on the information provided, the Receiver estimates that CRA will have a claim for approximately \$10,600 for payroll source deductions. As the Receiver understands that SolvAQUA generated little to no revenue from its operations, the Receiver anticipates that the Company will not have any pre-filing GST obligations.
15. Rotating Right has indicated that they have a claim for approximately \$560,000 for unpaid work on the Equipment and storage fees for the Equipment (the “Rotating Right Claim”) for which they may be asserting a claim under the *Garage Keepers’ Lien Act*. The Receiver has requested but has not yet received additional supporting information in order to assess the Rotating Right Claim.

Unsecured Creditors

16. At the Receivership Date, the Company listed unsecured creditors of approximately \$1.4 million, which includes the Rotating Right Claim.

PROPOSED STALKING HORSE AGREEMENT

17. The Receiver has engaged in discussions with the Stalking Horse Purchaser who has indicated that it wishes to acquire all of the Property for the purpose of continuing the business of the Company. Following these discussions, the Receiver worked with the Stalking Horse Purchaser to develop the Stalking Horse Agreement, a copy of which is attached as “Schedule 2” hereto. The Stalking Horse Agreement sets out the terms of the Stalking Horse Purchaser’s offer.
18. The Receiver consulted with Cassels, Arnaki and Arnaki’s counsel and further reviewed various financial and operational information of the Company. Based on its review and consultation, the Receiver is of the view that the optimal path to maximize value for the Company’s creditors and stakeholder in the circumstances is to run a sales process for the Company, backed by a stalking horse bid. In particular, the Receiver notes that SolvAQUA’s business is largely dormant, the Equipment is highly specialized, and the units are in various stages of completion, which will limit the number of potential purchasers. In addition, any realization from the SolvAQUA Claims is highly uncertain.

19. The key terms of the Stalking Horse Transaction are summarized below:
 - 19.1. The Purchased Interest (as defined in the Stalking Horse Agreement) will be purchased on an “as is, where is” basis;
 - 19.2. Closing of the Stalking Horse Transaction is to occur by December 21, 2022 or such other date as may be agreed upon by the Receiver and the Stalking Horse Purchaser;
 - 19.3. The purchase price under the Stalking Horse Agreement is comprised of:
 - 19.3.1. a cash payment sufficient to pay any amounts that rank in priority to the Arnaki Security, including the costs associated with the administration of the Receivership, a cash purchase price for the Vivakor Equipment (to the extent that the EDC Ownership Claim is determined to be valid, the Vivakor Equipment is determined not to be subject to the Arnaki Security and the Stalking Horse Purchaser wishes to purchase the Vivakor Equipment), the CRA Claim and a holdback to provide for amounts required to complete the Stalking Horse Transaction; and
 - 19.3.2. the payment of the balance of the purchase price being \$2.5 million, to be paid by way of set-off against (as a non-cash credit reduction of) the Arnaki Claim.
 - 19.4. The Stalking Horse Agreement contemplates that the Stalking Horse Purchaser will be entitled to reimbursement for its expenses and a transaction fee in the aggregate amount of \$175,000 (the “Expense Reimbursement and Transaction Fee”) in the event that the Stalking Horse Purchaser is not the Successful Bidder (as defined in the SISP).
 - 19.5. The Stalking Horse Agreement contemplates that the Stalking Horse Transaction will be approved by the Court and effected through a Sale Approval and Vesting Order (the “Vesting Order”).
 - 19.6. Upon closing of the Stalking Horse Transaction, the Property will be transferred to the Stalking Horse Purchaser free and clear of all encumbrances with the exception of any permitted incumbrances set out in the Vesting Order granted in respect of the Transaction;
 - 19.7. The Stalking Horse Agreement contemplates the payment of a deposit in the amount of \$100,000 (the “Deposit”), which shall be held by the Receiver and retained by the Receiver if the Stalking Horse Transaction fails to close for any reason caused by the Stalking Horse Purchaser.
 - 19.8. The Vivakor Equipment is defined in the Stalking Horse Agreement. To the extent that the EDC Ownership Claim is determined to be valid, the Vivakor Equipment is determined not to be subject to the Arnaki Security and the Stalking Horse Purchaser wishes to acquire the

Vivakor Equipment, an amount will be allocated in the Stalking Horse Agreement to provide for the cash purchase of the Vivakor Equipment.

20. Should the Stalking Horse Agreement be the Successful Bid (as defined in the SISP), the Stalking Horse Agreement would see the Stalking Horse Purchaser take possession and control of the Purchased Assets. Based on the amount of the Arnaki Claim, the Receiver does not anticipate that there will be any circumstance where an amount will be available for distribution to SolvAQUA's unsecured creditors.

SALE AND INVESTOR SOLICITATION PROCESS

21. The SISP sets out the terms whereby a competing bidder will be determined to have submitted an offer that is superior to the Stalking Horse Agreement (a "Superior Offer"). In the event that there is no Superior Offer, the Receiver will immediately seek the Vesting Order, as described above. If a Superior Offer is received, the Receiver will conduct an auction by November 30, 2022 ("the Auction"), the procedures for which are outlined below and in "Schedule B" of the SISP. If the Auction results in another offer being selected as the Successful Offer, the Receiver will immediately seek approval of the agreement contemplated in the Successful Offer and proceed with closing the corresponding transaction.
22. At the October 20 Hearing, the Receiver is seeking approval of the SISP, a copy of which is attached hereto as "Schedule 1". The SISP was developed in conjunction with the Stalking Horse Agreement in order to market the Business and Property to a wide audience and in an open and transparent manner and to maximize realizations. The use of the Stalking Horse Agreement sets a base price for potential realizations, while providing certainty of a conclusion to the ongoing receivership proceedings.
23. The proposed SISP will be conducted over a five-week period beginning immediately following the October 20 Hearing with the deadline for the submission of binding offer being November 23, 2022. If required, the Auction will be held on November 30, 2022 to determine the outcome of the SISP. The key actions and estimated timeline for the SISP are summarized below:

Milestones	Estimated deadlines
SISP Approval Order granted/ commencement of SISP	October 20, 2022
Distribution of SISP Notice and Teaser	October 21, 2022
Publication of Notice	By October 26, 2022
Bid Deadline	November 23, 2022
Auction (if required)	By November 30, 2022
Sale Approval Hearing	By December 14, 2022
Closing Date	By December 21, 2022

24. The SISP contemplates that the Receiver will, among other things, complete the following tasks:
- 24.1. Arrange for notice of the SISP to be published in the Globe and Mail (National Edition) and any other newspaper or journal as the Receiver considers appropriate;
 - 24.2. Prepare a process summary describing the opportunity and outlining the process under the SISP and a non-disclosure agreement (the “NDA”);
 - 24.3. Provide access to a confidential data room, upon being provided with an executed NDA;
 - 24.4. Determine who constitutes a Qualified Bidder (as defined in the SISP) and assist such Qualified Bidders in performing any required due diligence, including viewing the Equipment;
 - 24.5. Review any offers received from Qualified Bidders to determine if any of them constitute a credible, reasonably certain and financially viable offer, the terms of which offer are more favourable and no more burdensome or conditional than the terms contained in the Stalking Horse Agreement and otherwise meet the definition of a “Superior Offer”, as defined in the SISP;
 - 24.6. If any Superior Offers are received, conduct the Auction; and
 - 24.7. Seek Court approval of the Successful Offer (as defined in the SISP) and executed all documents and take all steps required to complete the corresponding transaction.
25. The SISP is to be conducted on an “as is, where is” basis.
26. The Receiver is supportive of the SISP and is of the view that the SISP is fair and reasonable for the following reasons:

- 26.1. The Receiver believes that the SISP is fair and reasonable and that the timeline established for the SISP provides for sufficient market exposure for the Business and Property. The Receiver notes that SolvAQUA has limited operations and no revenue such that the costs of the receivership proceedings are being borne by Arnaki;
 - 26.2. The SISP is transparent and consistent with similar Court approved sales processes and will be facilitated by the Receiver to maintain the integrity of the SISP;
 - 26.3. The anticipated timeline of 5 weeks is a sufficient timeline for Qualified Bidders to perform any required due diligence; and
 - 26.4. Arnaki is supportive of the SISP and has entered into the Stalking Horse Agreement in order to set a fair "base level" for the SISP. The Receiver is of the view that the Stalking Horse Agreement is fair and reasonable having considered the Property of the Company and the Company's current financial position.
27. The Receiver is of the view that the inclusion of the Stalking Horse Agreement with the SISP is the best option for realizing on the Company's Property, and is fair and reasonable in the circumstances, given that:
- 27.1. The Receiver anticipates that the estimated recovery under the SISP will be greater than a liquidation or auction of the Property due to the highly specialized nature of the Equipment and the fact that the units are in various stages of completion, which will limit the number of potential purchasers;
 - 27.2. The Stalking Horse Transaction provides certainty that the receivership proceedings will be concluded, regardless of whether the Stalking Horse Transaction or another transaction is ultimately selected as the Successful Offer; and
 - 27.3. The Receiver considers the Expense Reimbursement and Transaction Fee to be fair and reasonable and to be within an acceptable range.
28. Based on the foregoing, the Receiver recommends that this Honourable Court approve the SISP and the Stalking Horse Agreement, subject to a Superior Offer being received pursuant to the SISP.

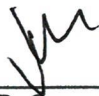

RECOMMENDATION AND CONCLUSION

29. The First Report has been prepared to provide the Court with information on the relief sought by the Receiver at the October 20 Hearing. In particular, the Receiver is supportive of the SISP and the Stalking Horse Agreement for the reasons outlined herein.

All of which is respectfully submitted this 12th day of October 2022.

SCHEDULE 1

SALE AND INVESTOR SOLICITATION

INTRODUCTION

By order of the Court of Queen's Bench of Alberta (the "**Court**") dated August 19, 2022 (the "**Appointment Order**"), MNP Ltd. ("**MNP**") was appointed as receiver and manager (in such capacities, the "**Receiver**"), without security, of all of the assets, undertakings, and properties (the "**Property**") of SolvAQUA Inc. ("**SolvAQUA**" or the "**Company**").

THE OPPORTUNITY

It is anticipated that, on or about October 20, 2022, the Receiver will seek a Court order (the "**SISP Approval Order**") that will, among other things, (i) approve the terms of the binding purchase agreement (the "**Stalking Horse Agreement**") between the Receiver and 2464525 Alberta Ltd. (the "**Stalking Horse Bidder**"), and (ii) approve the stalking horse sale and investment solicitation process ("**SISP**") described herein.

The SISP sets out the manner in which (i) binding bids for transaction alternatives that are superior to the sale transaction to be provided for in the Stalking Horse Agreement will be solicited from interested parties, (ii) any such bid received will be addressed, (iii) any Successful Bidder will be selected, and (iv) Court approval of any Successful Bidder will be sought. Such transaction alternatives may include, among other things, the recapitalization of, investment in, arrangement of or reorganization of the Company or the business of SolvAQUA (the "**Business**") as a going concern or a sale of some or all of the Property or some combination thereof.

The SISP Approval Order, the procedures in respect of the SISP as contained herein (the "**SISP Procedures**"), a Court Order approving the transaction contemplated in the Successful Bid and vesting of the assets as contemplated therein (the "Vesting Order") and any subsequent orders issued by the Court pertaining to the SISP Procedures shall exclusively govern the process for soliciting and selecting bids and ultimately determining the Successful Bid and Successful Bidder.

The purpose of these SISP Procedures is to determine whether a transaction that is superior to the Stalking Horse Transaction can be obtained by the Receiver. For the purposes of these SISP Procedures, a "**Superior Offer**" shall mean:

1. a credible, reasonably certain and financially viable offer made by a Qualified Bidder (as defined herein), the terms of which offer are more favourable and no more burdensome or conditional than the terms contained in the Stalking Horse Agreement; and
2. an offer that provides for cash consideration in an amount equal to or greater than the Purchase Price (as defined in the Stalking Horse Agreement), plus (i) the Expense Reimbursement and Transaction Fee, (ii)

the Priority Payables, and (iii) the Holdback Amount (each as defined in the Stalking Horse Agreement). respectively.

Except to the extent otherwise set forth in a definitive agreement with a Successful Bidder, any sale of the Property or investment in SolvAQUA will be on an "as is, where is" basis and without surviving representations or warranties of any kind, nature, or description by the Receiver, or any of their respective agents, advisors or representatives, and, in the event of a sale, all of the right, title and interest of the Company in and to the Property to be acquired will be sold free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options, and interests therein and thereon pursuant to a Court order, except as otherwise provided in such Court order.

Auction (if required)	By November 30, 2022
Sale Approval Hearing	By December 14, 2022
Closing Date	By December 21, 2022

The Receiver will use reasonable efforts to complete the SISP Procedures in accordance with the timelines as set out herein. The Receiver shall be permitted to make such adjustments to the timeline that it determines are reasonably necessary, acting in its sole discretion.

SOLICITATION OF INTEREST

As soon as reasonably practicable:

1. the Receiver will prepare a list of potential bidders, including (i) parties that have approached the Receiver or SolvAQUA indicating an interest in the opportunity, and (ii) any local and international strategic and financial parties who the Receiver believes may be interested in purchasing all or part of the Business and Property or investing in the Company pursuant to the SISP (collectively, "**Known Potential Bidders**");
2. the Receiver will arrange for a notice of the SISP (and such other relevant information which the Receiver considers appropriate) (the "**Notice**") to be published in The Globe and Mail (National Edition) and any other newspaper or journal as the Receiver considers appropriate, if any; and
3. the Receiver will prepare: (i) a process summary (the "**Teaser**") describing the opportunity, outlining the process under the SISP and inviting recipients of the Teaser to express their interest pursuant to the SISP; and (ii) a non-disclosure agreement in form and substance satisfactory to the Receiver (an "**NDA**").

The Receiver will publish the Notice and send the Teaser and NDA to all Known Potential Bidders beginning on October 21, 2022 and to any other party who requests a copy of the Teaser and NDA or who is identified to the Receiver as a potential bidder as soon as reasonably practicable after such request or identification, as applicable.

INTERESTED PARTIES

Access to Confidential Data Room

Any party who wishes to participate in the SISP must provide to the Receiver, unless the Receiver advises otherwise, a NDA executed by the potential bidder and a letter setting forth the identity of the potential bidder, the contact information for such potential bidder and full disclosure of the direct and indirect principals of the potential bidder.

Upon receiving a NDA from a bidder, such bidder shall be deemed to be a "**Qualified Bidder**". For greater certainty, no bidder shall be deemed to be a Qualified Bidder without the approval of the Receiver.

At any time prior to the Bid Deadline, the Receiver may, in its reasonable business judgment eliminate a Qualified Bidder from the SISP, in which case such Qualified Bidder will no longer be a Qualified Bidder for the purposes of the SISP.

The Receiver will provide each Qualified Bidder with access to a confidential data room providing additional information considered relevant to the Potential Transaction (the "**Confidential Data Room**").

The Receiver and its respective advisors make no representation or warranty as to the information contained in the Confidential Data Room or otherwise made available pursuant to the SISP, except to the extent expressly

contemplated in any definitive agreement with a Successful Bidder ultimately executed and delivered by the Receiver.

Qualified Bidders must rely solely on their own independent review, investigation and/or inspection of all information and of the Property and Business in connection with their participation in the SISP and any Transaction they enter into with the Receiver.

Due Diligence

The Receiver shall, in its reasonable business judgment and subject to competitive and other business considerations, afford each Qualified Bidder such access to due diligence materials and information relating to the Property and Business as they deem appropriate. Due diligence access may include management presentations, access to electronic data, on-site inspections, and other matters which a Qualified Bidder may reasonably request and as to which the Receiver in its reasonable business judgment may agree.

The Receiver will designate a representative to coordinate all reasonable requests for additional information and due diligence access from a Qualified Bidder and the manner in which such requests must be communicated. The Receiver will not be obligated to furnish any information relating to the Property or Business to any person. Further, and for the avoidance of doubt, selected due diligence materials may be withheld from certain Qualified Bidders if the Receiver determines such information to represent proprietary or sensitive competitive information.

FORMAL BINDING OFFERS

Qualified Bidders that wish to make a formal offer to purchase or make an investment in SolvAQUA, the Property and/or Business shall submit a binding offer (the "**Bid**") that complies with all of the following requirements to the Receiver at the addresses specified in Schedule "A" hereto (including by email or fax transmission). The Bids must be received by the Receiver by no later than 5:00 PM (Mountain Time) on November 23, 2022 (the "**Bid Deadline**"). A Bid may be an offer to acquire all, substantially all or a portion of the Property (a "**Sale Proposal**"), or to make an investment in, restructure, reorganize or refinance the Business (an "**Investment Proposal**"), or such other structure as the Bidder may propose. In order to constitute a "**Qualified Bid**", a Bid must comply with the following:

1. it provides for the payment in full in cash on closing of any Priority Payables and the Holdback Amount (each as defined in the Stalking Horse Agreement), unless otherwise agreed to by the applicable holders of such Priority Charge in their sole discretion;
2. it provides for the payment in full in cash on closing of the Vivakor Equipment Purchase Price (as defined in the Stalking Horse Agreement), provided that the Vivakor Equipment forms part of the purchased assets under the Bid and the Receiver advises that the Vivakor Equipment is not owned by SolvAQUA;
3. it provides a detailed 'sources and uses schedule' that identified, with specificity, the amount of cash consideration (the "**Cash Consideration Value**") and any assumptions that could reduce the net consideration payable. At a minimum, the Cash Consideration Value must be sufficient for payment in full

of the items contemplated in Sections 1 and 2 above and the Expense Reimbursement and Transaction Fee (as defined in the Stalking Horse Agreement);

4. in the case of a Sale Proposal, it identifies or contains the following:
 - a) the purchase price in Canadian dollars, including any requested allocation and details of any liabilities to be assumed by the Qualified Bidder;
 - b) a description of the Property that is expected to be subject to the transaction and any of the Property expected to be excluded; and
 - c) a specific indication of the financial capability of the Qualified Bidder and the expected structure and financing of the transaction;
5. in the case of an Investment Proposal, it identifies the following:
 - a) a description of how the Qualified Bidder proposes to structure the proposed investment;
 - b) the aggregate amount of the equity and/or debt investment to be made in the Business in Canadian dollars;
 - c) the underlying assumptions regarding the pro forma capital structure;

The Receiver may (in its sole discretion) waive strict compliance with any one or more of the foregoing requirements and deem such non-compliant bids to be a Qualified Bid. For greater certainty, notwithstanding the requirements specified in Section 1 to 18 above, the Stalking Horse Agreement shall be deemed to be a Qualified Bid.

SELECTION OF SUCCESSFUL BIDDERS

Following the Bid Deadline, the Receiver will assess the Bids received. The Receiver shall approve the disqualification of any Bids that are deemed not to be Qualified Bids. Only Qualified Bidders whose Bids have been designated as Qualified Bids are eligible to become the Successful Bidder(s).

The Receiver shall notify each Qualified Bidder in writing as to whether its Bid constituted a Qualified Bid within two (2) business days following the Bid Deadline, or at such later time as the Receiver deems appropriate.

If no Qualified Bids, other than the Stalking Horse Agreement have been received by the Bid Deadline, then the Receiver may consider an extension of the Bid Deadline for up to 7 business days to allow any party that submitted a Bid to consult with the Receiver and to revise their Bid such that it would provide for, or that might reasonably be expected to provide for, a Superior Offer.

Evaluation of Competing Bids

A Qualified Bid will be evaluated upon many factors, including, without limitation, items such as:

1. the Purchase Price and the net value provided by such Qualified Bid;
2. the identity, circumstances and ability of the Qualified Bidder to successfully complete their proposed transaction;
3. the proposed transaction documents;
4. factors affecting the speed, certainty and value of the proposed transaction;
5. the assets included or excluded from the Qualified Bid;
6. the likelihood and timing of consummating the proposed transaction; and
7. whether the proposed transaction results in a Superior Offer;

each as determined by the Receiver in its sole discretion.

Selection of Successful Bid

The Receiver shall:

1. first, review and evaluate each Qualified Bid, provided that the Receiver may contact any Qualified Bidder to clarify the terms of any Bid, and the applicable Qualified Bidder may amend, modify or vary such Bid for the purpose of clarification;
2. second, identify if any Qualified Bid is a Superior Offer; and
3. third, if one or more Qualified Bids (other than the Stalking Horse Agreement) are considered to be Superior Offers, the receiver shall proceed with an auction process to determine the successful bid(s) (the

"Auction"), which Auction shall be held on or before November 30, 2022 and shall be administered in accordance with the Auction Procedures set out in Schedule "B". The successful bid(s) selected in the Auction shall constitute the **"Successful Bid"**, and the Bidder making such Successful Bid, the **"Successful Bidder"**.

If no Superior Offer is received by the Bid Deadline, the Auction will not be held, the Stalking Horse Bidder will be declared to be the Successful Bidder and the Receiver shall proceed to apply for the Vesting Order. Upon the granting of the Vesting Order, all Qualified Bids other than the Stalking Horse Agreement, if any, shall be deemed rejected by the Receiver on and as of the date of the filing of the Vesting Order.

If the Successful Bidder is a Qualified Bidder other than the Stalking Horse Bidder, the Receiver shall seek to finalize any remaining necessary definitive agreement(s) with respect to the Successful Bid in accordance with the relevant milestones described under the "Timeline" section of this SISP and shall apply to the Court for an order or orders (among other things) approving such Successful Bid and implementing the transaction(s) contained in such Successful Bid. All Qualified Bids other than the Successful Bid, shall be deemed rejected by the Receiver on and as of the date of approval of the Successful Bid by the Court.

DEPOSIT

All deposits shall be held by the Receiver in a single non-interest bearing account designated solely for such purpose. A deposit paid by a Successful Bidder shall be dealt with in accordance with these SISP Procedures and the definitive agreement(s) for the transactions contemplated by the Successful Bid. Deposits paid by Qualified Bidders not selected as the Successful Bidder shall be returned to such Qualified Bidder within five business days of Court approval of the Successful Bid.

AMENDMENTS

Any amendments to this SISP may only be made by the Receiver (acting reasonably), or by further order of the Court.

CONFIDENTIALITY AND ACCESS TO INFORMATION

All discussions regarding a proposed transaction, Sale Proposal, Investment Proposal, Bid or Successful Bid should be directed through the Receiver. Under no circumstances should the management of SolvAQUA or its customers be contacted directly without the prior consent of the Receiver. Any such unauthorized contact or communication could result in exclusion of the interested party from the SISP at the discretion of the Receiver.

Participants and prospective participants in the SISP shall not be permitted to receive any information that is not made generally available to all participants relating to the number or identity of Qualified Bidders, Bids, Qualified Bids, the details of any Bids or Qualified Bids submitted or the details of any confidential discussions or correspondence between the Receiver and such other Qualified Bidders in connection with the SISP, except to the extent that the Receiver, with the consent of the applicable participants, is seeking to combine separate Bids into a single Bid.

Notwithstanding the foregoing, under no circumstances will the Receiver share any material information concerning any of the Bids with any person, except as provided for in the Auction Procedure.

SUPERVISION OF THE SISP

This SISP does not, and will not be interpreted to, create any contractual or other legal relationship between the Receiver and any Qualified Bidder, or any other party, other than as specifically set forth in a definitive agreement that may be signed with the Receiver.

Without limiting the preceding paragraph, the Receiver shall not have any liability whatsoever to any person or party, including without limitation any Qualified Bidder, the Successful Bidder, the Company or any other creditor or other stakeholder of the Company, for any act or omission related to the process contemplated by this SISP Procedure, except to the extent such act or omission is the result of gross negligence or willful misconduct of the Receiver. By submitting a Bid, each Qualified Bidder or Successful Bidder shall be deemed to have agreed that it has no claim against the Receiver in respect of the SISP for any reason whatsoever, except to the extent that such claim is the result of gross negligence or willful misconduct by the Receiver.

Participants in the SISP are responsible for all costs, expenses and liabilities incurred by them in connection with the submission of any Bid, due diligence activities, and any further negotiations or other actions whether or not they lead to the consummation of a transaction.

The Buyer and the Seller shall each be responsible for the preparation of their own statements required to be filed under the Tax Act and other similar forms in accordance with applicable Tax laws.
- (c) All amounts payable by the Buyer to the Seller pursuant to this Agreement are exclusive of any GST, or any other federal, provincial, state or local or foreign value-added, sales, use, consumption, multi-staged, ad valorem, personal property, customs, excise, stamp, transfer, land or real property transfer, or similar Taxes, duties, or charges, or any recording or filing fees or similar charges (collectively, "**Transfer Taxes**"). - (d) The Seller and the Buyer shall jointly make, and the Buyer will file, the election provided for under GST Legislation such that no GST will be payable with respect to the purchase and sale of any of the Purchased Assets. The Buyer shall at all times indemnify and hold harmless the Seller and their directors, officers and employees, against and in respect of any and all amounts assessed by the Minister of National Revenue (Canada) as a consequence of such Minister determining, for any reason, that the election is unavailable, inapplicable, invalid or not properly made.

The Parties acknowledge that the Seller is entitled (but not required) to seek the advice and directions of the Court in respect of any determination to be made, consent right to be exercised or other action to be taken by the Seller under this Agreement.

**ARTICLE 8
COURT ORDER**

8.1 Vesting Order

- (a) The Seller shall file an application with the Court for the issuance of the Vesting Order, which Vesting Order shall only be effective upon the Buyer being determined to be the Successful Bidder and the Receiver filing a certificate substantially in the form attached to the SISP Order. Such application shall be scheduled for a date that is on or before November 30, 2022, or such later date as may be scheduled upon the agreement of the Parties (acting reasonably), due to court availability or pursuant to direction of the Court.
- (b) The Buyer shall cooperate with the Seller acting reasonably, as may be necessary, in obtaining the Vesting Order.
- (c) The Seller shall use its best efforts to obtain the Vesting Order as promptly as practicable.

**ARTICLE 9
TERMINATION**

9.1 Termination

This Agreement may be terminated at any time prior to Closing as follows:

- (a) subject to any approvals required from the Court or otherwise pursuant to the Receivership Proceedings, by mutual written consent of the Seller and the Buyer;
- (b) by either Party, upon written notice to the other, if a Governmental Authority issues an order prohibiting the transactions contemplated hereby, which order shall have become final and non-appealable;
- (c) by either Party, if this Agreement is not the Successful Bid (as determined pursuant to the SISP);
- (d) by either Party upon denial of the SISP Order or the Vesting Order (or if any such order is stayed, vacated or varied with the consent of the Parties);
- (e) by the Seller upon written notice to the Buyer if there has been a material violation or breach by the Buyer of any covenant, representation or warranty which would prevent the satisfaction of any condition set forth in Section 6.1 or 6.3 on the Closing Date and such violation or breach has not been waived by the Seller or cured within five (5) days after written notice thereof from the Seller, unless the Seller is in material breach of their obligations under this Agreement; and
- (f) by the Buyer upon written notice to the Seller, if there has been a material violation or breach by the Seller of any covenant (save and except for the covenants set out in Section 7.2), representation or warranty which would prevent the satisfaction of any condition set forth in Section 6.1 or 6.2 on the Closing Date and such violation or breach has not been waived by the Buyer or cured within five (5) days after written notice thereof from the Buyer, unless the Buyer is in material breach of their obligations under this Agreement.

9.2 Effect of Termination

In the event of termination of this Agreement pursuant to Section 9.1, this Agreement shall forthwith become null and void, except as set forth in Sections 3.2 and Article 11, and nothing herein shall relieve

any Party from liability for any breach of this Agreement, or to impair the right of any Party to compel specific performance by any other Party of its obligations under this Agreement.

9.3 Expense Reimbursement and Transaction Fee

- (a) If the Buyer is not the Successful Bidder (as defined in the SISP) pursuant to the SISP, the Buyer shall be entitled to reimbursement for its expenses and a transaction fee in connection with the Transaction in the aggregate amount of \$175,000 the “**Expense Reimbursement and Transaction Fee**”). Such amount shall be payable by the Successful Bidder to the Buyer in immediately available funds to an account designated by the Buyer concurrently with such closing.
- (b) The payment of the Expense Reimbursement and Transaction Fee shall be approved in the Vesting Order, as contemplated by the SISP, and shall be made in priority to amounts secured by existing security, except as provided in the Vesting Order contemplated by the SISP. Each of the Parties acknowledges that the agreements contained in this Section 9.3 are an integral part of the Transaction and that, without those agreements, the Parties would not enter into this Agreement. The Parties further acknowledge and agree that the Expense Reimbursement and Transaction Fee is a payment of liquidated monetary damages which are a genuine pre-estimate of the costs and damages which the Buyer will suffer or incur as a result of the non-completion of this Agreement, that such payment is not for repayment of current Indebtedness, lost profits or a penalty, and that no Party shall take any position inconsistent with the foregoing. The Seller irrevocably waives any right it may have to raise as a defense that any such liquidated damages are excessive or punitive. Each of the Parties hereby acknowledges and agrees that, under circumstances where the Buyer is entitled to the Expense Reimbursement and Transaction Fee and such amounts are paid in full to the Buyer, the Buyer shall be precluded from any other remedy against the Seller at law or in equity or otherwise in respect of damages for non-completion of this Agreement, and in any such case it shall not seek to obtain any recovery, judgment, or damages of any kind, including consequential, indirect, or punitive damages, against the Seller or any of its respective directors, officers, employees, partners, managers, members, shareholders or affiliates in connection with the non-completion of this Agreement or the Transaction.
- (c) Subject to the last sentence of the preceding paragraph, nothing in this Section 9.3 shall preclude any Party from seeking injunctive relief to restrain any breach or threatened breach of the covenants or agreements set forth in this Agreement or otherwise to obtain specific performance of any such covenants or agreement, and any requirement for securing or posting of any bond in connection with the obtaining of any such injunction or specific performance is hereby being waived.
